MGM-SSET-2014

PROCEDURE FOR ENTRANCE EXAMINATION AND SELECTION OF CANDIDATES FOR DM/MCh SUPERSPECIALITY COURSES AT MGM MEDICAL COLLEGES IN NAVI MUMBAI AND AURANGABAD FOR THE YEAR 2014-2015

1. INTRODUCTION

MGMIHS will conduct Superspeciality Entrance Examination (MGM-SSET) on 16.08.2014. The merit list of this entrance examination (MGM-SSET-2014) will be used for selection of candidates for admission to all DM & MCh Superspeciality Courses at the Medical Colleges in Navi Mumbai and Aurangabad for the academic year 2014-2015.

1.1 CLARIFICATION

The Hon'ble Supreme Court (Bench of Hon. 7 judges) had delivered a judgment on 12/8/2005 in the case of P. A. Inamdar in respect of 'rights and entitlement' of Government as against Private Professional Educational Institutions (including Private Medical Colleges/Institutions conducting Superspeciality Postgraduate Medical Courses). This judgment expects enactment of legislation by Central Government and in its absence, by State Government in this regard. This process has been initiated. However it is not certain, as of this date, as to when such legislation will come into force, as also its provisions.

In the meanwhile, in terms of the observations of the Hon'ble Supreme Court from the aforesaid judgment, at this stage, it appears that State Government cannot claim any quota/seats in these colleges/institutions and consequently cannot affect admissions in these Private Medical Colleges/Institutions, except to the extent agreed to with certain Institutions.

It is also hereby made clear in no uncertain terms that the same 'Common Entrance Test' that is proposed to be conducted in terms of this Brochure will govern such admission(s), if any.

1.2 The brochure for MGM-SSET-2014 contains a single application form for entrance examination as well as for admission to various DM & MCh Superspeciality Courses subject to eligibility criteria. It also contains procedure for admission, process of selection, number of seats available and the names of Institutes where these courses are conducted. These procedures are compact, specific and self-explanatory. These procedures are applicable to the seats available for the year 2014-2015.
