Dear Sir,

This is to inform you that few students admitted in the MBBS and many students of MD/MS programme for the academic year 2021-22 are yet to complete the eligibility process. Therefore, University is re-opening the online portal to fill the eligibility forms with late fees of Rs. 10,000/- per month from 01/07/2022 onwards for such students.

The online portal will remain open and penalty amount will be reflected as per accrued delay (Rs. 10,000/- per month)

Kindly note that the eligibility process is an important step to assign PR Numbers to the students to avoid any future academic inconvenience (Non granting of term / Non-eligibility to appear in the University exam).

No correspondence will be made in this regard in future by University. No request will be entertained to waive of the penalty under any circumstances.

This may please be informed to the concerned students.

Thanking you,

Registrar
