## CIRCULAR

(MGMIHS/A-89/2025/143-A      Date: 07.07.2025)

### **Sub: Value Added Courses (VAC)**

It is pertinent to note that no university curriculum can adequately cover all areas of importance or relevance. So, it is important for higher education institutions to supplement the curriculum to make students better prepared to meet health care industry demands as develop their own interests and aptitudes through short term courses which would help students stand apart from the rest in the job market by adding further value to their resume. Such courses would foster the overall growth of the students. Enrollment for these short term “**Value added courses**” (>15 hours’ duration) is voluntary in nature and free of cost (Some courses which are accredited by external agencies may be available on chargeable basis).

Therefore, all Students are requested to enroll for “Value Added Courses (VAC)” as per their choice for enhancing their skills & knowledge. Details of courses available are as follows:

List of Value-Added Courses (VAC): [Click here](#)

Interested students may contact the “Course Coordinators” for respective courses in order to enroll and any further clarification regarding the course.

Course completion certificate will be awarded to students who successfully complete the course as verified by the course coordinator.

The course (preferably) would be delivered in an offline mode with some hours may be considered for online mode as per need.

Heads of constituent units & Course Coordinators are requested to inform all students regarding the Value-Added Courses (VAC).
