Dear Esteemed customer,

Greetings from Elsevier and Welcome to ClinicalKey Student.

Thank you so much for your interest in exploring **ClinicalKey Student** (Next Generation Medical Education Platform) at MGMUHS. Since you have already been in talks with Mr. Chintan Parekh, your Account Manager, now I would be taking this discussion forward for addressing all your training and product related needs. In a nutshell, I will be your single point of contact for any product related queries and any related support.

Firstly, your access to **Clinicalkey Student** would be activated only once you redeem the attached "Remote Registration Ids & Passwords". We are happy to share with you the attached **500 Nos. Registration IDs & Passwords** to activate **remote access for** students and faculties. By redeeming the given ids and passwords your students and faculty can access ClinicalKey Student on their Desktops and on Mobile App from anywhere anytime.

*Request you to please visit: www.clinicalkey.com/student/register for redeeming the given id and password, followed by registration.

Will also share a **instructional video** over WhatsApp which can be circulated with the concerned team members. You can also share my contact details with your team in your communication, so that I could facilitate the process if needed.

We will initially wait for **3-5 days** for the students and faculty to redeem the ids and register themselves on ClinicalKey Student platform. Later we will send you an **online link** for attending **ClinicalKey Student Remote Webinar**, which can be circulated with your faculty and students. Using the webinar link, any student or faculty can attend the webinar from any remote location having internet connectivity.

Please also find attached the ID's for redemption and a registration guide PDF for your reference. You can get in touch with me or with Mr. Chintan Parekh in case of any queries.

Once again a Big Warm Welcome to the ClinicalKey Student Family.

Dr. Aagosh Chauhan

Clinical Engagement Manager

Dear Distinguished Team,

Greetings!!!

A gentle reminder to attend today's ClinicalKey Student Webinar:

Using ClinicalKey Student for remote teaching Undergraduate Medical Students

In this difficult and uncertain time, amidst the COVID-19 pandemic, we understand that many academic institutions are making unprecedented decisions to transition to a fully online curriculum and we, at Elsevier, are here to support you through this.

We would like to invite you to a webinar, where participants will:

1. Know how to use resources from ClinicalKey Student to bring your lectures to life
2. Get an overview about Elsevier ClinicalKey Student and how it supports to implement Medical Education pedagogies like Self-Directed-Learning and Assessments
3. Understand linking capabilities with collaboration platforms (Microsoft Teams, Zoom, LMS etc.)

Date: 09 April 2020, Thursday
Time: 03:00 PM – 04:00 PM

Speakers:

Dr Pragna Rao
Former Dean and Medical Education Head, KMC Manipal

Smruti Snigdha
Senior Product Manager, Elsevier Health Sciences Group

Dr Ishima Badhwar
Clinical Consultant and Lead for Engagement, Elsevier Health Sciences Group

Please join the webinar by clicking on

Dear Distinguished Team at MGM Medical College,

Greetings from Elsevier!!!

At the outset, We thank you for availing the Trial Access of Elsevier's ClinicalKey Student (Next Generation Medical Education Platform for UG Curriculum).

We hope that Team Elsevier has been able to manage expectations from the esteemed institute in terms of servicing by way of making product presentations, conducting regular training sessions and helping out Faculties & Students in accessing ClinicalKey Student.

The result of these efforts have been visible in the Excellent Manner in which the CK Student platform has been utilized by the faculties and students. We would also like to thank the faculties and students for their support during this time.

Taking the same into consideration, Elsevier had also extended the ClinicalKey Student Trial Access for your esteemed institution till 31st July' 2020. (from the initial expiry of 30th June' 2020)

Please find mentioned below, the brief summary of the CK Student Usage:

Usage Summary			
Weeks	Weeks 1-5	Weeks 6-10	Weeks 11-13
Active Users	72	152	156
Total Usage	1,167	2,417	2,923

Elsevier had also shared the Commercial Proposals on ClinicalKey Student (for the Navi Mumbai as well as Aurangabad Campus) basis guidance received from your side.

We are pleased to offer you the below revised multi year proposal on ClinicalKey Student for both the campuses:

Revised Quote ClinicalKey Student (Foundation + Assessment) (to be used by 600 MBBS Students via User Name & Password)			
	Year 1 (2020)	Year 2 (2021)	Year 3 (2023)

MGM - Navi Mumbai	\$30,000.00	\$32,400.00	\$34,992.00
MGM - Aurangabad	\$30,000.00	\$32,400.00	\$34,992.00

Please Note:

-

- The above pricing is exclusive of GST. However, if you provide us with the GST Number of the institution, our invoice will not carry 18% GST. You can take it directly with the Tax authorities whether you want to claim exemption or pay Tax (through Reverse charge mechanism – directly to the Tax Authorities)
- Access/Delivery Mechanism: Through User Name & Password basis
- The ClinicalKey Student Presentation along with the Master Content List is attached for your kind reference. Content is dynamic undergoing quarterly revisions.
- Offers or terms agreed in the proposal must be put into contract/agreement for them to become effective.
- The access will be for 12 Months starting from the day of activation
- Payment terms: Within 90 days of submission of invoice.
- The Proposed discounted price is strictly confidential and is intended for the authorized recipient only within India and should not be disclosed unless explicitly taken a written confirmation from Elsevier.
- The above special offer is valid subject to confirmation and activation on or before 5th November' 2020
- Elsevier will provide support in terms of regular awareness workshop and training sessions

We look forward to hearing back from you.

22 responses

1.How did you find the demonstration by Elsevier's in guiding you to use the Elsevier clinicalkey/Student resources

22 responses

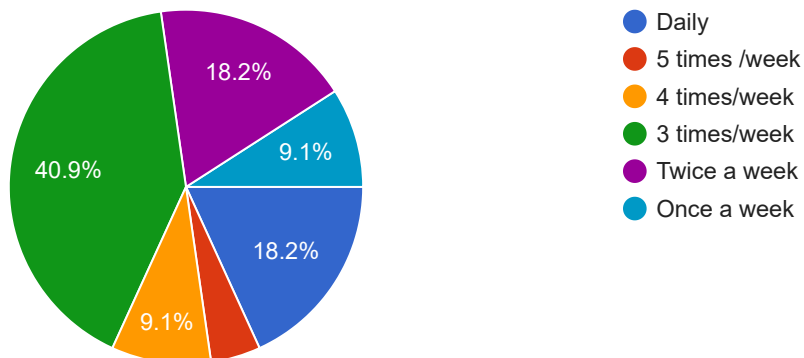

2.Are you using Elsevier's clinicalkey/student

22 responses

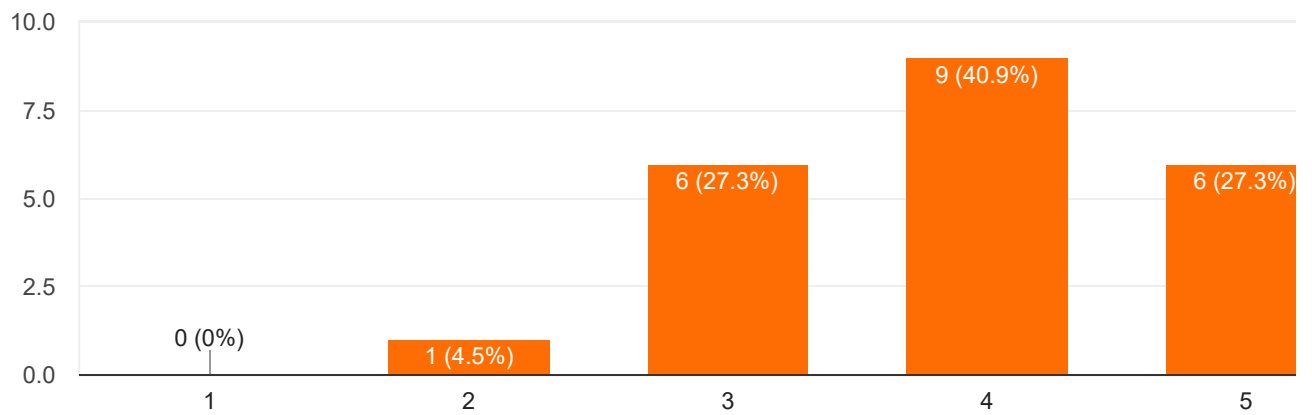

3.How often do you use Elsevier's clinicalkey/student?

22 responses

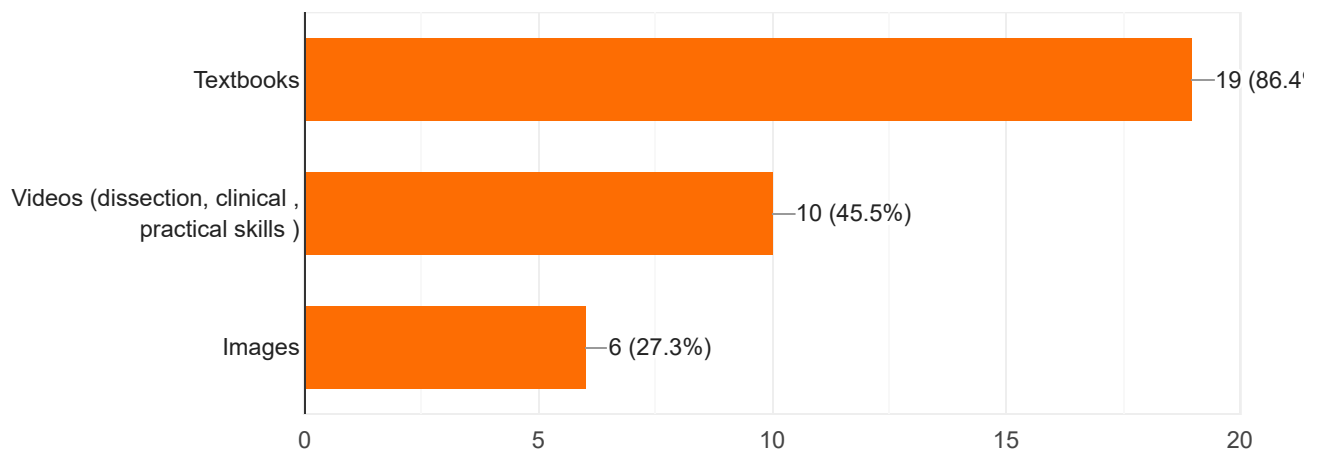

4. How easy or comfortable are you in using the resources?

22 responses

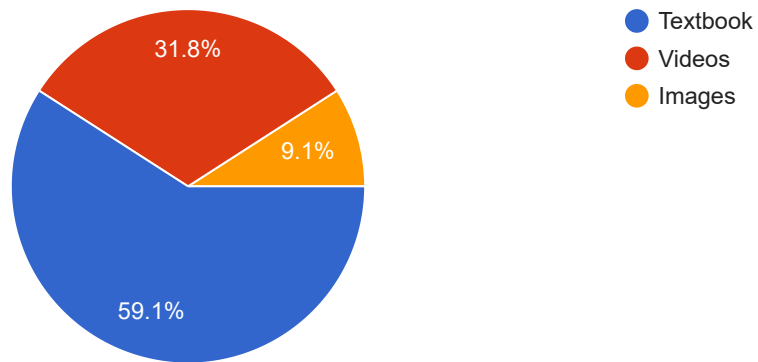

5. What resources do you use frequently? Can tick more than one

22 responses

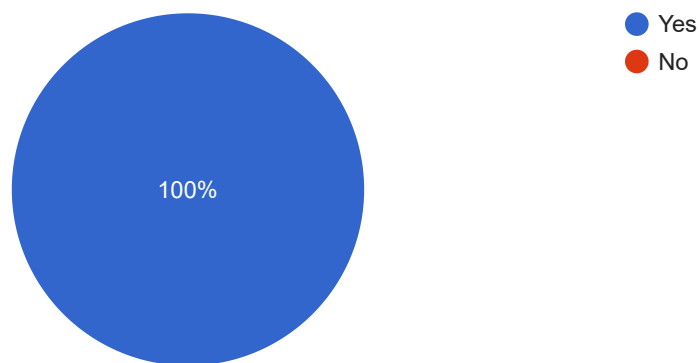

6. Which resource has been extremely helpful to you?

22 responses

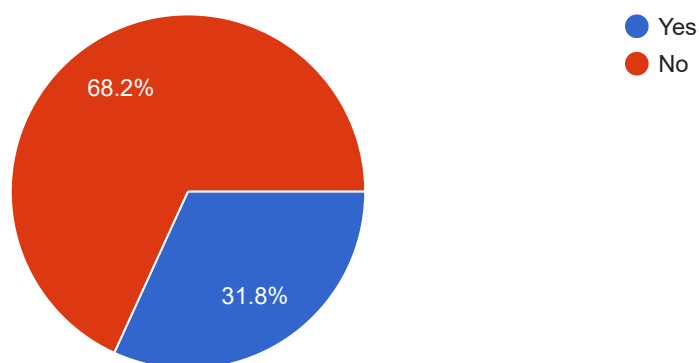

7. Would you recommend Elsevier's clinical key students to other friends?

22 responses

8. Is another demonstration session necessary?

22 responses

11.Any suggestions of how we can increase the utility of these resources by Elsevier's clinical key student.

22 responses

No

Provide more Indian author books

None

Keep another demonstration

Not just by creating awarness but if more and more number of students start using it then they'll refer to other people which would help ! More sessions regarding clinical key should be done which may help a lot !

Its a little difficult to access and navigate at start so some people may find it tough to use

If you could explain how find other stuff like videos, tests and clinical cases on a particular topic on clinicalkey

Better to have all authors of subjects.

Subject: ClinicalKey Student: Congratulations on winning the Remote Teaching Expert Award

Dear Dr. Rita Khadkikar

Thank you for supporting ClinicalKey Student trial in Mahatma Gandhi Mission Medical College & Hospital.

We are pleased to share a certificate of appreciation for your contribution.

Your vision for smart education and expert guidance has helped us connect with your institute & communicate how

ClinicalKey Student is enhancing medical teaching & learning experience.

We cherish our association and hope for your continuous support.

Regards
Team Elsevier
