We had the honor of having amongst us, Dr. Rita Khadkikar (Associate Professor, Department Of Physiology, MGM Medical College) who shared her views on 'Peer Pressure And Its Effects On An Individual's Mental Health' and enlightened us to spread awareness about mental health and extend our support to anyone in need, including ourselves. Strategies to identify signs of anxiety and depression and how to cope with them were also taught. After the wonderful talk, the NSS volunteers organized a small group activity called 'Happy Ville'. In the meantime, a bowl of chits with positive and motivational quotes written on them called 'Cope Pills' were passed around in the audience. These aimed to help students cope with a bad day.
