Dear Dr. Mullerpatan,

I am writing to invite you to visit the Centre for the Study of Sport and Health at Saint Mary's University and to participate in an international symposium on Recreation, Sport and Social Health on October 4, 2019. We would like you to participate in the opening session "Recreation Sport and Social Health in India and North America: Prospects of Collaborative Research Initiatives." Other panel members on this session are Dr. Brian Kennedy, Pasadena City College California who is visiting research associate at the CSSH while on sabbatical, and Dr. John Reid, President, Shastri Institute Canada and senior research associate at the Centre.

In addition to your participation in this symposium, your visit offers an opportunity to discuss in some detail future research connections involving our two institutions, and the potential for students and faculty exchanges in the future.

Your interest in recreational activity as an antidote to life-style related illness is one that researchers at the CSSH share. We are delighted that you are willing to visit and will do our utmost to ensure that your time in Halifax is both rewarding and enjoyable.

Best wishes,

Dr. Colin Howell
