Time:10 am.

During lockdown period, outreach activities have been limited to only essential services. Every 9<sup>th</sup> of the month under Pradhan Mantri Surakshit Matritva Abhiyan, we conduct ANC checkup at our RHTC (PHC, Nere) which is one of the major outreach activities of MGM Medical College. Due to the pandemic of Covid-19, ANCs are advised not to leave secure home environment unless absolutely required. Although, many ANC mothers from our RHTC catchment area come from remote tribal region and are deprived of any medical health facility in their vicinity. Our ANC monthly checkup becomes essential for them. Hence we decided to be present in the RHTC (PHC, Nere) on 9th May 2020 for those women who turn up for any kind of ANC services.

In this critical period where very few healthcare facilities are available in this region, our hospital has become a major pillar of support for the community all around Panvel. Our referral services are functioning well and ANCs are being referred for delivery to MGM Hospital Kalamboli, where their deliveries are conducted free of cost.
