- 5

Suggest Modifications in Existing Curricula:- *

New CBME curriculum/syllabus is very relevant and it's mainly emphasize on practical application.
Needs to implement it meticulously as done in I MBBS.

Suggest Modifications in Existing T/L Methods Based on Curricula:- *

In covid 19 pandemic situation where the clinical posting/ bed side teaching is hampered needs to compensate with the simulated case along with short videos of practical demonstration like clinical examination, general examination etc.
