MEDICAL EDUCATION UNIT (MEU)

URGENT

Date: 29/6/2019

Place: Kamothe, Navi-Mumbai.

To,
All HODs,
MGM Medical College,
Kamothe.

Sub: Faculty Training in "MCI AETCOM and Revised Basic Course Workshop in Medical Education Technologies" at M.G.M. Medical College, Navi Mumbai from 8th to 11th July 2019".

Dear Sir/ Madam,

As per MCI, it is mandatory for all the teaching Medical Faculties to undergo MCI recognized workshop in Medical Education Technologies.

Thus the Medical Education Unit (MEU) of MGM Medical College, Navi-Mumbai is organizing the 4-days MCI observed "AETCOM and Revised Basic Course Workshop in Medical Education Technologies" for Faculties of MGM from 8th to 11th July 2019".

The timings of the workshop on all 4 days will be from 8.30 am to 5 pm in MEU Conference Hall, 1st floor, MGM College Building, with mandatory attendance for all the sessions. These training programmes will be conducted in batches.

All the HODs are requested to kindly relieve the selected Faculties (List attached) from respective departments for the said workshop. The deputed faculties should be relieved from their routine and emergency duties on all the 4 days. **You are requested to communicate to the selected Faculties from your department about the training programme.** The deputed faculties should be punctual especially about the timings and attendance on all 4 days of workshop.

In case of any queries, you may contact the MEU Co-ordinator. Kindly treat this as urgent please.

Dr. (Mrs.) Mrunal Pimparkar
Co-ordinator, Medical Education Unit,
Professor, Community Medicine-

Dr. G.S. Narshetty
Dean
Dean.

Annexure IV

Name of Regional/ Nodal Centre: Seth G.S Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

Session Evaluation Questionnaire

Please help the presenters to improve their presentation by completing this form. Please be precise in your suggestions.

DAY 1: 08/7/19				
Session	What was good about this session	How this session could have been made better	What about this session needs to be changed	Any other remarks
Ice Breaking & Group Dynamics	Group interaction, good talk, Good to know all faculty members in ice breaking, innovative approach, interactive session, negative feedback explained well, informative, motivational for team work, interesting and very informative, easy language with good examples, nice quick introductory session, interactive, very comprehensive, important lessons learnt, relevant, use of good tasks and examples, good presentation and activity, content and interaction with audience lively,	Time constraint so could have been a little more elaborate, more time required to acquaint , exam using videos needed, Role play,	Add Role play	Nil

Systems Approach	Interactive, informative and inclusive, Very descriptive, vivid, good examples provided, concept clearing session, very explanatory, excellent, comprehensive, excellent slides, well explained, made lucid, audience interaction, Good PPT , good content and slides, interaction with audience,	Need some more examples to explain , Slightly shorter duration	Nil	Good interaction
Learning Process & Adult Learning	Very concise and thorough, Inclusive, very well discussed, Excellent, very precise, good examples, explained in humorous way, well organized, new insights especially androgogy, nice session, systematic, good presentation, good group activity,	More emphasis on adult and child learning, Could have been elaborated with examples,	Nil	Simplified
Goals, Roles, Competencies: CBME	Good session, learner centric, Elaborate, descriptive, very well explained, Got introduced to something new, informative, very comprehensive, well explained slides with examples, good information about new concept, practical approach	Few more examples may help	Nil	Excellent

Learning Domains, Progression of Learning	Well described, good slides, made very easy to understand, interesting, well explained, interactive, made very interesting, Good session, informative, very relevant and simplified, crisp and informative, cleared concepts, excellent session, Focused, Good slides, good interaction with audience, good concepts and presentation	More examples required, time was inadequate,	Nil	Nil
Objectives – Writing objectives – Developing objectives from competencies, linking learning a assessment with competencies	Clear and concise definitions, practical guidance to writing SLOs, vivid description, good examples given, interactive, Formation of SLOs very well explained, good session, informative, good session, good PPT, excellent session, doubts cleared, good content, good method of presentation,	More examples required, more exercises should have been given practice	More time to be given for this s	Nil
Workshop on writing objectives	Well described, SLOs clearly discussed, Practically done, well set examples given, interactive, Formation of SLOs very well explained, informative, precise, Good activity, good session, interesting, new concept, Stimulating, good exercises, discussion, good group interaction	Time constraint for discussion, Information was good but more repetitions required , more time required	Should be more simplified, Could be more elaborative	Nil
Introduction to Assessment	Clear definition and concepts, informative and good to know in detail assessment methods, interactive, good session, explanatory, informative, crisp and precise, important session, doubts are cleared, Good PPT, detailed new methods in evaluation and assessment	More examples required,	Could be more elaborative	Nil

Annexure IV

Name of Regional/ Nodal Centre: Seth G.S Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

DAY 3: 10/7/19				
Session	What was good about this session	How this session could have been made better	What about this session needs to be changed	Any other remarks
Discussion on ATCOM: Reflection and Narrative	Informative, Well explained, Good topic and interaction, PPT explanation and group activity, New and interesting, Made very simple with good examples and good understanding, Good presentation, Good expression and language, Excellent speaker, Highly informative, Very well presented and explained, Difficult topic taught with great understanding, Brilliant session,	May be little introduction of topic the previous day for familiarization	To introduce the topic earlier, More sessions needed on this topic	Can be very good for personal growth, Best session, Important to include in curriculum,

	Excellent lecture, very well taught, New terminology, Participative session, importance of reflection, concepts clear, sessions enjoyable, good examples,			
Matching assessment to competency, objectives an learning Workshop – Choosing the right assessment	Informative, Good session, Good presentation, explanation and group activity, interesting session, Very good presentation, Informative, Very practical demonstration, Interactive, good tasks, Good activity, Learnt importance of choosing the right assessment, clear and concise Active participation of learners,	Nil	Exercises should have been given,	Nil
Effective clinical and practical skill teaching	Teaching is excellent, Interactive session, Good presentation, Active group discussion, interesting session, Good PPT, Excellent presentation, Very informative, Good content and interactions, Well planned, many new concepts, Learnt importance of OSCE, OSPE, Good session, Directive, easy examples made the topic easier, elaborative and effective, Comprehensive, simplified presentation,	Nil	Nil	Nil

Assessment of clinical and practical skills	Practical approach, good session, good presentation and group activities, Interesting session, nicely delivered lecture, Informative, effective group task, content was precise, Very practical, clear, Interactive, All points very well highlighted,	Could give a video on OSCE	Nil	Nil
Improving SDL through technology	Interesting, good interaction, good presentation, awareness about topic, Informative, good content, very effective slides having more impact, clear, Interactive,	Nil	Nil	Good speaker
Feedback	Informative, helpful session, good presentation and group activity, Interesting session, , Informative, good content, very practical, Very well timed, Good group task, illustrative, clear, good examples, Interactive, relevant topic for teachers,	More time should be allotted	Nil	Activity was very helpful
Educational networking for growth	Excellent session, Good presentation, Interesting session, , Informative, Excellent oration and information, Good content and examples, Great lecture, clear, illustrative, clear, Excellent communication, Interactive, Interesting,	Nil	Nil	Stimulated faculty for interaction

Feedback of Pre-Post test

	A. Direction: Given below are 15 statements. Encircle the alphabet T (True) or F (False) whichever is applicable for the following statements.	Pre test (%)	Post test (%)
1	The purpose of training medical teachers in systems approach is for holistic development of students.	96.42%	100%
2	To achieve its goal a medical institution needs to be a closed system.	82.14%	96.30%
3	Teaching of undergraduate medical students should be based on adult learning principles.	71.43%	88.89%
4	The stage where members of the group have high trust, clear purpose, shared responsibilities and good communication is called norming.	67.86%	88.89%
5	Adults value learning that integrates with the demands of their everyday life.	92.86%	85.19%
6	The element of a specific learning objective that describes the acceptable level of proficiency is called condition	28.57%	22.22%
7	Lecture is always a teacher-controlled method of teaching.	64.28%	29.62%

8	The purpose of small group teaching is passive learning.	75%	88.88%
9	Use of blackboard as a teaching aid facilitates concentration amongst students by attracting attention.	78.57%	81.48%
10	An assessment is valid when it measures what it purports to measure.	96.42%	92.5%
11	Viva voce lacks reliability.	64.28%	77.77%
12	A difficult MCQ must be stored if it is relevant.	82.14%	92.59%
13	Prevalidation of MCQs should be as far as possible an individual effort.	75%	77.77%
14	The MCQ with a negative discrimination index can be used in entrance examinations.	21.4%	62.96%
15	Cognitive, psychomotor and affective domains can be evaluated using Objective Structured Clinical Examination (OSCE).	92.86%	88.88%

B. Direction: foreach of the following items below, the given statements are true or false. Encircle T if the statement is true, and F if the statement if false.

Sr No		Pre test		Post Test	
			%		%
1.	The purpose of assessment is				
	a) Safe guarding the public		46.42%		40.74%
	b) Monitoring learning process		92.86%		92.5%
	c) Modifying learning activities		85.71%		81.48%
	d) Determining programme effectiveness		85.75%		81.48%
2.	The advantage of Objective Structured Clinical Examination (OSCE) as a method of evaluation is				
	a) It requires less time		46.42%		62.96%
	b) It maintains uniformity		92.86%		100%

	c) Faculty training is not required		82.14%		81.48%
	d) Resources required are limited		67.86%		66.66%

	C. <u>Direction:</u> Encircle the alphabet corresponding to the most appropriate answer.	Pre test (%)	Post test (%)
1	In a written assessment, problem solving ability can be best tested by	35.71%	37.03%
2	Long answer questions (LAQ) as an assessment tool is	64.28%	77.77%
3	Which one of the following types of MCQs is framed when the distractors are of unequal length?	21.4%	22.22%
4	Which one of the following types of MCQs tests recall of facts?	35.75%	44.44%
5	What should be the minimum % of students responding to a distractor, so that it can be considered as an effective alternative?	25%	74.07%
6	What does an item difficulty index represent?	33.14%	37.03%
	D. Following are the terms used for progression of learning – 1) Goal 2) Competency 3) Learning Objective		
	a) The student shall be able to examine a patient with hernia and explain him the treatment options.	28.57%	37.03%
	b) The student shall be able to demonstrate ability to perform a	28.57%	29.62%

	<p>physical examination that is complete and relevant to disease identification, disease prevention and health promotion.</p> <p>c) The student shall be able to function effectively as a physician of first contact with global relevance.</p>	39.28%	55.55%
	<p>E. Following are 3 domains of educational objectives:</p> <p>1) Cognitive</p> <p>2) Affective</p> <p>3) Psychomotor</p> <p>Write in the bracket provided, the number corresponding to domain of each objective.</p>		
	<p>a) The learner shall be able to write a prescription for a patient with headache.</p> <p>b) The learner shall be able to reassure an anxious patient awaiting an invasive procedure.</p> <p>c) The learner shall be able to enumerate the commonly used antihypertensive drug.</p> <p>d) The learner shall be able to perform cardiopulmonary resuscitation in emergency situations.</p> <p>e) The learner shall be able to estimate urine proteins under supervision.</p> <p>f) The learner shall be able to listen actively to patient's complaints.</p>	<p>35.71%</p> <p>50%</p> <p>67.85%</p> <p>53.57%</p> <p>35.71%</p> <p>32.14%</p>	<p>51.85%</p> <p>74.07%</p> <p>88.88%</p> <p>59.25%</p> <p>62.96%</p> <p>66.66%</p>

Annexure VI

Name of Regional/ Nodal Centre: Seth G.S Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

Program Evaluation Questionnaire

Dear Participant,

The purpose of this questionnaire is to obtain your feedback on the effectiveness of the sessions which you underwent during the pre-conference workshop. Your response will help us in improving such activity in future. You may not reveal your identity if you like. Your response will be held confidential and used only for research purpose. We thank you for your cooperation.

Questions	Yes	No	Not sure
1. Were the objectives of the workshop largely achieved?	27	0	0
2. Do you find workshop useful for your professional activities?	26	0	1
3. Did the workshop elicit your active participation?	27	0	0
4. Were the learning resources distributed were helpful?	26	0	1
5. Were the faculty helpful and responsive to your learning needs?	27	0	0
7. Do you recommend the organization of similar activity? If yes, please mention the frequency/ venue:	22 Monthly- 1 Three monthly-3 Annual-1 No response- 20 Once in two years-1 Twice a year- 1	1	4

8. Did the workshop have a balance of Theory and Practical?	Too much of theory 6	Too much of practical 0	Optimum propd 21
9. Was the time management satisfactory?			
	Program was Too tight 04	Program was Too relaxed 0	Program was Optimum 23

Organizational Aspects	Good/Fine	Fair/OK	Poor/could be improved
10. Audio-Visual arrangements	26	1	0
11. Venue arrangements	25	2	0
12. Food and catering	22	5	0

List over all strengths of the workshop:

- Good arrangements
- Interactive, illustrative, participative
- Clear, concise
- Workshop was good and praise worthy
- Good speaker
- Interactive sessions
- Good efforts taken from MEU members
- Informative
- More knowledge giving
- Enthusiastic faculty
- Good content
- Good use of task to involve the audience
- Excellent Faculty
- Good team work
- Active involvement of participants
- Excellent group activities

- Elaborative and lucid
- Comprehensive, optimum balance between theory and practical
- Friendly atmosphere
- Good case discussions
- Contents delivered were good
- Well structured
- Proper time management

List the deficiencies/limitations:

- 4 days workshop too long, should be for 3 days
- Little exhaustive
- Too many topics taught in a 4 day time

Comments and suggestions:

- Give reading material a week before so that attending faculty may read it before and get familiar to concepts before workshop
- Good sensitization sessions for teachers
- Excellent workshop, learnt a lot
- Optimally organized

Report of workshop on “MCI AETCOM and Revised Basic Workshop in Medical Education Technology” conducted by MGM Medical College, Navi-Mumbai from 8th -11th July 2019

Name of MCI Observer: Dr. Neena Sawant, Additional Professor, Psychiatry, Seth G.S. Medical College & KEM Hospital, Parel, Mumbai.

The Medical Education Unit of MGM Medical College, Navi-Mumbai conducted the “1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology” under the governance of the Nodal/ Regional centre -Seth. G.S. Medical College & KEM Hospital, from 8th -11th July 2019.

Dr. Neena Sawant, Additional Professor, Psychiatry, Seth G.S. Medical College & KEM Hospital, Parel, Mumbai was appointed as the MCI observer for this workshop.

MGM Medical College, Navi-Mumbai is grateful to Medical Council of India for granting permission to conduct these workshops under the aegis of Nodal Centre, GSMC-KEM Hospital, Mumbai. Continuous guidance and inputs regarding the conduct of the workshop and knowledge resources were provided by GSMC KEMH, Mumbai, for the workshop. We are extremely indebted to the entire MEU faculty from GSMC KEMH for helping us to conduct the workshop effectively.

Name of Regional/ Nodal Centre: Seth GS Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

The MEU Members who had successfully completed the RBW & AETCOM workshop at the Nodal Centre were included as resource faculty for the workshop. A MEU meeting was called and the faculties were explained the outlines and objectives of the workshop. The List of topics and related resource material were distributed to the faculty members. The various speakers discussed their topics and finalized the content, duration, handouts, role play and group activities for the participants. The certificates were printed as per the format given by the Nodal centre.

Faculties from preclinical, para clinical and clinical departments of the college were selected. Prior to the workshop, a day before, the MEU had called a meeting for all participants, wherein they were briefed about the coming 4 days workshop, schedule and necessary instructions were given to them.

The total no. of participants who attended the RBW & AETCOM workshop from 8th -11th July 2019 were 27. One participant from the list sent earlier, could not attend this workshop due to medical reasons. All the participants were from the parent college. Their designations were as follows: a) Professor- 5, b) Associate Professor- 6 and c) Assistant Professor- 16. Faculties from preclinical, para clinical and clinical disciplines were 6, 3 & 18 respectively. The list of participants is attached in the Annexure I.

The Program titled “**RBW & AETCOM workshop**” was conducted for a period of 4 days from **8th -11th July 2019**, and the copy of programme is attached in Annexure II.

Day one (8th July 2019) of the workshop:

The first day (8th July 2019) of the workshop started with Registration and breakfast. The participants were divided into 5 groups. Respected Dean Dr. G.S.Narshetty inaugurated the workshop, welcomed MCI observer Dr. Neena Sawant and addressed the audience. The MEU

Name of Regional/ Nodal Centre: Seth GS Medical College and KEM Hospital, Parel, Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

Co-ordinator, Dr. Mrunal Pimparkar gave the workshop orientation to the participants. The participants filled the pre test forms.

Dr.Mrunal Pimparkar began with "Ice breaking and group dynamics". This was followed by sessions on "System's Approach, Principles of adult learning, Learning process", which was taken by Dr. Siddharth Dubhashi. There was lot of enthusiasm among the participants during the activity. Dr. R. S. Inamdar took a session on "Goals, roles and Competencies: CBME and The IMG – Goals, roles and Competencies", while Dr. Shilpi Sahu took session on "Learning domains and progression of learning". Group activity was given and was well appreciated by all participants.

Following lunch, Dr. Anjali Sabnis & Dr. Ipseeta Ray took the session on " Objectives - Writing objectives - Developing objectives from competencies, linking learning and assessment with competencies". The session was very much appreciated by all participants. This was followed by sessions on "Workshop on writing objectives" conducted by Dr. Jaishree Ghanekar, followed by " Introduction to assessment" by Dr. A. D. Urhekar. The speakers shared their most cherishing teaching learning experience with the audience. The day ended with feedback on the sessions conducted during that day. The participants filled the required feedback / evaluation forms.

Day two (9th July 2019) of the workshop:

On day two- Dr. Jaishree Ghanekar & Dr. Rita Khadkikar jointly conducted session on "Choosing a teaching method for objectives and competencies – Workshop", while Dr. Mrunal Pimparkar &

Name of Regional/ Nodal Centre: Seth GS Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

Dr. Anjali Sabnis spoke on ” Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media”. Thereafter there was a session on “Writing a lesson plan” by Dr.Bageshree Seth.

The sessions were brainstorming and after lot of deliberations, the participants came up with a constructive feedback. Dr. A.D. Urhekar & Dr. Ipseeta Ray took session on “Assessment planning and quality assurance, Writing the correct essay question, short answer question and MCQ”. Dr. R.S. Inamdar & Dr. Kalpana Rajiv Kumar took session on “Internal assessment and Formative assessment” The day ended with feedback on the sessions conducted during that day. The participants filled the required feedback / evaluation forms.

Day three (10th July 2019) of the workshop:

On day three, Dr. Rita Khadkikar conducted session on” Reflection and Narrative”. This was followed by session on “Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment” which was jointly taken by Dr. Mrunal Pimparkar & Dr. Shilpi Sahu. Both the sessions generated a lot of curiosity and interest to learn more. Dr. Bageshree seth spoke on “Effective clinical and practical skill teaching”. The participants found the sessions very interesting. Dr. Jaishree Ghanekar & Dr. Kalpana Rajiv Kumar jointly conducted session on” Assessment of clinical and practical skills”. Dr. Anjali Sabnis conducted session on Improving SDL through technology”. Dr. Darpan Kaur conducted session on ” Feedback” while Dr. Siddharth Dubhashi took session on “Educational networking for growth”. The participants found the sessions quite interactive and informative. The participants were given various exercises, which was effectively done.

Day four (11th July 2019) of the workshop:

Name of Regional/ Nodal Centre: Seth GS Medical College and KEM Hospital, Parel, Mumbai.

Name of Medical College where 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology was held: M.G.M. Medical College, Navi Mumbai.

Dates for 1st MCI AETCOM and Revised Basic Workshop in Medical Education Technology: 8-11 July 2019

On day four, Dr. R.S.Inamdar conducted session on” GMR: Goal, Roles, Competencies Overview of attitudinal competencies in revised GMR Project AET-COM: purpose, mission and objectives”. This was followed by session on “The AET-COM booklet” which was taken by Dr. Siddharth Dubhashi. Open House was conducted by Dr. Mrunal Pimparkar, Dr. Siddharth Dubhashi, Dr. R.S. Inamdar, Dr. Jaishree Ghanekar . All the sessions generated a lot of curiosity and interest to learn more.

“Linking of AET-COM modules with Competencies, Objectives, Teaching-Learning methods and Assessment. Use Template from AET-COM competencies: I. Competency, Objective & Teaching Learning

II. Competency, Objective & Assessment “was taken by Dr. Shilpi Sahu & Dr. Rita Khadkikar.

Dr. Ipseeta Ray & Dr. Darpan Kaur spoke on “Teaching Ethics cases”. The participants found the sessions very interesting. Dr. Jaishree Ghanekar & Dr. Bageshree Seth jointly conducted session on” Teaching Communication skills cases”. Dr. Mrunal Pimparkar conducted session on “Reflection”. The participants found the sessions quite interactive and informative. The participants were given various exercises, which was effectively done. Opewn House was conducted by all Faculties.

The participants then filled the required feedback and evaluation forms. Following open house, the programme ended with a Valedictory Function. Many participants and speakers spoke about their experiences and gave constructive feedback. The participants appreciated the workshop and assured that they would implement what they learned from the various sessions.

The sessions were assessed by the participants using evaluation forms from the MCI. The participants were extremely satisfied with the overall arrangements and conduct of the workshop.

Name of Regional/ Nodal Centre: Seth GS Medical College and KEM Hospital, Parel, Mumbai.

“Workshop Report of “Competency Based Medical Education (CBME) Orientation workshop for Teaching Faculties”.

Introduction: The aim of imparting Medical education is to train graduates to efficiently take care of the health needs of the society. The current medical education system is based on a curriculum that is subject-centered and time-based. Competency-based medical education (CBME) has been suggested and tried to tackle these concerns. Competency is defined as “the ability to do something successfully and efficiently,” and CBME is an approach to ensure that the graduates develop the competencies required to fulfill the patients’ needs in the society.

Thus workshops in CBME were conducted in batches for all the pre, para and clinical Faculties of MGM Medical College, Navi-Mumbai in batches. The Resource Faculties for the workshop were trained at MCI regional centre- Seth G.S. Medical College & KEM Hospital, Parel, Mumbai.

The “Competency Based Medical Education (CBME) Orientation workshop for Teaching Faculties”. were conducted on the following dates:

Sr. No.	Dates of workshop	No of Teaching Faculties trained(in batches)
1	7 th March 2019	59
2	4 th & 5 th April 2019	11
3	8 th – 9 th April 2019	12
4	4 th October 2019	16
5	10 th October 2019	16
6	11 th December 2019	25
7	19 th December 2019	23
8	20 th December 2019	22
Total:		184

Faculties actively participated in the Training workshops.

All HODs,

Illrd MBBS Part I & Part II Subjects/ Depts

MGM Medical College,

Navi-Mumbai.

Sub: "Competency Based Medical Education (CBME) Orientation workshop for Faculties".

Dear Sir/ Madam,

As per the new MBBS curriculum by MCI, it is mandatory for all the Teaching Faculties to be trained in Competency Based Medical Education (CBME).

The Medical Education Unit (MEU) is organizing a one day "Competency Based Medical Education (CBME) Orientation workshop for Faculties".

The one day CBME Orientation workshop will be conducted for Teaching Faculties (Asst. Prof and above) on 11th, 19th and 20th December 2019 in batches, from 9 am to 4 pm in MEU Conference Hall, 1st floor, MGM Medical College Building.

You are requested to depute 2-3 faculty members from your dept as per the Faculty strength of your dept on either of the above mentioned dates. Kindly ensure that all your Faculties are trained in CBME. Kindly ensure their availability on the deputed dates and communicate to them accordingly.

Those Faculties who have undergone MCI CISP workshop from 24th to 26th April 2019 are exempted from attending the above mentioned workshop.

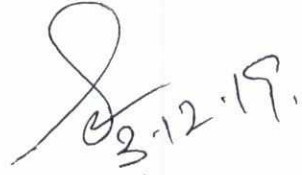

Kindly send the details of the Faculties deputed from your dept in the attached Template on or before 5th Dec 2019, to Dr. Jaishree Ghanekar, MEU Co-coordinator and Professor & Head, General Medicine.

“Workshop Report of “Competency Based Medical Education (CBME) Orientation workshop for Teaching Faculties”.

Introduction: The aim of imparting Medical education is to train graduates to efficiently take care of the health needs of the society. The current medical education system is based on a curriculum that is subject-centered and time-based. Competency-based medical education (CBME) has been suggested and tried to tackle these concerns. Competency is defined as “the ability to do something successfully and efficiently,” and CBME is an approach to ensure that the graduates develop the competencies required to fulfill the patients’ needs in the society.

Thus workshops in CBME were conducted in batches for all the pre, para and clinical Faculties of MGM Medical College, Navi-Mumbai in batches. The Resource Faculties for the workshop were trained at MCI regional centre- Seth G.S. Medical College & KEM Hospital, Parel, Mumbai.

The “Competency Based Medical Education (CBME) Orientation workshop for Teaching Faculties”. were conducted on the following dates:

Sr. No.	Dates of workshop	No of Teaching Faculties trained(in batches)
1	7 th March 2019	59
2	4 th & 5 th April 2019	11
3	8 th – 9 th April 2019	12
4	4 th October 2019	16
5	10 th October 2019	16
6	11 th December 2019	25
7	19 th December 2019	23
8	20 th December 2019	22
Total:		184

Faculties actively participated in the Training workshops.

**Report on Guest Lecture by Surg Capt Dr. Sougat Ray on “Basic Research Methodology” for
Faculties and PG students on 23/12/2019.**

Introduction:

In order to promote, facilitate and ensure conduction of Medical scientific research, it is imperative to train Faculties and post graduate medical students in Basic Research Methodology. The PG students are thus trained in Basic Research Methodology by the Medical Education Unit regularly. Apart from this, expert Faculties are invited from other Institutes to deliver lecture on Research methodology.

In lieu of this, a Guest Lecture on ‘Basic Research Methodology’ was jointly organized by the Dept. of Radiology and Medical Education unit of MGM Medical College, for Faculties and PG students on 23/12/2019. **The Guest Lecture was delivered by Surg Capt Dr. Sougat Ray , Professor, Dept of Community Medicine, INHS Asvini, Colaba, Mumbai.**

The details of the program are as under:

Name of Programme: Guest Lecture on ‘Basic Research methodology’

Date: 23/12/2019

Time: 2 pm to 5 pm

Venue: 2nd Floor, Seminar Hall, MGM Hospital Bldg., Kamothe

Resource Person: Surg Capt Dr. Sougat Ray, Professor, Dept of Community Medicine, INHS Asvini, Colaba, Mumbai & Editor of Marine Medical Journal.

No. of participants (faculties & PG students): 138

The participating Faculties and PG students actively participated in the sessions. All the sessions were interactive and informative.

Report of Workshop for Teaching Faculties on “Writing Research Projects”

Introduction:

Writing a Research project requires good understanding of Research methodology, acquiring funds from Funding agencies like ICMR, DBT etc. In order to promote, facilitate and ensure conduction of Medical scientific research, it is imperative to train Faculties on how to write Research projects.

As per the directives from Dr. Shashank Dalvi, Honorable Vice-Chancellor, MGMIHS, Navi-Mumbai, the teaching faculties need to be trained in how to write a research project for seeking research grants from Government and Non-government agencies like ICMR, DBT etc.

In lieu of this, the Medical Education Unit of MGM Medical College conducted a 3 days half day workshop on “Writing Research Projects” for teaching faculties (in small group, in batches) under the guidance from Dr. G.S. Narshetty, Dean, MGM Medical College and Dr. Sabita Ram, Director Research, MGMIHS, Navi-Mumbai. All precautions like maintaining social distancing, provision of sanitizers, ensuring use of masks were followed.

The details of the program are as under:

Name of Programme: Workshop for Teaching Faculties on “Writing Research Projects”

Date: 14th to 16th October 2020

Time: 10 am to 1.00 pm (on all 3 days)

Venue: 3rd Floor, Auditorium, MGM Medical College Bldg, Kamothe

Resource Person: Dr. Bani. B. Ganguly,

Honorary Professor cum Research Advisor, MGMIHS, Navi-Mumbai.

No. of participants: 24

Planning and Execution:

Circular was send to all HODs of MGM Medical College, to depute 1-2 Faculties for the above mentioned workshop. Dr. Bani Ganguly prepared and forwarded the 3 days Programme schedule and contents of training workshop. Necessary arrangements like AV Aids, food etc were made. Certificates for participating Faculties were printed.

On the first day of workshop, Dr. Mrunal Pimparkar, MEU Co-ordinator welcomed the Resource Faculty, Dr. Bani Ganguly, Dr. Sabita Ram and all participants. Dr. Mrunal gave overview of the workshop.

Dr. Bani Ganguly taught the participants about following various aspects of writing Research projects:

- Experience gained from writing project for DBT-UMMID Initiatives
- Discussion on the components of the application/terminologies
- Introduction: meaning and probable contents of the sub-heads of the introduction
- The main components of the project:
- Overall and specific objectives;
- Methodology/technicalities;

- work already done in the field;
- facilities available with the investigators/institutes;
- planning of execution/work plan;
- time line/milestones;
- flow charts/diagram/schematic planning; etc.
- Budget components and how to propose budget
- Justification of the proposed components/budget amount
- Documents to support the budget
- CV of the investigators/Filling the project application forms
- Declaration by the institute/no objection certificate from the institute
- Other supportive documents/Ethical and regulatory clearance
- Presentation of the final project/merit/quality of a research project
- Components of research projects funded by ICMR
- Components of research projects funded by CSIR/DST
- Presentation of the projects by the group leaders, and discussion

The participants were then given a group activity. They were divided into 4 groups and asked to work on a tentative project which they would propose to funding agency. The details of same are as under:

Group No.	Participants	Tentative proposed Research project title
1.	Dr. Prasad Waingankar (Team Leader) Dr. Preeti Kapoor Dr. Rita Khadkikar Dr. Nisha Relwani Dr. Yashoda Kattimani Dr. Sonia Miskita	Longitudinal study of Morbidity and re-infections due to Corona virus and effect of rehabilitative measures in patients admitted at tertiary care hospital in Raigad.

2.	<p>Dr. Z.G. Badade (Team Leader)</p> <p>Dr. Sameer Kadam</p> <p>Dr. Vishwas Sathe</p> <p>Dr. Deepika Sathe</p> <p>Dr. Mukesh Soni</p> <p>Dr. Sameer Pachpute</p>	<p>Sleep Apnoea in obese Diabetics Type-2.</p>
3.	<p>Dr. Vijay Kamale (Team Leader)</p> <p>Dr. Anjali Sabnis</p> <p>Dr. Charushila Shinde</p> <p>Dr. Savitri Katlam</p> <p>Dr. Deepanjana Das</p>	<p>Recognition, assessment and Management of obesity in Indian Adolescent girls.</p>
4.	<p>Dr. Amrit Kejriwal (Team Leader)</p> <p>Dr. Shaifali Patil</p> <p>Dr. Babita Ghodke</p> <p>Dr. Pratima Thamke</p> <p>Dr. Suhas Kharche</p> <p>Dr. Kavita More</p>	<p>A study of clinical profile of COVID 19 pregnant women and outcome.</p>

Feedback from participants:

The participants were asked to fill the Programme evaluation form. The results are as follows:

Program Evaluation Questionnaire (n=24)

Questions	Yes	No	Not sure
1. Were the objectives of the workshop largely achieved?	24	0	0
2. Do you find workshop useful for your professional activities?	23	0	1
3. Did the workshop elicit your active Participation?	24	0	0
4. Were the faculty helpful and responsive to your Learning needs?	23	0	1
5. Do you recommend the organization of Similar activity? If yes, please mention the frequency/ venue:	19 Monthly- 1 Once a year-10 Once in 6 months- 4 Once in 3 months- 4	1	4
6. Did the workshop have a balance of Theory and Practical?	4	0	20
7. Was the time management satisfactory?	19	1	4
Organizational Aspects	Good/Fine	Fair/OK	Poor/could be improved
8. Audio-Visual arrangements	24	0	0
9. Venue arrangements	24	0	0
10. Food and catering	23	1	0

List over all strengths of the workshop:

- Good arrangements
- Interactive
- Clear, concise
- Workshop was good and praise worthy

- Good speaker
- Informative
- Good content
- Active involvement of participants
- Excellent group activity

List the deficiencies/limitations:

- Little exhaustive
- Too many topics taught in a 3 day time
- Taking offline sessions during COVID times is risky

Comments and suggestions:

- Should be held frequently
- ONLINE sessions are advised during COVID times

The participating Faculties actively participated in the sessions. All the sessions were interactive and informative. Certificate of participation were given to the participating Faculties and to Resource person Dr. Bani Ganguly.

Report of Workshop on

**“ONLINE POST GRADUATE INDUCTION PROGRAMME & TRAINING IN RESEARCH
METHODOLOGY for MD/MS students (July-August 2020 Batch) from 20th to 28th August 2020”**

Introduction:

It is imperative to train Faculties and post graduate medical students in Basic Research Methodology to promote, facilitate and ensure conduction of Medical scientific research

The Medical Education Unit of MGM Medical College, Navi-Mumbai conducted an **ONLINE “PG Induction Programme & Training in Research Methodology”** for First year PG (MD/MS) students admitted in June-August 2020.” The **ONLINE** programme was **MANDATORY** for all newly admitted MD/MS PGs of all departments. **The training programme had to be conducted ONLINE because of rising Corona cases (COVID Pandemic).**

The ONLINE programme details are as under:

Dates: From 20th to 28th August 2020

Timings: 1.00 pm to 5 pm on all days

Total no of PG students who participated in workshop: Approx 116.

Planning and execution of Training Programme:

A MEU meeting was called and the faculties were explained the outlines and objectives of the workshop. The List of topics and related resource material were distributed to the faculty members. The various speakers discussed their topics and finalized the content, duration, handouts.

Circular was issued to all HODs to relieve their first year PGs so as to attend the ONLINE "PG Induction Programme & Training in Research Methodology". The programme schedule and ONLINE link was sent to the participants and Resource Faculties. All the Resource Faculties conducted the sessions taking care of precautions against COVID (social distancing, use of sanitizers and face masks). Feedback forms and Post test forms were made by Google docs. Link was sent to the participants.

Day one (20th August 2020) of the workshop:

The first day (20th August 2020) of the workshop started with Introduction to Research Methodology and administering the pretest by the MEU Co-ordinator, **Dr. Mrunal Pimparkar**.

Dr. Madhavi Mankar began with "Epidemiological studies- Cross sectional & Case control studies". This was followed by sessions on "Questionnaire designing", which was taken by **Dr. Mrunal Pimparkar** and "Blood Bank Services" was taken by **Dr. P. Patro**.

Day two (21st August 2020) of the workshop:

Dr. Sabita Ram took session on "Ethical issues in Medical Research". This was followed by sessions on "Epidemiological studies- Cohort & RCT" by **Dr. Prasad Waingankar** and session on "Types of Data, Sampling methods" by **Mr. Kishor Raut**. The day ended with a session on "Sample size estimation" by **Dr. Rita Abbi**.

Day three (24th August 2020) of the workshop:

Day three of workshop began with a session on "Writing research protocol (Synopsis writing)" by **Dr. Maninder Singh Setia**. This was followed by sessions on "Stress Management & positive

Mental health and Coping during COVID-19 pandemic” by **Dr. Darpan Kaur** and session on “Hospital Ethics, Doctor-patient Relationship” by **Dr. Jaishree Ghanekar**.

Day Four (25th August 2020) of the workshop:

Day fourth of workshop began with a session on “Prescription writing & Pharmaco- vigilance” by **Dr. Ipseeta Ray**. This was followed by sessions on “Infection control, precautions against COVID” by **Dr. A. D. Urhekar** and session on “Medico- legal aspects” by **Dr. Ajay Shendarkar**. The day ended with a session on “Biomedical waste Management” by **Dr. K.R. Salgotra**.

Day Five (26th August 2020) of the workshop:

Day five of workshop began with a session on “MJPJAY and Pradhan Mantri Jan Arogya Yojana- Govt. Aided Health Insurance schemes” by **Dr. Prasad Waingankar & Nisha Relwani**. This was followed by sessions on “Central Laboratory Services” by **Dr. Ujwala Maheshwari** and session on “Overview of Hospital SOPs” by **Dr. Philomena Issac**

Day Six (27th August 2020) of the workshop:

Day six of workshop began with session on “Basic Life support, Advanced Life support and airway management” jointly take by **Dr. Sameer Kadam and Dr. Vishwas Sathe**. This was followed by session on “Management of Emergencies, Basic Mechanical Ventilation” by **Dr. D. B. Bhusare and Dr. Sagar Sinha**.

Day Seven (28th August 2020) of the workshop:

Last Day of workshop began with a session on “NABH, Quality control” and “Patient safety” by **Dr. Philomena Issac**. This was followed by sessions on “Communication skills” by **Dr. Shilpi Sahu & Dr. Anjali Sabnis** and session on “Documentation, Informed consent, Confidentiality” by **Dr. K.R. Salgotra**. The Programme ended by Post test and feedback from participants under guidance from **Dr. Mrunal Pimparkar**.

The participants then filled the required feedback and evaluation forms and post test.

Results of Analysis of Feedback forms filled by PG students (n= 97)

24)	Overall rating of the ONLINE POST GRADUATE INDUCTION PROGRAMME & TRAINING IN RESEARCH METHODOLOGY For MD/MS students (July-August 2020 Batch)		73	24	0	0

Q) What was good about the ONLINE POST GRADUATE INDUCTION & TRAINING IN RESEARCH METHODOLOGY Programme ?

- Simple, easy understandable
- Dedication of teachers to teach
- The pits and falls they have discussed. That shows the faculty is interested in Student welfare
- Teaching skills and efforts
- Informative and interactive
- Interactive, presentations were concise and good explanatory way of teaching.
- The precise description of the topics at a good communicative level for junior residents
- The session topics covered almost every basic aspect a new junior resident should know
- Detailed content and knowledgeable faculties.

- Time management was good and the topics covered were extremely helpful
- It was conducted very well even in the difficult times like COVID.
- It made us aware about the working of the hospital and how to prepare for thesis
- Teaching faculty was good

Q) How the ONLINE POST GRADUATE INDUCTION PROGRAMME & TRAINING IN RESEARCH METHODOLOGY could have been made better?

- By introducing more live demos and real time experiences
- Technical issues required attention
- It could have been better if offline course could have been conducted because of network issues
- Could have been better if face to face rather than online platform

Pre and Post Test scores of PG students for Online Training in "Research Methodology":

Q.No.	Questions	Results of participants who attempted correct answers	
		Pre Test	Post Test
1	Association between two categorical variables in the same population can be found by: * a. Z-test b. Paired t test c. Chi Square test d. Independent T test	27%	94%
2	Which of the following is Non –probability sampling techniques used for data collection? * a. simple random sampling b. snowball sampling c. systematic sampling d. Cluster sampling	10%	88%

3	<p>Which of the following variable is measured by ordinal scale? *</p> <p>a. Temperature b. Height c. Pain d. Gender.</p>	39%	72%
4	<p>The relationship between the two variables can be shown by *</p> <p>a. Bar diagram b. Ogive curve c. Scatter diagram d. Pie diagram</p>	22%	66%
5	<p>What is the full form of SPSS? *</p> <p>Social Package for the Statistical Sciences Statistical Package for the Social Sciences Statistical Patent for the Social Statistics Social Package for the Scientific Statistics</p>	29%	89%
6	<p>What is plagiarism? *</p> <p>Plagiarism is presenting someone else's work or ideas as your own, with or without their consent, by incorporating it into your work without full acknowledgement</p> <p>Plagiarism is a formal system of indicating when an author's words or ideas have been used in academic writing, to properly credit them</p>	65%	75%
7	<p>What is validity while designing a questionnaire? *</p> <p>Validity is a result of unanticipated communication barriers between the investigator and respondents that yield inaccurate results.</p> <p>Validity is the amount of systematic or built-in error in questionnaire.</p>	22%	88%

8	<p>In an experiment, the variable that is manipulated is called as _____ *</p> <p>a. Dependant variable b. Independent variable c. Confounding variable d. Measurable variable</p>	27%	73%
9	<p>What are field experiments and natural experiments collectively known as? *</p> <p>a. Quasi Experiments b. False experiments c. Qualitative experiments d. Pseudo experiments</p>	9%	71%
10	<p>The problem of research ethics is concerned with which aspect of research activities? *</p> <p>a. Following the prescribed format of thesis b. Data analysis through qualitative and quantitative techniques c. Defining the population of research d. Evidence based research reporting</p>	26%	84%

Conclusion:

The ONLINE “PG Induction Programme & Training in Research Methodology” for First year PG (MD/MS) students admitted in June-August 2020, was successfully conducted by MEU of MGM Medical College, Navi-Mumbai from 20th to 28th August 2020. The PG students appreciated the workshop and assured that they would implement what they learned from the various sessions. The point’s allotted by the participants showed a significant improvement in knowledge after each session. The PGs were extremely satisfied with the conduct of the workshop.

Dr. (Mrs.) Mrunal Pimparkar

MEU Co-ordinator &

Professor, Community Medicine

MGM Medical College, Navi-Mumbai.

Co-ordinator
Medical Education Unit
M.G.M. Medical College,
Kamothe, Navi Mumbai-410209

Report prepared by: Dr. (Mrs.) Mrunal Pimparkar, MEU Co-ordinator.

Date 20.08.20

Lecture No 2.

The screenshot shows a Google Meet interface. The main content is a slide titled "Cross-sectional studies" with a flowchart. The flowchart starts with "Study population", which leads to "Representative sample". From "Representative sample", it branches into "Exposed" and "Not exposed". "Exposed" further branches into "Disease" and "No disease". "Not exposed" further branches into "Disease" and "No disease". Text on the slide says "Select random sample of population" and "Identify exposure status and disease status within sample." The bottom of the screen shows a list of participants: Anshu Verma, Ninad, Anshwarya Kalathil, Shifa Kalokhe, and Dr. I akash Agrawal. The top of the screen shows the browser tabs and the meeting URL.

Lecture no .3

The screenshot shows a Google Meet interface. The main content is a video feed of a participant wearing a blue cap and a white beard. The bottom of the screen shows a list of participants: Anshu Verma, Ninad, Anshwarya Kalathil, Shifa Kalokhe, and Dr. I akash Agrawal. The top of the screen shows the browser tabs and the meeting URL.

Lecture. 4

The screenshot shows a Google Meet interface. The main content is a slide titled " α and Confidence level". The slide contains two bullet points:

- α : The significance level of test: the Probability of correctly rejecting the null hypothesis when it is true (or the probability of making type I error).
- Confidence level: The probability that an estimate of population parameter is within certain specified limits of the true value; commonly denoted by $1 - \alpha$.

The slide footer includes the URL "www.pptplay.com" and a "New version" button. The meeting interface shows a "REC" indicator, the presenter "Dr. Rita Abbi", and a list of participants including Kajal Pandey, Dr. Rita Abbi, MEU MCGMMC NAVI MUM., and Shifa Kalokhe. A "People (74)" sidebar on the right lists other participants like Pappu Vamsi, Panchay Shama, Pawan Nimborkar, Praveen Badlani, priyanka patil, Radhika Vishveshwar, rajeev gala, RICHHA SHINGLOT, Riddhee Talele, and Riddhi Doshi. The system tray at the bottom shows the time as 15:59 on 21-08-2020.

Date – 24.08.20

Lecture no.1 & 2

The screenshot shows a Google Meet window. The main presentation area displays a slide titled "Research Protocol" with the date "MONDAY 24 AUGUST 2020". The slide features a photograph of a petri dish containing several yellow bacterial colonies. The presenter's name, "ram malkani", is visible in the top left corner of the meeting area. On the right side, there is a "People" list with 75 participants, including Pappu Vamsi, Parichay Sharma, Physiology Department, priyanka patil, Radhika Vishveshwar, ram malkani, and Ravi Patil. The Windows taskbar at the bottom shows the time as 13:02 on 24-08-2020.

Lecture no.3

The screenshot shows a Google Meet window. The main presentation area displays a slide titled "STRESS AND COVID-19: CDC". The slide lists several bullet points: "Pandemic has been stressful", "Everyone copes and reacts differently", "Affecting each one and all", "Fear and anxiety over own health and f others", "Coping poorly", and "Grief". A URL is provided at the bottom: <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/managing-stress-anxiety.html>. The presenter's name, "MEU MGMMC NAVI MUMBAI", is visible in the top left corner. On the right side, there is a "People" list with 79 participants, including Jyvardnan Lade, Jesmin Alex, Kajal Savanur, kunjju vamiar, MEU MGMMC NAVI MUMBAI, Michelle Shah, mufassir ahmed, and Nakhul Ram. The Windows taskbar at the bottom shows the time as 14:58 on 24-08-2020.

Lecture no 3

The screenshot shows a Google Meet interface with a presentation slide. The slide has a dark background with white text. At the top, it says "REC" and "m medicine department is presenting". The main title is "ETHICS IN THE HOSPITAL" in large, bold, white letters. Below the title, it reads "DR. JAISHREE GHANEKAR" and "PROFESSOR AND HEAD OF GENERAL MEDICINE". On the right side of the slide, there is a small video thumbnail of a person with the name "Tanya Vijan" and another thumbnail labeled "Sahal Kubal" with a "medicine department" label. The right sidebar of the Meet window shows a list of participants: Ashwin Balasubramanian, Avinash veera, Awaiz Farooqui, Bahsi Kotecha, Disha Vyas, Divya Singh, Dr Sib G K, and Harshit Zaveri. The browser tabs at the top include "Inbox (30) - dean@mgmmco...", "Meet - Link for 24/8/202...", "L11: NCERT Science Class 7 (P...", "(1) WhatsApp", and "Inbox (1,657) - mgmanikhan...". The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with the time 15:53 on 24-08-2020.
