**#Student's Ambassador Certificate:** This will be awarded to the students who will play a key role in organizing the event.

**Our Other Services:** Along with IBTC-2020 Championship, we are also offering following services in different sectors of the professional world :

- **Motivational Sessions:** E-cell, IIT Kanpur & DC Crackers with a vision and spirit to make the attitude of the people positive towards life and remove the negative energy from their minds conducts Motivational Sessions in different Corporate Companies, Educational Institutions etc. which help the people to spring up fully in their lives with enthusiasm and determination to succeed. Our sessions inculcate a stimulating feeling of inspiration among the people who want to achieve success in their lives but due to one reason or the other are unable to find the right ways which can lead them towards their destination.
- **Event Management:** Events Management is the process beyond planning, executing and evaluating corporate, association, nonprofit, government and social events. Events management requires strong organizational, budgeting and creative skills. Those who work in events management must be comfortable with interacting with all levels of individuals inside and outside of their organization.
- **Career Counselling:** The establishment of a clear, central purpose or goal in life in the starting point of all success. So it is important for every student to have clarity in his/her thoughts to surge ahead for the accomplishment of his/her vision. Moreover in today's scenario, a student has to be more serious from 9th-10th class onward in order to follow his/her vision. In regard of this E-cell IIT, Kanpur & DC Crackers take an opportunity to open a module named as Career Counseling.
- **Technical Workshops:** Our Technical Workshops include CISCO Networking, Web Designing, Robotics, Artificial Intelligence, Digital Marketing etc. These sessions are conducted under IBTC-2020 Championship in the same format and are fully hand-on sessions which are dedicated towards the technical exposure of the students in perspective of the professional world.

### Key Benefits:

Study Time  
2:38:07

An organization needs to run as a system, if it wants to implement change successfully. 'Systems-thinking' emphasizes how the whole affects the parts and how the parts affect the whole. In this course you will learn about the principles and practices of effective change management systems. Communication is central to an organization's effectiveness and survival. However, there are challenges to communicating in today's organizations.
