**Faculty:** Dr. Priyanka Rane, Asst. Prof. Dr. Ashita Phadnis. Asst. Prof. Dr Madhur Rai Asst. Prof.

**Total attendance:** 146 students.

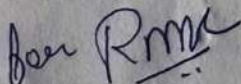

Six cases of anaemia were finalized, 1.Iron deficiency anaemia,2. Thalassemia Major,3. Chronic blood loss anemia 4.Leukemia, 5. Vit B12 deficiency anemia. 6. Blood loss anaemia. Each case sheet was prepared with case details, symptoms, history, clinical signs, and clinical examination. The power point presentation was prepared.

The module was conducted as follows:

1. Introduction and instruction to students: 20 min
2. Exposure to clinical context and discussion: 90 min
3. Summary and conclusion: 10 min
4. Reflection: 30 min
5. Assignment: 30 min

The students are divided into three batches and distributed to Dr. Priyanka Rane, Dr. Ashita Phadnis, and Dr Madhur Rai respectively as per students roll number.

The faculty explained the case scenarios, sign and symptoms to the students, the students were encouraged discuss the cases and physiological basis of the cases. The students were asked to answer to SAQ question as assignment, and then students were ask to write reflections as per ECE reflection module. The feedback from students was obtained by Google forms and result was analyzed.

Different cases of Deafness were finalized; each case sheet was prepared with case details, symptoms, history, clinical signs, results of physical examination and clinical examination.

The module was conducted as follows:

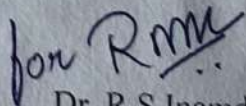

1. Introduction and instruction to students: 20 min
2. Exposure to clinical context and discussion: 90 min
3. Summary and conclusion: 10 min
4. Reflection: 30 min
5. Assignment: 30 min

Introduction was given by Physiology faculty about part of ear, their functions & mechanism of hearing. The ENT faculty explained the case scenarios, sign and symptoms to the students, the students were encouraged discuss the cases and physiological basis of the cases. The students were taken to Audiometry room and producer was explained. Then students were given assignment to write, and then students were asked to write reflections. The feedback forms of students were obtained by Google forms and result was analyzed.

## **"CELEBRATION OF WORLD ENVIRONMENT DAY-2021"**

**Name of the event: "Celebration of World Environment day-2021" at MGMIUDPO**

**Purpose: To raise awareness about the environment among the students.**

**Date of the Event: 05 June 2021,**

**No. of participants -09 Students**

### **Proceedings:**

The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change. The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment.

By celebrating this day at MGMIUDPO, students of MGMIUDPO sent a photo of them during planting a tree on this day.
