April 24, 2000

I am happy to issue this testimonial to Ms. Rajani V Kanade, Assistant Professor & Head, Department of Physical Therapy, College of Allied Health Sciences (COAHS), Manipal Academy of Higher Education (Deemed University), Manipal.

Ms. Rajani V Kanade joined this institution in October 1996 in the designation of Assistant Professor and has been heading the department since 25th May 1999.

Ms. Rajani has demonstrated remarkable administrative skills and her organizing capacity is praise-worthy. Having taken up the responsibility of administration and teaching at a comparatively young age, Ms. Rajani has commendably discharged her duties. Her sincerity, commitment to the profession and department is laudatory. What impressed me most about Ms. Rajani was her indomitable spirit and zeal in her professional activities. Soft spoken but firm, she has contributed her mite for the graduate and master programs in Physical Therapy of COAHS. Her insatiable desire to update and implement novel modes of training will, I am sure propel her to greater heights in her career.

Having a research bent of mind, she is keen on pursuing her doctorate and I am certain that she would realize her goals with credits. I wish her success in all her professional and academic endeavours.
