Laboratory Fee	15,000/-
Caution Money Deposit	-
Total	75,000/-

Subsequent Years	Amt.(Rs.)
Tuition Fees	40,000/-
Eligibility Fees	Nil
Registration Fees	Nil
Library Fees-Development	10,000/-
Programme Fee	
Laboratory & Practical Fee	15,000/-
Caution Money Deposit	-
Total	65,000/-

- 7. Resolution No. 6.5.3 of BOM-37/2014 on Recommendation/Resolution No. 5.3 of (FC-31/2014): Resolved that Chartered Accountant shall conduct training/workshops for all accounts personnel of all constituent units of MGMIHS to plan and create common template. It is further resolved that all accounts personnel will use and submit the final common template for final consolidation at MGMIHS. Accounts details in any other format, will not be accepted. The final completed template must reach MGMIHS atleast 3 weeks in advance so as to circulate these to FC members well in time for their perusal.
- 8. Resolution No. 6.5.4 of BOM-37/2014 on Recommendation/Resolution No. 5.4 of (FC-31/2014): Resolved that if the account details are not received by MGMIHS within the stipulated time frame in the uniform standard format from any constituent unit, concerned defaulter accountant will remain present at his/her own to clarify doubts if any during FC meetings.
- 9. Resolution No. 6.5.5 of BOM-37/2014 on Recommendation/Resolution No. 5.5 of (FC-31/2014): Mr. Bhimrao W. Patil and Mr. Saurabh Aggarwal will coordinate all accounts related matters of constituent units of MGMIHS. They are also responsible for conducting training workshops of all accounts personnel of constituent units of MGMIHS.
- 10. Resolution No. 6.5.6 of BOM-37/2014 on Recommendation/Resolution No. 5.6 of (FC-31/2014): It was resolved to close the books of Accounts of a particular month on 7<sup>th</sup> of the following month as the Tally package will be locked and no further change/s can be incorporated thereafter.

You are requested to send the compliance report on all above resolutions within 15 days of receipt of this letter to the undersigned.

### **Submission Note**

Respected Vice Chairman Sir, as per NAAC manual we need to enhance the quality research at our institute, for this we need to motivate our own staff to pursue the PhD at MGMIHS Navi Mumbai. As we know that PhD is not mandatory requirement by the statutory council i.e. NMC. Hence, we propose to waive of complete tuition fee to motivate our staff to pursue PhD.

Zürich, 10 August 2021

Dear Rajani Mullerpatan,

Further to your application for a bursary to attend the EUROSPINE Diploma in Interprofessional Spine Care (EDISC) courses, we are delighted to advise that your application has been accepted by EUROSPINE, at the following conditions:

- Bursary recipients are expected to attend EDISC modules for their full duration, and to actively participate. This includes the completion of
  - any eLearning or pre-learning material/requirements,
  - o the online "live" courses as defined in EDISC 2021-2022 Schedule in Annex 2,
  - o course assignments, if any are required (this will depend on each module).

Participation and participant's engagement during the courses will be monitored.

b. Bursary recipients are expected to attend all 7 EDISC modules, as per EDISC 2021-2022 schedule in Annex 2. Should this not be the case, bursary recipients will be asked to reimburse for the modules they have taken.

Furthermore, please note that:

- c. EDISC Diplomas will only be delivered once all 7 modules (in full, including any eLearning material) and required assignments (if any) have been successfully completed.
- d. Participants will receive a CME certificate for each of the module they attend in full.

In order that we can formally validate your bursary and register you for the courses, we kindly ask you to complete Annex 1 of this letter and return it, duly completed and signed to <a href="mailto:education@eurospine.org">education@eurospine.org</a> before 25 August 2021. Our Staff will register you (do not register yourself) once we have received your completed and signed form.

We are delighted to welcome you to EDISC and we hope that this programmes will be useful in your daily practice

Best wishes,

Margareta Nordin, Dr.Med.Scl. Pierre Côté, DrChir, PhD EDISC Task Force Chairs

Module 2: An interprofessional approach to spine care (core skills 2)

### Aims of the Module

This module aims to:

 Familiarise learners with the concepts and practice of Interprofessional collaboration in the continuum of spine care.

Identify the promotors and barriers to interprofessional collaboration in the continuum of spine care

Enable learners to design and implement interprofessional collaborative models in in the continuum of spine care

### **Learning Outcomes**

Upon successful completion of this module, learners will be able to:

Identify the key features of interprofessional collaboration;

- describe the benefits and challenges to the development of models of interprofessional collaboration;
- Understand how interprofessional spine care benefits patients;
- Review different approaches to interprofessional collaboration;
- Analyse best practices and their implementation in inpatient and outpatient
- Design the framework for an interprofessional spine care team;
- Evaluate patient outcomes within an interprofessional environment;
- Identify important factors that promote or hinder interprofessional collaboration
- Demonstrate knowledge of the roles of other health disciplines involved in in the
- Ability to collaborate with other members of the interprofessional spine care team

#### Session 1 Overview

 Describe the benefits and challenges to the development of models of interprofessional collaboration;

### Session 2 Interprofessional Collaboration

- Examine and discuss how interprofessional spine care benefits patients;
- Review different approaches to interprofessional collaboration;

#### Session 3 Best Practices

Analyse best practices and their implementation in inpatient and outpatient

Professor - Director MGM School of Physiotherapy MGMHS, Navi Mumbai

#### Session 4 Creating an Interprofessional Team

Design the framework for an interprofessional spine care team;

Evaluate patient outcomes within an interprofessional environment;

Identify important factors that promote or hinder interprofessional collaboration

#### **Prelearning Activities**

Identify the key features of interprofessional collaboration.

## **Instructional Methods**

Recognising the nature and needs of adult learners, the following instructional methods will be employed in the teaching of this module:

Pre-learning activities: Preparatory assignments Classroom teaching: includes the implementation of transformative learning thousand the implementation of transformative learning them. theory, opportunity for exploring and exposing different points of view, adult learning theory

Problem solving and critical learning activities: Assignments to work on before the

face to face learning sessions

 Workshops: Dialogue groups where issues can be safely explored in a small group settina

All instructional methods require active participation, consistent with the range of motivations for pursuing the EDISC programme. There should also be a strong emphasis on self-directed learning and pre-reading.

### **Educational Activities**

Pre-learning activities: Preparatory reading.

o Learners will be asked to build foundational knowledge for the module with 4 hours of pre-module learning. This will include:

familiarisation with the most common models of interprofessional collaboration; reading relevant material on topic

understanding of the core elements of collaborative practice in healthcare; watching pre-assigned video

Classroom teaching

- o Each of the subjects mentioned above will have a short plenary introduction as a lecture given by one of the faculty members. The introduction will provide an overview of the theme based on the literature.
- Workshops: Facilitated group discussions and practical workshop
  - o Following each introduction the learners will be divided into workshop groups to discuss the translation of the theoretical learning into practice. Role-plays and physical examination on each other may be performed. Participants will not be required to undress for this exercise.

#### **Assessment**

For the completion of the module, participants will be required to submit a reflective Professor - Director essay. Requirements and structure will be given at the end of the module.

#### Rinkle Hotwani

#### **GRADED MOTOR IMAGERY ONLINE, IN**

INDIA | 15<sup>th</sup> AUGUST 2021

At the end of this course participants will:

- · Understand what GMI is and where it fits in an overall treatment programme.
- Be able to identify appropriate patients for GMI from both clinical presentations and research findings.
- Have knowledge of the scientific underpinnings of GMI including neuroimmunology, mirror neurones, neuroplasticity and graded exposure.
- Have developed practical skills using the components of GMI.
- Be able to confidently translate learnt GMI skills to effective treatment.

Total: 7 hours of practical instruction

: Requesting to provide fund to attend the workshop

Respected sir,

Myself Dr. Rinkle Hotwani would like to attend the online workshop on graded motor imagery dated 15th August 2021. As the musculoskeletal department is advancing with pain science concepts this workshop is becoming beneficial for academics, clinical and research purpose. The cost of the workshop is 5100/ Rs. Along with this I am going to receive the mirrorbox which I am going to donate to the musculoskeletal OPD for clinical and research use.

For the same I would like to request you to provide fund to attend this workshop.

Enclosed: Details of workshop

Yours sincerely

eh de 10751 (6) le 3/108/22

Sybmitted to Management for approval,
