REPORT OF ANTENATAL CHECKUP CAMP

VENUE- NERE PHC

DATE- 09 NOVEMBER 2020

TIME- 10:30 a.m to 2.30p.m

LIST OF BENEFICIARIES:

Total ANC : 20

High risk : 2

Referred : 2

The Department of Community Medicine in association with Department of Obstetrics & Gynaecology organised an antenatal check up session under the PradhanMantriSurakshitMatritvaAbhiyan (PMSMA) at NerePHC on 9TH november2020 which was headed by Dr.NoopurKulkarni. All pregnant women were provided special antenatal check up along with services like ultrasound, blood tests and urine tests, in addition to routine antenatal check up.

About twenty antenatal women registered themselves for the session out of which two women were recognized as high risk pregnancies. These high risk identified cases were given special advices regarding the extra care to be taken during the current phase. There were two referrals. They were given slip for further management of the cases.

NERE OUTREACH PROGRAMME**

Date: 9th December 2020 (Wednesday)

ANC health check-up at Nere PHC

An ANC health check-up was organized on the 9th december, 2020 at PHC Nere by the RHTC team members of Department of Community Medicine, MGM Medical College, Kamothe under Pradhan Mantri Surakshit Matritva Yojana. The team reported at PHC Nere at around 10 am. Dr. Saili (MPH 2nd year), Daniel, Kajal (MPH 1st year) resident along with Dr. Tanya and Dr. Harshita (OBGY residents) registered all the ANC women attending the camp.

Dr. Saili gave a brief introduction about the programme to the Pregnant and Lactating women.

ANC's were examined by the Obstetrics and Gynaecology resident, Dr. Harshita. The Physiotherapist team from MGM Dr. Omshree Nagre along with physiotherapy interns Dr. Simran Kandhari and Dr. Shweta Hedekar demonstrated antenatal exercises to the pregnant women.

An IEC activity was conducted by Dr. Saili (MPH 2) and Daniel (MPH 1st year) regarding "HIV AND AIDS AWARENESS AND PREVENTION". The topic included spread of HIV and its prevention. It also included a brief on ART centres. The session was very interactive and questions pertaining to myths and stigmas associated with HIV were also answered.

No. Of Beneficiaries:- 31 ANC mothers.

DEPARTMENT OF COMMUNITY MEDICINE
PRADHAN MANTRI SURAKSHIT MATRITVA ABHIYAN
REPORT OF ANTENATAL CHECKUP CAMP

VENUE: NERE PHC

DATE: 9th FEBRUARY, 2021

TIME: 9 AM TO 3 PM

List of beneficiaries:

Total ANC: 44

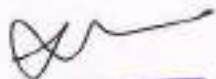

Total Paediatrics: 7

Referred: 9

The Department of Community Medicine in association with Department of Obstetrics & Gynaecology, Paediatrics, Physiotherapy, Psychiatry and IEC organized a comprehensive antenatal check-up session under the Pradhan Mantri Surakshit Matritva Abhiyan(PMSMA) at NERE PHC on 9th February, 2021 . The health team reached PHC at 8:30 am. After making arrangements for the camp, registration of ANCs started. All pregnant women were provided special antenatal and psychiatric check-up. The primary objective of the programme was to identify and initiate follow up actions on high risk pregnancies to reduce Maternal Mortality Rate (MMR) and Neo-Natal deaths. About 44 antenatal women and seven children were registered for the session of which 7 women were recognized as high risk pregnancies. After the routine antenatal check-up and investigations, awareness about the care to be taken during pregnancy, importance of ANC nutrition and mental health was raised along with highlighting the importance of immunisation of a new-born. This was followed by an interactive session with the audience where their doubts were cleared.

ANC Registration and Checkup

ANC mothers were first registered followed by routine monitoring of weight, blood tests, blood pressure and history taking was done to rule out any complications which is followed by gynaecology check-up by Doppler for further referral.

The Physiotherapist team from MGM demonstrated antenatal exercises to the pregnant women. Pregnancy related problems like lower back pain and urinary incontinence etc were addressed during the session.

PSYCHIATRY COUNSELLING-Psychiatry counselling was done by psychiatrist team for pregnancy related stress. Various pregnancy related doubts and anxiety issues which are frequently faced by new mothers were addressed along with some remedies and assurance.

CLINICAL NUTRITION-Nutritionist explaining diet plan required to follow during pregnancy. The overall nutritional demand of the mother is increased during pregnancy, therefore, for healthy growth of the child as well as the mother, a diet plan is designed according to the financial status and preferred food habits.

PAEDIATRIC EXAMINATION-Paediatric counselling was done addressing the issues like breast feeding, immunisation and other paediatrics problems. Major cause of low immunity and repeated infections is malnutrition which was addressed during the camp along with the preventive measures and management.

IEC activity:

REPORT OF ANTENATAL CHECKUP CAMP

VENUE- NERE PHC

DATE- 09 March 2021

TIME- 8:30 am to 2:30p.m

LIST OF BENEFICIARIES:

Total ANC: 45

High risk: 5

Referred: 10

The Department of Community Medicine organised an antenatal check-up session under the Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA) at Nere PHC on 9TH March 2021. PMSMA aims to provide assured, comprehensive and quality ANC care, free of cost to all pregnant women on the 9th of every month. The main objective of program to ensure at least one ANC check-up to all pregnant in their 2nd or 3rd trimester by a physician. All pregnant women were ensured proper antenatal check-up & counselled by a psychiatrist. We also had a team of physiotherapists who informed the patients about safe & pelvic floor exercises to cope with pregnancy. Not only testing of blood, urine was provided but also ultrasound scanning too.

About forty five antenatal women registered themselves for the session out of which five women were recognized as high risk pregnancies. These identified cases were thoroughly regarding the extra care to be taken during the current phase. There were ten referrals. They were referred to MGM Kalamholi for further management of the cases.

The women were also provided with Psychiatry check up to address issues regarding mental health during pregnancy.

Physiotherapists advised and demonstrated various exercises advice on appropriate postures and movements during pregnancy.

IEC [health education talk] given by Swapnil Mishra (Intern) on breast cancer and cervical cancer. Teertha Barnwal (Intern) gave talk on oral cancer.

On the occasions of International Women's day which was on 8th march we celebrated on 9th march by giving a talk on women's empowerment, breast cancer, oral cancer and cervical cancer.

WOMEN'S DAY CELEBRATION

VENUE: MIDC INDUSTRIAL AREA, GHANSOLI

DATE: 11TH MARCH, 2021

TIME: 1PM TO 4PM

The Department of Community Medicine organized a health awareness session for the women residing in the MIDC industrial area, on account of Women's Day.

The primary objective was to make the women aware not only about basic issues such as menstrual hygiene, prevention & screening of cervical cancer, breast cancer & oral cancer, but also their fundamental constitutional rights as women. To ensure clear communication, most topics were spoken in Marathi & Hindi. Important topics like self-breast examination & Pap smear procedure was demonstrated via a video & power point presentation respectively. Discussions were held on social & moral matters of inequality, dowry and domestic violence, explaining this year's Women's Day theme of "Choose to Challenge".

The event ended on a positive & cheerful note where all the ladies with the MGM health team raised their right hand, in acknowledgment of this year's theme.

MGM MEDICAL COLLEGE AND HOSPITAL, NAVI MUMBAI
DEPARTMENT OF COMMUNITY MEDICINE
WORLD HEALTH DAY CELEBRATION

Venue: MGM HOSPITAL, NAVI MUMBAI

Date: 07/04/2021

The Department of Community Medicine conducted a World Health Day programme in accordance with this year's theme "**Building a fairer and healthier world**" in MGM Hospital, Navi Mumbai on 7th April, 2021.

The event was initially organised for the community but in light of the state lockdown due to the pandemic, the event was then organised in MGM Hospital, Navi Mumbai.

The interns posted in the Department of Community Medicine prepared and displayed posters on "**Eliminating economic disparity**" and "**Gender equality in healthcare services**" topics in accordance with this year's theme- "**Building a fairer and healthier world**", at the hospital entrance. The beneficiaries were well explained about the same.

The Hospital Administrators, Col.(Dr.) Philomena Isaac and Dr. Ratnaprabha Pedhamkar; paid a special visit and interacted with the team.

IEC was given by the Interns- Dr. Pratiti Pattanalk, Dr. Nutan Girkar and Dr. Shrutika Jawade in which they explained the posters and how we have to work together to make this world a better place for the future generations.

The poster on "**eliminating economic disparity**" showed the difference in healthcare access and facilities between different strata of the society and how we must work towards bridging this gap by giving health services to all communities. The poster on "**gender equality in healthcare services**" made people aware about the basic services available to the population from birth to old age like nutrition and education for all, maternal health and menstrual hygiene for women and mental wellbeing for one and all. And these should be provided to one and all, irrespective of the gender, since "**Health is a right, not a privilege**".

The event was well received and appreciated by the spectators.

ENVIRONMENT DAY INITIATIVE

DATE: 25/06/21

VENUE: DHODANI

THEME: "ECOSYSTEM RESTORATION"

World Environment Day is observed on June 5 every year. The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change.

The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment. The theme of the first World Environment Day was 'Only One Earth'. The United Nations designated June 5 to be observed as World Environment Day after a call for saving the environment from possible damage due to industrialization drew attention.

On this day, governments, NGOs and citizens put their efforts to spread awareness about the importance of conserving the environment and negate the impact of human activity on the environment.

The theme of 47th World Environment Day is Ecosystem Restoration as tackling climate change and the loss of species is crucial to the restoration of ecosystems. In 1987, the UN decided to rotate the host country for the celebrations of this day. Pakistan will act as the global host of the day in 2021 in collaboration with the UN Environment Programme (UNEP).

Community Medicine department of MGM medical college, Kamothe decided to celebrate World Environment Day on 25th June, 2021 in the UBA village of Dhodani.

REPORT OF IMMUNIZATION & GENERAL HEALTH CHECK-UP CAMP

Place: ANGANWADI, WAGHACHI WADI

Date: 14/07/2021

LIST OF BENEFICIARIES: 9

Total Immunized : 8

Total General Health Check Up : 1

Referred: 0

The Department of Community Medicine organised an Immunization & General Health Check-up session at Wagachiwadi on 14th July 2021. It was organised by the Health Team at MGM Medical College & Hospital. The main objective of program to ensure that all children below the age of 5 were immunized according to the National Immunization Schedule (NIS) and health issues of any member of the village were taken care of. We also strive to provide continuation in essential health care in spite of the pandemic.

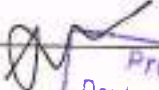

Due to the current pandemic situation, all mothers with children under 5 were asked to visit for the checkup. All mothers were ensured proper explanation with respect to the current immunization state of the child, doses due on the day of camp and guided on future doses. Infants were also examined by attending Medical Staff before immunizing.

8 infants were a part of this Immunization camp.

The members of the village were also asked to attend the camp if they had any ailments. Proper diagnosis, examination and treatment were given. Reference was given in cases where it was needed.

The immunization camp was held by Dr. Sayali Jadhav along with Mr. Abhishek Sonar

The immunization process was followed according to NIS, where most of the infants were under 1 year of age. Vaccines dispensed were Pentavalent Vaccine, Rotavirus Vaccine and Inactivated Polio Vaccine in accordance with the respective infant immunization card.

ANTENATAL FOLLOW-UP CAMP AT MGM HOSPITAL, KALAMBOLI

DATE: 18.8.21

The Department of Community Medicine organised an antenatal check-up session at **MGM Hospital, Kalamboli** on 18th August 2021. It was organised under the "VANDE MATARAM SCHEME". The main objective of program to ensure a follow-up Antenatal check-up to all pregnant who were part of the ANC camp conducted on 9th August 2021 at PHC. Here by doctors of Obstetrics & Gynaecology and provide continuation in essential health care in spite of the pandemic.

A complete Antenatal Examination was performed by doctors of Obstetrics & Gynaecology. They further advised medications and counselled them about the importance of IFA tablets and Calcium tablets. Vitals of all patients were taken. As advised by the doctors' ultrasonography and blood tests were performed on the pregnant women by the Hospital Laboratory. 32 pregnant women were part of the Antenatal camp.

LIST OF BENEFICIARIES:

Total ANC : 20

High risk : 2

Referred : 2

The Department of Community Medicine in association with Department of Obstetrics & Gynaecology organised an antenatal check up session under the PradhanMantriSurakshitMatritvaAbhiyan (PMSMA) at NerePHC on 9TH november2020 which was headed by Dr.NoopurKulkarni. All pregnant women were provided special antenatal check up along with services like ultrasound, blood tests and urine tests, in addition to routine antenatal check up.

About twenty antenatal women registered themselves for the session out of which two women were recognized as high risk pregnancies. These high risk identified cases were given special advices regarding the extra care to be taken during the current phase. There were two referrals. They were given slip for further management of the cases.

ANC health check-up at Nere PHC

An ANC health check-up was organized on the 9th december, 2020 at PHC Nere by the RHTC team members of Department of Community Medicine, MGM Medical College, Kamothe under Pradhan Mantri Surakshit Matritva Yojana. The team reported at PHC Nere at around 10 am. Dr. Saili (MPH 2nd year), Daniel, Kajal (MPH 1st year) resident along with Dr. Tanya and Dr. Harshita (OBGY residents) registered all the ANC women attending the camp.

Dr. Saili gave a brief introduction about the programme to the Pregnant and Lactating women.

ANC's were examined by the Obstetrics and Gynaecology resident, Dr. Harshita.

The Physiotherapist team from MGM Dr. Omshree Nagre along with physiotherapy interns Dr. Simran Kandhari and Dr. Shweta Hedekar demonstrated antenatal exercises to the pregnant women.

An IEC activity was conducted by Dr. Saili (MPH 2) and Daniel (MPH 1st year) regarding "HIV AND AIDS AWARENESS AND PREVENTION". The topic included spread of HIV and its prevention. It also included a brief on ART centres. The session was very interactive and questions pertaining to myths and stigmas associated with HIV were also answered.

No. Of Beneficiaries:- 31 ANC mothers.

REPORT OF ANTENATAL CHECKUP CAMP

VENUE: NERE PHC

DATE: 9TH FEBRUARY, 2021

TIME: 9 AM TO 3 PM

List of beneficiaries:

Total ANC: 44

Total Paediatrics: 7

Referred: 9

The Department of Community Medicine in association with Department of Obstetrics & Gynaecology, Paediatrics, Physiotherapy, Psychiatry and IEC organized a comprehensive antenatal check-up session under the Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA) at NERE PHC on 9th February, 2021. The health team reached PHC at 8:30 am. After making arrangements for the camp, registration of ANCs started. All pregnant women were provided special antenatal and psychiatric check-up. The primary objective of the programme was to identify and initiate follow up actions on high risk pregnancies to reduce Maternal Mortality Rate (MMR) and Neo-Natal deaths. About 44 antenatal women and seven children were registered for the session of which 7 women were recognized as high risk pregnancies. After the routine antenatal check-up and investigations, awareness about the care to be taken during pregnancy, importance of ANC nutrition and mental health was raised along with highlighting the importance of immunisation of a new-born. This was followed by an interactive session with the audience where their doubts were cleared.

ANC Registration and Checkup

ANC mothers were first registered followed by routine monitoring of weight, blood tests, blood pressure and history taking was done to rule out any complications which is followed by gynaecology check-up by Doppler for further referral.

The Physiotherapist team from MGM demonstrated antenatal exercises to the pregnant women. Pregnancy related problems like lower back pain and urinary incontinence etc were addressed during the session.

PSYCHIATRY COUNSELLING-Psychiatry counselling was done by psychiatrist team for pregnancy related stress. Various pregnancy related doubts and anxiety issues which are frequently faced by new mothers were addressed along with some remedies and assurance.

CLINICAL NUTRITION-Nutritionist explaining diet plan required to follow during pregnancy. The overall nutritional demand of the mother is increased during pregnancy, therefore, for healthy growth of the child as well as the mother, a diet plan is designed according to the financial status and preferred food habits.

PAEDIATRIC EXAMINATION-Paediatric counselling was done addressing the issues like breast feeding, immunisation and other paediatrics problems. Major cause of low immunity and repeated infections is malnutrition which was addressed during the camp along with the preventive measures and management.

REPORT OF ANTENATAL CHECKUP CAMP

VENUE- NERE PHC
DATE- 09 March 2021
TIME- 8:30 am to 2:30p.m

LIST OF BENEFICIARIES:

Total ANC: 45
High risk: 5
Referred: 10

The Department of Community Medicine organised an antenatal check-up session under the Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA) at Nere PHC on 9TH March 2021. PMSMA aims to provide assured, comprehensive and quality ANC care, free of cost to all pregnant women on the 9th of every month. The main objective of program to ensure at least one ANC check-up to all pregnant in their 2nd or 3rd trimester by a physician. All pregnant women were ensured proper antenatal check-up & counselled by a psychiatrist. We also had a team of physiotherapists who informed the patients about safe & pelvic floor exercises to cope with pregnancy. Not only testing of blood, urine was provided but also ultrasound scanning too.

About forty five antenatal women registered themselves for the session out of which five women were recognized as high risk pregnancies. These identified cases were thoroughly regarding the extra care to be taken during the current phase. There were ten referrals. They were referred to MGM Kalamboli for further management of the cases.

The women were also provided with Psychiatry check up to address issues regarding mental health during pregnancy.

Physiotherapists advised and demonstrated various exercises advice on appropriate postures and movements during pregnancy.

IEC [health education talk] given by Swapnil Mishra (Intern) on breast cancer and cervical cancer. Teertha Barnwal (Intern) gave talk on oral cancer.

On the occasions of International Women's day which was on 8th march we celebrated on 9th march by giving a talk on women's empowerment, breast cancer, oral cancer and cervical cancer.

WOMEN'S DAY CELEBRATION

VENUE: MIDC INDUSTRIAL AREA, GHANSOLI

DATE: 11TH MARCH, 2021

TIME: 1PM TO 4PM

The Department of Community Medicine organized a health awareness session for the women residing in the MIDC industrial area, on account of Women's Day.

The primary objective was to make the women aware not only about basic issues such as menstrual hygiene, prevention & screening of cervical cancer, breast cancer & oral cancer, but also their fundamental constitutional rights as women. To ensure clear communication, most topics were spoken in Marathi & Hindi. Important topics like self-breast examination & Pap smear procedure was demonstrated via a video & power point presentation respectively. Discussions were held on social & moral matters of inequality, dowry and domestic violence, explaining this year's Women's Day theme of "Choose to Challenge".

The event ended on a positive & cheerful note where all the ladies with the MGM health team raised their right hand, in acknowledgment of this year's theme.

MGM MEDICAL COLLEGE AND HOSPITAL, NAVI MUMBAI
DEPARTMENT OF COMMUNITY MEDICINE
WORLD HEALTH DAY CELEBRATION

Venue: MGM HOSPITAL, NAVI MUMBAI

Date: 07/04/2021

The Department of Community Medicine conducted a World Health Day programme in accordance with this year's theme "**Building a fairer and healthier world**" in MGM Hospital, Navi Mumbai on 7th April, 2021.

The event was initially organised for the community but in light of the state lockdown due to the pandemic, the event was then organised in MGM Hospital, Navi Mumbai.

The interns posted in the Department of Community Medicine prepared and displayed posters on "**Eliminating economic disparity**" and "**Gender equality in healthcare services**", at the hospital entrance. The beneficiaries were well explained about the same.

The Hospital Administrators, Col.(Dr.) Philomena Isaac and Dr. Ratnaprabha Pedhamkar; paid a special visit and interacted with the team.

IEC was given by the interns- Dr. Pratiti Pattanaik, Dr. Nutan Girkar and Dr. Shrutika Jawade in which they explained the posters and how we have to work together to make this world a better place for the future generations.

The poster on "**eliminating economic disparity**" showed the difference in healthcare access and facilities between different strata of the society and how we must work towards bridging this gap by giving health services to all communities. The poster on "**gender equality in healthcare services**" made people aware about the basic services available to the population from birth to old age like nutrition and education for all, maternal health and menstrual hygiene for women and mental wellbeing for one and all. And these should be provided to one and all, irrespective of the gender, since "**Health is a right, not a privilege**".

The event was well received and appreciated by the spectators.

ENVIRONMENT DAY INITIATIVE

DATE: 25/06/21

VENUE: DHODANI

THEME: "ECOSYSTEM RESTORATION"

World Environment Day is observed on June 5 every year. The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change.

The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment. The theme of the first World Environment Day was 'Only One Earth'. The United Nations designated June 5 to be observed as World Environment Day after a call for saving the environment from possible damage due to industrialization drew attention.

On this day, governments, NGOs and citizens put their efforts to spread awareness about the importance of conserving the environment and negate the impact of human activity on the environment.

The theme of 47th World Environment Day is Ecosystem Restoration as tackling climate change and the loss of species is crucial to the restoration of ecosystems. In 1987, the UN decided to rotate the host country for the celebrations of this day. Pakistan will act as the global host of the day in 2021 in collaboration with the UN Environment Programme (UNEP).

Community Medicine department of MGM medical college, Kamothe decided to celebrate World Environment Day on 25th June, 2021 in the UBA village of Dhodani.

REPORT OF IMMUNIZATION & GENERAL HEALTH CHECK-UP CAMP

Place: ANGANWADI, WAGHACHI WADI

Date: 14/07/2021

LIST OF BENEFICIARIES: 9

Total Immunized : 8

Total General Health Check Up : 1

Referred: 0

The Department of Community Medicine organised an Immunization & General Health Check-up session at Wagachiwadi on 14th July 2021. It was organised by the Health Team at MGM Medical College & Hospital. The main objective of program to ensure that all children below the age of 5 were immunized according to the National Immunization Schedule (NIS) and health issues of any member of the village were taken care of. We also strive to provide continuation in essential health care in spite of the pandemic.

Due to the current pandemic situation, all mothers with children under 5 were asked to visit for the checkup. All mothers were ensured proper explanation with respect to the current immunization state of the child, doses due on the day of camp and guided on future doses. Infants were also examined by attending Medical Staff before immunizing.

8 infants were a part of this Immunization camp.

The members of the village were also asked to attend the camp if they had any ailments. Proper diagnosis, examination and treatment were given. Reference was given in cases where it was needed.

The immunization camp was held by Dr. Sayali Jadhav along with Mr. Abhisekh Sonar

The immunization process was followed according to NIS, where most of the infants were under 1 year of age. Vaccines dispensed were Pentavalent Vaccine, Rotavirus Vaccine and Inactivated Polio Vaccine in accordance with the respective infant immunization card.

**ANTENATAL FOLLOW-UP CAMP AT MGM HOSPITAL,
KALAMBOLI**

DATE: 18.8.21

The Department of Community Medicine organised an antenatal check-up session at **MGM Hospital, Kalamboli** on 18th August 2021. It was organised under the "VANDE MATARAM SCHEME". The main objective of program to ensure a follow-up Antenatal check-up to all pregnant who were part of the ANC camp conducted on 9th August 2021 at PHC, Nere by doctors of Obstetrics & Gynaecology and provide continuation in essential health care in spite of the pandemic.

A complete Antenatal Examination was performed by doctors of Obstetrics & Gynaecology. They further advised medications and counselled them about the importance of IFA tablets and Calcium tablets. Vitals of all patients were taken. As advised by the doctors' ultrasonography and blood tests were performed on the pregnant women by the Hospital Laboratory. 32 pregnant women were part of the Antenatal camp.

RHTC - (Department of Community Medicine)

Activity: Spreading awareness about rabies on World Rabies Day

A special programme was organised at PHC, Nere on World Rabies Day for spreading awareness about the disease and its treatment. People were informed regarding dos and don'ts following an animal bite, and also about the importance of timely vaccination in case of a rabid animal bite.

Faculty – 1

Students – 3

Attended by:

- 1) Maj. (Dr.) Ashlesha Tawde
- 2) Dr. Swati Badlani, MBBS Intern
- 3) Dr. Anuriti Manoj, MBBS Intern
- 4) Dr. Akshita Mishra, MBBS Intern
- 5) Mrs. Kanchan Patil

RABIES

Facts Treatment Prevention

Worldwide, more than 55,000 people die of Rabies every year.

40% of people bitten by suspect rabid animals are children.

Dogs are the source of 99% of human Rabies deaths.

Bats are the primary source of human infection in the US & Canada.

15 million people receive post-exposure preventive regimen to avert Rabies yearly.

Prevention & Treatment

- Keep rabies vaccinations up-to-date for all cats, ferrets, and dogs.
- Keep cats & ferrets indoors & supervise dogs.
- Call animal control to remove stray animals.
- Teach children to never handle unfamiliar animals, wild or domestic.
- Have accessible bats tested for rabies if exposure to people or pets occurs.
- Prevent bats from entering occupied spaces.
- Wash wounds from an animal with soap and water & seek medical attention immediately.

A Public Service Message From: MSPetCare.com CanisBisInterNet.com

RABIES: THE FACTS

VIRUS TRANSMISSION

Saliva of infected animals

99% of human cases are caused by dog bites

The virus attacks the brain. Rabies is **FATAL** once symptoms appear

FATALITIES

Rabies affects poor rural communities mostly in Asia and Africa

TREATMENT

Thorough washing of the wound with soap, and, vaccine injections can avoid symptoms and save lives. Seek immediate medical care if bitten.

About **One death every 9**

40% of the victims are children younger than 15

HOW TO PREVENT RABIES TRANSMISSION FROM DOGS?

Take public awareness

NO DOG BITE = NO RABIES

VACCINATING DOGS SAVES HUMAN LIVES

Rabies is 100% preventable

Vaccinating 70% of dogs breaks rabies transmission cycle in an area of risk. Every dog owner is concerned.

28 September

World Rabies Day

ANC CHECK-UP CAMP

NSS unit of MGM MEDICAL COLLEGE organised a ANC checkup camp at MGM Women Hospital Kalamboli on 17th of February, 2021 for the pregnant women for their checkup and spreading awareness about the pregnancy related diseases, to spread knowledge about how to take care during the pregnancy, to provide knowledge about do's and dont's during pregnancy, to do the routine check up of the pregnant women and allowing them to learn about their pregnancy, to see for sign of emergency, to evaluate the high risk pregnancy group, to ensure they get proper regular treatment and deliver without any complication, to provide them proper knowledge about the nutrition they should take, to take proper medicine (multivitamins, iron folic acid tablets).

ANC checkup for Pregnant women comes under the Pradhan Mantri Matru Vandana Yojana. **Pradhan Mantri Matru Vandana Yojana (PMMVY)** is a maternity benefit program run by the government of India.

It was introduced in 2017 and is implemented by the Ministry of Women and Child Development. It is a conditional cash transfer scheme for pregnant and lactating women of 19 years of age or above for the first live birth.

It provides a partial wage compensation to women for wage-loss during childbirth and childcare and to provide conditions for safe delivery and good nutrition and feeding practices.

In 2013, the scheme was brought under the National Food Security Act, 2013 to implement the provision of cash maternity benefit of ₹6,000 stated in the Act.

The eligible beneficiaries would receive the incentive given under the Janani Suraksha Yojana (JSY) for Institutional delivery and the incentive received under JSY would be accounted towards maternity benefits so that on an average a woman gets ₹6,000.

The country's maternal mortality ratio is pegged at 113 per 100,000 live births, whereas infant mortality is estimated at 32 per 1,000 live births.

Among the primary causes of high maternal and infant mortality are poor nutrition and inadequate medical care during pregnancy and childbirth.

The camp organised by the NSS Unit of MGM Medical College at MGM Women Hospital at Kalamboli on 17th of February 2021, started sharp at 9:00 am.

Patients were registered, screened and send for further check-up under the camp.

Patients were evaluated on the basis on number of weeks of pregnancy, on the basis of gravida status. And those who were suspected as high risk group were given further investigations and made ensure they get proper attention during the pregnancy period and even post partum for the care of mother and the baby.

As the pregnant women in rural areas don't get enough care, MGM managed to get patients from Dodhani, Maharashtra. Total of 15 patients from Dodhani village were brought to MGM Women Hospital Kalamboli.

The importance of maintaining hygiene and balanced diet were explained properly to all the pregnant women. All the patients were given Iron Folic Acid tablets along with proper nutrition intake chart and were explained the benefits of Breast feeding and correct techniques of breast feeding were explained to them.

MGM HOSPITAL.

NSS UNIT.

REPORT OF: PULSE POLIO CAMPAIGN.

Date: 05.10.2020

With successful efforts of all healthcare workers, POLIO has been eliminated from India. India received the status of POLIO free on 13th January, 2011.

South East Asia region of WHO has been POLIO free for past 3 consecutive years.

India has vaccination strain 1 and 3 in the Oral Polio Vaccine. In April 2016, India introduced the use of fractional dose IPV into the routine immunization programme in eight states. In August 2016, the use of IPV was expanded to an additional eight states and since March 2017 has been scaled up nationwide in all 36 states.

To sustain the status of POLIO free country, we still continue pulse polio campaign.

On 01 November, 2020, NSS unit took active part Immunization.

Location: Kalamboli sect 6

Activity: Pulse polio campaign.

Time: 7am to 5pm

Beneficiaries:

Male	Female	Total
62	47	109

NSS Program officer, NSS Assistant Program Officer and volunteers (11 male and 8 female) took active participation in this event.

Thanking You.

Dr Pradeep Sawardekar.

ANC CHECK-UP CAMP

NSS unit of MGM MEDICAL COLLEGE organised a ANC checkup camp at MGM Women Hospital Kalamboli on 17th of February, 2021 for the pregnant women for their checkup and spreading awareness about the pregnancy related diseases, to spread knowledge about how to take care during the pregnancy, to provide knowledge about do's and dont's during pregnancy, to do the routine check up of the pregnant women and allowing them to learn about their pregnancy, to see for sign of emergency, to evaluate the high risk pregnancy group, to ensure they get proper regular treatment and deliver without any complication, to provide them proper knowledge about the nutrition they should take, to take proper medicine (multivitamins, iron folic acid tablets).

ANC checkup for Pregnant women comes under the Pradhan Mantri Matru Vandana Yojana. **Pradhan Mantri Matru Vandana Yojana (PMMVY)** is a maternity benefit program run by the government of India.

It was introduced in 2017 and is implemented by the Ministry of Women and Child Development. It is a conditional cash transfer scheme for pregnant and lactating women of 19 years of age or above for the first live birth.

It provides a partial wage compensation to women for wage-loss during childbirth and childcare and to provide conditions for safe delivery and good nutrition and feeding practices.

In 2013, the scheme was brought under the National Food Security Act, 2013 to implement the provision of cash maternity benefit of ₹6,000 stated in the Act.

The eligible beneficiaries would receive the incentive given under the Janani Suraksha Yojana (JSY) for Institutional delivery and the incentive received under JSY would be accounted towards maternity benefits so that on an average a woman gets ₹6,000.

The country's maternal mortality ratio is pegged at 113 per 100,000 live births, whereas infant mortality is estimated at 32 per 1,000 live births.

Among the primary causes of high maternal and infant mortality are poor nutrition and inadequate medical care during pregnancy and childbirth.

The camp organised by the NSS Unit of MGM Medical College at MGM Women Hospital at Kalamboli on 17th of February 2021, started sharp at 9:00 am.

Patients were registered, screened and send for further check-up under the camp.

Patients were evaluated on the basis on number of weeks of pregnancy, on the basis of gravida status. And those who were suspected as high risk group were given further investigations and made ensure they get proper attention during the pregnancy period and even post partum for the care of mother and the baby.

As the pregnant women in rural areas don't get enough care, MGM managed to get patients from Dodhani, Maharashtra. Total of 15 patients from Dodhani village were brought to MGM Women Hospital Kalamboli.

The importance of maintaining hygiene and balanced diet were explained properly to all the pregnant women. All the patients were given Iron Folic Acid tablets along with proper nutrition intake chart and were explained the benefits of Breast feeding and correct techniques of breast feeding were explained to them.

NSS Unit of MGM Medical College has organized Celebration Of World Oral Health Day in MGM Hospital, Kalamboli on 3rd April, 2021

Time : 11 to 12 pm

Place : MGM Hospital, Kalamboli

All the Faculties and Non-teaching staff and students were called at 9.30 am on 3rd April 2021 and were instructed to assemble in front of the entrance of MGM medical college building .The Buses left for Kalamboli at 10.30 am.

The Programme was Inaugurated by Dr.Chatterjee,MS MedicalSupretendent of MGM Hospital Kalamboli.

Dr.PradeepSawardekar, Professor of Community Medicine, gave an Introductory Speech on World oral Health Day & its Importance.

Theme : "BE PROUD OF YOUR MOUTH".

World oral Health Day

March 20

It is important to look after your teeth and mouth because germs can cause toothache, tooth decay and holes in your teeth

Oral hygiene refers to oral care including the entire oral cavity. The importance of oral hygiene is to help maintain health of the mouth, teeth, gums and lips. In addition, it also removes food particles, plaque and bacterial teeth, massages gums and relieves discomfort

" Good Oral hygiene habits learned at a young age will keep a child's mouth healthy through out the life.

This world oral health day let's teach our children how to brush and care for their mouths properly."

- One of the most common diseases is an oral disease. It is a non-communicable disease and affects people throughout their lifetime. It causes pain, discomfort, disfigurement and even death.

- According to the Global Burden of Disease Study 2016, half of the world's population is affected by dental caries or tooth decay.

- Do you know that severe periodontal (gum) disease, which may also result in tooth loss, was estimated to be the 11th most prevalent disease globally?

- In some high-income countries, severe tooth loss and edentulism that is no natural tooth was one of the leading ten causes of Years Lived with Disability (YLD).

- The incidence of oral cancer in some Asian-Pacific countries is within the top 3 of all cancers.

- Some of the behavioural risk factors are also associated with oral diseases and are shared with other major non-communicable diseases including an unhealthy diet high in free sugars, tobacco use and harmful use of alcohol.

- Poor oral hygiene and insufficient exposure to fluoride have negative effects on oral health.

[Handwritten signature]

Dr. Abhishek Chabukswar delivered a speech on Maintenance of Oral Hygiene in adults.

Dr. Vijay Kamale, Professor and HOD of Paediatric department, gave Speech on Oral health in Paediatric population .

Subject - Regarding Winners of competition conducted for under graduate students on occasion of 130th birth Anniversary of Father of Indian Constitution, Bharatratna Dr. Babasaheb Ambedkar.

Respected Sir,

Following are the winners for the competition which was conducted by IQAC in collaboration with ^{MGM IHS} NSS Unit on occasion of 130th birth Anniversary of Father of Indian Constitution, Bharatratna Dr. Babasaheb Ambedkar. This competition was conducted by online (virtual mode) during period of 10.04.2021 to 17.04.2021.

1. **Winners of Essay competition (Topic - Life of Dr. Babasaheb Ambedkar and his role in social reforms)**

Sr. No.	Prize	Name of the Student	Batch
1	1 st Prize	Mrunal Jaswante	1 st MBBS ✓
2	1 st Prize	Tanvee Karande	Intern
3	2 nd Prize	Kanu Pratyush	1 st MBBS
4	3 rd Prize	Aditi Goen	1 st MBBS

2. **Winners for Power point presentation (Topic - Constitutional rights of an Indian)**

Sr. No.	Prize	Name of the Student	Batch
1	1 st Prize	Sudev Poonia	1 st MBBS ✓
2	2 nd Prize	Manvi Porwal	1 st MBBS
3	3 rd Prize	Reha Thomas	1 st MBBS
4	3 rd Prize	Shravani Bhide	1 st MBBS

3. **Winners of Photo gallery (Topic - Life of Dr. Babasaheb Ambedkar)**

Sr. No.	Prize	Name of the Student	Batch
1	1 st Prize	Reha Thomas	1 st MBBS ✓
2	2 nd Prize	Kartik Koshti	1 st MBBS

**Celebration of 130th Birth Anniversary of Bharat Ratna
Dr. Babasaheb Ambedkar and World Thalessemia Day**

To celebrate 130th Birth Anniversary of Bharat Ratna Dr. Babasaheb Ambedkar and World Thalessemia Day, the NSS Unit of MGM Medical College decided to organize a blood donation camp.

Dr. Pradeep Sawardekar had taken permission from Dean Sir to organize the camp.

Dr. Pradeep Sawardekar met Dr. Col. Iqbal Singh, Professor and Head, Dept of IHBT and requested to organize the camp on Saturday, 15th May, 2021 from 10:00 AM to 1:00 PM. He immediately gave a positive response.

WORLD THALASSEMIA DAY (8TH MAY)

Introduction

Thalassemia is a group of genetically transmitted disorders of haemoglobin synthesis, due to lack or decreased synthesis of α or β globin chains.

Due to the synthesis of one globin chain being reduced, there is a relative excess synthesis of the others. These excessive globin chains may precipitate in the cell causing haemolysis, resulting in hypochromic anaemia.

The severity of the disease depends on the amount of globin chains missing (out of 4 for α & out of 2 for β)

TYPES -

1) α - Thalassemia

In this, the synthesis of the α - globin chains is defective (chromosome 16).

- α - Thalassemia is of 4 types:
- a) Silent carrier
 - b) α - Thalassemia trait
 - c) Haemoglobin H disease
 - d) Hydrops Foetalis

2) β - Thalassemia

Here, the synthesis of the β - globin chains is defective.

- β - Thalassemia is of 2 types:
- a) β - Thalassemia minor
 - b) β - Thalassemia major

CAUSE

- Genetic (Autosomal Recessive inheritance)

Signs & Symptoms

- Tiredness
- Pale skin
- Enlarged spleen
- Yellowish skin
- Dark urine
- Bone deformities - widen bones due to expanding bone marrow
- Slowed growth rates
- Heart, liver & endocrine problems - due to excessive iron deposition

Diagnosis

- Complete Blood Count
- Haemoglobin Electrophoresis
- Mentzer Index
- DNA testing

Prevention

Genetic counselling and genetic testing are recommended for families who carry a thalassemia trait.

Large scale awareness campaigns are being organised in India both by governmental & non-governmental organisations in favour of voluntary pre-marital screening to detect carriers of thalassemia and marriage between both carriers is strongly discouraged.

Management

Counselling – It plays a major role especially when the families are at risk of the severe form of disease which may be prevented.

Anaemia – A blood transfusion regimen was the first effective measure in prolonging life.

Growth Hormone Therapy – Growth Hormone replacement therapy may help to increase the rate at which children with thalassemia grow taller.

Iron overload – Multiple blood transfusions can result in iron overload. The iron overload related to thalassemia may be treated by chelation therapy with the medications deferoxamine, deferiprone, deferasirox.

Bone marrow transplantation – It may offer the possibility of cure in young people who have an HLA matched donor. Success rates have been in the range of 80-90%. Mortality has been reduced to 3%.

Graft versus host diseases are a more relevant side-effect of bone marrow transplantation.

If the person does not have an HLA-matched compatible donor, another method called bone marrow transplantation from haplo-identical mother to child (mismatched donor may be used).

BHARAT RATNA DR. B. R. AMBEDKAR

(14TH APRIL)

Bharat Ratna Dr. Babasaheb Ambedkar was an Indian polymath and civil rights activist who was born on 14th April 1891 in Mhow (now known as Dr. Babasaheb Ambedkar Nagar) situated in Indore, Madhya Pradesh.

Ambedkar Jayanti or Bhim Jayanti is an annual festival observed on 14 April to commemorate his memory. Since 2015 it has been observed as an official public holiday throughout India. Ambedkar Jayanti is celebrated not just in India but all around the world. Ambedkar struggled for equality throughout his life; hence his birthday is celebrated as 'Equality Day' in India, and the demand to declare this day as "International Equality Day" goes to the United Nations.

Babasaheb Ambedkar's first birthday was publicly celebrated on 14 April 1928 in Pune, by Janardan Sadashiv Ranapisay, who was an Ambedkarite and social activist. He started the tradition of Babasaheb's birth anniversary or Ambedkar Jayanti.

Education & Qualifications

Post-secondary education

In 1897, Ambedkar enrolled into Elphinstone High School where he was the first ever untouchable.

Studies at the University of Bombay

In 1907, he passed his matriculation examination and in the following year he entered Elphinstone College, which was affiliated to the University of Bombay, becoming, according to him, the first from his Mahar caste to do so. When he passed his English fourth standard examinations, the people of his community wanted to celebrate because they considered that he had reached "great heights" which he says was "hardly an occasion compared to the state of education in other communities". A public ceremony was evoked, to celebrate his success, by the community, and it was at this occasion that he was presented with a biography of the Buddha by Dada Keluskar, the author and a family friend.

By 1912, he obtained his degree in economics and political science from Bombay University, and prepared to take up employment with the Baroda state government.

Studies at Columbia University

In 1913, at the age of 22, Ambedkar moved to the United States. Soon after arriving there he settled in rooms at Livingston Hall with Naval Bhatena, a Parsi who was to be a lifelong friend. He passed his M.A. exam in June 1915.

Studies at the London School of Economics

In October 1916, he enrolled for the Bar course at Gray's Inn, and at the same time enrolled at the London School of Economics where he started working on a doctoral thesis. In June 1917, he returned to India because his scholarship from Baroda ended. He got permission to return to London to submit his thesis within four years. He returned at the first opportunity, and completed a master's degree in 1921. His thesis was on "The problem of the rupee: Its origin and its solution". In 1923, he completed a D.Sc. in Economics which was awarded from University of London, and the same year he was called to the Bar by Gray's Inn. His third and fourth Doctorates (LL.D, Columbia, 1952 and D.Litt., Osmania, 1953) were conferred honoris causa.

Social Work

Opposition to untouchability

In 1927, Ambedkar decided to launch active movements against untouchability. He began with public movements and marches to open up public drinking water resources. He also began a struggle for the right to enter Hindu temples. He led a satyagraha in Mahad to fight for the right of the untouchable community to draw water from the main water tank of the town. In a conference in late 1927, Ambedkar publicly condemned the classic Hindu text, the Manusmriti (Laws of Manu), for ideologically justifying caste discrimination and "untouchability", and he ceremonially burned copies of the ancient text. On 25 December 1927, he led thousands of followers to burn copies of Manusmriti. Thus annually 25 December is celebrated as Manusmriti Dahan Din (Manusmriti Burning Day) by Ambedkarites and Dalits.

In 1930, Ambedkar launched the Kalaram Temple movement after three months of preparation. About 15,000 volunteers assembled at Kalaram Temple satyagraha making one of the greatest processions of Nashik. The procession was headed by a military band and a batch of scouts; women and men walked with discipline, order and determination to see the god for the first time. When they reached the gates, the gates were closed by Brahmin authorities.

Drafting the Indian Constitution

Upon India's independence on 15 August 1947, the new Congress-led government invited Ambedkar to serve as the nation's first Law Minister, which he accepted. On 29 August, he was appointed Chairman of the Constitution Drafting Committee, and was appointed by the Assembly to write India's new Constitution.

Granville Austin described the Indian Constitution drafted by Ambedkar as 'first and foremost a social document'.

The text prepared by Ambedkar provided constitutional guarantees and protections for a wide range of civil liberties for individual citizens, including freedom of religion, the abolition of untouchability, and the outlawing of all forms of discrimination. Ambedkar argued for extensive economic and social rights for women, and won the Assembly's support for introducing a system of reservations of jobs in the civil services, schools and colleges for members of scheduled castes and scheduled tribes and Other Backward Class, a system akin to affirmative action. India's lawmakers hoped to eradicate the socio-economic inequalities and lack of opportunities for India's depressed classes through these measures. The Constitution was adopted on 26 November 1949 by the Constituent Assembly.

Ambedkar opposed Article 370 of the Constitution of India, which granted a special status to the State of Jammu and Kashmir, and which was included against his wishes. Balraj Madhok reportedly said, Ambedkar had clearly told the Kashmiri leader, Sheikh Abdullah: "You wish India should protect your borders, she should build roads in your area, she should supply you food grains, and Kashmir should get equal status as India. But Government of India should have only limited powers and Indian people should have no rights in Kashmir. To give consent to this proposal, would be a treacherous thing against the interests of India and I, as the Law Minister of India, will never do it." Then Sk. Abdullah approached Nehru, who directed him to Gopal Swami Ayyangar, who in turn approached Sardar Patel, saying Nehru had promised Sk. Abdullah the special status. Patel got the Article passed while Nehru was on a foreign tour. On the day the article came up for discussion, Ambedkar did not reply to questions on it but did participate on other articles. All arguments were done by Krishna Swami Ayyangar.

During the debates in the Constituent Assembly, Ambedkar demonstrated his will to reform Indian society by recommending the adoption of a Uniform Civil Code. Ambedkar resigned from the cabinet in 1951, when parliament stalled his draft of the Hindu Code Bill, which sought to enshrine gender equality in the laws of inheritance and marriage.

Economics

Ambedkar was the first Indian to pursue a doctorate in economics abroad.

In 1951, Ambedkar established the Finance Commission of India. He opposed income tax for low-income groups. He contributed in Land Revenue Tax and excise duty policies to stabilise the economy. He played an important role in land reform and the state economic development. According to him, the caste system, due to its division of labourers and hierarchical nature, impedes movement of labour (higher castes would not do lower-caste occupations) and

movement of capital (assuming investors would invest first in their own caste occupation). His theory of State Socialism had three points: state ownership of agricultural land, the maintenance of resources for production by the state, and a just distribution of these resources to the population. He emphasised a free economy with a stable Rupee which India has adopted recently. He advocated birth control to develop the Indian economy, and this has been adopted by Indian government as national policy for family planning. He emphasised equal rights for women for economic development.

Legacy

His initiatives have influenced various spheres of life and transformed the way India today looks at socio-economic policies, education and affirmative action through socio-economic and legal incentives.

His reputation as a scholar led to his appointment as free India's first law minister, and chairman of the committee for drafting the constitution.

Many public institutions are named in his honour, and the Dr. Babasaheb Ambedkar International Airport in Nagpur, otherwise known as Sonegaon Airport. Dr. B. R. Ambedkar National Institute of Technology, Jalandhar, Ambedkar University Delhi is also named in his honour.

Ambedkar was voted "the Greatest Indian" in 2012 by a poll organised by History TV18 and CNN IBN, ahead of Patel and Nehru. Due to his role in economics, Narendra Jadhav, a notable Indian economist, has said that Ambedkar was "the highest educated Indian economist of all times".

Indian Post issued stamps dedicated to his birthday in 1966, 1973, 1991, 2001, and 2013, and featured him on other stamps in 2009, 2015, 2016, 2017 and 2020.

Ambedkar's legacy includes numerous memorials and depictions in popular culture such as –

- *Dr. Babasaheb Ambedkar* – a documentary made by Indian director Jabbar Patel in 1991.
- *Balaka Ambedkar (1991)* by Basavaraj Kestur, *Dr. Ambedkar (1992)* by Bharath Parepalli, and *Yugpurush Dr. Babasaheb Ambedkar (1993)* are other films based on him.

In 1956, he converted to Buddhism, initiating mass conversions of Dalits.

In 1990, the Bharat Ratna, India's highest civilian award was posthumously conferred upon Dr. Ambedkar.

10 Facts you need to know about Bharat Ratna Dr. B.R. Ambedkar

1. Dr. Ambedkar played a key role in the establishment of "Reserve Bank of India" in 1935.
2. He suggested the division of Madhya Pradesh and Bihar for better governance way back in 1955.
3. He wanted to sponsor Sanskrit as the official language of the Indian Union.
4. Dr. Ambedkar contested the Lok Sabha election twice.
5. His autobiography "Waiting for a Visa" is used as a textbook in Columbia University.
6. He opposed the whole idea of reservation of jobs and constituencies and didn't want the reservation system to exist at all.
7. He was the first Indian to complete a Doctorate degree overseas.
8. Dr. Ambedkar was the one who insisted on reducing the working hours from 14 to 8 hours a day in India.
9. He strongly opposed Article 370 of the Indian constitution which gives special status to the state of Jammu & Kashmir.
10. He played a key role in forming the National Employment Exchange agencies in India.

Quotes by Bharat Ratna Dr. B. R. Ambedkar

1. *"Cultivation of the mind should be the ultimate aim of human existence."*
2. *"They cannot make history who forget history"*
3. *"I like the religion that teaches liberty, equality and fraternity"*
4. *"Life should be great rather than long".*
5. *"If I find the constitution being misused, I shall be the first to burn it."*
6. *"Cultivation of mind should be the ultimate aim of human existence".*
7. *"Be Educated, Be Organised and Be Agitated"*
8. *"If you believe in living a respectable life, you believe in self-help which is the best help".*
9. *"I measure the progress of a community by the degree of progress which women have achieved."*
10. *"A great man is different from an eminent one in that he is ready to be the servant of the society."*

CAMP DAY

- The camp began at 10:00 am in the Blood Bank of MGM Medical College, Kamothe, in which 28 registrations were done but due to medical conditions only 16 volunteers were able to donate blood.
- Volunteers were asked to fill the demographic data and other medical information.
- Haemoglobin & Vitals were checked of all Donors before Donation.
- The participants were very enthusiastic to donate blood. The camp was a grand success. Dr Shubham Sable and Dr Zein Khan put in immense effort to ensure that the camp was a grand success.

- Dept. of IHBT and Community Medicine gave full support for this camp to be successful.

NSS UNIT

Observation of World Hypertension Day (15th May)

To observe World Hypertension Day, NSS Unit of MGM Medical College, Kamothe decided to organize a Hypertension awareness session at MGM Hospital Kalamboli on Friday, 21st May 2021 at 2:00 PM.

Dr. Pradeep Sawardekar had taken permission from Dean Sir to organize the activity.

Dr. Pradeep Sawardekar met Dr. Chatterjee Madam (The Medical Superintendent), MGM Hospital Kalamboli and requested to organize the session on Friday, 21st May, 2021 at 2:00 PM. She immediately gave a positive response.

WORLD HYPERTENSION DAY

15th MAY

- ▶ It is a day designated & initiated by The World Hypertension League (WHL).
- ▶ This day was initiated to increase the awareness for Hypertension.
- ▶ The WHL launched its first World Hypertension Day in 2005.
- ▶ 17th May of every year has been dedicated as World Hypertension Day.
- ▶ Globally, 1 billion people deal with hypertension.
- ▶ The prevalence rates of hypertension vary worldwide with the lowest prevalence in rural India (3.4% in men & 6.8% in women) & highest in Poland (68.9% in men & 72.5% in women).
- ▶ In 2000, 972 million people had hypertension with a prevalence rate of 26.4%.
- ▶ It is projected that by 2025, a total of 1.54 billion people (~30% of the world population) would be hypertensive.

HYPERTENSION

- ▶ Hypertension is defined as systolic blood pressure >140 mmHg & diastolic blood pressure >90 mmHg based on the average of two or more accurate blood pressure measurements taken during two or more contacts with healthcare providers.
- ▶ Hypertension is arguably the most important modifiable risk factor for coronary heart disease and stroke.
- ▶ Hypertension is silent, invisible killer that rarely causes symptoms.

SCHEDULE

Sr. No.	Topic	Name	Position
1.	Introduction	Dr. Pradeep Sawardekar	NSS Program Officer
2.	Classification, Risk factors	Dr. Shubham Sable	Intern
3.	Causes, Complications, Treatment	Dr. Zein Khan	Intern
4.	Methods of Prevention	Dr. Madhavi Mankar	NSS Program Co-ordinator
5.	Role of Yoga and Stress management	Mrs. Rupali Gujar	Asst. Program Officer (Female)
6.	Vote of Thanks	Mr. Jeevan Urankar	Asst. Program Officer (Male)

1. Introduction to Hypertension

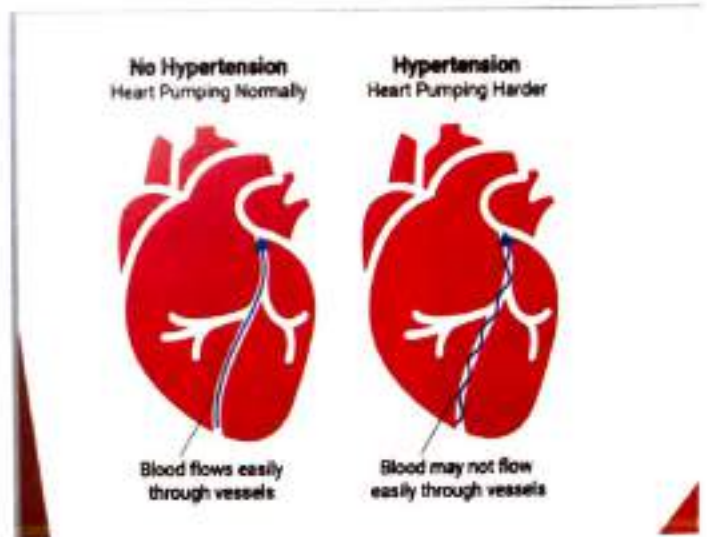

Dr. Pradeep Sawardekar gave a brief introduction about Hypertension and its adverse effects on health.

High blood pressure: know your numbers.

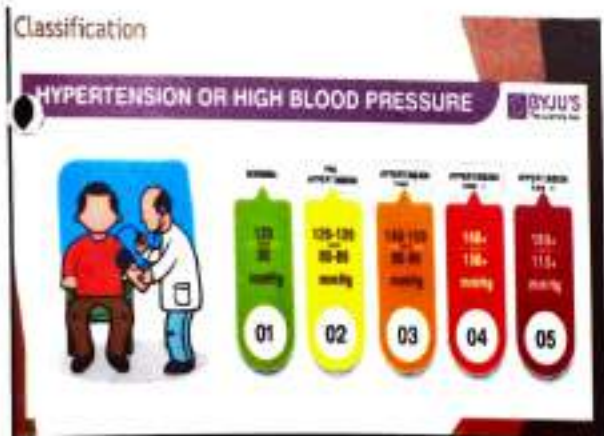

If your numbers are **140/90** you probably have high blood pressure.

ACT NOW!

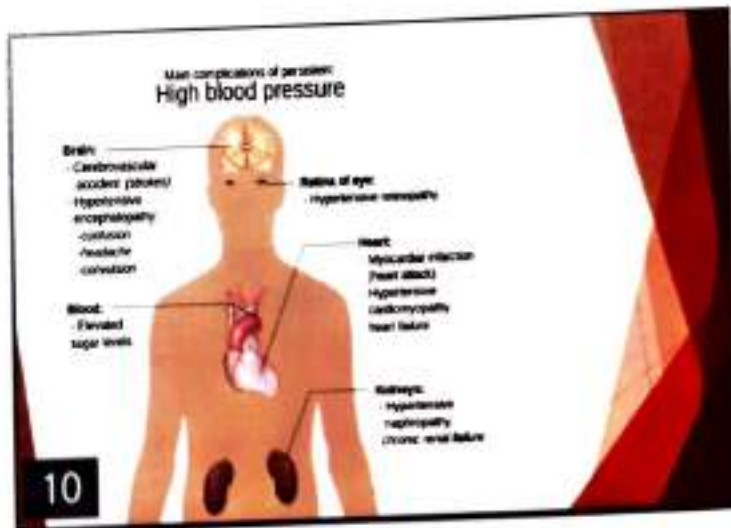

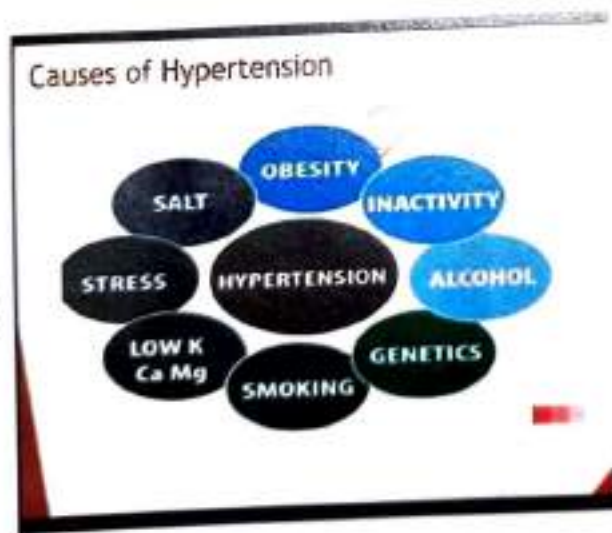

2. Classification and Risk factors of Hypertension

Dr. Shubham Sable explained how to classify various stages of Hypertension and the Risk Factors for Hypertension.

3. Causes, Complications & Treatment

Dr. Zein Khan explained the Causes, Complications and the Treatment of Hypertension in detail.

4. Methods of Prevention

Dr. Madhavi Mankar discussed the various ways by which Hypertension can be prevented as a health problem.

**High blood pressure:
you can prevent it.**

 World Health Organization

-  Reduce salt to less than 5g daily
-  Eat fruits and vegetables regularly
-  Avoid saturated fats and trans fats
-  Avoid tobacco
-  Reduce alcohol
-  Be physically active every day

5. Role of Yoga and Stress Management

Mrs. Rupali Gujar gave a brief idea about Role of Yoga in stress management and its use to control Hypertension in day to day life.

After this there was a Question and Answer session.

The faculties satisfied the participants.

6. Vote of Thanks

Mr. Jeevan Urankar gave a Vote of Thanks to Dean Sir, Medical Superintendent, MGM Kalamkoli, NSS Unit and to all those who were present for the program.

The programme was a grand success. 24 participants and around 16 staff, faculties and students took part in the awareness session.

Dept. of Gynaecology gave full support for this activity.

NSS UNIT
Celebration of International Yoga Day, 2021
(21st June)

To observe International Yoga Day 2021, NSS Unit of MGM Medical College, Kamothe decided to organize International Yoga Day at MGM Medical College Kamothe on Monday, 21st June 2021 at 1:00 PM.

Dr. Pradeep Sawardekar had taken permission from Dean Sir to organize the camp.

International Yoga Day

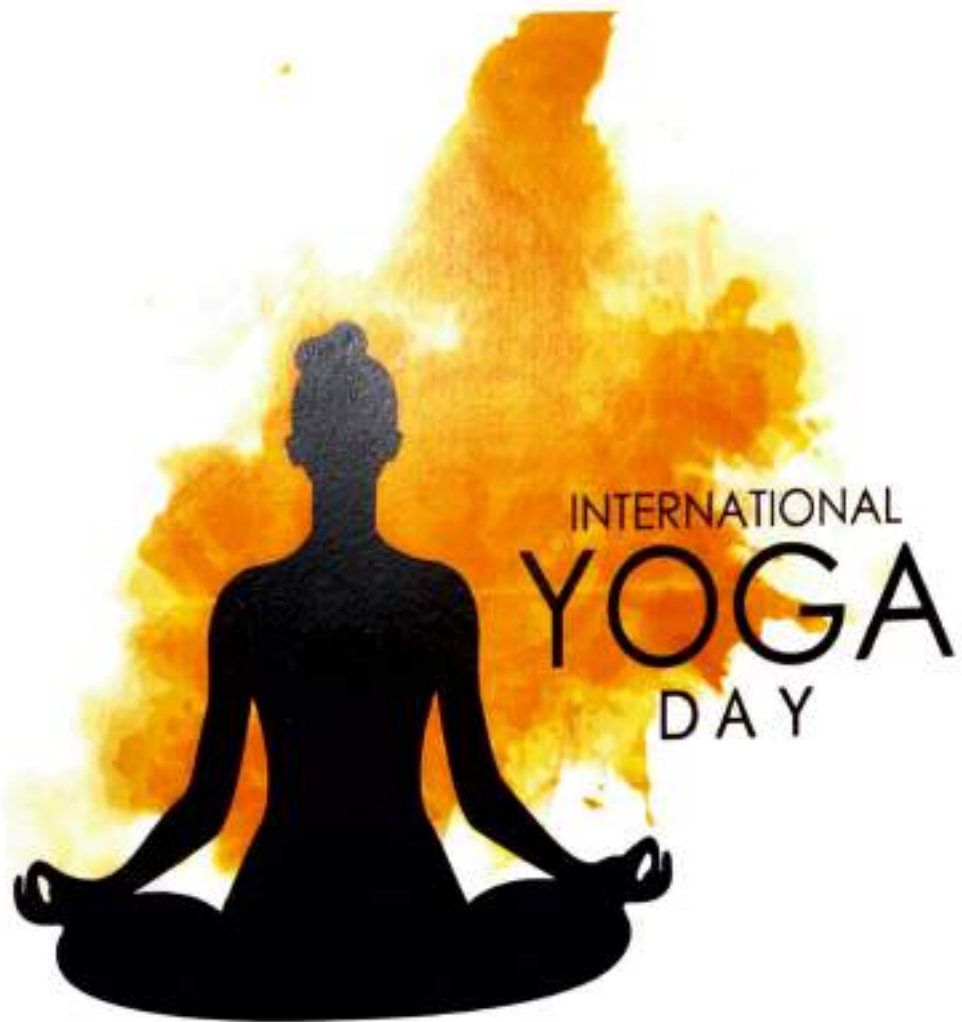

21st JUNE

It is a day designated & initiated by United Nations General Assembly in 2014. This day was initiated to increase and promote the practice of Yoga for complete mental, physical, and spiritual practice. The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014. 21st June of every year has been dedicated as International Yoga Day. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. Several randomized controlled studies have shown the efficacy of Yogic practices in management of non-communicable diseases like hypertension, Chronic Obstructive Pulmonary disease (COPD), bronchial asthma, diabetes, sleep disorders, depression, obesity etc. that can be comorbid conditions in patients with COVID 19. Yoga may play significant role in the psycho-social care and rehabilitation of COVID-19 patients in quarantine and isolation. They are particularly useful in allaying their fears and anxiety.

YOGA

Yoga is a discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. Yoga leads to a perfect harmony between mind and body, man and nature, individual consciousness and universal consciousness.

Yoga helps to build up psycho-physiological health, emotional harmony; and manage daily stress and its consequences.

SCHEDULE

Sr.No.	Topic	Name	Position
1.	Introduction	Dr. Pradeep Sawardekar	NSS Program Officer
2	Welcome of Guests	Dr Prasad Waingenkar	HOD Community Medicine
3.	Welcome of Guests	Dr Madhavi Mankar (NSS Coordinator MGMIHS)	Associate Professor
4.	Meaning Of Yoga and its Stages	Mr Atul Shinde	Yoga Demonstrator
5.	Demonstration of asanas and Role of Yoga and Stress management	Mrs Reeta Soni	Yoga Demonstrator
6.	Vote of Thanks	Dr Akanksha Ghodke Dr Vishwesh Agarwal	Intern

Dean sir spoke about the importance of Yoga. He was received by Dr Mrunal Pimparkar (Professor, Community Medicine)

Introduction to International Yoga Day by Dr. Pradeep Sawardekar

The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness.

The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. The proposal was first introduced by Prime Minister Narendra Modi in his address during the opening of the 69th session of the General Assembly, in which he said: "Yoga is an invaluable gift from our ancient tradition. Yoga embodies unity of mind and body, thought and action ... a holistic approach [that] is valuable to our health and our well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and the nature."

The late B. K. S. Iyengar, "Yoga cultivates the ways of maintaining a balanced attitude in day-to-day life and endows skill in the performance of one's actions."

Welcome of Mr Atul Shinde by Dr Madhavi Mankar

Welcome of Mrs Reeta Soni by Dr Prasad Waingankar

Meaning and stages of Yoga by Mr Atul Shinde

Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. The word 'Yoga' is derived from the Sanskrit root 'Yuj', meaning 'to join' or 'to yoke' or 'to unite'

As per Yogic scriptures the practice of Yoga leads to the union of individual consciousness with that of the Universal Consciousness, indicating a perfect harmony between the mind and body, Man & Nature. According to modern scientists, everything in the universe is just a manifestation of the same quantum firmament. One who experiences this oneness of existence is said to be in yoga, and is termed as a yogi, having attained to a state of freedom referred to as mukti, nirvana or moksha.

Aasanas By Mrs Reeta Soni

An **asana** is a body posture, originally and still a general term for a sitting meditation pose, and later extended in hatha yoga and modern yoga as exercise, to any type of pose or position, adding reclining, standing, inverted, twisting, and balancing poses. The *Yoga Sutras of Patanjali* define "asana" as "[a position that] is steady and comfortable". Patanjali mentions the ability to sit for extended periods as one of the eight limbs of his system

Asanas were claimed to provide both spiritual and physical benefits in medieval hatha yoga texts. More recently, studies have provided evidence that they improve flexibility, strength, and balance; to reduce stress and conditions related to it; and specifically to alleviate some diseases such as asthma and diabetes.

Various Aasanas

Role of Yoga and Stress management by Mrs Reeta Soni

• **Yoga Reduces Stress by:**

- Controlled breathing
- Meditation
- Physical movement
- Mental imagery
- Stretching

Effects On Body:

- Reduced stress and anxiety
- Sound sleep
- Reduced cortisol levels
- Improvement of many medical conditions
- Allergy and asthma symptom relief
- Lower blood pressure
- Smoking cessation help
- Lower heart rate
- Spiritual growth
- Sense of well-being
- Reduced muscle tension
- Increased strength and flexibility
- Slowed aging process

Vote Of Thanks By Dr Akanksha Ghodke and Dr Vishwesh Agarwal involved in initial organization and planning of the Program

The program was attended by 63 participants who attended the program in person.

	Male	Female	Total
Faculty	4	6	63
Staff	2	0	
Interns	17	24	
Students	2	6	
Online Attendants			123
Total			186

The program was also hosted on zoom meeting for online participants and students. 123 participated in the program online.

Full support was extended by Department of Community Medicine, Pharmacology, Pathology and Physiology.

MGM MEDICAL COLLEGE
Sector-1, Kamothe, Navi Mumbai - 410 209, India

NSS UNIT
ANC CAMP NERE, PHC
(9th July, 2021)

The Department of Community Medicine organised an antenatal check-up camp on 9th July, 2021 at PHC, Nere under the Vande Mataram Scheme. NSS unit had taken active part in this camp.

VANDE MATARAM SCHEME

Vande Mataram Scheme was launched in 2004 as a major initiative in public-private partnership with the Federation of obstetric and Gynaecological Society of India (FOGSI). FOGSI had volunteered to participate in the national endeavour for reducing maternal mortality and improving health of women particularly during pregnancy and child birth.

Under the scheme, free OPD services including antenatal check-up is made available to all pregnant women. This scheme also includes family planning counselling to new mothers regularly from the public and private health care platform on the ninth day of every month.

Department of Community Medicine organises an antenatal check-up camp on 9th of each month at PHC, Nere. The following facilities are provided:

- Antenatal registration and check-up
- Immunisation and iron and folic acid supplements
- Physiotherapy consultation
- Paediatric consultation
- Psychiatric consultation

Antenatal registration and vitals being recorded

Antenatal checkup and consultation in process

Psychiatric consultation in process

Paediatric consultation in process

Physiotherapy consultation

The mothers had also received information about health awareness covering the following points regarding antenatal care:

- Importance of regular antenatal check-ups.
- Advice about diet, drugs and hygiene.
- Importance of immunization.
- Harmful effects of radiation exposure.
- Importance of taking folic acid, iron and calcium supplements.
- Counselling to improve the psychology and to remove the fear of unknown.
- Harmful effects of smoking and alcohol intake during pregnancy.
- Instructions to report to the physician even at an early date if some untoward symptoms arise like intense headache, disturbed sleep with restlessness, urinary troubles, excessive vomiting and epigastric pain.

Total beneficiaries of this camp were:

Antenatal women	49
Children	16
Total	65

The beneficiaries also received supplements of iron and folic acid.

Antenatal women	49
Children	09
Total	58

The faculty, staff and volunteers were present for this ANC camp.

	Male	Female	Total
Faculty	1	1	2
Staff	3	2	5
Volunteers	5	4	11

The ANC camp was a grand success.

Full support was extended for the camp by the Departments of Community Medicine, Paediatrics, Obstetrics and Gynaecology, Psychiatry and Physiotherapy.

The event was attended by:

NSS UNIT
TREE PLANTATION DRIVE, MALDUNGE
(16th July, 2021)

The NSS unit along with the Department of Community Medicine had organised a tree plantation drive to maldunge village in order to create awareness about the increasing global warming.

HAZARDS OF GLOBAL WARMING

Global warming is the long-term heating of Earth's climate system observed since the pre-industrial period due to human activities, primarily fossil fuel burning, which increases heat-trapping greenhouse gas levels in Earth's atmosphere.

Global warming is expected to have far-reaching, long-lasting and, in many cases, devastating consequences for planet Earth. A few of its hazards include:

- Increase in average temperatures and temperature extremes.
- Extreme weather events.
- Melting glaciers.
- Rising Sea levels and ocean acidification.
- Extinction of Plant and animal species.
- Frequent wild fires.
- Long periods of draught or floods in certain areas.

BENEFITS OF TREE PLANTATION

One of the few things that can be done at a personal level to control global warming is planting more trees. Tree plantation offers many benefits, which include:

A. Environmental Benefits

- Trees reduce the urban heat island effect through evaporative cooling and reducing the amount of sunlight that reaches parking lots and buildings. This is especially true in areas with large impervious surfaces, such as parking lots of stores and industrial complexes.
- They improve our air quality by filtering harmful dust and pollutants such as ozone, carbon monoxide, and sulphur dioxide from the air we breathe and give off oxygen that we need to breathe.
- Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
- Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.

B. Communal Benefits

- Trees provide a collective benefit to you as well as your neighbours.
- Tree lined streets have a traffic calming effect, traffic moves more slowly and safely.
- Trees can be placed to screen unwanted views or noise from busy highways.
- Trees can complement the architecture or design of buildings or entire neighbourhoods.

C. Economic Benefits

- Well placed trees can reduce your cooling costs in the summer by shading the south and west sides of your home. If deciduous trees are used, they will allow the sun to pass through and warm your home in the winter.
- Evergreen trees on the north side of your home and shrubs around the foundation of your home can act as a windbreak to reduce the cooling effects of winter winds.

- The value of a well landscaped home with mature healthy trees can be as much as 10% higher than a similar home with no or little landscaping.

A prior meeting with the sarpanch of maldunge village was held and they were informed about the tree plantation drive that was going to take place on 16th July,2021.

The forest department was made aware of this initiative, and was asked to provide us with the saplings needed for the tree plantation drive.

The event was attended by:

Sr No.	Name	Designation
1.	Dr. Pradeep Sawardekar	Professor and NSS program officer
2.	Dr. Madhavi Mankar	Professor and NSS coordinator

REPORT OF BLOOD DONATION CAMP

To celebrate "National Doctors Day" and "Guru Purnima", NSS Unit of MGM Medical College along with Department of Paediatrics decided to organize a blood donation camp on Saturday, 24th July 2021 from 10:00am to 1:00pm.

Dr. Pradeep Sawardekar had taken permission from Dean Sir to organize the camp.

Dr. Pradeep Sawardekar met Dr. Col. Iqbal Singh, Professor & Head, Dept of IHBT and requested to organize the camp. He immediately gave a positive response.

National Doctors Day

The Indian Medical Association (IMA) celebrates July 1, as National Doctors' Day, every year. The day is dedicated to all the doctors and healthcare workers who have been serving the people. Amid the Covid-19 pandemic, it has once again reminded people about the contributions of healthcare workers across the world.

History of Doctors' Day

Every year, July 1 is observed as National Doctors' Day in the memory of Dr Bidhan Chandra Roy, who had his birth and death anniversary on the same day. The day, commemorated by Indian Medical Association (IMA), is dedicated to all the doctors and healthcare workers who have been serving people by risking their lives. Dr Roy, former Chief Minister of Bengal, was known for his selfless service.

Guru Purnima

Guru Purnima is the day dedicated to worship of Guru. It is celebrated on 23th of July, On this day disciples offer Puja or pay respect to their Gurus. Guru Purnima is also known as Vyasa Purnima. The Guru Purnima of Ashadha month marks the birth anniversary. of Veda Vyasa - the author as well as a character in the Hindu epic Mahabharata

Guru Purnima is also celebrated by Buddhists in the honour of Gautama Buddha to commemorate the day when Buddha gave his first sermon at Sarnath, Uttar Pradesh.

REPORT OF WORLD BREASTFEEDING WEEK

NSS Unit of MGM Medical College organised a seminar to celebrate World Breastfeeding Week at MCH Hospital Kalamboli on 4th of August 2021 from 11:00am to 1:00pm

- World breastfeeding week is celebrated every year from 1st to 7th August to encourage breastfeeding and improve health of babies around the world.

- World alliance for breastfeeding action (WABA) is a global network of individuals and organisations dedicated to the protection, promotion, and support of breastfeeding worldwide.
- This year, for WBW 2021, WABA has selected the theme: **Protect Breastfeeding: A Shared Responsibility.**

WABA states that this year's objectives are to:

- Inform people about the importance of protecting breastfeeding.
- Anchor breastfeeding support as a vital public health responsibility.
- Engage with individuals and organizations for greater impact.
- Galvanize action on protecting breastfeeding to improve public health.

OBJECTIVES

- To create awareness among the parents about breastfeeding.
- Encourage parents to adopt breastfeeding.
- Creating awareness about the importance of initiation and exclusive breastfeeding, and adequate and appropriate complementary feeding.
- Providing advocacy material about the importance of breastfeeding.

IMPORTANCE

- It promotes better health for mother and children.
- It prevents infections like diarrhoea and acute respiratory infections in early infancy and thus reduce infant mortality.
- It decreases the risk of mothers developing breast cancer, ovarian cancer, type 2 diabetes and heart disease.
- It protects infants from obesity related illnesses, diabetes and increases the IQ.

Events

A seminar was organised at MCH Hospital , kalamboli by NSS unit of MGM medical college.

Dr Pradeep Sawardekar Programme officer of NSS unit of MGM medical college started with introduction on WBW theme and welcoming of guest.

Dr. Ashish Jangid welcoming
Dr. Sushil Kumar (Head of dept. OBGY)

Dr. Sejal Seth welcoming Dr. Vijay Kamale
(Head of dept. Pediatrics)

Mr. Abhijeet Roadpalkar welcoming
Dr. Aruna Chatterjee (Medical Superintendent OBGY hospital)

Dr A. Chatterjee (Medical Superintendent), Department of OBGY ,spoke about

- a) Importance of breastfeeding
- b) Breast milk storage
- c) Positioning of breast feeding
- d) Contents of Breast milk

Dr Vijay Kamale ,Head of Department of Paediatric, Kamothe talked about

- Techniques of breast feeding
- Nutrition to mother
- Contraindications to breast feeding

After the talk there was a Question and Answer session on breastfeeding

The seminar was organised at 11:30pm to 1.00pm was attended by 33 Peoples.

	Staff	Students	Beneficiaries
Male	5	1	4
Female	3	1	19

The event was a great success. Department of Community Medicine, Paediatrics, OBGY gave full support for this activity.

Subject : Celebrating 75 years of India's Independence (Azadi ka Amrut Mahotsav)-India@75-reg.

Sir/Madpm,

I am to refer to the subject cited above and to inform that India is gearing up for the celebration of its 75th Year of India's Independence, as a part of commemoration. A series of events namely Azadi ka Amrut Mahotsav have been planned for their organization across the country. It is an initiative to celebrate and commemorate 75 years of progressive India and its glorious history, people, culture and achievements.

Hon'ble Prime Minister while inaugurating the curtain raiser of Azadi ka Amrut Mahotsav on 12th March, 2021, said that 'The celebrations can be divided in five sub-heads - Freedom struggle, Ideas at 75, Achievements at 75, Actions at 75 and Resolve at 75.'

In this regard you are requested to organize the following programs/events by your University/Directorate as per the dates given below.

Sl. No.	Event/Program	Date of Event	Venue	Objective
1	Catch the Rain Online or physical	8 th August, 2021	Universities/Plus Two Councils headquarters and in all the institutions/adopted villages.	To make aware and educate Youth leaders and volunteers, families and village communities on issues and need of water conservation and rain water harvesting. To empower youth to assume lead role for educating people to practice Rainwater "Harvesting" and popularize tagline "Catch the Rain, where it falls, when it falls".
2	Fit India Freedom Run Campaign Small group of Volunteers i.e. 4 or 5	13 th August, 2021	By all the Universities/Plus Two Councils headquarters and all the NSS units of all the Universities /Plus Two Councils.	To encourage and promote fitness culture and spirit of sportsmanship among rural youth to adopt it as a way of life. To cherish and follow the noble ideas that inspired freedom struggle creating awareness on life, works and philosophy of Heroes of India Freedom Movement. To generate enthusiasm and infuse patriotism among youth and people in general.

REPORT OF CELEBRATION OF NSS DAY

To celebrate NSS DAY, NSS Unit of MGM Medical College decided to organize a blood donation camp (from 10:00 am to 4:00pm) in MGM Blood Bank and certificate distribution for volunteers (from 2:00pm to 4:00pm) in lecture hall no. 1 on Friday, 24th September 2021.

Dr. Pradeep Sawardekar had taken permission from Dean Sir to organize ceremony.

NSS Day

The **National Service Scheme (NSS)** is an Indian government-sponsored flagship for public service program conducted by the Ministry of Youth Affairs¹¹ and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage.

After independence the University Grants Commission, headed by S. Radhakrishnan, recommended the introduction of voluntary national service in academic institutions. This idea was again considered by the Central Advisory Board of Education (CABE) at its meeting in January, 1950; after examining the idea and the experiences of other countries in this field, the board recommended that students and teachers should devote time to voluntary manual work. In the draft first Five-Year Plan adopted by the government in 1952, the need for social and labour service by Indian students for one year was stressed. In 1958 Jawaharlal Nehru, in a letter to the chief ministers, considered the idea of social service as a prerequisite for graduation. He directed the Ministry of Education to formulate a suitable scheme for the introduction of national service into academic institutions.

Launch of NSS

In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a national-service scheme could be an instrument for national integration. The details were soon worked out and orientation camp was organized at Rajghat. This camp was concluded on 7 June 1969. K Gupta from DU was declared first volunteer. The Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in selected institutions and universities. On 24 September 1969, the then Union Education Minister V.K.R.V. Rao launched the NSS at 37 universities all states. The scheme has been extended to all states and universities in the country, and +2 level institutes in many states.

Symbol of N.S.S (National Service Scheme)

The symbol for the NSS has been based on the giant Rath Wheel of the world-famous Konark Sun Temple (The Black Pagoda) situated in Odisha, India. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space, the symbol thus stands for continuity

as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represent 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind. It stands for continuity as well as change and implies the continuous striving of NSS.

NSS DAY

- The ceremony started at 2:00 pm in the Lecture hall no. 1. Dr. Pradeep Sawardekar (program officer NSS unit MGM Institute of Health Sciences) welcomed all and gave bouquet to all the authorities.
- The authorities present were

Dr. G.S. Narshetty (Dean MGM Medical College, Chairman of NSS)

DR. Vijay Kamale (Professor and HOD Paediatrics)

Dr. Prakesh Khandelwal(Profesor and HOD pharmacology)

Dr.Mrunal Pimparkar (Profesor community medicine and NSS advisory committee member)

Dr. Madhavi Mankar (NSS Co-ordinator MGM Institute of health sciences)

- Dr. Pradeep Swardekar gave a brief idea of the working and information about the NSS unit of MGM medical college.

- After that Dr. Madhavi Mankar ,NSS Co-ordinator MGM Institute of Health sciences, Spoke about the activity held by NSS unit of MGM Medical College in last 1 year.

- Dean Sir Dr. G. S. Narshetty talked about the NSS activities and wished to have the same activities in future also. He praised Dr. Pradeep Sawardekar and Dr. Madhavi Mankar for their sincere and tireless effort for doing all the activities.

- The certificate were distributed for the volunteers who had participated in different events like Poster competition and exhibition, Bhajan Sandhya, Tree Plantation, Blood donation Camp, Essay writing competition, World hypertension day etc.

REPORT OF CELEBRATION OF WORLD FOOD DAY

To celebrate World Food Day, NSS Unit of MGM Medical College, Kamothe decided to organize an awareness talk (from 10:45 am to 12:30pm) in lecture hall no. 2, on Saturday, 30th October, 2021.

Dr. Pradeep Sawardekar Sir had taken permission from Dean Sir to organize the talk.

WORLD FOOD DAY

World Food Day is an international day celebrated every year worldwide on 16 October to commemorate the date of the founding of the United Nations Food and Agricultural Organization in 1945. The day is celebrated widely by many other organizations concerned with hunger and food security, including the World Food Programme the World Health Organization and the International Fund for Agricultural Development.

World Food Day (WFD) was established by FAO's Member Countries at the Organization's 20th General Conference in November 1979. The Hungarian Delegation, led by the former Hungarian Minister of Agriculture and Food Dr. Pal Romany, played an active role at the 20th Session of the FAO Conference and suggested the idea of celebrating the WFD worldwide. It has since been observed every year in more than 150 countries, raising awareness of the issues behind poverty and hunger.

The theme this year is Our actions, are our future – Better production, Better nutrition, Better environment and Better life.

Since 1981, World Food Day has adopted a different theme each year in order to highlight areas needed for action and provide a common focus.

World Food Day

The talk started at 10:45 am in the Lecture hall no. 2 Dr. Pradeep Sawardekar (Secretary NSS unit MGM Institute of Health Sciences and Mess/Canteen Committee) welcomed all. Dr. Pradeep Sawardekar gave a brief idea about world food day and information regarding it. He also said how COVID 19 pandemic has adversely affected the food production and distribution. He also stressed the importance of balanced diet, the importance of each nutrient and avoidance of junk food.

Further, Dr Ritu Tated presented information regarding World Food day.

she highlighted the importance of better production of food in order to save the environment by putting emphasis on the catastrophic effects of mass food production on the environment and being a major factor in climate change.

Miss Rajasi Mankame (MBBS student) put light on making the food chain resilient to shocks such as weather changes or pandemics. She also pointed out viable solutions to reduce our food footprint by

- Identifying waste occurrence
- Balancing production with demand
- Managing food that is unfit for human consumption

After that Mr Ravindra Pawar , Canteen/Mess Manager spoke about the impact of the pandemic on food production and exposing profound inequalities and injustices on the grassroots levels. He also spoke about how to prevent food wastage at each level.

All the support staff was advised regarding safe food practices and waste management and how food can be used for livestock rearing .Furthermore, Dr Madhavi Mankar, NSS MGIMHS Coordinator, gave insight on household surplus food management.

Mr Shantanu Khandgle, (General secretary) talked about the importance of minerals in diet.

Vote of thanks was given by Mrs Rupali Gujar, Associate Female Programme Officer. She also talked about a few points necessary to satisfy the increasing demand of food. She also highlighted how we need to be part of the change in order to save the environment.

Last but not the least she thanked all of the people who attended the programme .

NSS UNIT REPORT OF CELEBRATION OF WORLD DIABETES DAY

To celebrate World Diabetes Day, NSS Unit of MGM Medical College, Kamothe decided to organize an awareness talk on 13th November, 2021 (from 10:00 am to 12:00pm) in Lecture Hall no. 3, of MGM Hospital, Kalamboli on Saturday, 30th October, 2021. Dr. Pradeep Sawardekar Sir had taken permission from Dean Sir to organize the talk.

PROGRAMME SCHEDULE

SR NO.	PERSON	TOPIC
1.	DR. PRADEEP SAWARDEKAR	INTRODUCTION TO WORLD DIABETES DAY THEME
2.	DR. AADILA COATWALA	TALK ON DIABETES
3.	DR. RITU TATED	TALK ON DIABETES
4.	MRS RUPALI GUJAR	BRIEFING ON DIABETES AND VOTE OF THANKS

WORLD DIABETES DAY

World Diabetes Day is the primary global awareness campaign focusing on diabetes mellitus and is held on 14 November each year. Led by the International Diabetes Federation (IDF), each World Diabetes Day focuses on a theme related to diabetes; type-2 diabetes is largely preventable and treatable non-communicable disease that is rapidly increasing in numbers worldwide. Type 1 diabetes is not preventable but can be managed with insulin injections.

World Diabetes Day was launched in 1991 by the International Diabetes Federation and the World Health Organization (WHO) in response to the rapid rise of diabetes around the world. By 2016, World Diabetes Day was being commemorated by over 230 IDF member associations in more than 160 countries and territories, as well as by other organizations, companies, healthcare professionals, politicians, celebrities, and people living with diabetes and their families. Activities include diabetes screening programmes, radio and television campaigns, sports events and others. The theme for 2021-2023 is "Access to Diabetes Care - if not now, when?"

Kamohi, Nagpur-441101

World Diabetes Day Programme

At the outset of the meeting, Dr. Pradeep Sawardekar (Secretary NSS unit MGM Medical College) welcomed all.

He gave a brief idea about Diabetes and World Diabetes Day covering the following points :

1. What is Diabetes Mellitus
2. The problem statement and extent of this illness
3. Statistics (India and global) highlighting the gravity of the disease
4. Prevention and awareness of DM
5. Monitoring and Care
6. Treatment of Diabetes
7. Need of patients to adequately approach health care professionals, well in time to avoid fatal complications of this disease.
8. World Diabetes Day

He also addressed patient's questions and adequately informed them about the disease

Dean.

Subsequently, Dr Aadila Coastwala addressed the audience on World Diabetes Day. She highlighted the following.

- 1 The date, logo, and founders of WDD
- 2 Significance of WDD
- 3 Significance of the year 2021, the centenary of insulin discovery
- 4 The theme "Access to Diabetes Care : if not now, when ?"
- 5 Components of Diabetes care
- 6 Role of Healthcare Workers
- 7 Role of the Population at large in spreading awareness

i) Access to insulin

ii) Access to oral medicines

iii) Access to Self Monitoring

iv) Access to Education and psychological support

v) Access to healthy food and a safe place to exercise

Dr. Aadila Coastwala

...during which, Dr. Ritu Tated spoke about Diabetes Mellitus, she discussed the following:

1. Classification
2. Risk Factors
3. Screening and Evaluation
4. Prevention
5. Complications

Finally, Mrs. Rupali Gujar, Associate Female Programme Officer, emphasised the need of health education and awareness of this non communicable disease, regular checkups, and a healthy lifestyle. She then concluded the event by giving a vote of thanks addressed to all who organised and attended the programme.

Department of Community Medicine and Obstetrics and Gyanecology gave full support for the success of the programme.

Dr Ritu Tated and Dr Aadila Coatwala took immense efforts for the success of the programme.

Skit by M.SC. Students

Short event report

The event was conducted on 9th of August on the account of World breast feeding day. It was a joint activity which has been conducted by Dept. of Clinical Nutrition (MGM School of Biomedical Sciences), Dept. of Community Medicine (MGM Medical College) , NSI Mumbai chapter and Rotary club Navi Mumbai Bay side. The purpose of the activity was to teach the correct techniques of breast feeding to the lactating and pregnant ladies and to give them information about nutrition during pregnancy and lactation. The hands on training had been given by Mrs.Neha Arora, she is a certified trainer working as a consultant of ICDS Program. After the lecture the M.Sc. Clinical Nutrition students played a skit on the nutrition of lactating woman. It was really a great experience would like to give thanks to all the SBS team for their support and guidance.

4. Importance of vaccination & encouragement for vaccination
5. Environmental sanitization

All the five topics was covered in the tenure of the special camp, each and every house started getting aware of the session, they came to know the importance of the self prevention, it was High time pandemic, still students got chance to serve as covid warriors among the village, and with the help of survey students came to know the lifestyle of the people living in village, it was quite good to see the people living in village with great enthusiasm, having lots of things need to be develop, but still live, in harmony with zero issue, each and every house of the village was overwhelming, everyone welcomed the students with joy and happiness on there faces, this special camp not only help to serve the village, but also help them to develop the inner satisfaction and meant to serve the society at personal level, looking the enthusiastic face of children in village, our students also engaged with them and also made a peace session, where meditation was thought by the students, as this help them to stay focused on there goal and help to achieve good success in life,

Overall we would like to thank our director MGM SBS & and also department of community medicine for helping us to show the direction towards the service to nation, the camp wouldn't be successful without the support and guidance of the both. we all had great experience, & also looking forward to attend such many more special camp !

Jai hind

Report on Tree Plantation Drive

Date:05/06/2021

Preamble	:	World Environment Day is celebrated every year on 5 th June. This day was created by United Nations in 1974. Pakistan, in collaboration with the United Nations Environment Programme (UNEP), is the global host for the day to highlight the importance of "ecosystem restoration" for the year 2021.
Objective	:	<ul style="list-style-type: none">• To spread awareness among people to conserve the environment for a healthy and better future• To create awareness regarding the need to protect our surroundings• To raise awareness among people to protect the environment by looking at various problems regarding scorching issues of environment pollution, drastic climatic changes, greenhouse effect, global warming, black hole effect etc.• According to United Nations, "The celebration of this day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals, enterprises, and communities in preserving and enhancing the environment."• To understand that young people have a role to play in preventing the loss of biodiversity and preserving nature for our future.
Event	:	Tree Plantation Drive
Time and Date	:	10 am to 12 noon, 5 th June 2021
Organized by	:	NSS Unit of MGM School of Physiotherapy, Navi Mumbai
Participants	:	Bachelor of Physiotherapy and Master of Physiotherapy students
Event Co-ordinator	:	Dr. Amrita Ghosh (PT)
Venue	:	Residential area of the Bachelor of Physiotherapy students, MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai.
Summary	:	MGM School of Physiotherapy, Navi Mumbai participated actively in Tree Plantation Drive on the occasion of World Environment Day 2021. The event was organized on campus also students who were not present on campus due to Pandemic planted saplings at their residential area. Students planted saplings of Neem, Cashew, Mango, Jack Fruit, Bamboo etc. All the students thoroughly enjoyed the event.

Students of MGM School of Physiotherapy, Navi Mumbai planting sapling at MGMIHS campus

Students of MGM School of Physiotherapy, Navi Mumbai planting sapling at their residential area

Feedback

1) On 5 June 2021, the NSS Unit of MGM SOP organised a tree plantation event. Since we could not attend it at the campus, I decided to plant a Bougainvillea in my society. The local gardener provided the supplies required for planting. The gardener also told me about other different varieties of plants. It was a great experience. A few other people also joined me in planting a few more plants. I was happy to contribute a little for the benefit of the environment.

Ms Kinnari Parikh (3rd year)

2) Tree Plantation showed me how to plant trees; minimize root tearing as it would lead to killing of the planted trees. Take care like babe until its roots are more flattered & stronger. I had enriched with good experience on world tree planting day held every 5th June of every year. It raises attentiveness, importance of planting and saving trees, prompt our apprehension to the atmosphere and minimize the effect of Global warming & negative effects of climatic conditions.

Ms Raashi Kadam (1st year)

3) On world tree plantation day I planted a sapling of mango in the near garden. Which is grown from the seed I buried in one pot at home first. plantation is a thrilling experience for me. I saw the process of growing mango seed into mango sapling and that made me happy. I will look forward to take care of the sapling I planted

Ms Chayya Dhurde (3rd year)

4) I like to look at trees because it gives a sense of calmness and of course oxygen too .so this plantation event made me realise that I need that feeling in my house also during this pandemic which is why I planted trees in and around my house and just the planting gave me a sense of satisfaction.

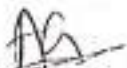

Ms Divya Raju (3rd year)

5) Gardenia are shrubby evergreen plants, known for their, fragrant flowers. I planted this plant in our flower garden. Firstly, I dug a pit deep into the ground and then placed the plant into the pit. After burying the roots properly, I watered the plant. Also just planting a plant on environment day will not do, we have to take the responsibility of the plant thoroughly. I enjoyed this tree plantation drive and would like to continue to plant a tree every year.

Ms Mansi Desai (3rd year)

6) Tree plantation is like an investment made for the future. With the current scenario of climatic changes trees are the only saviours. Protecting the environment should be the top priority of the citizens. We can contribute to the environment by planting more trees, using biodegradable objects, using less electricity and fuel. Planting trees will help you enjoy better mental health. Overall I would say it is a nourishing experience physically and mentally.

"Report of 'Blood Donation Camp 2020" under NSS

Name of the event : "Blood Donation Camp 2020"

Purpose of the event: To donate the blood as a helping hand and to create the awareness about blood donation.

Location of the event: Blood Bank, MGM Hospital, Kamothe, Navi Mumbai

Date and time : Date: 30th December, 2020
Time: 10:00 AM to 12:00 PM

No. of attendees : 03 Faculties and 07 Students.

Proceedings of the event:

As per the guidelines received from Higher and Technical Education, Government of Maharashtra, the MGM Institute's University Department of Prosthetics and Orthotics organized a Blood donation camp as NSS activity under NSS unit, MGMIHS, Kamothe Navi Mumbai.

Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics, delivered a lecture about the myths and facts about the blood donation among the public. She thrown a light on benefits of donating blood for an individual as well as for the society. She encouraged students and faculties to donate the blood.

The blood donation camp was conducted by following all the guidelines of social distancing.

The experts from Blood Bank of MGM Hospital, Kamothe, Navi Mumbai, conducted all the necessary assessments as per Govt norms for the students and faculties of MGMIUDPO among whom, three faculties and seven students were eligible to donate their blood.

Everyone was very happy and proud by donating their blood.

PARTICIPATION OF STUDENTS OF MGMIUDPO IN PULSE-POLIO IMMUNIZATION

Name of the event: Participation of MGMIUDPO Students in Pulse-polio Immunization.

Purpose of the event: To Immunize children in society under 05 years to eradicate Polio from the society.

Location of the Event: Kamothe

Date of the Event: 31st January- 06th February 2021.

Time of the Event: 9:00 AM- 01:00 PM

No. of attendees: 05 Internship Students of MGMIUDPO

Proceedings of the event:

This event was organized under NSS Activity by NSS Unit, MGMIHS, Kamothe.

The Programme was started with the training regarding how to vaccinate the child and students were briefed about the Vaccination.

The theme for this year's National Polio Vaccination day is "**Both Polio eradication as well as current Covid-19 threat**".

The Vaccination Programme was started on 31st January 2021 at 8.00 am. All the volunteers were gathered at UPHC Centre, Kamothe. Later they were given the Polio vaccination carriers, awareness banners, markers.

Then team member was allotted to volunteers & the volunteers were dropped at specific vaccination centre. Then people started gathering for their child's vaccination. The first day vaccinations were given to 200 children by each team.

The next day program started by house visit according to sectors allotted to each team and they were given files to maintain proper record of vaccination given to the child (Below 5 years) in particular house.

Later this program was continued for next four days allotting different sectors to different teams.

Lastly the program was ended with distribution of Certificate of Appreciation to each student those who participated in this event.

"CELEBRATION OF WORLD BICYCLE DAY-2021"

Name of the event: "Celebration of world Bicycle day-2021" at MGMIUDPO

Purpose: To raise awareness on the importance of Cycling for health & environment.

Date of the Event: 3rd June 2021,

No. of participants -02 Students

Proceedings:

Cycling is a healthy, low-impact exercise that can be enjoyed by people of all ages, from young children to older adults. It is also fun, cheap and good for the environment. To be fit and healthy all need to be physically active. Regular physical activity can help protect from serious diseases such as obesity, heart disease, cancer, mental illness, diabetes and arthritis. Riding Bicycle regularly is one of the best ways to reduce your risk of health problems associated with a sedentary lifestyle.

Acknowledging the uniqueness, longevity and versatility of the bicycle, which has been in used for two centuries, and that it is a simple, affordable, reliable, clean and environmentally fit sustainable means of transportation, fostering environmental stewardship and health, **United Nations the General Assembly declared 3rd June as a World Bicycle Day.** It encouraged people to emphasize and advance the use of the bicycles as a means of fostering sustainable development, strengthening education, including physical education, for children and young people, promoting health pollution free environment, preventing diseases, promoting tolerance.

By celebrating this day, students of MGMIUDPO sent a photo of his/her which raised steps towards making the pollution free environment and contributed in making the society green by riding Bicycle.

"CELEBRATION OF WORLD ENVIRONMENT DAY-2021"

Name of the event: "Celebration of World Environment day-2021" at MGMIUDPO

Purpose: To raise awareness about the environment among the students.

Date of the Event: 05 June 2021,

No. of participants -09 Students

Proceedings:

The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change. The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment.

By celebrating this day at MGMIUDPO, students of MGMIUDPO sent a photo of them during planting a tree on this day.

REPORT OF INTERNATIONAL YOGA DAY 2021

Name of the event: Celebration of International Yoga Day 2021

Purpose of the event: To create awareness among the students professes a complete system of physical, mental, social, and spiritual development.

Mode of the event: Virtual Platform.

Duration: 3 weeks (1st June to 21st June 2021)

No. of participants: 07 Students.

Proceedings of the event:

As per the guidelines received from NSS Unit, MGMIHS, this year the "International Yoga day" was celebrated from 1st June to 21st June 2021 in the institute.

Due to the COVID situation, students were asked to perform various Asanas by referring official website of Ayush Mantralaya i.e. www.yoga.ayush.gov.in and follow the common protocol syllabus for training at their home and send the pictures with description about Asanas.

Students performed excellent job by sending pictures in various poses and gave explanation about the Asanas. This helped students to get inspired for Health awareness and inculcate YOGA in their day to day life.

"CELEBRATION OF NATIONAL DOCTOR'S DAY-2021"

Name of the event: "Celebration of National Doctor's Day-2021" at MGMIUDPO

Purpose: To give gratitude to the doctors, nurses and other staff working in COVID wards.

Date of the Event: 03rd July 2021,

No. of participants – 01 Faculty and 02 students of MGMIUDPO

Proceedings:

Doctors are responsible for increased life expectancy and improved well-being in society. People and society who survive during deadly diseases such as covid-19 pandemic usually owe their survival to doctors, whose skills and dedication are vital for their cure

Every year, July 1 is observed as National Doctors' Day in the memory of Dr Bidhan Chandra Roy, who had his birth and death anniversary on the same day. The day, commemorated by Indian Medical Association (IMA), is dedicated to all the doctors and healthcare workers who have been serving people by risking their lives. Dr Roy, former Chief Minister of Bengal, was known for his selfless service.

MGMIUDPO celebrated the event with full energy, one faculty Ms. Pratiksha Shelar (P&O) & two students Ms. Simranjeet Kaur Manni (Intern) & Mr.Rohan Tambe (B.P.O IV) visited to Covid Isolation ward at MGM Hospital and felicitated, Nurses and other staff with Flower and Chocolates & give thanks to them for their job of the humanity during this Pandemic.

HEALTH CAMP AT BSSK

'बीएसएसके' मध्ये आरोग्य तपासणी

दत्तक जाणीव जागृती सप्ताहानिमित्त आयोजन

“ दत्तक जाणीव जागृती सप्ताहानिमित्त संस्थेने सुरक्षित वावरण्याचा नियम पाळून कार्यक्रम घेतले. दत्तक इच्छुक पालक संस्थेत येऊन माहिती घेऊ शकतात. संस्थेतर्फे ही माहिती विनामूल्य दिली जाते. - यमुघा जातेगावकर, राज्य संचालिका, भारतीय समाज सेवा केंद्र

प. दा. प्रतिनिधी, औरंगाबाद

घेण्यात आले.

जिल्हा महिला बालविकास अधिकारी हर्षा देशमुख यांनी गुरुवारी सप्ताहाचे उद्घाटन केले. दत्तक इच्छुक पालकांना कायदेशीर मार्गदर्शन आणि जाणीव जागृती निर्माण करण्यासाठी १४ ते २१ नोव्हेंबर आठवडा दत्तकाचे कार्य करणाऱ्या संस्था दत्तक जाणीव जागृती सप्ताह म्हणून साजरा करतात. भारतीय समाज सेवा केंद्र गेल्या २५ वर्षांपासून सहा वर्षांपर्यंतच्या निराधार मुलांचा

सांभाळ व संगोपन केले जाते. दत्तक प्रक्रियेहारे या मुलांचे कायमस्वरूपी पुनर्वसन करण्यात येते.

भारतीय समाज सेवा केंद्राने १४ नोव्हेंबरपासून कार्यक्रमांना सुरुवात झाली. राज्य संचालिका यमुघा जातेगावकर यांच्या मार्गदर्शनाखाली १४ नोव्हेंबरला विकलटाणा येथील शासकीय वैद्यकीय रुग्णालय, जिल्हा महिला बालविकास कार्यालय आणि विभागीय उच्चयुक्त कार्यालय येथे

दत्तक जाणीव जागृती सप्ताहाचे फलकांचे अनावरण करण्यात आले. संस्थेतील मुलांसोबत प्रत्यक्ष काम करणारा कर्मचारी वर्ग यांच्यासाठी 'मुलांना 'फिझिंग' करण्याचे विकसित तंत्र' खविषयी मार्गदर्शन करण्यात आले. संस्थेच्या खर्च परिचारिका अंलिता कांबळे यांनी मार्गदर्शन केले. १५ आणि १६ नोव्हेंबरला संस्थेच्या खर्च परिचारिका शीला साळवे यांनी मुलांची शारीरिक व मानसिक खात यांचा लेखी अहवाल सादर करून महत्त्व सांगितले. १७ नोव्हेंबर रोजी बाल दत्तक घेण्यास इच्छुक पालकांना मार्गदर्शन व मदत करण्यात आली. १८ नोव्हेंबरला मुल आणि कर्मचाऱ्यांचे मानसिक आरोग्य याविषयी कर्मचारी वर्गासाठी विशेष कार्यशाळा घेण्यात आली.

Respected Madam,

Greetings from IMDR !

Thank you for the brief conversation over the telephone today in the morning. The vibe and positivity from your side, even through the telephone, is incredible and wonderful.

We are keen on having your interaction with our female staff members and students. As suggested by you, a session on "The Four Births of a Woman" dealing with various health and wellness issues related to women would be extremely vital and relevant. It will be a privilege and an honour for us to get guidance from you on the subject. Kindly spare some time from your schedule for this interaction.

As discussed with you over the phone, we may have this session before December 16, 2020. Any time on December 13, 14, or 15 that is convenient for you will be great with us. However, we may organize this session on any other date and time, which is suitable given your prior commitments.

We look forward to an affirmative response from your side,

Gratitude and regards
Shikha

Respected Mam,

Greetings from IMDR !

We are grateful to you for being our Resource Person for the ICC workshop on "Gender Sensitization and Awareness" on 16.12.2020. Our students benefited immensely from your insights. We are sharing the wonderful feedback that we have received from the students in the attachment. The response from the students is extremely encouraging and we look forward to many more such interactions with you, in the future.

We would like to extend a small token of our appreciation. Kindly oblige us by sharing your bank details as follows -

Account Holder Name -

Bank Name -

Branch -

Account Number -

IFSC Code -

Thank you for sparing your time Madam. We are honoured.

Regards

Shikha

1st foundation day of Indian Psychiatric Society

Department of Psychiatry MGM medical college and hospital has celebrated 1st foundation day of Indian Psychiatric Society. 15 psychiatrists established Indian psychiatric society on 7th January 1947. Now in all over India there are 7500 members in IPS. Dr. Arun Marwale, Dr. Manik Bhise, Dr. Shraddha Jadhav, Dr. Gaurav Murambikar, Dr. Nikunj Gokani, Dr. Praveen Godara, Dr. Riya Gupta, Dr. Prince and Dr. Siddhant Mathur etc participated in this activity. Interns also participated in this activity. Dr. Arun Marwale gave a brief about history of IPS and talk about the theme of the day i.e. 'Mental Health matters'. Dr. Siddhant Mathur presented about Music therapy in depression which was moderated by Dr. Gaurav Murambikar. Vote of thanks for the day was given by Dr. Manik Bhise.

Dear Dr. Suwati Shiradkar,

दिनांक :

Thank you for the trainee's
Training workshops conducted by you
on 10th June / 14th June / 17th
June 2021.

Thanks so much for your
valuable training! We really
enjoyed it. We feel much better
prepared to deal with uncomfortable
issues.

Thank you for sharing
your wisdom, experience and
personal presentation.

कॅन्सरशी लढलेल्या महिलांचा गौरव

म. टा. प्रतिनिधी, औरंगाबाद

जून महिना हा कॅन्सरवर मात करून वाचलेल्यांचा कर्करोगमुक्त महिना म्हणून ओळखला जातो आणि याच निमित्ताने आयएमए 'विमेन्स डॉक्टर विंग'च्या वतीने 'कर्करोगमुक्त आम्ही' सत्रात कर्करोगावर धोराने मात करून पुढील आयुष्य उत्साहाने जगणाऱ्या रणरागिणींचा नुकताच गौरव करण्यात आला. कर्करोगाशी दिलेल्या लढ्याचे अनुभव कथनही या प्रसंगी वेधक ठरले.

शहरातील आयएमए हॉलमध्ये नुकत्याच झालेल्या कार्यक्रमात एमजीएम ट्युलिप ब्रेस्ट सेंटरच्या प्रमुख डॉ. अरुणा कराड व शासकीय कर्करुग्णालयातील शल्यचिकित्साशास्त्र विभागाच्या प्रमुख डॉ. अनया वरुडकर यांनी कर्करोगाबद्दल माहिती देत कर्करोगमुक्त महिलांना बोलते केले. डॉ. वरुडकर यांनी कर्करोग टाळण्यासाठी काय काळजी घेतली पाहिजे, हे सांगताना दैनंदिन जीवनात सकस आहार, व्यायाम व

आयएमए विमेन्स डॉक्टर विंगच्या वतीने कर्करोगावर मात करणाऱ्या रणरागिणींचा सत्कार करण्यात आला.

निर्व्यसनी असणे हे महत्वाचे असल्याचे सांगितले. डॉ. कराड यांनी स्तनाच्या व गर्भाशयाच्या कर्करोगाबद्दल माहिती देताना, महिलांनी नियमित स्वतःपासणी करावी व लक्षणे आढळताच लवकरात लवकर वैद्यकीय सल्ला घ्यावा, असे सांगितले. या कार्यक्रमाचे प्रास्ताविक विंगच्या सचिव डॉ. शिल्पा आसेगावकर यांनी केले, तर अध्यक्ष डॉ. उज्वला दहिफळे यांनी उपस्थितांचे आभार मानले. आयएमए शहर अध्यक्ष डॉ. संतोष रंजलकर व सचिव डॉ. यशवंत गाडे यांच्या मार्गदर्शनातून हा कार्यक्रम घेण्यात आला.

अनुभव कथन ठरले प्रेरणादायी

याच कार्यक्रमात कर्करोगाशी जिद्दीने लढून आता पूर्ववत जीवन जगणाऱ्या महिलांनी आपले अनुभव कथन केले. वेगवेगळ्या आवाहनांना सामोरे जाताना कुटुंबीय, मित्र परिवार, डॉक्टर व रुग्णालयातील कर्मचाऱ्यांची साथ मोलाची ठरली, असे कर्करोगमुक्त गीता कोल्हटकर म्हणाल्या. मुखाच्या कर्करोगावर दोनवेळ मात करून यशस्वी जीवन जगताना बालभारती पाठ्यपुस्तकाचे अजूनही उत्साहाने काम करणाऱ्या अनुया दळवी यांचा या आजारातील प्रवास सर्वांनाच उर्मी देऊन गेला. जे या अनुभवातून गेले आहेत, त्यांनी आता इतर रुग्णांना आधार देण्याची जबाबदारी घेतली पाहिजे, असे हेमलता कुलकर्णी म्हणाल्या. या प्रसंगी गीता कोल्हटकर, अनुया दळवी, नर्मदा नागरे, हसनूर बी, शोभा राहुलवाड या कर्करोगमुक्तांचा सत्कार करण्यात आला.

“कर्करोगमुक्त आम्ही”

दरवर्षी जून महिना 'Cancer Survivor' महिना म्हणून ओळखला जातो.
त्यानिमित्ताने कर्करोगावर धीराने मात करून पुढील आयुष्य
उत्साहाने जगणाऱ्या रणरागिणींचा कॅन्सरच्या प्रवासातील प्रेरणादायी
लढ्याचा अनुभव त्यांच्याकडून ऐकणार आहोत.

The first part of the document discusses the state of the
 economy and the need for reform. It mentions the
 difficulties faced by the government and the
 importance of maintaining public order.

The second part of the document describes the
 various measures that have been taken to
 address these issues. It details the
 actions of the government and the
 cooperation of the people.

The third part of the document looks
 towards the future and expresses
 confidence in the success of the
 reforms. It concludes with a
 statement of the author's
 beliefs and hopes for the
 nation.
