## MGM CENTRAL LIBRARY

The library endeavours to offer health literature, library, and information services extensively and exhaustively to a wide spectrum of users comprising of students, teachers, research scholars, paramedical and auxiliary health personnel involved in education, academics, patient care and research in various branches of health and allied sciences. The library collects a wide range of information and reference material in all major areas of health sciences for the advancement of education and research. It makes efforts to disseminate evidence-based information on demand as well as in anticipation of medical scientists with a view to helping them in acquiring well-equipped clinical skills and attitudes necessary for providing the best patient care

- The Library remains open from 08.30 a.m. to 11.00 p.m. Monday to Saturday & 10 am to 6 pm on Sundays & holidays. The Library has separate sections for faculty, UG, PG, e-learning & group discussion.

- Acquisition of Books and Subscription to Journals

At the end of 30th June 2019, the collection of Library was 63,284 (Aurangabad: 27,052 and Navi Mumbai: 36,232) documents which included Textbooks: 33740, Reference Volumes: 9027, Ancient Books: 112, Manuscripts: 1350, Special Reports: 314, Other Knowledge Resource: 1612, Bound Volumes: 14793, and CDs/DVDs: 2336. Newly acquired copies were classified according to the Dewey Decimal Classification (DDC) Scheme, 22nd edition. US-NLM Medical Subject Headings (MESH) was used for assigning the subjects. A total of 237 (International: 92, National: 145) scholarly core medical periodical titles were subscribed. The latest copies of issues of journals as and when received were displayed in alphabetical order in Display Racks with a view to providing maximum visibility to users. 14828 (Aurangabad: 5338, Navi Mumbai: 9490) back volumes of journals duly bound were organized in alphabetical order behind the display racks and corridor. Journal Section has the capacity to accommodate 52 users at a time where they can sit and consult their needed literature.

- The library is a well-equipped Virtual Learning Centre (E-Library), with excellent state-of-art computer facilities including over 50 internet-connected computer terminals, each provided with e-mail facility and access to e-materials and e-resources. Besides internet/online facilities, the desk to access in various departments and multiuser access with regard to Library

Management Software at the e-library has been set up. Hyperlinks for 3644 e-journals, 411 e-books, and 28 e-databases were provided for accessing the e-health literature/information, free of cost.

- More than 370 e-books with full text and 7154 e-journals are accessible online at Aurangabad. 970 e-books and 3662 e-journals are accessible online at Navi Mumbai through MEDLINE Complete, CINAHL and Pro-Quest. It is not out of place to mention that CINAHL and MEDLINE complete are accessible online at both campuses (<https://search.ebscohost.com>)
- The desk to access in various departments and multiuser access to Library Management Software at E-Library has been setup. The Library has its exclusive website: <http://www.mgmlibrary.com>. Site is hyperlinked to a wide range of information, resources, services and policies.
