Research Methodology and Statistics workshop for PG students and Faculty

Day 1: 03/11/2020 (Tuesday)

Time	Topic	Speaker
11 am -12 pm	Introduction to Research in Nursing- concept, characteristics, purposes, kinds of research, terms, scope, process	Dr. Jyoti Chaudhari Associate Professor MGMNBCON
12 pm-1 pm	Formulating research Problem/Question, objectives, operational definition, assumptions and delimitation	Dr. Ponchitra R Vice-Principal MGMNBCON
1 pm-2 pm	Lunch	
2 pm- 3 pm	Research Approaches and Design - overview	Mrs. Susan Jacob Professor MGMNBCON
3pm- 4pm	Activity and Presentation: Formulate a Research Problem and State two objectives	

[Handwritten Signature]
15/2/2022

Day 2: 04/11/2020 (Wednesday)

Time	Topic	Speaker
11 am -12 pm	Review of literature- importance, sources, steps in reviewing	Mrs. Suja Shamili Principal Dr. Mallela Ramaiah College of Nursing, Nellore, AP
12 pm-1 pm	Identification of variable , hypothesis -definition, formulation and types	Mrs. Susan Jacob Professor MGMNBCON
1 pm-2 pm	Lunch	
2 pm- 3 pm	How to search Literature from e-sources , use of reference manager in ROL and making a reference list	Dr. Ponchitra R Vice-Principal MGMNBCON
3pm- 4pm	Activity and Presentation: Listing Hypothesis and ROL	

Day 3: 05/11/2020 (Thursday)

Time	Topic	Speaker
11 am -1 pm	Quantitative- non experimental study designs: An Overview	Mrs. Susan Jacob Professor MGMNBCON
1 pm-2 pm	Lunch	
2 pm- 3 pm	Quantitative -experimental study design: An Overview	Dr. Ponchitra R Vice-Principal MGMNBCON
3pm- 4pm	Activity and Presentation: Selecting Research Design	

[Handwritten signature]
15/11/2022

Day 4: 06/11/2020 (Friday)

Time	Topic	Speaker
11 am -1 pm	Qualitative study designs	Dr. Nalini Ramachandran Principal Sri Ramachandra Institute of Medical Sciences
1 pm-2 pm	Lunch	
2 pm- 3 pm	Sampling- various terms, methods, framework/formats	Mrs. Padmaja Dhawale Associate Professor & Nursing Superintendent MGM Hospital, Kamothe
3pm- 4pm	Activity and Presentation: Develop Sampling Plan	

Day 5: 07/11/2020 (Saturday)

Time	Topic	Speaker
11 am -12pm	Introduction to Statistics	Mr. Rajaram Gawade Statistician National Institute of Public Health Training & Research

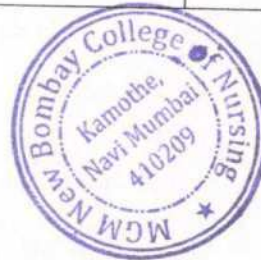

[Handwritten signature]
15/2/2022

Day 4: 06/11/2020 (Friday)

Time	Topic	Speaker
11 am -1 pm	Qualitative study designs	Dr. Nalini Ramachandran Principal Sri Ramachandra Institute of Medical Sciences
1 pm-2 pm	Lunch	
2 pm- 3 pm	Sampling- various terms, methods, framework/formats	Mrs. Padmaja Dhawale Associate Professor & Nursing Superintendent MGM Hospital, Kamothe
3pm- 4pm	Activity and Presentation: Develop Sampling Plan	

Day 5: 07/11/2020 (Saturday)

Time	Topic	Speaker
11 am -12pm	Introduction to Statistics	Mr. Rajaram Gawade Statistician National Institute of Public Health Training & Research

[Handwritten signature]
15/2/2022

Day 6: 09/11/2020 (Monday)

Time	Topic	Speaker
10 am -11 am	Preparation of schematic presentation of research plan- sampling plan, data collection procedure plan and plan for analysis	Dr. Jyoti Chaudhari Associate Professor MGMNBCON
11 am -1pm	Developing Conceptual Framework	Dr. Prabha K Dasila Professor & Director MGMNBCON
1 pm-2 pm	Lunch	
2pm – 3pm	Activity: Preparation of Schematic Presentation of Research Plan	Dr. Jyoti Chaudhari Associate Professor MGMNBCON
3 pm- 4 pm	Overview of Systematic Review	Dr. Judith A Noronha Associate Dean, MCON Manipal, MAHE

Day 7: 10/11/2020 (Tuesday)

Time	Topic	Speaker
10 am -11 am	Data collection- sources-primary and secondary, methods/technique- qualitative/quantitative	Ms. Preethi Maria Mathew Associate Professor MGMNBCON
11 am -12 pm	Tool for data collection- types, characteristics and their development	Dr. Bharti Veer Assistant Nursing Superintendent Tata Memorial Centre, Parel
12 pm-1 pm	Validity and reliability of tools- what and how	
1 pm-2 pm	Lunch	
2 pm- 4 pm	Descriptive statistics - unidimensional analysis- measures of central tendency and its significance	Dr. Sindhu Thomas Lecturer MGMNBCON

[Handwritten signature]
15/2/2022

Day 8: 11/11/2020 (Wednesday)

Time	Topic	Speaker
10 am -11 am	Writing a proposal for scientific and ethical review committee	Dr. Prabha K Dasila Professor & Director MGMNBCON
11 am -1 pm	Measures of variability/ of dispersion - range, percentiles, average deviation , standard deviation, percentile	Dr. Sindhu Thomas Lecturer MGMNBCON
1 pm-2 pm	Lunch	
2 pm- 3 pm	Ethics in Research	Dr. Ipseeta Ray Professor, Department of Pharmacology MGM Medical College
3pm- 4pm	Writing a research report - methods and style- Vancouver, APA, etc.	Ms. Preethi Maria Mathew Associate Professor MGMNBCON

Day 9: 12/11/2020 (Thursday)

Time	Topic	Speaker
10 am -11 am	Critical Review of Research article	Mrs. Padmaja Dhawale Associate Professor & Nursing Superintendent MGM Hospital, Kamothe
11 am -12 pm	Implementation of plan, pilot study and analysis, implementation of main plan, record keeping of implemented plan	
12 pm-1 pm	Writing interpretation of data with the help of table and figures	Ms. Preethi Maria Mathew Associate Professor MGMNBCON
1 pm-2 pm	Lunch	

Handwritten signature and date: 15/12/2022

2 pm- 4 pm	Bivariate analysis- measures of relationship , correlation and regression and various methods (In SBS)	Mr. Rajaram Gawade Statistician National Institute of Public Health Training & Research
------------	---	---

Day 10: 13/11/2020 (Friday)

Time	Topic	Speaker
10 am -11 am	Hypothesis testing and level of significance	Dr. Sindhu Thomas Lecturer MGMNBCON
11 am -12 pm	Writing the interpretation of statistical table / level of significance	Dr. Sindhu Thomas Lecturer MGMNBCON
12 pm-1 pm	Discussion writing, Conclusion, limitations and implications of result and recommendations, Dissemination of Research Findings	Ms. Preethi Maria Mathew Associate Professor MGMNBCON
1 pm-2 pm	Lunch	
2 pm- 4 pm	Measures of skewness- normal distribution of sample, characteristics and application of normal probability curve - concept of homogenous or heterogeneous sample and its significance. Estimation of sample size and sampling error	Mr. Rajaram Gawade Statistician National Institute of Public Health Training & Research

Name of the event: My Story- "Motivational session by Successful Entrepreneur/start up founder"

Purpose of the event: To motivate the students for being an entrepreneur & effectively start-up Programs.

Mode of the Event: Via Zoom Online Video Call Platform.

Date of the Event: 15th January 2021,

Time of the Event - 12.00 PM- 01.15 PM

No. of attendees: 161 participants (14 Faculties and 147 Students)

Proceedings of the event:

The Event was started with warm welcome to all delegates including Dignitaries (P&O) ,students & faculty of MGMIHS and the chief guest of the programme Dr. Mukesh Doshi , Proprietor , POCL India Ltd, Director Bidada Trust Foundation, Honorary President of Indian Association of Assistive Technology (IAAT), by Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics.

She explained the theme for the day and elaborated the contents of the Programme as follows:

1. Welcome address to all delegates by Dr. Raman P. Yadav.
2. Ganesh Vandana performed by III BPO student Ms. Prajakta Tari.
3. Address by Hon'ble Vice Chancellor Dr Shashank D.Dalvi , MGMIHS.
4. Brief knowledge about Entrepreneurship and introduction about the Chief Guest Dr Mukesh Doshi by Dr. Uttara Deshmukh.
5. Motivational speech by Dr. Mukesh Doshi, Proprietor, POCL India Ltd, Mumbai, Founder Bidada Trust ,Kutch, Gujarat..
6. Vote of thanks by Dr. Deepshikha Raut (P&O), Assistant Professor, Department of Prosthetics & Orthotics.

explained about the Innovation Council to popularize innovation among the students and faculty in educational institutes. He elaborated that last year the role of Institution Innovation Council was to introduce about "Innovation" but this year the role is bigger that is, involvement of students in Entrepreneurship, Funding and I.P.R. related things. The purpose of I.I.C. is to sensitise and propagate faculty members to work with students in such a way that the Universities should take it forward to higher level. He explained with various examples that Story telling is an effective way of journey of telling success and can inspire students for invention and innovation.

The Program was continued with Ganesh Vandana, a classical performance by a IIIBPO student.

Dr. Shashank Dalvi, Honourable Vice chancellor of MGM Institute of Health Sciences in his address to dignitaries, gave thrust on the concept of Entrepreneurship in the field of Prosthetics & Orthotics and how the success of story of the famous Entrepreneur can motivate students for Start-Up programs and ultimately produce quality P&O Professionals.

Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics continued the Program with induction of Entrepreneur, Entrepreneurship and it's significance in the field of Prosthetics and Orthotics by introducing Dr. Mukesh Doshi (P&O), Chief Guest of the Program and his noble work in the field of Prosthetics and Orthotics.

Dr. Mukesh Doshi, in his interactive session, motivated students and attendees with various examples of his own journey of life. He motivated the students in following aspects:

1. Bigger thinking,
2. If you can't find the way, you should create it.
3. Aim for big dreams.
4. You should also work for working out the ideas.
5. How to maintain the relationships with colleagues.
6. Always do good for others, which comes back to you in an unexpected way.
7. Always learn from your mistakes, they increase the experience.
8. Always keep a good character which is an essential for being a good entrepreneur.
9. Always keep trying new things. Don't be afraid to try the new things.
10. Always be productive. Encourage instead of criticising.
11. Learn to become a good listener.

13. Fight for your strengths. Because true success lies in your efforts.
14. Implementation of "Forget and forgive"
15. Don't think of only yourself. Think about all in your Ora.
16. Entrepreneurship is a team work.
17. Always keep good attitude.
18. Always think positively it will raise the heights of your dreams.

Lastly Dr Deepshikha Raut (P&O) concluded the Program by giving a Vote of thanks to MGM Management, faculty, students and all delegates with the IT department and Dr. Mukesh Doshi.

Objective: At the end of the panel discussion group is able to acknowledge the importance of Aatmanirbhar Bharat (Self Reliant India) and its application in their profession.

Brief of the Activity : MGM New Bombay College of Nursing (MGMNBCON) has organized Panel discussion under the guidance of Dr. Raman P. Yadav, Convener, Institutional's Innovation Council (IIC), MGMIHS as a part of MIC driven activities in first quarter of the year 2021. The aim was to acquaint the participants with the concept of Aatmanirbhar Bharat and motivate them for use of Indian products, material and methods. Panel discussion also focused on application of concept in nursing profession. The Programme schedule is attached for the reference.

Received
Date

After the welcome address by Dr. Jyoti Chaudhari, Associate Professor, MGMNB CON and Moderator of the panel discussion, Dr. Shashank Dalvi, Vice Chancellor, MGMIHS addressed the audience and expressed his confidence among panel members and in nursing fraternity to take this agenda at a greater heights in nursing profession. He mentioned that Indian nurses are making the world through practice independently and collaboratively in academics, innovations and research.

Dr. Prabha Dasila, Professor and Director, MGMNB CON unfolded the theme of panel discussion in a very simple language. Madam took a glance of development made by India after the launch of Aatmanirbhar Bharat Abhiyan by honourable PM, Shri Narendra Modi during COVID -19 pandemic. The crisis has shown the capacity of Indian to become self- reliant not only to meet local but as well as needs of the world through 5 pillars of Aatmanirbhar Bharat: economy, infrastructure, system, demography and demand.

Dr. Raman Yadav has shared his views as a convenor of IIC MGMIHS and highlighted the role of IIC at the university level in fostering innovation and start up programmes. He has emphasized on high quality products suiting the population and marketing for the same to meet the needs of people at the local and global level.

First panel member, Mr. Veevek Manchekar, financial planner and greatly involved in empowerment of women was the first panelist. He shared his experience of financial empowerment of nurses, development of their confidence and role of financial security in causing relief, ease and acting on innovation and any start up.

Dr. Usha Ukande, founder of nurse led midwifery clinic 'MOM' and natural birthing center 'Swa' in Indore, shared her success story. While answering to the questions received from registered members of the panel discussion, she explained the importance of determination, perseverance, hard work and networking in overcoming the challenges.

Dr. Jyoti Chaudhari, Moderator expressed her apology towards one of the panel member Ms. Manisha, K, Nurse and Founder of Jeevitham foundation who could not join for the programme due to some health emergency.

Dr. Sabitha Ram, Research Director, MGMIHS appeal the audience to be vocal for local resources not only in terms of goods and products but also for knowledge, art of living, etc.

Dr. Jyoti Chaudhari concluded the programme by highlighting 5 I's needed for self reliant India: intent, inclusion, invest, infrastructure and innovation. She reciprocated that as a student first step in this direction is active learning, developing skills, confidence in your own discipline/ in passion and thinking creatively for solving the day today problems of mass, which will generate ideas, innovation that suit to your culture and geography.

Dr. Jyoti Chaudhari thanked dignitaries, MGMIHS IIC, speakers, participants and team MGMNBCON for making the programme successful and hope for sapling of engagement of professionals to grow into tree of innovations. At the end Ms. Manisha Sawant, second year MSc. Nursing student expressed gratitude to all who directly and indirectly helped to make this programme successful.

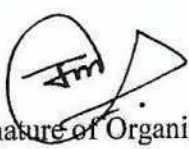

The programme was ended after singing National anthem.

Benefits : With this panel discussion,

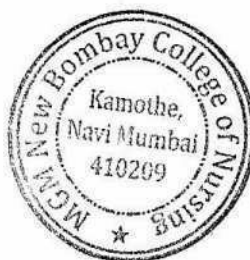

- students got oriented to
 - the concept and importance of having in depth knowledge and competency in a chosen academic field or passion
 - method of converting passion into product and its utilization for peace and harmony
 - ways to empower self and others for self-reliance, innovation, start up, marketing, and improving economy
 - qualities required to overcome the challenges in this path.
- faculty got insight about their role in empowering self and the students to become a part of Aatmanirbhar Bharat.

Report of Session Conducted on Problem Solving and Ideation Workshop

Name of the Event:	Problem Solving and Ideation Workshop
Purpose of the event:	To motivate and educate the students and staffs to conduct the product oriented research and solve the problems effectively while performing the research.
Mode of Event:	Online Platform via Zoom Meeting
Date of the event:	27 th January, 2021
Time of the event:	2.00 pm to 2.30 pm
Organized by:	MGM School of Biomedical Sciences, MGMIHS, Kamothe, Navi Mumbai.
No of Attendees:	158 (25 faculties and 133 Students)

Proceedings of the event:

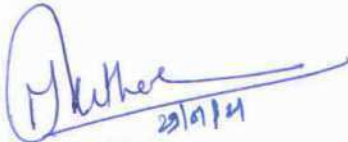

- The event was warm welcomed by Dr.Himanshu Gupta to delegates, dignitaries, faculty members and students.
- Welcome address was given by Hon'ble Vice Chancellor, MGMIHS, Dr.Shashank Dalvi Sir, he encouraged to take conduct plenty of such activities to boost the innovation based ecosystem in the campus. He also thanked Dr.Mansee Thakur , IC-Director, MGM SBS, Kamothe and Dr.Raman Yadav, Director, IIC, MGMIHS, for inviting him for the event.
- View point was put forward by Dr.Raman Yadav, Director, IIC, MGMIHS, in order to encourage the students and staffs to participate in every IIC event to learn the skills of Innovation in order to develop the products which can be taken up to the startup level. He also given the plenty of examples of learning from nature and innovate the things by resembling the natural phenomenon's.

IC Director,
MGM School of Biomedical Sciences
Kamothe, Navi Mumbai

•Director
MGM School of Biomedical Science

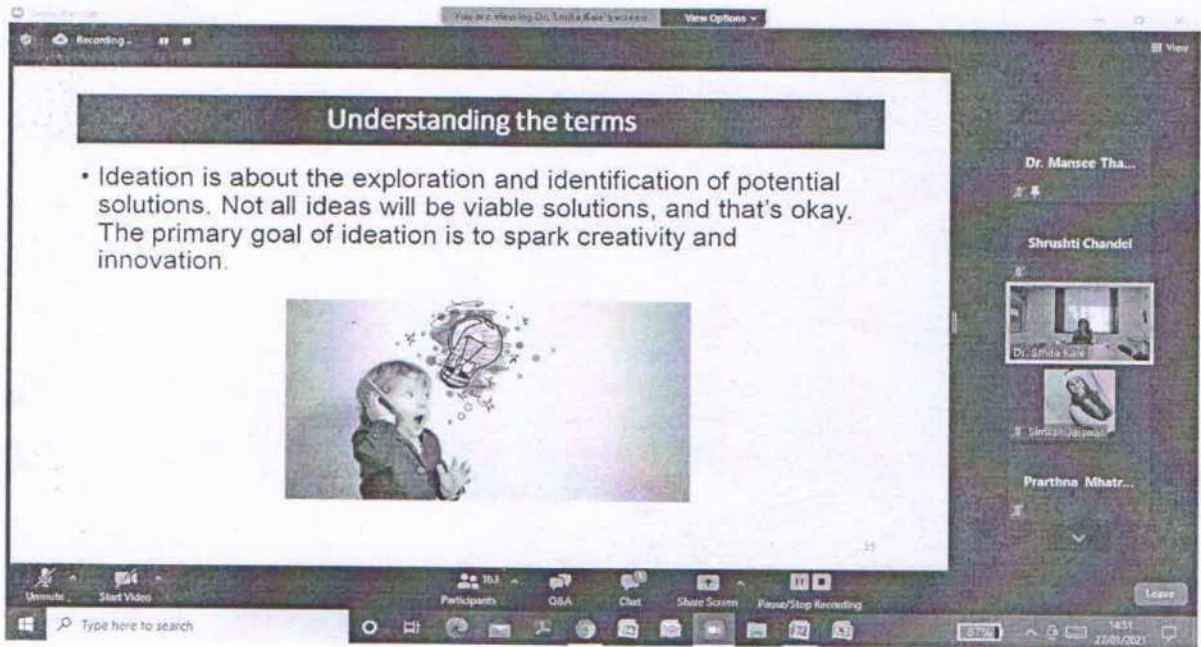

- The theme of the event was opened by Dr.Mansee Thakur, IC-Director, MGM SBS, Kamothe, Navi Mumbai by warm welcoming the chief guest of the event, she introduced the chief guest Dr.Smita Kale, Associate Manager Venture Center Pune and summarized her achievements in the past and handed over the mic to Dr.Smita Kale mam.
- Dr.Smita Kale, opened her speech by summarizing the theme of the event and overview of her presentation she has touched to various aspects of problem solving in the field of innovation based research. She also elaborated on the difficulties encountered while pursuing the idea and nurturing it in to the innovative product. She also elaborated on the various aspects of the Ideas and how to narrow down the approach to solve the real problem in order to minimize the risk of failure. She also focused lights on how to approach the target by preparing the feasibility check report to graduate any idea in to the innovative and sustainable product by giving some practical examples. Lastly she suggested to apply for various funding agencies as the primery limitation of every idea lies in the financial assistance of the project. She also agreed to support to on the topic how and whom to approach for the funding and also elaborated on the upcoming active funding calls.
- The session of was ended by question answer session, students asked various questions related to IP Protection as well as how to get support for the Ideas.
- The event was finally closed by Mr.Yogesh Patil, student member of IIC committee and faculty of the SBS, by expressing vote of thanks.

ACTIVITY -03

CIRCULAR

Date: 25th January, 2021

Sub: - Demonstration of 3D Printing Technology at MGMIUDPO.

Agenda: To Make all Students aware about 3D Printing Technology in the Field of Prosthetics & Orthotics.

This is to inform all the Students that, MGM Institute's University Department of Prosthetics & Orthotics is organizing a workshop on 3D Printing Technology on 28th January 2021.

The Details are as follows:

1. **Date:** 28th January 2021, Wednesday
2. **Time:** 2.00 PM to 4.00 PM
3. **Venue:** Academics Building, MGM Department of Prosthetics & Orthotics.

Note: It is essential to be aware about the Technology of 3D Printing.

Hence, students are informed to join this program compulsory.

Report of 3D Printing Technology Demonstration at MGMIUDPO

Name of the event: "3D Printing Technology Demonstration".

Purpose of the event: 1. To demonstrate Practical knowledge of 3D Printing Technology.
2. To educate students about the future prospect of 3D Printing technology in the field of Prosthetics and Orthotics

Location of the event: Prosthetics and Orthotics Labs, MGM Department of Prosthetics & Orthotics.

Date of the event: Date: 28th January 2021
Time: 02.00AM TO 04.00 PM

No of attendees: 20 Students, 5 Faculties of MGMIUDPO

PROCEEDINGS OF THE EVENT:

3-D printing technology is the most useful and demanding upcoming technology for fabrication of Prostheses and Orthoses. To develop the academic industrial relationship, MGM Institute's University Department of Prosthetics & Orthotics organized a one-day workshop on "3D Printing Technology" in association with Metafix Pvt. Ltd on 28th January 2021 at MGMIUDPO.

The program was stated with warm welcome to the members of Metafix by Dr. Uttara Deshmukh (P&O), Principal, MGMIUDPO. After the introduction, Mr. **Salman Shaikh** demonstrated the 3D Printing technology, it's function and benefits to students via live formation of a Demo model, also he told about the future of P&O field relate to the 3D Printing Technology.

Then Ms. Depali Kant in the interaction with students, solved all the doubts and gave solution to their queries related to this technology.

Lastly they gave a beautiful gift to the department, produced by 3D Printing Technology which was an amazing experience for all.

The students and faculties of MGMIUDPO benefited by upgrading their knowledge through the Workshop.

Short event report

On 27th of March 2021, a webinar was organized by Department of Medical Biotechnology, MGMSBS on the topic Start-UP and Entrepreneurship in Biological Sciences. The Webinar was moderated by Mr. Yogesh Patil, PhD Scholar of Department of Medical Biotechnology in the presence of an eminent and young entrepreneur Ms. Saloni Godbole Co-Founder and Director of Occamy Bioscience Pvt Ltd. Ms Godbole was invited as the Guest Speaker and her lessons were heard by 148 attendees who had joined the live session. She spoke about the current supportive scenarios of our country, various field where one can start and how to find problems, solution and opportunity. She also talked about her experience as an entrepreneur, female entrepreneur, what it means to be an entrepreneur and how important is it to start a company in a developing nation, like ours. The session ended with giving vote of thanks to Ms. Godbole by Dr. Mansee Thakur – Head Department of Medical Biotechnology, Kamothe, Navi Mumbai.

Ref.No.MGMIHS:Res.:02:2020-21: 452

29th April, 2021

To
All Head's of Constituent Units of MGMIHS
All Head of the Departments
IQAC Coördinators
All Members of Research Cell
Navi Mumbai and Aurangabad Campus.

Respected Sir/Madam,

As per the directions of the Vice Chancellor, this is to inform all Unit Heads, Head of Departments, IQAC Coordinators, Faculty Members of the MGMIHS, that a presentation is being arranged through a virtual platform by the Researgence Portal on Friday 30th April 2021 at 2:30 PM. All are requested to attend the virtual meeting

This has been developed for the MGMIHS on the Publications and Publication analysis. This will be of importance and immense utility to the faculty members.

It will focus on the following:

1. Publications of the various units/Departments/individuals
2. Citation of the research paper in various data bases -Scopus, Web of Science, PubMed, Google Scholar and UGC Care List.
3. h- index of the Department, Unit and MGMIHS, etc.
4. Publication is National or International
5. Collaboration of paper with national or international authors
6. A list of journals in Scopus, PubMed, Web of Science and UGC Care List can be accessed so as to be able to load their articles on high impact journal.
7. Aanalysis for NAAC, NIRF and ARIIA
8. Other analysis which they will showcase during presentation.

It is requested all to attend the presentation the link is as follows:

Time: Apr 30, 2021 02:30 PM Mumbai, Kolkata, New Delhi

REPORT

Utility of Researgence portal

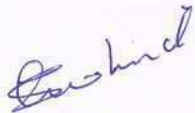

30.4.2021 2 :30 PM

An on line workshop was held on the 30.4.2021 2 :30 PM for knowing the Utility of Researgence portal. The MGMIHS has launched a Portal for compiling all publications of Faculty and students under one portal. This enables all to get details at the click of the mouse of their publications ,indexing, citation, impact factor of the journals.

Cedric and Rohan from the researgence portal took a lecture and explained the utility of the portal.

They demonstrated the portal and has a live hands on training for the participants to be able to use the portal .

107 members participated in the workshop. The workshop will enable the members to also select journals for uploading their articles in indexed journal.

Director Research

IPR and IP Management for Start-ups

Preamble	:	Intellectual Property Rights are a fundamental reason behind the success of the Indian start-up ecosystem. IPR allows a start-up with an innovative device to compete effectively against large companies after patenting its invention.
Objective	:	To understand the importance of Intellectual property and how to manage it in a start-up initiative.
Time and Date	:	11:00 am Friday 4th June, 2021
Organizers	:	MGMIHS OMICS Research Center, MGMIHS
Summary	:	<p>In continuation with the Institution's Innovation Council (IIC), MGMIHS related further activities under Quarter 3 and 4 of the calendar year 2020-2021, MGMIHS OMICS Research Center, MGMIHS organized a webinar on Intellectual Property Rights.</p> <p>The event started with a welcome note by Dr. Raman Yadav.</p> <p>Our guest speaker Dr. Gopakumar G. Nair (Founder, GNANLex associates LLP) delivered a lecture on Intellectual Property Rights and IP management in start-ups. He explained to us the basics of IP, important laws, and sections. He told us why it is essential for young entrepreneurs to protect their inventions and how businesses and individuals would not reap the full benefits of their inventions without the protection of ideas.</p> <p>The event was concluded by the vote of thanks.</p>

Patents (Amendment) Rules, 2016 dated 16th May 2016

(fb) —Startup means an entity, where-

(i) more than five years have not lapsed from the date of its incorporation or registration;

(ii) the turnover for any of the financial years, out of the aforementioned five years, did not exceed rupees twenty-five crores; and

iii) it is working towards innovation, development, deployment or commercialisation of new products, processes or services driven by technology or intellectual property:

Provided that any such entity formed by splitting up or reconstruction of a business already in existence shall not be considered as a startup.

Provided further that the mere act of developing-

a. products or services or processes which do not have potential for commercialisation, or

b. undifferentiated products or services or processes, or

c. products or services or processes with no or limited incremental value for customers or workflow, would not be covered under this definition.

Report of MyoBox & Myoelectric Prosthesis Technology Demonstration Workshop

Name of the event: "Demonstration of MyoBox & Myoelectric Prosthesis".

Purpose of the event: 1. To demonstrate Practical knowledge of Myoelectric Prosthesis Technology.
2. To educate students about the future prospect of Myoelectric Prosthesis technology in the field of Prosthetics and Orthotics

Location of the event: Prosthetics Lab, MGM Department of Prosthetics & Orthotics.

Date of the event: Date: 22nd July 2021
Time: 02.00AM TO 04.00 PM

No of attendees: 23 Students, 5 Faculties of MGMIUDPO

PROCEEDINGS OF THE EVENT:

Myoelectric Prosthetic technology is the most advanced, useful and demanding technology for the rehabilitation of Upper Limb Prosthetic management. To develop the academic industrial relationship, MGM Institute's University Department of Prosthetics & Orthotics organized a half-day workshop on "MyoBox & Myoelectric Prosthesis Technology" in association with Motorica India Pvt. Ltd on 22nd July 2021 at MGMIUDPO.

The program was started with warm welcome of Mr. Nabil Ahmed, Head of India (Operation), Motorica Pvt Ltd, India and explanation about the theme of the program to the students by Dr. Uttara Deshmukh (P&O), Incharge-Principal, MGM Institute's University Department of Prosthetics & Orthotics. The program was continued with demonstration by Mr. Nabil. He proceeded with the demonstration of Myoelectric Prosthesis's function and its working mechanism. Later he demonstrated the procedure of finding a proper place to insert the electrodes on the body for positioning sensors of Myoelectric Prosthesis with the help of Electromyogram.

After the demonstration the students interacted with him, he solved all the doubts and gave solution to their queries related to this technology.

All students practised for the learnt technology within them which was an amazing experience for them. The students and faculties benefited by upgrading their knowledge through this Workshop.

Mode of the Event: Via Zoom Online Video Call Platform.

Date of the Event: 23rd June 2021,

Time of the Event - 02.30 PM- 04.15 PM

No. of participants -132

Proceedings of the event:

The event was started with warm welcome to all delegates including Dignitaries all students & faculty of MGMIHS and the chief guest of the programme Dr. Pradeep Singh Chauhan, Founder/Director of **Care4You Rehab Solutions Private limited** by Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics.

She revealed the theme for the day and elaborated the contents of the Programme. She also gave introduction about the Institution Innovation Council and its aims and objectives to the newly joined students.

In the welcome address, Dr Raman P. Yadav, Convener, Institution Innovation Council, MGMIHS in his speech gave his gratitude to all the attendees. He sensitized all the audience about the journey of Start-up idea, Innovation, Invention, Entrepreneurship and finally a Business Model that is Start-up. He explained the importance of idea in the Start-up and conversion of idea to innovation. He also stated that the conversion of innovation to start-up is a very big challenge and sustainability of business is also another challenge.

Dr. Sabita ram, Research Director, MGMIHS, in her address to the audience informed the significance of the activities conducted by the Institution Innovation Council, MGMIHS. She said that these activities will definitely impact the students during this COVID situation when the students are not happy and their studies are affecting, these programs will enhance their output of work.

Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics continued the Program with induction of Dr. Pradeep Singh Chauhan (P&O), Chief Guest of the Program and his noble work in the field of Prosthetics and Orthotics.

You are viewing care4you's screen View Options

"If started – Thumb rule is Give Yourself In"
No matter what will/ may happen... Don't fear to Fail...
Failure is a learning for your next best try

START UP

- Write down the goals of your life with the idea that you have thought of.
- Design a plan to achieve in a **timeframe** (You can use various Gantt Charts) cos if you fail to plan you definitely will plan to fail..
- Everything that you write for yourself should be achievable goal sets .. No matter how complicated they are or they seem to be.

Activate Windows
Go to Settings to activate Windows.

Audio Settings ^ Chat Raise Hand Q&A Leave

Are You Business ready..?? ..
Don't start half Hearted .. This is your third

- Business Plan : Design your own plan.. Please do not copy someone else's.. Cos that plan worked for the other person..
- Since you are not that person, the plan if not self designed will never work for you.

(Helpful tip: Please Avoid a short cut at this most important phase of your life)

Activate Windows
Go to Settings to activate Windows.

You need to design your own project / business proposals and business summaries

MGM School of Physiotherapy, Navi Mumbai, a constituent unit of MGMIHS, aims to finding a better, safe, and affordable ways of diagnosing, treating, and preventing diseases. In doing so it will maintain highest ethical standards.
Objectives:	<ol style="list-style-type: none">1) To increase emphasis on effective writing.2) To maximize the quantity of articles published and number of citations those articles receive.
Date:	15 th July 2021.
Organized by:	MGM School of Physiotherapy, Navi Mumbai.
Attendees:	Faculty Members and master's students of MGM school of Physiotherapy, Navi Mumbai.
Summary:	Scientific writing, while an indispensable step of the scientific process, is often overlooked in favor of maximizing class time devoted to scientific concepts. However, the ability to effectively communicate research findings is crucial for success. Students are encouraged to publish early and often, and professional scientists are generally evaluated by the quantity of articles published and the number of citations those articles receive. It is therefore important that students and faculty members receive a solid foundation in scientific writing early in their academic careers. To increase the emphasis on effective writing, we assembled a succinct step-by-Step guide to scientific writing that can be directly disseminated to beneficiaries. Dr.Rajani Mullerpatan gave insights on scientific writing process and broke it into easily digestible pieces, providing concrete examples that can be referred to when preparing a scientific manuscript or laboratory report. By increasing exposure to the scientific writing process, we hope to better prepare students and faculty members of school to have productive careers.

REPORT

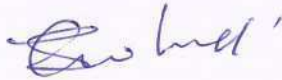

"Advanced GCP Training & Recent Updates on Regulatory Requirements"

**Organized By: MGM Institute of Health Sciences, Navi
Mumbai in collaboration with Medical Affairs Department
Wockhardt Ltd., Mumbai. Virtual Conference - 16th July 2021**

A workshop on Advanced GCP Training & Recent Updates on Regulatory requirements was organized for the Faculty, PhD students, Postgraduate and Ethics Committee Members of the MGMIHS. There were 64 participants who attended the workshop.

The topics included informed consent, Roles & Responsibilities of IEC Roles & Responsibilities of Investigator & Sponsor and Recent Regulatory updates & Overview on New Drug and Clinical Trial Rules 2019.

The lectures instilled in the participants the importance of following the Good Clinical practices when carrying out research which would enable them to keep the ethical parameters in research.

Event Name: Online Lecture on WRITING REVIEW ARTICLE

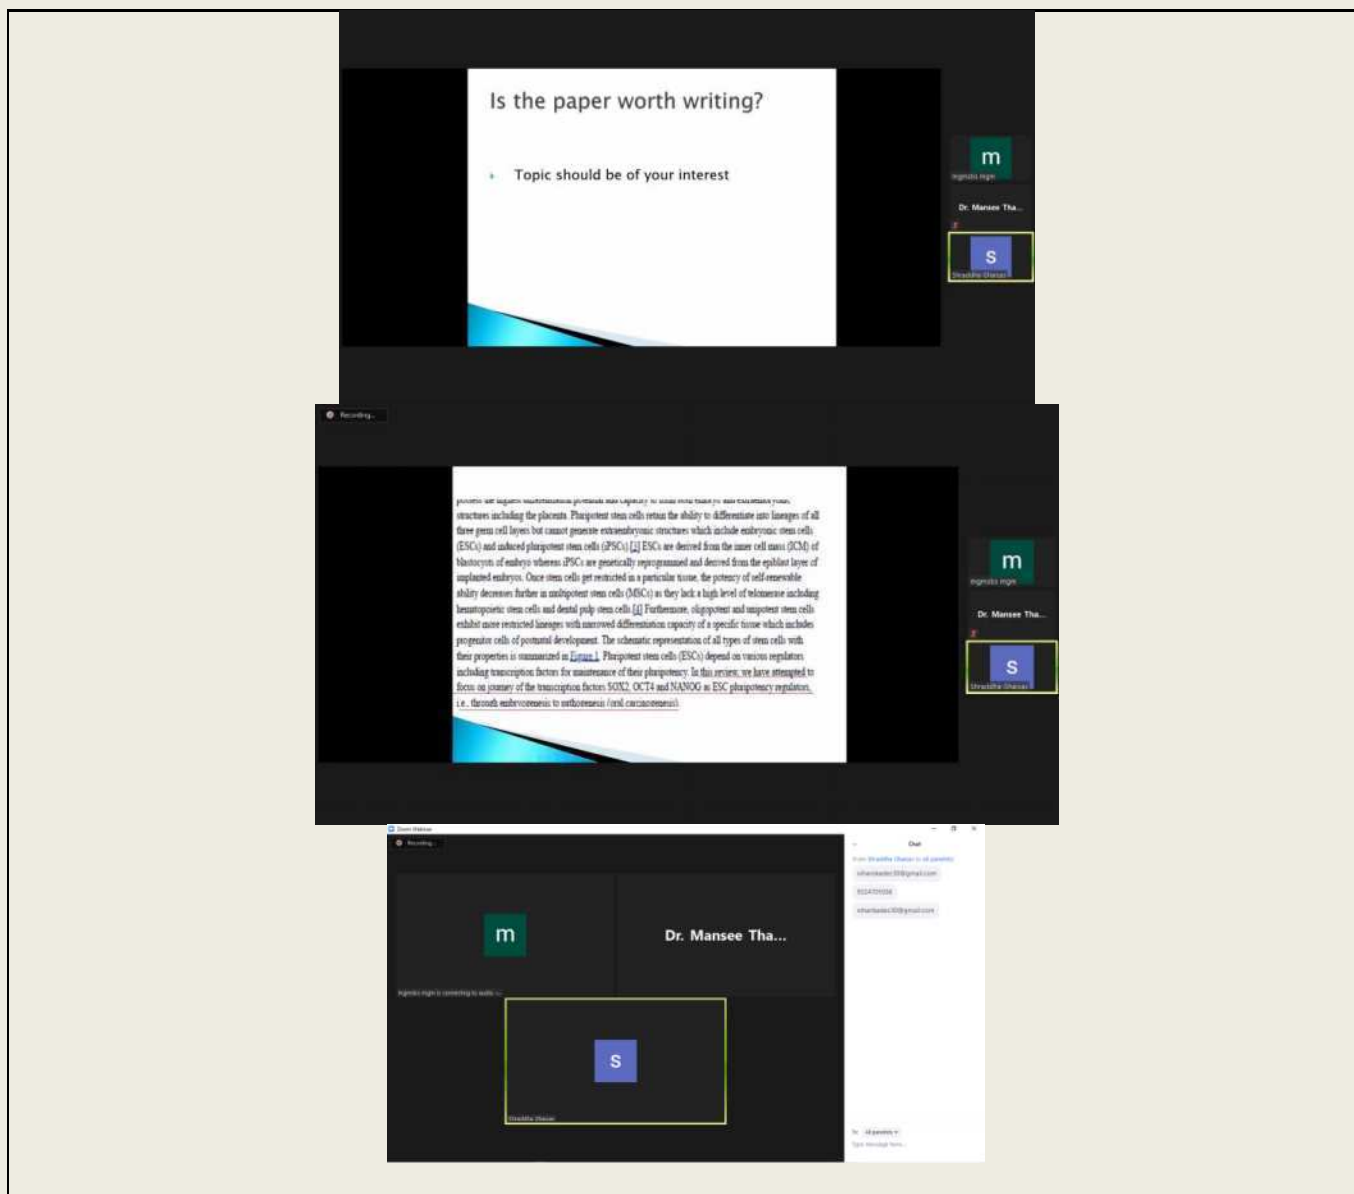

Date & Time: 29th July 2021

Location: MGM School of Biomedical Sciences, MGMIHS, Kamothe

Sr. No.	Event Title & Venue Details	Program Coordinators (Team members name)	Total No. of Participants
1	Online Lecture on WRITING REVIEW ARTICLE	Dr. Himanshu Gupta	30+

Kindly attach 4 photographs

Short event report

Name of the event : Online Lecture on WRITING REVIEW ARTICLE

Date of the event : 29th July, 2021

Time : 1.30 – 2.30 pm

Speaker : Dr. Niharika Swain (Oral Pathologist. Associate Professor, MGM Dental College and Hospital, Navi Mumbai)

Conducted by – MGM SCHOOL OF BIOMEDICAL SCIENCES, NAVI MUMBAI

Number of Attendees –

On 29th July, 2021 Department of Medical Biotechnology, MGMSBS organized and conducted an online lecture by Dr. Niharika Swain (Oral Pathologist. Associate Professor, MGM Dental College and Hospital, Navi Mumbai) for PG students on topic “**Writing A Review Article**”. The webinar gave the students a wide clarity to proceed stepwise from choosing a topic till the final manuscript preparation and submission of the review article.

The speaker emphasized on the familiarity of a specific topic and its well – established and an ample amount of research work performed on that topic which is the basic necessity while initiating a review article. She explained the types of review articles namely – Literature review which summarizes a certain topic on a broader scope and Systematic review which involves a rigorous training, consists of critical evaluation of a research topic or answering a question with systemic analysis. Using simple and lucid language was preferable, and not flowery. So that readers / researchers would find the review easier to understand its approach was a major point she highlighted during the webinar.

With the help of search websites like Google Scholar, Pubmed etc search of a desired topic would be fulfilled using the necessary keywords. To analyze the network of information and selection of the useful material from huge collection of resources was utmost essential needed for writing a review article, Dr. Niharika Ma'am added. Connecting the concepts and results of the research studies, focusing on the unresolved debates, resolving the absolute need of a research question, addition of strength, limitations and other findings of the study, cohesive conclusions embarks as a good literature review was her perspective.

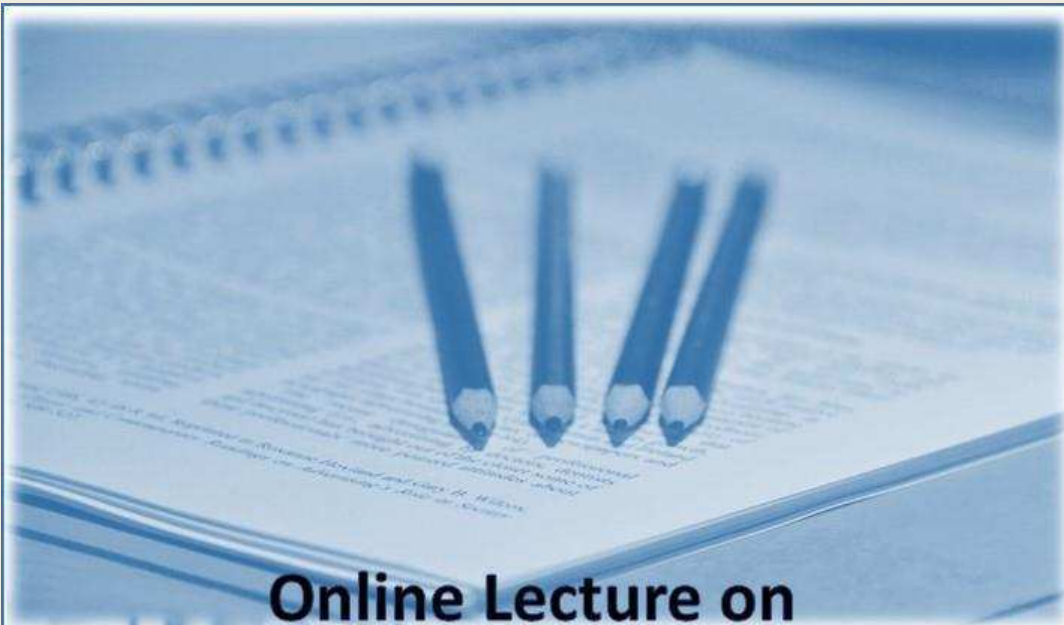

She further focused on the process and planning of the review writing, indexing, targeting a specific journal and its impact factor, specific audiences to be covered, number of citations and references. Also, Dr. Niharika helped in resolving our queries related to our journey of review writing. Our heartfelt thanks to Dr. Niharika for her guidance and excellent knowledge that will help students to develop scientific writing skills from the scratch. Dr. Mansee and Dr. Himanshu played a pivotal role in accompanying and highly encouraging the students for this exemplary event on writing a review which helped in building the purview of scientific writing. This will be an addition to the students skillsets and it will surely impact their future career prospects.

Introduction to Intellectual Property Rights and Patents

Preamble	:	With reference to the Institution's Innovation Council, MGMIHS related activities, a talk on ' Introduction to Intellectual Property Rights and Patents ' was organized by MGM School of Physiotherapy, Navi Mumbai on the online platform Zoom.
Objective	:	As a part of the Innovation Council's activities, the cell had organized the talk to help students understand importance of innovation for meeting the needs of the market
Time and Date	:	5 th August 2021
Speakers	:	Mr. Raman Yadav, Technical Director, MGMIHS OMICS Research Lab
Attendees	:	Faculty Members, MPT Scholars (1 st and 2 nd year) and UG students of MGMSOP, Navi Mumbai
Summary	:	The session was opened by Dr. Bela Agarwal (Professor, MGMSOP, NM) welcoming Dr. Raman Yadav Technical Director, MGMIHS OMICS Research Lab. The session began with understanding about what is IPR and its historical background. It highlighted importance of research, tools of IPR, enlisted various databases for carrying out searches. Importance of patents and patents act was elaborated, an example through a sample copy of patent received by MGMSOP, MGMIHS, NM was also displayed. Further, importance of geographical area, cost, feasibility, market value and market secrets were discussed. The session concluded with vote of thanks by Dr. Anisha Gulati (PT) Assistant Professor, MGMSOP, Navi Mumbai and MPT scholar.
Student's Feedback	:	Students learnt and understood importance of IPR in their research and its publication. Using and having knowledge of trademark, quality and patency of various healthcare devices that benefits both the patients as well as medical health care team aids in better understanding of the concept.

IMPORATANCE OF INTELLECTUAL PROPERTY RIGHTS (IPR) FOR SUCCESSFUL START-UP

Name of the event: "Importance of IPR for Successful start-up "

Purpose: To create awareness about the IPR among students for successful Start-up.

Mode of the Event: Via Google meet Online Video Call Platform.

Date of the Event: 31st August 2021,

Time of the Event - 04.00 PM- 06.00 PM

No. of participants - 24 (21 Students, 3 Faculty)

Proceedings of the event:

The event was started with warm welcome to all delegates including Dignitaries, all students & faculty of MGMIUDPO and the chief guest of the programme Dr. Akshay Chavan, who is a gold medallist and founder of Kling Bionics by Dr. Uttara Deshmukh, Head of the Department, Department of Prosthetics and Orthotics.

She revealed the structure of the programme for the day and gave introduction about Intellectual Property Rights (IPR).

Dr. Akshay Chavan, in his interactive session, motivated students and attendees with various real life examples for why there is need for IPR. He formed four groups and Performed an activity.

He motivated the students in following aspects:

1. What is Intellectual Property and Intellectual Property rights?
2. Various types of Intellectual Property Rights.
3. All kinds of IPRs and their's territorial rights.
4. Why should Start-up's Intellectual rights be protected?
5. What is Copy Right and about Copy Right Acts.
6. What is Trademark?
7. About Geographical Indication of Various things.

After the mentoring session, all students & dignitaries had their doubts clearance with the chief guest of the program. This was very much beneficial to all as it was conducted by very interesting activity. All students were asked to imagine a start-up of their own product. They were given 5 minutes' time to think. Students explained about their start-up ideas and products as they were going to be innovate.
