

**Description of the adequacy of
outpatient and inpatient statistics
as per the norms of the Regulatory
Bodies**

MGM Medical Colleg, Navi Mumbai

The hospital is equipped with state of the art diagnostic and therapeutic services and is giving efficient services to community.

- Outpatient services are available daily from 8.30 am to 4. 30 pm. Each OPD has separate cabins for faculty members & teaching rooms for clinical teaching-learning in broad & super specialities. Highly qualified, committed and competent doctors deliver patient care at most affordable rates. The population below poverty line and other non-affording patients are treated free of cost. Daily OPDs average is 800 – 900 patients.
- Students posted in OPD get excellent exposure of patient management. There are Speciality OPDs run by each department which allow the students to get insight in special problems.
- The super specialty services in Cardiology, Neurology, Nephrology, Endocrinology, Cardiovascular Thoracic Surgery, Urology, Paediatric Surgery, Neurosurgery, Plastic surgery, interventional Pain Management provide training to students in higher skills.
- School of physiotherapy has separate OPD (Average daily patients 32) services in hospital catering to Physiotherapy services & teaching learning of students.
- Geriatric OPD caters to patients of need above 60 years. Students get exposure in geriatric care in both OPD & IPD of Dept.
- There are 930 beds for inpatient care as per requirement of Statutory Council. Average inpatient occupancy is 80 %. Clinical bed side teaching takes place in various wards in bed side teaching rooms attached to wards to inculcate clinical skills in students. Active participation of post graduates in management of ward patients round the clock, not only improves their clinical skills but also helps in refining professionalism.
- The hospital has well equipped surgical suites for minor and complex surgeries. Total Operation Theatres are 14 out of which 2 are modular. Average of about 754 major & minor surgeries are being carried out in MGM hospital Kamothe every month with.
- There are 150 beds in ICUS with 90% occupancy providing adequate learning for students in management of acutely ill patients. Post graduate students get hands on training in bed side procedures like central line insertion, endotracheal intubation, mechanical ventilation in these units. They also learn to communicate with relatives of critically ill patients.
- Average 2935 Pathology, Biochemistry and Microbiology investigations and 450 radiological investigations take place daily basis.

HIMS Software

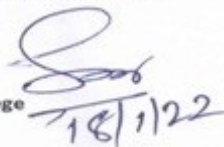

- The Hospital Management Software is installed in MGM Medical College-Hospital, Navi Mumbai in the year 2008 by BTS (Former Name of Tech Ace Software Pvt. Ltd.). It had a total 26 modules.
- The HIMS is being upgraded at MGM hospital with the new comprehensive software from Suvarna technosoft private limited. Record maintenance of patients, both inpatient and outpatient has benefited from the use of HIMS. Software eased storage of patient data with ready accessibility of data for research purpose.
