**EXPLAIN PAIN ONLINE, IN**

**INDIA | 7TH SEPTEMBER '20 - 18TH SEPTEMBER '20**

At the end of this course participants will have:

- Reconceptualised pain and stress based on neuroimmunology, modern brain science and bioplasticity of homeostatic systems
- Developed a conceptual change framework to deliver individual and group education therapy
- Established an understanding of the growing evidence for Explain Pain and recognise opportunities to integrate Explain Pain with other biopsychosocial interventions
- Constructed a collection of therapeutic narratives using metaphor, literal story and linked multimedia
- Practiced the skillset to use the Protectometer to apply immediately applicable and educationally informed multimodal treatment strategies
- Embodied the confidence to plan and deliver treatment for all patients with persistent pain and stress, and educate other stakeholders.

Total: 14 hours of practical instruction

Dear DR VIKRAM S PATRA

Greeting from Indian Academy of Pediatrics!

Thank you for your presentation in the National ToT on “Childhood Allergic Diseases Education Module (CADE Module)” held on 16th & 17th March 2021. It was a good learning experience and will definitely benefit the participants.

We are now going ahead with conduction of the workshops all over the country based on the above cited module. Before we do that, we require your final PPTs of the presentation for review by the experts. Therefore, you are requested to send the same to us by return of mail.

Thank you for your cooperation.

With kind regards,

Yours sincerely,
