Creche Write up

Tiny Tots crèche started on 17th December 2013 with just one baby and today the number has gone up to 18. The environment and location is very child friendly and kids love to come here daily. The centre is air-conditioned and comfortable in all seasons for the kids.

The centre has 4 full time house-keeping staff working round-the-clock from 8am to 6pm. A trained pre-school teacher is also appointed for the overall well being of the children, to inculcate good manners and develop appropriate language & communication skills which prepare kids for school. The crèche staff is now well trained, they love to take care & be surrounded by children. Routine medical and psychiatric check-up of staff is conducted at MGM Medical Hospital. The staff is appointed with proper police verification.

The charges are fixed based on the employee salary. Upto 15,000 pay Rs. 2,500/- and more than that pay Rs. 4500/- Concessions are given by Hon. Medical Director to few employees which is case-based.

Babies as young as 6 months are dropped at the crèche. Mothers are allowed to come for feeding their infants (lactation). MGM staff even drop their school going kids at the crèche; some bring them on Saturday's & holidays. Thus the centre is getting busier day by day.

Equipment and furniture is child friendly

* Throughout the year there are many moments of celebrations with the kids like kids enjoying as little Radhas & Krishna's on Janmashtami, making rakhi's for Rakshabandhan, lighting and decorating diya's for Diwali, enjoying Children's Day to name a few.

The daily routine at the crèche starts with breakfast session followed by prayers, yoga and poems. Teacher then engages them in different fun activities through which language and communication skills are developed. Lunch time is around 12-1pm and the kids nap time is from 2-4pm.

In summer and winter vacations various activities like Yoga, Craft and drawing activities are scheduled along with performing arts like dance, song recitation and skits are arranged to develop the overall personality of the child.

We have some parents who have shared their views about the crèche: Feedback

Dr. Vishwas & Dr. Deepika Sathe – proud parents of little Akira say, 'Crèche is a real blessing for MGM Staff in view of safety and their involvement in extra-curricular activities. Crèche staff takes good care of children & appointment of teacher Mrs. Sangita Nikam has helped Akira to grow more in knowledge as well as other activities & enhanced her social skills'.

Dr. Ranjana Savarkar- Mother of Stithpradnya agrees with Dr. Sathe and further says, 'Day care is good in some sense like it's spacious and has caring maushi's with a teacher to supervise them. Additional infrastructure should be provided to make it a better place'

Dr. Prajakta Radke, who kept her baby Preesha in the day care when she was 7 months old & Dr. Shubhangi Jain, Nishka's mother wants to thank the management for starting a day care centre in the campus itself because if required one can go and see their baby.

All parents including Mrs. Priyal Bandekar have said that the cleanliness of the crèche is upto the mark and that the staff is sensitive, supportive and very particular in maintaining the feeding time of the kids.
