AETCOM (Attitude, Ethics and Communication) Module — 2.4

Teaching - Learning activity: Report Submission Format

- AETCOM Module No and Name: 2.4, Working In a Health Care Team
- MBBS Professional Year: Second (2<sup>nd</sup>)
- Incharge department: Microbiology

1. Session Wise Details

- Name of Session: Working in a health care Team (Small Group Discussion)
- Duration: 1 hr
- Time: 11:30am - 12:30pm
- Date of Conduct: 5.6.21
- Venue: E-Library
- Faculty: Dr. Neha Singh
- Objectives of the Session: To understand what must be done by a 2<sup>nd</sup> Year student, work as an integral part of a health care Team
- Teaching-Learning activity (In Brief): Small Group Discussion (PPT presentation) online
- Photos of the session (If any): No
- Attendance (Total strength: 146 No of students Present: 95 No of students Absent) 51
- Remarks (if any): No

2. Session Wise Details

- Name of Session: Working in a health care team (Small Group Discussion)
- Duration: 1 hr
- Time: 11:30am - 12:30pm
- Date of Conduct: 19.6.21
- Venue: E-Library (online)
- Faculty: Dr. Neha Singh
- Objectives of the Session: To understand what must be done by 2<sup>nd</sup> year student to work as an integral part of a HC Team
- Teaching-Learning activity (In Brief): PPT Presentation (Small Group Discussion) online
- Photos of the session (If any): No
- Attendance (Total strength: 146 No of students Present: 95 No of students Absent) 51
- Remarks (if any): No

3. Session Wise Details

- Name of Session: Working in a health care Team (Small Group Discussion)
- Duration: 1 hr
- Time: 8:30 - 9:30am
- Date of Conduct: 28.8.21
- Venue: Microbiology Lecture Hall-3 (Ground Floor)
- Faculty: Dr. Kanchan Chaudhari
- Objectives of the Session: To understand what must be done by the 2<sup>nd</sup> year students to work as an integral part of a H.C. Team
- Teaching-Learning activity (In Brief): Small Group Discussion (PPT Presentation) off
- Photos of the session (If any): No
- Attendance (Total strength: 146 No of students Present: 12 No of students Absent) 134
- Remarks (if any):

Session Wise Details

- Name of Session: Tag along Session
- Duration: - 2 hrs (A) 2 hrs (B)
- Time: 8.30am - 10.30am
- Date of Conduct: - 4.9.21 (A) 18.9.21 (B)
- Venue: Microbiology Lecture Hall-3 & Central Lab (Microbiology) in Hospital Building
- Faculty - Dr. Kanchan & Dr. Neha Singh
- Objectives of the Session: A Tag along Session where students spend time with each other & HCW's including Nurses, technicians & other. Observe their work, their interactions, conduct small interviews with them & write a narrative based.
- Teaching-Learning activity (In Brief)
- Photos of the session (If any)
- Attendance (Total strength: No of students Present: No of students Absent)

DATE	Total strength:	No of students Present:	No of students Absent:	Remarks (if any)

Kindly Note

- Report to be prepared and submitted by concerned department Incharge for the AETCOM Module within 10 days of conduct of complete AETCOM Module
- One single report (compiling all sessions) should be submitted after completion of the individual AETCOM module
- Soft copy as well as hard copy of the report to be submitted to AETCOM Committee (Email ID: mgmaetcom@gmail.com), IQAC, Dean office and Curriculum Committee

## AETCOM (Attitude, Ethics and Communication) Module - 2.5

### Teaching - Learning activity: Report Submission Format

- AETCOM Module No and Name: 2.5, Case studies on patient autonomy & decision making
- MBBS Professional Year: Second (2<sup>nd</sup>)
- Incharge department: MICROBIOLOGY

#### 1. Session Wise Details

- Name of Session: Introduction to bio-ethics & Group Formation
- Duration: 1 hr
- Time: 9.30-10.30 am
- Date of Conduct: 3.4.21
- Venue: E-Library (online)
- Faculty: Dr. S.A. Samant
- Objectives of the Session: Introduction to bioethics & decision making
- Teaching-Learning activity (In Brief): PPT - Presentation (online)
- Photos of the session (If any)
- Attendance (Total strength: 146 No of students Present: 130 No of students Absent) 20
- Remarks (if any)

#### 2. Session Wise Details

- Name of Session: Case: Introduction
- Duration: 1 hr
- Time: 10.30 - 11.30 am
- Date of Conduct: 3.4.21
- Venue: E-Library (online)
- Faculty: Dr. Neha Singh
- Objectives of the Session: Introduction of the case to the students
- Teaching-Learning activity (In Brief): Small Group Teaching (Discussion)
- Photos of the session (If any)
- Attendance (Total strength: 146 No of students Present: 130 No of students Absent) 20
- Remarks (if any)

#### 3. Session Wise Details

- Name of Session: Anchoring Lecture
- Duration: 1 hr
- Time: 11.30 - 12.30 am
- Date of Conduct: 17.4.21
- Venue: E-Library (online)
- Faculty: Dr. Kanchan Chaudhari
- Objectives of the Session: Interactive session with students - Case Discussion
- Teaching-Learning activity (In Brief): Large Group (Lecture)
- Photos of the session (If any)
- Attendance (Total strength: 146 No of students Present: 109 No of students Absent) 41
- Remarks (if any)

#### 4. Session Wise Details

- Name of Session: Self Directed Learning (Seminar Presentation by students)
- Duration: 2 hrs
- Time: 11.30 - 1.30 pm
- Date of Conduct: 15.5.21
- Venue: E-Library (online)
- Faculty: Dr. Neha Singh
- Objectives of the Session: Seminar Presentation by Roll no's - 13, 14, 15 & 16 & they were assessed out of 10 marks
- Teaching-Learning activity (In Brief): Seminar Presentation
- Photos of the session (If any) -
- Attendance (Total strength: 146 No of students Present: 137 No of students Absent) 17
- Remarks (if any)

NSS Day Celebration by Organizing Rally : Walk for Unity

**MGM MEDICAL COLLEGE**  
**Sector-1, Kamothe, Navi Mumbai - 410 209, India**

**NSS UNIT**  
**TREE PLANTATION DRIVE, MALDUNGE**  
**(16<sup>th</sup> July, 2021)**

The NSS unit along with the Department of Community Medicine had organised a tree plantation drive to maldunge village in order to create awareness about the increasing global warming.

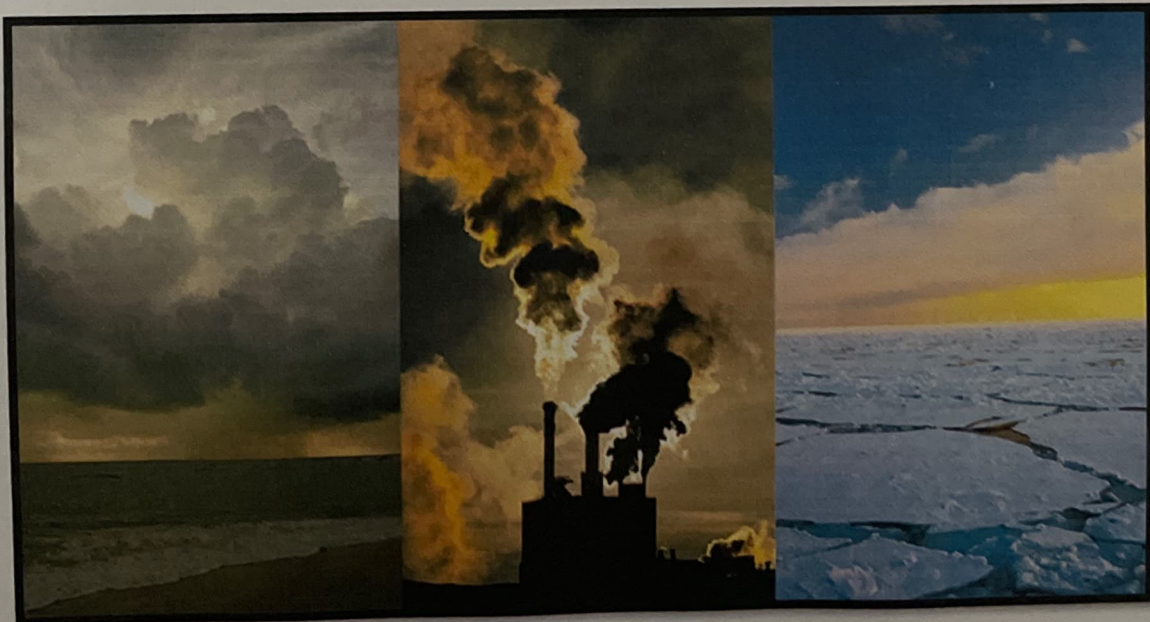

## HAZARDS OF GLOBAL WARMING

Global warming is the long-term heating of Earth's climate system observed since the pre-industrial period due to human activities, primarily fossil fuel burning, which increases heat-trapping greenhouse gas levels in Earth's atmosphere.

Global warming is expected to have far-reaching, long-lasting and, in many cases, devastating consequences for planet Earth. A few of its hazards include:

- Increase in average temperatures and temperature extremes.
- Extreme weather events.
- Melting glaciers.
- Rising Sea levels and ocean acidification.
- Extinction of Plant and animal species.
- Frequent wild fires.
- Long periods of draught or floods in certain areas.

## **BENEFITS OF TREE PLANTATION**

One of the few things that can be done at a personal level to control global warming is planting more trees. Tree plantation offers many benefits, which include:

### **A. Environmental Benefits**

- Trees reduce the urban heat island effect through evaporative cooling and reducing the amount of sunlight that reaches parking lots and buildings. This is especially true in areas with large impervious surfaces, such as parking lots of stores and industrial complexes.
- They improve our air quality by filtering harmful dust and pollutants such as ozone, carbon monoxide, and sulphur dioxide from the air we breathe and give off oxygen that we need to breathe.
- Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
- Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.

### **B. Communal Benefits**

- Trees provide a collective benefit to you as well as your neighbours.
- Tree lined streets have a traffic calming effect, traffic moves more slowly and safely.
- Trees can be placed to screen unwanted views or noise from busy highways.
- Trees can complement the architecture or design of buildings or entire neighbourhoods.

### **C. Economic Benefits**

- Well placed trees can reduce your cooling costs in the summer by shading the south and west sides of your home. If deciduous trees are used, they will allow the sun to pass through and warm your home in the winter.
- Evergreen trees on the north side of your home and shrubs around the foundation of your home can act as a windbreak to reduce the cooling effects of winter winds.

- The value of a well landscaped home with mature healthy trees can be as much as 10% higher than a similar home with no or little landscaping.

A prior meeting with the sarpanch of maldunge village was held and they were informed about the tree plantation drive that was going to take place on 16<sup>th</sup> July,2021.

The forest department was made aware of this initiative, and was asked to provide us with the saplings needed for the tree plantation drive.

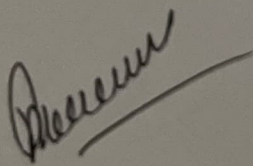

The event was attended by:

Sr No.	Name	Designation
1.	Dr. Pradeep Sawardekar	Professor and NSS program officer
2.	Dr. Madhavi Mankar	Professor and NSS coordinator
3.	Maj (Dr) Ashlesha Tawde	Asst. Prof, Dept. of Community Medicine
4.	Mr. Jeevan Urankar	MSW, Asst. Program officer
5.	Mr. Vikrant Dinkar	MSW
6.	Dr. Anamika	Biomedical sciences
7.	Dr. Akanksha Ghodke	Intern
8.	Dr. Shivani Purohit	Intern
9.	Dr. Akhil Gailot	Intern
10.	Dr. Vivek Verma	Intern
11.	Dr. Payal Dutta	Intern
12.	Ms. Vineeta Sharma	Health Inspector
13.	Ms. Prachi Nangare	Health Inspector
14.	Mr. Ramdas	Health Assistant
15.	Mr. Daniel Mathew	MPH I
16.	Mr. Abhishek	MPH I

The event was a huge success, total of 40 trees were planted.

**ENVIRONMENT DAY INITIATIVE**

DATE: 25/06/21

VENUE: DHODANI

THEME: "ECOSYSTEM RESTORATION"

World Environment Day is observed on June 5 every year. The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change.

The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment. The theme of the first World Environment Day was 'Only One Earth'. The United Nations designated June 5 to be observed as World Environment Day after a call for saving the environment from possible damage due to industrialization drew attention.

On this day, governments, NGOs and citizens put their efforts to spread awareness about the importance of conserving the environment and negate the impact of human activity on the environment.

The theme of 47th World Environment Day is Ecosystem Restoration as tackling climate change and the loss of species is crucial to the restoration of ecosystems. In 1987, the UN decided to rotate the host country for the celebrations of this day. Pakistan will act as the global host of the day in 2021 in collaboration with the UN Environment Programme (UNEP).

Community Medicine department of MGM medical college, Kamothe decided to celebrate World Environment Day on 25<sup>th</sup> June, 2021 in the UBA village of Dhodani.

Dear Sir,

**Every year 19<sup>th</sup> October is celebrated as "World Bioethics Day".**

On the eve of World Bioethics Day 2021, the MGMIHS Bioethics Unit, Navi- Mumbai is conducting Essay / scientific poster / painting competitions for Faculties and UG & PG students.

You are kindly requested to encourage your HODs, Faculties & UG PG students to participate in the various competitions.

The topic for participating **Faculties and PG students** is either on one of the below mentioned:

**Informed consent**  
**OR**  
**Managing ethical & professional conflicts**  
**OR**

**Doctor- A human being or a machine? Where to draw a line?**

The topic for participating **UG students** is either on one of the below mentioned:

**Medicolegal, socio-economic and ethical issues pertaining to Surrogacy & IVF**  
**OR**

**Doctor- A human being or a machine? Where to draw a line?**

The entries should be submitted either as Essay (not more than 500 words) / scientific poster / poem (in either English or Hindi) / painting.

The participating Faculties and students should send their entries to Dr. Mrunal Pimparkar, by 13<sup>th</sup> October 2021 before 4 pm, by hand or on email id- bioethicsunit@mgmuhs.com. The winners (both Faculties and UG PG students) of each competition will be given certificates by MGMIHS Bioethics Unit.

Date- 16/06/2021

Occasion –“World Environment Day 5<sup>th</sup> June2021” (WED 5<sup>th</sup> 2021)

Activity – Celebration of “World Environment Day 5<sup>th</sup> June2021” (WED 5<sup>th</sup> 2021)

**Theme for the year:-**The theme for World Environment Day 2021 is “**Ecosystem Restoration.**”

**Activity 1- Tree plantation, in-front of Hospital Garden. (Beautification of hospital garden area)**

**On 5<sup>th</sup> June 2021 in the occasion of World Environment Day, we plan many activities but tree plantation in campus is the first activity for celebrating the World Environment Day.**

**Time:** - Celebration of WED 2021 has been started at morning by the time 10:30.

**Location- MGM Hospital Garden** –in-front of hospital building garden area

**Inauguration of the program-** The inauguration of the programme has been done by the Dr.G.S.Narshetty (Dean of MGM Medical College, Kamothe) and left.general Dr.K. Salgotra (Hospital Director of MGM Hospital, Kamothe). After given some interesting use full information inauguration of program has been done by planting a sapling.

**Aim-**recreate the greenery at hospital garden (beautification of garden)

**Numbers of sapling-** Total **34 (Thirty four)** number of Sapling.

**Name of the plant** –Bougainvillea- Pink/Orange/White and Yellow.

Number of participants- approximately 30 Person (due to Covid 19 students were not available, all participants was the staff of different departments, including Doctors, nurses, medical paramedical/teaching/non-teaching).

**Activity 2- Create artificial forest "Miyawaki forest" (in campus)**

**Time:** for- Creating the artificial forest Miyawaki forest under the occasion of Celebration of WED 2021 has been started in the afternoon by the time 1:30pm

**Date** 11//6/2021 and 18/6/2021

**Location-** near MGM Rainwater harvesting pond area

**Participants-**for tree plantation to create Miyawaki Forest we plant the sampling with the help of MGM School of Physiotherapy and MGM Nursing College students.

**Participants-** Total Number of students approximates 30 students.

The concept of create Miyawaki Forest (create artificial forest) to grow plants number of maximum plants (shrub/bushes/tree/sub trees)in minimum area. The benefits of forest increase the oxygen level of the environment and also improve the Bio diversity of the area.

Glimpse of plantation of sampling by the MGM Nursing College & MGM School of Physiotherapy Faculty and students. With the help of Health Inspector and Garden Staff

# OXYGEN PRODUCTION FOR OUR BELOVED NATION INDIA

1. In the second week of COVID-19, the patient count (cases) in the district for oxygen increased to heavily old patients.  
 2. Many patients had their life on the hospital machines. FROM the requirement of oxygen in patients increased in demand and necessity of oxygen increased. Health care - just deteriorated.  
 3. So Oxygen production has to go up just as medical health boards to fight against the virus, and governmental came up with following steps management of oxygen.

**INDIA NEEDS OXYGEN**

India produces 6,000 tones of liquid oxygen each day. Only 10% is used in hospitals, rest is used in industry. Such as steel making. At the height of India's second wave, which is still ongoing, COVID patients needed between 6,000 and 11,000 tones of oxygen each day.

SPICE has been the industrial use of oxygen to weld steel, long distance, including steel plants, petroleum refineries, pharmaceuticals, food and water purification, among others.

Category	Value
Daily production capacity across (including steel plants)	7,10,000 MT
Industrial use for the day across	7,30,000 MT
Use of medical oxygen in	1,00,000 MT
Supply to industry	1,50,000 MT
Total stock of oxygen including industrial usage	10,10,000 MT
Total stock available for liquid medical oxygen after removing safety stock and other uses	21,500 MT

MASSIVE OXYGEN PRODUCTION SPIKES IN THE NATION - ACCORDING TO EXPERTS

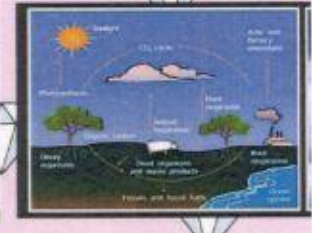

ARITA ABU DALVI  
ROLL NO 24

# OXYGEN CYCLE

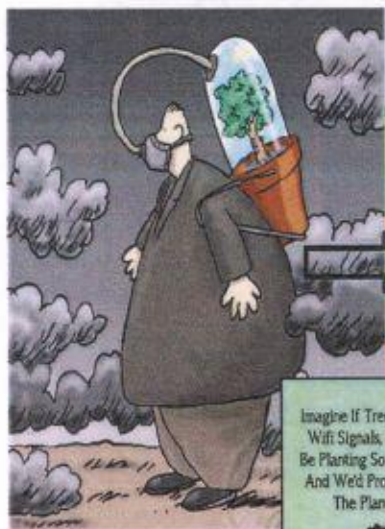

### Importance of Oxygen

- Patient may need oxygen for:
  - Respiratory or cardiac compromise
  - Cardiac arrest
  - Shock
  - Major blood loss
  - Injury to lungs or chest
  - Airway obstruction
  - Stroke

D.O. No.F.1-7/2011(SCT)

9<sup>th</sup> September, 2021

Sub:- Prevention of Caste Based Discrimination in Higher Education -reg.

Sir/Madam,

As you are aware, the University Grants Commission has taken various steps for the Prevention of Caste Based Discrimination in Higher Education Institutions. UGC has issued letters dated 19.07.2011, 02.07.2013, 07.03.2016, 05.09.2016, 15.05.2017, 04.06.2018, 26.06.2019 and 14.09.2020 with the request to Universities to take the following action:

- The Officials/faculty members should desist from any act of discrimination against SC/ST students on grounds of their social origin.
- The University/Institute/College may develop a page on their website for lodging such complaints of caste discrimination by SC/ST students and also place a complaint register in the Registrar/Principal Office for the purpose. If any such incident comes to the notice of the authorities, action should be taken against the erring official/faculty members promptly.
- The university and colleges should ensure that no official/faculty members indulge in any kind of discrimination against any community or category of students.
- The University may constitute a committee to look into the discrimination complaints received from the SC/ST/OBC Students /Teachers and non-teaching staff.

You are requested to advise the officials/faculty members of your university/Institute to be more sensitive while dealing with incidents of caste discrimination. You are also requested to provide information for the year 2020-21 in the prescribed format on the University Activity Monitoring Portal (UAMP) of UGC at link <https://ugc.ac.in/uamp/> urgently.

The above instructions should also be circulated to all the constituent and affiliated colleges of your university for follow-up action please.

With kind regards,

MGM Institute Of Health Sciences

INWARD NO. 8992

DATE: 17/09/2021

REF: dl

Yours Sincerely,

(Rajnish Jain)

To

The Vice-Chancellor of All Universities.

Put up  
in A. & A meeting T.O.

7.1.9

**Sensitization of students and employees of the Institution to the constitutional**

**obligations, values, rights, duties and responsibilities of citizens**

Describe the various activities in the Institution for inculcating values for being Responsible citizens as reflected in the Constitution of India within 500 words.

**Response:**

**Social responsibility:**

The institute conducts health camps, education, and health check up programmes.

Institution has taken initiative in including syllabus related to professional issues, ethics and constitution. Lectures for bioethics are taken and log book is maintained.

Topics of ethics are as given

**Gender Equality:** The Gender Champion Committee has been constituted by the Institutes under MGMIHS as per the UGC Guidelines to ensure gender equality. Gender Champions are selected who advocate gender equality and ensure that girls are treated with dignity and respect. Gender equity promotion programmes are organized. The programs include lectures, workshops, essay writing competitions, Skits and role plays on gender bias, slogan writing competition on gender sensitization and open house discussions.

**Environment Consciousness:**

A large proportion of the staff and students use public transportation facilities, bus, or share auto-rickshaws from station to college. The university encourages car pooling and banners to this effect are displayed in the campus premises. The campus has large pedestrian friendly roads lined by trees which are used by students and staff members who reside in the campus to walk to work. Promotion of using battery vehicles and cycles are promoted.

**Plastic free campus:** The Institute practices a policy of plastic restricted zone within the campus. Banners emphasizing the commitment of the Institute towards a plastic restricted campus are displayed throughout the campus

**Paperless office**

Statutory approvals, agreements, account statements and others dealing with legal matters related electronic documentation is maintained. All communications to faculty members are through e-mails.

**Green landscaping with trees and plants**

The entire campus is dotted with trees, plants and lawns which are kept well maintained.

**Justice:** Various cells such as the Internal Complaint Cell, Grievance Redressal Cell, Student Committee etc. are in place to ensure student, faculty and all staff well-being. Details of all committees, standard operating procedures, and policies are displayed on the website.

**Universal human values:** The management, faculty, non-teaching staff and students celebrate days of national eminence such as Independence Day and Republic Day, National Unity Divas and Maharashtra Din together to promote universal values such as Truth, Righteous conduct, Peace, Love and Non- violence. Eminent personalities are invited and their talks further the feeling of oneness, promote moral values and make the youth aware of their potential and responsibilities to the Nation. Birth anniversaries of Mahatma Gandhi and Dr S. Radha krishnan are celebrated. The institute pays tribute to national heroes for their supreme sacrifices and relentless striving for nation building. These celebrations create a sentiment which reflects solidarity or patriotism among the faculty and students and fosters a common identity amongst all, thus strengthening the national spirit of the students. The Institute organizes Ambedkar Jayanthi every year on 14th April to commemorate the great deeds of social reformer and founder of Indian constitution - Dr. Baba Saheb Ambedkar. During the function, the importance of constitutional rights and duties is emphasized.

**Freedom of thought:** Students and faculty members are members of various academic and cultures committees which promotes freedom of expression and an inclusive, warm welcoming environment. Student Council is active and provides platform for students to discuss their issues and communicate their views to the faculty and management.

**Discipline:** Several committees such as Anti-ragging, Grievance Redressal Committee, Gender Sensitization Committee and Prevention of Sexual Harassment against Women Committees are in place to ensure the safety and security of students and staff and to address issues at workplace.

The syllabus includes laws, role and responsibility of students and all the ethical values are included in same. The responsibility related to treat patients ethically and with consent is being inculcated.

Role of being professionalism in socio-cultural and socio- economy is taught.

Research work with consent of the patients and even maintenance of privacy of patients is been done.

## Introduction of course coordinators by Dr. Priyanka Pareek

After Introduction of MSGMSBS Mrs Vidula Patil, Lecturer, MGMSBS, Navi Mumbai introduced various committees of the department. Students were oriented about committee's role, responsibility and contact persons.

## Introduction of MGMSBS Committees's by Vidula Patil

The screenshot shows a Zoom meeting with a presentation slide displayed. The slide is titled 'Various Governing Committees' and contains information about the MGMSBS School of Biomedical Sciences, Navi Mumbai, Aurangabad. It lists various committees and their members. The Zoom interface shows the video feed of the presenter, Dr. Vidula Patil, and a list of participants on the right side, including Rohit Gupta, Jaya Arya, shubham deore, and Harshadevi S.

**Various Governing Committees**

MUMBAI SCHOOL OF BIOMEDICAL SCIENCES, NAVI MUMBAI, AURANGABAD

ANTEBALSING COMMITTEE

The constitution of Antebalsing Committee constituted for 2019-20, is as follows. It is under the direction of the Director of Health, Govt. of India, Maharashtra, Government of India, dated 4th July 2009 and on 10th July 2009, the Antebalsing Committee was constituted as follows:

Sl. No.	Name	Department	Designation	Faculty	Responsibility
1.	Dr. Vidula Patil	Microbiology	Head of Institution	Dr. Vidula Patil	Overall Responsibility
2.	Dr. A. S. Verah	Microbiology	Head of Institution	Dr. A. S. Verah	Overall Responsibility

Law before POCSO Act, 2012  
 Child sex abuse crimes before the enactment of POCSO Act were dealt under Indian Penal code. Child Sexual abuses were prosecuted under Indian Penal Code under following sections

- IPC (1960) – Sec 375 Rape
- IPC (1960) – Sec 354 Outraging the modesty of woman
- IPC (1960) – Sec 377 Unnatural Offences

The I.P.C. was not adequate enough to protect the children and criminalize non-conventional sexual abuses which are different from above mentioned conventional crimes in form of child trafficking, pornography, sale of children.

IPC 354 lacks a statutory definition of "modesty" carries a weak penalty a compoundable offense

**Report of "Social Awareness Activity" for safety measures to be taken by the Two Wheeler Drivers and Bike Riders under NSS**

**Name of the event: "Social Awareness Activity"**

**Purpose of the event: Create Awareness among General People about Road Safety.**

**Location of the event: MGMIHS Main Gate Entrance**

**Date of the event: Date: 20<sup>th</sup> February 2021**

**Hours spent: 11:30 AM to 12:30 AM (One Hour)**

**No. of attendees: 10 Students and 5 Faculties**

**Proceedings of the event:**

This activity was conducted under National Service Scheme Unit, MGM Institute of Health Sciences. As a part of MGMIHS, Students & Faculties of MGM Department of Prosthetics and Orthotics participated actively.

The activity started at 11:30. All the BPO students along with faculty commenced this activity at the main entrance of MGM Institute of Health Sciences.

Each and every member on two wheelers, who were not wearing helmet was apprehended by the students and faculty. The member was counseled by Dr. Uttara Deshmukh (P&O), for not wearing helmet and she explained the significance of wearing helmet to him/her.

A sticker with slogan "WEAR HELMET SAVE YOUR LIFE WE LOVE YOU" was stuck at on the arm of that person or on their bike. They were also emotionally counseled their importance for family and a promise from them were taken, for not doing such mistake hence after.

Approximately 40 bike riders were counseled by conducting this activity. It was a small contribution from the Department of Prosthetics & Orthotics towards NSS Unit, MGMIHS.

## **PARTICIPATION OF STUDENTS OF MGMIUDPO IN PULSE-POLIO IMMUNIZATION**

**Name of the event: Participation of MGMIUDPO Students in Pulse-polio Immunization.**

**Purpose of the event:** To Immunize children in society under 05 years to eradicate Polio from the society.

**Location of the Event:** Kamothe

**Date of the Event:** 31<sup>st</sup> January- 06<sup>th</sup> February 2021.

**Time of the Event:** 9:00 AM- 01:00 PM

**No. of attendees: 05 Internship Students of MGMIUDPO**

### **Proceedings of the event:**

This event was organized under NSS Activity by NSS Unit, MGMIHS, Kamothe.

The Programme was began with the training regarding how to vaccinate the child and students were briefed about the Vaccination .

The theme for this year's National Polio Vaccination day is **“Both Polio eradication as well as current Covid-19 threat”**.

The Vaccination Programme was stated on 31<sup>st</sup> January 2021 at 8.00 am. All the volunteers were gathered at UPHC Centre, Kamothe. Later they were given the Polio vaccination carriers, awareness banners, markers.

Then team member was allotted to volunteers & the volunteers were dropped at specific vaccination centre. Then people started gathering for their child's vaccination. The first day vaccination were given to 200 children by each team.

The next day program started by house visit according to sectors allotted to each team and they were given files to maintain proper record of vaccination given to the child (Below 5 years) in particular house.

Later this program was continued for next four days allotting different sectors to different teams.

Lastly the program was ended with distribution of Certificate of Appreciation to each student those who participated in this event.

## **“CELEBRATION OF WORLD BICYCLE DAY-2021”**

**Name of the event: “Celebration of world Bicycle day-2021” at MGMIUDPO**

**Purpose: To raise awareness on the importance of Cycling for health & environment.**

**Date of the Event: 3<sup>rd</sup> June 2021,**

**No. of participants -02 Students**

### **Proceedings:**

Cycling is a healthy, low-impact exercise that can be enjoyed by people of all ages, from young children to older adults. It is also fun, cheap and good for the environment. To be fit and healthy all need to be physically active. Regular physical activity can help protect from serious diseases such as obesity, heart disease, cancer, mental illness, diabetes and arthritis. Riding Bicycle regularly is one of the best ways to reduce your risk of health problems associated with a sedentary lifestyle.

Acknowledging the uniqueness, longevity and versatility of the bicycle, which has been in used for two centuries, and that it is a simple, affordable, reliable, clean and environmentally fit sustainable means of transportation, fostering environmental stewardship and health, **United Nations the General Assembly declared 3<sup>rd</sup> June as a World Bicycle Day.** It encouraged people to emphasize and advance the use of the bicycles as a means of fostering sustainable development, strengthening education, including physical education, for children and young people, promoting health pollution free environment, preventing diseases, promoting tolerance.

By celebrating this day, students of MGMIUDPO sent a photo of his/her which raised steps towards making the pollution free environment and contributed in making the society green by riding Bicycle.

### **REPORT OF INTERNATIONAL YOGA DAY 2021**

**Name of the event:** Celebration of International Yoga Day 2021

**Purpose:** To create awareness among the students professes a complete system of physical, mental, social, and spiritual development.

**Mode:** Virtual Platform.

**Duration:** 3 weeks (1<sup>st</sup> June to 21<sup>st</sup> June 2021)

**No. of participants:** 07 Students.

#### **Proceedings of the event:**

As per the guidelines received from NSS Unit, MGMIHS, this year the “International Yoga day” was celebrated from 1<sup>st</sup> June to 21<sup>st</sup> June 2021 in the institute.

Due to the COVID situation, students were asked to perform various Asanas by referring official website of Ayush Mantralaya i.e. [www.yoga.ayush.gov.in](http://www.yoga.ayush.gov.in) and follow the common protocol syllabus for training at their home and send the pictures with description about Asanas.

Students performed excellent job by sending pictures in various poses and gave explanation about the Asanas. This helped students to get inspired for Health awareness and inculcate YOGA in their day to day life.

### **Proceedings:**

Doctors are responsible for increased life expectancy and improved well-being in society. People and society who survive during deadly diseases such as covid-19 pandemic usually owe their survival to doctors, whose skills and dedication are vital for their cure

Every year, July 1 is observed as National Doctors’ Day in the memory of Dr Bidhan Chandra Roy, who had his birth and death anniversary on the same day. The day, commemorated by Indian Medical Association (IMA), is dedicated to all the doctors and healthcare workers who have been serving people by risking their lives. Dr Roy, former Chief Minister of Bengal, was known for his selfless service.

MGMIUDPO celebrated the event with full energy, one faculty Ms. Pratiksha Shelar ( P&O) & two students Ms. Simranjeet Kaur Manni (Intern) & Mr.Rohan Tambe ( B.P.O IV) visited to Covid Isolation ward at MGM Hospital and felicitated, Nurses and other staff with Flower and Chocolates & give thanks to them for their job of the humanity during this Pandemic.
