Maintenance Contract for Lift/ Elevators

This Contract made and entered into on 15-06-2020 between **Escon Elevators Pvt. Ltd**, a company incorporated under the Companies Act, 1956 and having its registered office at EL-116/2, T.T.C Industrial Area, Electronic Zone, Mahape, Navi Mumbai -400 710 (hereinafter referred to as "**Company**", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) of the ONE PART

And

MGM - Physiotherapy & Nursing Hospital having its office at Plot No.1,,Sector - 18, Kamothe,,Navi Mumbai,Maharashtra - 400219 hereinafter referred to as "**Client**", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) of the OTHER PART.

WHEREAS the Company is engaged in the business of maintenance of Lifts/ Elevators (herein referred to as "lift"). The details of the lift(s) is indicated with type and manufacturer names are mentioned in a separate document and marked as **Annexure -I**

NOW THIS AGREEMENT WITNESSETH AND IT IS HEREBY AGREED UPON AND BETWEEN THE PARTIES HERETO AS UNDER:

General Scope of work:

1. Trained employee(s) of the company under expert guidance of its technical staff will carry out the maintenance work.
2. This contract includes inspection and servicing of the lift(s) once in two months or as frequently as company feels necessary. The technician(s) will systematically inspect, adjust and lubricate the parts of the lift(s) to the extent necessary to maintain the lift(s) in safe and good working condition.
3. On receipt of the notification from the Client of a breakdown or failure in the lift(s), the company shall depute a technician(s) as soon as may reasonably be possible and during the Company's normal working hours to carry out necessary repairs in order to restore the lifts(s) to safe and good working condition.
4. The Company will carry out, according to its standards customary, annual safety tests to examine all safety devices. The Company will not be required to make any other tests.
5. Under this contract, Inspection and servicing of the lift(s) such as examining the ropes and their attachments, examining the motor and gear, examining and lubricating the door locks, cleaning and lubricating the guides, lubricating all moving parts and administer necessary changes/ adjustments so as to keep the lift(s) and its installation safe and in good working condition.
6. This contract also covers attending break down calls and inspection(s), if any, to be carried out by the company.
7. Specific scope of work under this contract is attached herewith and marked as **Annexure - II**

Payment Terms & Conditions:

1. The Contract value is inclusive of taxes, for the period of 2020-21 year, i.e., from 01-04-2020 to 31-03-2021. The value or price must be paid in advance in favor of Escon Elevators Pvt. Ltd. before the commencement of the contract.
2. Payment should be made by way of account payee cheque/ demand draft/ bank transfer only.
3. GST is included in the above Contract value. The customer shall pay the differential taxes or duties, if any, imposed on either party by any existing or future law or rules or regulations effective from the date of this contract or during the contract period.
4. All payment should be made within 7 (seven) days from the date of submission. Delayed payment, i.e., payment after the due date needs to pay interest @ 18% per annum.
5. Company reserves the right to suspend the Service including breakdown service and/or discontinue any other work under this contract or any other contract with the company until all outstanding payments are made in full.
6. In case of repeated breakdown being attended by the company, which was/ is due to extraneous causes such as failure of power supply, improper closing of doors or unauthorized interference by strangers over which the company has no control, applicable service charges will be charged.Charges for any Government Inspections shall be borne by the Client.

CIN : U74999MH1990PTC056081

Client Responsibilities:

1. Notify the company immediately of any malfunction, whatsoever, of the lift.
2. Advise all lift users that while using the lift, all should follow the company's instructions.
3. Prevent misuse or vandalism of the lift.
4. Ensure that two trained persons are available in the building for emergency rescue of trapped lift users.
5. Authorise two persons by name and designation for intimating breakdowns if any to the Company, the instructions of only such authorised person(s) only will be attended by the company.
6. Keep the machine room under lock and key.
7. Do not allow any person(s), either his own or a third party to meddle with, repair or rectify any of the lift(s) components during the subsistence of this contract with the explicit understanding that any breach of this clause will relieve the Company of all further obligations under this contract.

Cancellation & Termination:

1. The contract shall continue for a period stated in this document, and shall continue for further three months thereafter until terminated by either party. Once the contract is terminated, the company shall be relieved from all its duties and liabilities.
2. Company by notice in writing to the client can forthwith terminate the contract in any of the following circumstances
 - a. If the client fails to pay the company as and when required under this contract, or
 - b. Where company is prevented from performing its duties for a continuous period of three months for any reason and for any circumstances beyond its control.
 - c. Where without company's prior written consent any work within the scope of this contract is carried out by unauthorized person(s).
 - d. Where after written notice to the client about important work or replacement to be carried out which are not within the scope of this contract, the client refuses or fails to carry out the said work replacements within a reasonable time mutually agreed, in any case not more than three months.

General Terms & Conditions:

1. The Company is not liable for failure to provide the Service for any event beyond its reasonable control such as (including but not limited to) act of God, public enemy, Government authority, expropriation, confiscating of facilities, act of war, hostility emergency, rebellion, sabotage, damage resulting from fire, flood rain, cyclone explosion, sudden surges of voltages and current act of workmen direct or indirect.
2. Where material component parts or assemblies are no longer available due to obsolescence or if they have been permanently taken out of production by the original supplier then the supply and use of alternative materials, components parts or assemblies (as the case may be) will be at the cost of the client. In the event of company consider it selves unable to supply any material(s) or part(s) for the purpose of this contract, then this contract shall forthwith terminate without prejudice to the Company's accrued rights and without any liability to the Company for such termination.
3. Company reserves the right to shutdown the lift at any time during the contract period if in its opinion the Company feels that the condition of the lift has become unsafe for use either due to normal wear and tear or improper usage.
4. The company is not expected to assume liability for injury (other than to its employees) or damage to property resulting from or caused by the lift during its operation.
5. Company reserves the right to keep the controller cubicle locked.
6. The contract shall supersede all prior agreement or contracts of understanding between the parties hereto.
7. The lift will remain out of commission during the period of maintenance work. Lift will not be available to use during this period.
8. Company will enter in to this contract only if the lift & its installation are kept in good working condition as per company's own standard; otherwise, client need to pay additional cost of standardization before entering in to the contract.
9. It is hereby specifically agreed that the company would not in any way be liable to replace or repair free of charge, under this contract any damage caused to all or part of the lift as a consequence of a faulty electrical system fire, water seepage flooding, reason of negligence or misuse of the lift etc. In such an event all repairs and replacements as may be necessitated would be carried out at the cost of the client. It is also agreed that company will not be required to make renewal or repair necessitated by the reason of negligence or misuse of the lift equipment.

10. Company shall submit the estimate for chargeable items under the contract and the client need to pay the full amount in advance for commencing the work.
11. Any abnormality observed in the lift and its installation should be immediately reported to Company.
12. Client shall keep the whole lift installation particularly inside portion of the Lift Car and landing outside the entrance doors as clean as possible so as to prevent irregularities in the working of the lift on account of excessive dirt and the dust accumulations.
13. This contract does not cover any alterations, modernization and modification job.
14. This contract does not cover charges for the stand by units or posting technician on special duty.
15. Arbitration Clause: All Disputes and differences of whatsoever nature, whether existing or which shall at any time arise between the parties hereto touching or concerning the Maintenance, meaning, operation or effect thereof or to the rights and liabilities of the parties or arising out of or in relation thereto whether during or after completion of the maintenance shall be referred for adjudication to the Arbitrator to be appointed as per the Indian Law. The Arbitration shall be held at Navi Mumbai and conducted in English Language.
