After the interrogations, the Committee members have given their views about the Complaint as follows :

All members of the Committee clearly pointed out that this is not to be considered as ragging. Due to work pressure and the adjustment problem in work place to do clinical duties.

Dr. Nath also supported to that One Full batch who all are supposed to come in April-May 21 has joined in Feb-March 2022. This may have caused a lot of work pressure in all departments among Resident Doctors., which is to be noted

Dr. Shilpi felt that this incident is not under preview of ARC, however going to the grievous nature of the complaint the issue has to be handled sensitively and the entire batch has been counseled separately.

Dr. Ghanekar madam told that all resident doctors should be further couseled to address work pressure and personal issued with faculty at regular intervals. Mentor Mentee meeting should be more frequent.

The Police Officer Madam has shared her contact number with all the PG Students, that if they want to share any issue regarding the complaint, they are free call any time and share their problem related to this complaint.

FINAL RECOMMENDATION OF INSTITUTIONAL ANTI RAGGING COMMITTEE

The Committee is of the opinion that there is no ragging. This issue seems to be of complaint due to work/ exam pressure and the adjustment problem with Faculty and In addition due to Covid situations, the Junior Resident Batch 2021 has joined the College from Feb. 2022 instead of May 2021 due to delay in Govt MCC admission for MD/MS 2021 .

1. All the Juniors have been counseled .
2. Duty Roster should be checked and monitored by HOD to strengthen work pressure amongst Resident Doctors.
3. Inter Departmental meeting should be conducted routinely and allow them to share all the complaint and their problems with PG Guide/ Mentor/ HOD in time & minimum once a month so that they are relaxed in their issues of personal and work and do their residency more efficiently.
4. The Committee arrived at the conclusion that the allegations against Dr. Vishwas Sathe & Dr. Mrs. Deepika Sathe has no substance, Hence they may be allowed them to continue their duties asemergencies and OT Services.

The meeting end with vote of thanks to the Chair.

While answering the initiatives taken by the committee, Dr. Jyoti Chaudhari reported that induction programme was conducted to fresh batches of undergraduate and postgraduate nursing students which included anti-ragging policy of the organization. Last year, posters on antiragging act were displayed on various floors of college building and in the hostel too. She also reported that, this year antiragging forms were not yet filled by the students. The chairperson told to provide necessary instructions to class coordinators of concerned batches. The minutes of the previous meeting were passed by Ms. Sarika Nair and seconded by Ms. Derlin Thomas.

Furthermore, the chairperson discussed the role of anti-ragging committee, anti-ragging squad and role of a student member. Student member showed willingness to pass antiragging related information among the batch mates and to be vigilant.

Item 3. To discuss about how to maintain ragging free environment and develop trust among new batch of students to report ragging activities if any –

Discussion: Dr. Jyoti Chaudhari, Secretary highlighted the various activities undertaken uptill now by the committee such as display of antiragging posters at various floors of college building as well as in the hostel. Last year, antiragging squad took rounds in the hostel and also took weekly surprised rounds in the college premises. She also acknowledged the efforts of last year committee, as there was no such case observed or reported among Nursing students. Regular student teacher interaction, senior students as peer mentors in the hostel, maintaining interpersonal relationship, instillation of the complaint box, and display of posters regarding kind of punishment in case of ragging were the few activities suggested by the student representatives. In response to this, Chairperson said that there is already one complaint box in the office kept for the student. She also mentioned that complain box must be regularly opened. One of the members suggested creating online form to file complaint against ragging. However, other suggestions like mentoring by peers and maintain interpersonal relationship was appreciated.

Resolution: Complaint box which already exists in the Office will be shifted in the staircase at fifth floor for easy access. In order to avoid delay in urgent and sensitive matter it needs to be informed immediately to class teacher or friend and /or to anti-ragging committee member.

Student members were appealed to report occurrence or suspiciousness of ragging activity in the college campus to the committee members directly or through class teachers /mentors. In such case high priority meeting will be conducted to listen to both parties for taking necessary action. Committee also decided to continue with measures taken regularly. Squad committee will make rounds regularly to isolated places in the college, campus and hostel.

With this meeting was adjourned at 4 pm after thanking the chair.
