Subject: Sports session conducted for Batch of 2022

Indoor sports session was conducted for the students of MBBS batch 2022 on 12.03.2022 from 2:30 to 4:30 pm in the indoor sports hall on the 4th floor of the medical college building.

The students were offered various sports to choose from including;

- a. Carom
- b. Chess
- c. Table tennis

All equipments were made available to ensure smooth game play. Necessary safety measures were also taken.

CHESS

- Games like chess increases a students thinking ability and helps to strategize.

- **Mihika Menta** and **Sahil Patil** having an intense chess game.

TABLE TENNIS

- **Table tennis** also known as ping pong, it is a sport in which two or four players hit a ping pong ball, back and forth across a table using small solid rackets.
- Quickness in table tennis is very important as the game might completely change in a few seconds if the player is not focussing.

- **Danish Chamankar and Hriday Soni** gearing up for the game.

- **Soham and Kanishk Dhar** playing table tennis on table 1.
- **Umang Shah and Sarvesh Patil** playing on table 3.

CARROM

- **Carrom** is an indoor table top game. It is played by people of all ages. The game requires skills, practice and determination.

Carnival

(Rings & Reels)

Date: 04/05/2022

Time 6pm onwards

Venue: MGM Quadrangle

Batch of 2018 worked their way off to make the carnival night successful as it was along with the volunteers of the other batches.

The grand night started with the fabulous theme of “Netflix and Chill”

People were dressed up as their favorite characters or the ones they adore.

Great characters like Joker, Jughead, Marco, Shelby and many more made the night lovely

Following was the DJ night which ended with a bang.

Prom Night
(A Night in Paris)

Date: 05/05/2022

Time: 6pm onwards

Venue: MGM Quadrangle

The event started with fun, small, informal interviews, which were intended to lighten the mood and prepare everyone for a night of fun. After the interviews, the event started off with games being played by the students, and with rewards being given out to the winners. Events included activities where players had to find an object or a clothing item usually worn by the opposite sex, and they had to wear or accessorize themselves, and had to display and flaunt the said item, in a ramp walk. This helped in further engagement by the attendees of the event, leading to increased participation in the further games. The Games played out were a success, leading to more enjoyment. Apart from the games that were being hosted, 3 separate stalls were set up for other entertainment purposes.

These stalls were namely, Knock-It-Down, Speed Dating 101 and a stall named Beacon of Roses, where roses were being given out to people. After a plethora of games and events, for both couples and stags, came the dance. It was a good mixture of mellow music, amiable lighting and fun among the students.

This soon culminated into a dance session where everyone enjoyed.

After the dance, for the conclusion of the event, prizes for the winners of the games were given out, along with titles of the events.

Fashion Show (The Glamourous Gait)

Date: 06/05/2022

Time: 6pm onwards

Venue: MGM Ground

Panel of judges;

Dr. Sameer Kadam (HOD Surgery Dept)

Dr. Mrunal Pimparkar (Prof. Community Medicine)

Dr. Z.G Badade (Prof. Biochemistry)

Dr. Pradeep Sawardekar (Prof. Community Medicine)

The Judges were felicitated by Cultural Secretary, Head and Vice heads. The Fashion show atmosphere was filled with glamorous music, decoration elements were all over the place. The ambience was kept very artistic, designed with vivid and minimal colors. In attendance were about hundred students and our respected panel of judges. It was the time for the moment, the fashion show began with ramp walks of participants from all the academic years, they all wore tasteful garments in wonderful colors and fabrics relating to a particular theme. We also had group performances, the applause and hooting from the crowd added up to the mesmerizing environment.

Just to light up the evening even more we had fillers in between which included energizing beat boxing coupled with songs which left the crowd amused. At the very end we had our respected panel of judges who graced the show by walking on the ramp themselves. It was a delightful show and the audience had an enjoyable evening.

The judges announced the winners and event ended with vote of thanks.

Lessons learnt -

- The team participating for any such sports tournament has to report to the desired location at around 5 to 7 pm before the day prior of the tournament so that there can be adequate rest for the players .
- The players should get enough game practice at the venue of the tournament prior to the start of the games .

Suggestions by the sports committee -

- There should be a well qualified , eligible & well trained sports teacher .
- There should be good indoor & outdoor infrastructure facilities in the campus for the students.
- The students who participates in any inter level tournament should practice more for the games .
- There should be leveling of the ground of MGM Medical College Navi Mumbai so that students can practice outdoor games as well .

Lessons learnt -

- The team participating for any such sports tournament has to report to the desired location at around 5 to 7 pm before the day prior of the tournament so that there can be adequate rest for the players .
- The players should get enough game practice at the venue of the tournament prior to the start of the games .

Suggestions by the sports committee -

- There should be a well qualified , eligible & well trained sports teacher .
- There should be good indoor & outdoor infrastructure facilities in the campus for the students.
- The students who participates in any inter level tournament should practice more for the games .
- There should be leveling of the ground of MGM Medical College Navi Mumbai so that students can practice outdoor games as well .

Short event report

All the Students of B.Sc. Perfusion Technology celebrated Perfusion Appreciation Week on 6th May 2022 as 1st successful Open Heart surgery with the help of Heart Lung Machine was performed on 3rd May 1953. On this occasion students participated and presented a miniature model of herat lung machine from the waste products. A simplified miniature model of the heart lung machine was materially devised which consisted of a model of the heart depicting the surgical field demonstrating how the cannulation is accomplished during surgery, assembling of the tubing, connections and how they are connected, the venous reservoir, oxygenator and the roller pumps.

This miniature imitation simplified the teaching as well as the learning process through creative strategies. It involved the development of materials and approaches to gain interest and motivation in learning. The application of these approaches helped in teaching techniques for better understanding of basic concepts effectively and developing skills in limited exposure.
