TO WHOM IT MAY CONCERN

Dr.Avinash L. Sangle has successfully completed his two year residency with effect from 01/05/2008 to 30/04/2010 in Department of Pediatrics for the course of DCH -Maharashtra University of Health Sciences, Nashik, at Grant Medical College and Sir J.J group of Hospitals, Mumbai. He has passed his Diploma in Child Health in first attempt. Afterwards he has worked as Registrar in NICU & PICU from 01/05/2010 to 30/04/2011. During his stay in hospital, he has shown keen interest in day to day hospital working.

His stay in our Department has been very beneficial for the patients. He was actively involved in OPD and Indoor patient care. He was efficient and alert in managing critically ill patients in ward and Intensive Care Units (PICU & NICU).

He has mastered the skills in performing procedures like Endotracheal intubation, Umbilical catheterization, securing central venous line, ventricular tapping, lumbar puncture, pleural and ascitic tapping, intra-osseous line, liver biopsy, exchange transfusion and other routine and emergency procedures. He has also mastered in operating High Frequency Oscillatory ventilator & conventional ventilators.

He has actively participated in undergraduate and nursing staff teaching. His interest in post graduate clinics was remarkable. He has also attended CME, workshop and conferences in and outside city.

Dr.Avinash is sincere, hard working and honest person who is able to manage critically ill patients efficiently. He also has good communication skills. He has always respected his senior faculty members and had a good rapport with his colleagues and paramedical staff.

I wish him success in his life and am sure he shall be an asset where ever he will work.

TO WHOMSOEVER IT MAY CONCERN

Dated: February 2nd 2014

I, Dr. Deepak Ugra, Senior Consultant, Department of Pediatrics, Lilavati hospital and Research Centre, Mumbai, highly recommend Dr. Avinash Sangle for the position of Pediatric Specialist at your esteemed hospital.

Dr. Avinash is a confident and knowledgeable paediatrician who worked with me for three years at Lilavati Hospital and Research Centre. During this period, I found him to be friendly and cheerful regardless of the situation which is a very important quality every pediatrician must possess. At the same time, Avinash is calm and composed in high pressure situations and has exhibited clarity of thought, confidence and skill and making quick decisions in a fast paced environment like the Emergency Room.

He has demonstrated a keen sense of observation, sound foundation in the basics of pediatrics and is also well versed with latest advances enabling him to contribute significantly to patient care. On multiple occasions, he has assisted me and my colleagues when encountered with tough diagnoses, by providing his inputs and insights and researching extensively on the topic, which helped us to make a positive contribution to patient care.

He conducted clinical meetings on a day-to-day basis as a part of post-graduate training in our department and also assisted in the administrative aspects of the department. He shared a good equation with his colleagues evidencing his people-management abilities.

He has exhibited skill and precision in pediatric procedures like lumbar puncture, bone marrow aspirations etc.

The children admitted in the ward liked him as he spent considerable time with them and their parents. Dr. Avinash focused on allaying the fears of patients and their parents alike, counselling parents and trying to help them in any way possible. He also cultivated a good working relationship with the nursing staff.

Amongst young pediatricians of the present generation, I find Dr. Avinash to be a very promising prospect who is reliable, empathetic and well-grounded and a real professional to work with. I am sure Dr. Avinash will perform exceptionally in any environment and contribute significantly to any institution he works with.

Please feel free to contact me for any further information on Dr. Avinash Sangle.

Whomsoever it may concern

It is to certify that **Dr Ingale Vinod C.**, has worked under university approved fellowship program in Pediatric Intensive care of this institute from 01.09.2015 to 31.08.2016.

During his posting, I found Dr Ingale as a very sincere, dedicated and enthusiastic student who has excellent theoretical knowledge and clinical skills along with logical thinking required to apply these skills in clinical decision making. He was always attentive and inquisitive on rounds. He has been craving for the knowledge and actively participated in academic activities of this department as well as in other conferences and CMEs.

During this training, he acquired skills for advanced pediatric care tools e.g. ventilation, resuscitation, monitoring, insertion of vascular long-lines and other intensive care procedures. He also handled various kinds of critically sick patients independently during emergency hours and guided juniors.

He has good command over English with excellent communication skills and a humanistic approach towards patient care. He is a team-person, who maintained cordial relations with his peers, seniors and paramedical staff.

In my opinion, Dr Ingale will be a valuable asset to any institute that he joins and I have no hesitation to recommend him for any post that he applies for. Please feel free to contact me in case of any further queries.

This is to certify that Dr. Mahendra Gurunath Surywanshi S/o Shri Gurunath Bajirao Surywanshi has worked as a post-graduate student in the Department of General Surgery, S.S. Medical College and associated G.M. and S.G.M. Hospital, Rewa (M.P.) from 10th June 2009 to 9th June 2012 and successfully completed his tenure of 3 years. He has passed his M.S. (General Surgery) Examination held in May-June 2012 in First Attempt from A.P.S. University, Rewa (M.P.).

During his stay in the department, he performed all routine duties in the indoor and outpatients Department. He managed routine and emergency surgeries under supervision and has acquired reasonable skill and proficiency in the clinical and surgical work.

During his residency he was assigned Registration work and Undergraduate Clinical Classes. He actively participated in all types of Post Graduate Teaching Programme & workshop. He has undertaken a Research Project entitled "Clinicobacteriological Study of Emyema Thoracis with Special Reference to Role of Intercostal Drainage".

He has participated in the following academic events:

- 28th Annual Conference of the A.S.I. MP Chapter held on 11th to 13th Feb. 2011, at Cancer Hospital and Research Institute, Gwalior (M.P.).
- Laparocon 2011 (3rd Regional workshop on laparoscopy and endourology) held on March 26th - 27th 2011, held at Chitrakoot (M.P.).
- 71st Annual Conference of the Association of Surgeons of India, held on 25th to 30th Dec. 2011 at Cochin (Kerala).

He is hard working and has kind and sympathetic approach to the patient. To the best of my knowledge he is honest, dedicated to his work and bears good moral character.

M.S. (General Surgery) degree of this Institute is recognized by Medical Council of India.

I wish him all success in future.

Dr Rajendra Shewale worked from Jan 85 to Dec 87 under me in Department of Orthopaedics in B.J. Medical College & Sassoon General Hospitals, Pune. After completion of his residency during this period he appeared and obtained his M.S.(Ortho) qualification.

During his period of residency I found him a good, sincere, hardworking and conscientious Doctor. He had obtained all the necessary experience both clinical and operative. He was well experienced as one would expect. During period of residency his grasp is good and technically he has skilled hand and his Orthopaedics knowledge is sound. I wish him all the best in his future career.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Dr. Annachatre Ajita Suhrid worked in the Department of Anaesthesia at Narayana Hrudayalaya Hospitals, Bangalore from 14th March 2007 to 1st March 2011. Initially Dr Annachatre worked as a "Clinical fellow" from 14th March 2007 to 3rd August 2008 and then continued as a DNB trainee from 4th August 2008 to 3rd August 2010. After DNB training she continued as a "Senior Registrar- II" at this institution up to 1st March 2011 & during this period she rotated in pediatric cardiac operating room (9 months) & in adult cardiac intensive unit (3 months).

Narayana Hrudayalaya (NH), though started as a tertiary care referral heart hospital, is presently a leading super-speciality health care provider located in Bangalore, South India. With bed strength of 2400, the hospital is equipped with 24-state-of-the-art operating rooms and 4 cardiac catheterization laboratories. The surgical services provided in this hospital include cardiac, neuro-surgical, general, paediatric, ophthalmic and urologic surgery. NH is projected to establish a Health City to cater to all sub-specialties of medical care under one roof. NH is staffed by highly experienced team of anaesthesiologists, intensivists, cardiac surgeons, cardiologists, neurosurgeons, neurologists, gastroenterologists, nephrologists, radiologists, and diagnostic specialists to cater to the requirements of delivering quality health care to the public.

During her stay here, Dr. Ajita gained considerable clinical skills to efficiently manage and provide anaesthesia for all kinds of surgical patients. She is a hard working and sincere anaesthesiologist who did not spare her-self when it came to the matter of patient care.

Dr. Ajita has a pleasant personality and got along very well with all members of the team. Her conduct and behavior has been good.

I wish her a bright future.

To Whomsoever This May Concern

Re: *Dr Prasanna S Mishrikotkar*

This is to certify that Dr Prasanna Mishrikotkar was a visiting fellow in the Department of Diagnostic Radiology & Organ Imaging, Prince of Wales Hospital from 12-23 December 2005.

All of us in the department found Dr Mishrikotkar to be very experienced and he was able to share his significant knowledge of ultrasound with members of the department. During his attachment in the department, in addition to routine ultrasound Dr Mihrikotkar was also exposed to the various specialist sessions in Head & Neck, Musculoskeletal, Vascular and Paediatric ultrasound. He was always punctual, polite, eager to learn and actively contributed his knowledge and experience during these sessions.

Dr Mishrikotkar has a keen academic interest and participated in the academic activities of the department. He lectured on ultrasound at the department meeting and the topics included;
 -Fetal Physiology of Compensation in IUGR
 -Orbit Ultrasonography

Dr Mishrikotkar is a generous teacher and colleague and contributed his interesting cases to the department's ultrasound imaging library, for which the department is very grateful.

Personally it was a pleasure having him here and I wish him all the success in his career. He will be an asset to any department he chooses to work in.

Thanking you.

Yours sincerely,

Anil Ahuja

SHANMUGANATHAN KANAKAVALLI SPECIALITY CENTRE
for Trauma, Orthopaedics, Plastic, Hand and Micro Surgery

31st January, 2012

EXPERIENCE CERTIFICATE

This is to certify that **Dr. PATIL ANURADHA JAGDISH**, was a DNB Post Graduate student of the National Board of Examinations for training in Plastic Surgery in the Department of Plastic, Hand and Reconstructive Microsurgery at Ganga Hospital, Coimbatore from December 2005 to December 2010.

During this period she had the opportunity to observe and participate in the management of major limb injuries, microsurgical salvage of mutilated hands & limbs and an insight into the philosophy of this department in taking care of trauma patients. She also had good training in general plastic surgery.

Later she worked in the Department as a Registrar in Plastic Surgery from December 2010 to January 2012. During this period of work, she was sincere and hardworking. It was a pleasure having her with us and I sincerely hope that this exposure would help her to deliver better care of her patients.

We wish her all the best in her future career.
