BACKGROUND

The Pradhan Mantri Surakshit Matritva Abhiyan has been launched by the Ministry of Health & Family Welfare (MoHFW), Government of India. The program aims to provide assured, comprehensive and quality antenatal care, free of cost, universally to all pregnant women on the 9th of every month.

Hon'ble Prime Minister of India highlighted the aim and purpose of the Pradhan Mantri Surakshit Matritva Abhiyan in the 31st July 2016 episode of Mann Ki Baat.

PMSMA guarantees a minimum package of antenatal care services to women in their 2nd/3rd trimesters of pregnancy at designated government health facilities.

The programme follows a systematic approach for engagement with private sector which includes motivating private practitioners to volunteer for the campaign; developing strategies for generating awareness and appealing to the private sector to participate in the Abhiyan at government health facilities.

Rationale for the program

Data indicates that Maternal Mortality Ratio (MMR) in India was very high in the year 1990 with 556 women dying during child birth per hundred thousand live births as compared to the global MMR of 385/lakh live births.

As per RGI- SRS (2011-13), MMR of India has now declined to 167/lakh live births against a global MMR of 216/lakh live births (2015). India has registered an overall decline in MMR of 70% between 1990 and 2015 in comparison to a global decline of 44%.

While India has made considerable progress in the reduction of maternal and infant mortality, every year approximately 44000 women still die due to pregnancy-related causes and approximately 6.6 lakh infants die within the first 28 days of life. Many of these deaths are preventable and many lives can be saved if quality care is provided to pregnant women during their antenatal period and high risk factors such as severe anaemia, pregnancy-induced hypertension etc. are detected on time and managed well.

Key Features of PMSMA

- PMSMA is based on the premise — that if every pregnant woman in India is examined by a physician and appropriately investigated at least once during the PMSMA and then appropriately followed up — the process can result in reduction in the number of maternal and neonatal deaths in our country.
- Antenatal check-up services would be provided by OBGY specialists / Radiologist/physicians with support from private sector doctors to supplement the efforts of the government sector.
- A minimum package of antenatal care services (including investigations and drugs) would be provided to the beneficiaries on the 9th day of every month at identified public health facilities (PHCs/ CHCs, DHs/ urban health facilities etc) in both urban and rural areas in addition to the routine ANC at the health facility/ outreach.
- Using the principles of a single window system, it is envisaged that a minimum package of investigations (including one ultrasound during the 2nd trimester of pregnancy) and medicines such as IFA supplements, calcium supplements etc would be provided to all pregnant women attending the PMSMA clinics.
- While the target would reach out to all pregnant women, special efforts would be made to reach out to women who have not registered for ANC (left out/missed ANC) and also those who have registered but not availed ANC services (dropout) as well as High Risk pregnant women.
- OBGY specialists/ Radiologist/physicians from private sector would be encouraged to provide voluntary services at public health facilities where government sector practitioners are not available or inadequate.
- Pregnant women would be given Mother and Child Protection Cards and safe motherhood booklets.
- One of the critical components of the Abhiyan is identification and follow up of high risk pregnancies. A sticker indicating the condition and risk factor of the pregnant women would be added onto MCP card for each visit:
 - o Green Sticker- for women with no risk factor detected
 - o Red Sticker – for women with high risk pregnancy
- A National Portal for PMSMA and a Mobile application have been developed to facilitate the engagement of private/ voluntary sector. 'IPledgeFor9' Achievers Awards have been devised to celebrate individual and team achievements and acknowledge voluntary contributions for PMSMA in states and districts across India.

Goal

Pradhan Mantri Surakshit Matritva Abhiyan envisages to improve the quality and coverage of Antenatal Care (ANC) including diagnostics and counselling services as part of the Reproductive Maternal Neonatal Child and Adolescent Health (RMNCH+A) Strategy.

Objectives of the program:

- ✓ Ensure at least one antenatal check-up for all pregnant women in their second or third trimester by a physician/specialist
- ✓ Improve the quality of care during ante-natal visits. This includes ensuring provision of the following services:
 - All applicable diagnostic services
 - Screening for the applicable clinical conditions
 - Appropriate management of any existing clinical condition such as Anaemia, Pregnancy induced hypertension, Gestational Diabetes etc.
 - Appropriate counselling services and proper documentation of services rendered
 - Additional service opportunity to pregnant women who have missed ante-natal visits
- ✓ Identification and line-listing of high risk pregnancies based on obstetric/ medical history and existing clinical conditions.
- ✓ Appropriate birth planning and complication readiness for each pregnant woman especially those identified with any risk factor or comorbid condition.
- ✓ Special emphasis on early diagnosis, adequate and appropriate management of women with malnutrition.
- ✓ Special focus on adolescent and early pregnancies as these pregnancies need extra and specialized care

The main objective of program was to ensure at least one ANC check-up to all pregnant by a physician and provide continuation in essential health care in spite of the pandemic.

Due to the current pandemic situation, the high risk ANC's were asked to visit for the check-up. All pregnant women were ensured proper antenatal check-up and follow up.

45 pregnant women were a part of this ANC camp. The pregnant females were given a thorough ANC check-up, where patient's vitals were taken and IFA tablets were prescribed and a thorough ANC profile was also performed.

Total no of faculty – 5

Total no of social workers – 3

Total no of interns-2

Total number of beneficiaries= 45

Usg-17

ATTENDED BY

Maj. (Dr) Ashlesha Tawde (Assistant Professor PSM,
RHTC Head)

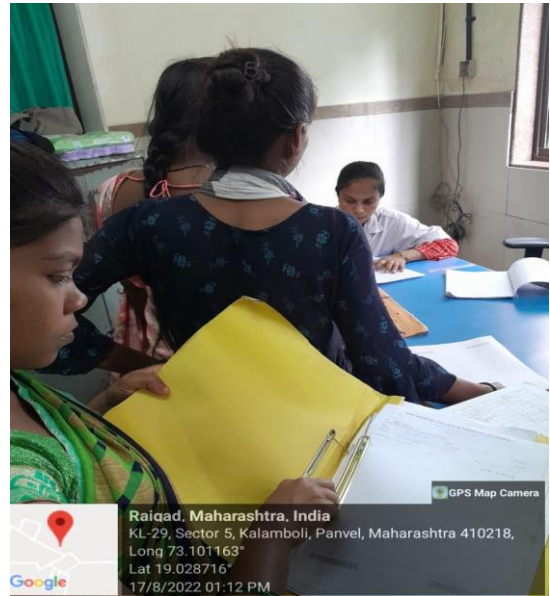

Mrs. Kanchan Patil (ANM)

Kajol Goud (Mph resident)

Dr. Sameeksha Gabhane (obgy resident)

Dr. Shreya Singh(intern)

Dr. Neha Boyapati (intern)

Maj. (Dr.) Ashlesha Tawde
Assistant Professor I/C RHTC
Dept of Community Medicine

NOTES/ COMMENTS

Circular

Phase II students are instructed to attend Gender sensitization debate/ discussion on 23-07-2022 after 11:00 - 11:30am (Saturday) on ground floor LT (Microbiology).

Report

- All phase II students attended the debate
- Class was divided into boys and girls
- Equal opportunity was given to all students to speak/ share thoughts girl students shared that there was gender bias during selection of MD / MS bbranches.
- Boys students thought there was gender bias during travel and public places.
- Healthy discussion followed.

NATIONAL CANCER SURVIVOR AWARENESS MONTH JUNE 2022

7.1 Institutional Values and Social Responsibilities

7.1.1

Measures initiated by the Institution for the promotion of gender equity

during 8th November, 2021 to 31st August 2022

Describe gender equity & sensitization in curricular and co-curricular activities,

facilities for women on campus etc., within 500 words

Gender equity and sensitization in curricular activities is brought by the program run in the college campus about gender elections. Students elect gender heads among themselves who are chosen amongst their peer group by faculty and student's choice which include both male and female. If any problem needs to be discussed then the gender counsel head helps the student. After getting elected the gender champions (male and female) plan for year activity and conduct meetings. They form gender club who works for smooth conduction of all the programs. Complaint box is also attached in the campus where the student can insert problem faced by them writing down on a paper which is resolved by the staff.

Number of gender equity programmes organized by institution

Year	8/11/2021 to 31/8/ 2022
Number	3

Specific facilities provided for women in terms of:

- a) **Safety and Security**
- b) **Counselling**
- c) **Common Room**
- d) **Day care centre in college premises**

Response:

Safety and social security

CCTV cameras are installed at numerous points throughout the institute. The corridors and passages are well lit. Unauthorized access to premises is prevented by armed security guards and identity verification mechanism. Security Personnel including **Women Security Personnel** are deployed **24 x 7** on campus.

Public announcement system exists for instant / emergency communication whenever and wherever required. Helpline numbers for reporting sexual harassment are prominently displayed on notice boards throughout campus. Separate hostel facility exists for girls and boys in the campus. Full time wardens are available in hostels to provide ready attention towards all students. Female security personnel are deployed at entry points of girls' hostel. Female faculty on campus periodically visits girls' hostels.

Anti-ragging committee has been constituted and contact details of its members are displayed at prominent places. **Anti-ragging squads** visit hostels frequently. **No liquor shops** are permitted around the premises. **Sanitary pad vending machines** have been installed.

Sanitary Pad Vending Machine

Concession during college timings are given to female employees to cater their needs to their children when required.

Counselling

Counselling is done regarding gender equity by electing students male and female respectively among them and appointing them as gender counsel heads so that the students regarding any gender related problems on first base be counselled at peer level, the counsel head member further discusses it to the mentor the student has been allotted and the issue is then resolved by mentor, or the student can directly approach the mentor. The mentor counsels the student and tries to resolve it. Mentor takes feedback form filled after the student is satisfied with the counselling. If still the student is not able to discuss problem then the student is referred to psychologist who can counsel in the hospital campus. (View

Document)

Common room

Common rooms for day scholars are provided in every block of the institute with near toilet facilities and facilities with good ventilation, tables, chairs, lockers.

Day care centre

Day Care services for children of both teaching and non-teaching staff members are available in the campus.

Day Care crèche services for children of both teaching and non-teaching staff members are available in the campus.

Wee centre has qualified pre-school teacher and well-trained staff. Routine medical and psychiatric check-up of staff is conducted, and they are appointed after police verification.

The creche caters to babies as young as 6 months as well as school going children and offers a comfortable and child friendly environment. Many festivals and events are celebrated with the children such as Janmashtami, Raksha bandhan, Diwali, and Children's Day. During vacations, yoga, craft and drawing activities as well as dance, song recitation and skits are arranged for the children.

Short event report

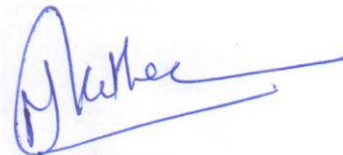

International women's day is celebrated globally on 8th March. "Women in leadership: Achieving an equal future in a COVID-19 world." The theme celebrates the tremendous efforts by women and girls around the world in shaping a more equal future and recovery from the COVID-19 pandemic...

On the occasion of women's day, MGMSBS NSS volunteers celebrated International women's day by saluting and felicitating our housekeeping staffs as a Role model on 8th March 2021 for their achievement which inspired many and made awareness of women's power to achieve and excel in every field they opt for.

There are several competition conducted by our NSS team like poetry/ shayari & monoact. Topic for the above: 1)IMPORTANCE OF WOMEN IN LIFE, 2)WOMEN EMPOWERMENT, 3) SAVE GIRL CHILD. Many students participated, appreciated & thanked all women and housekeeping staff for their restless work towards society.

Induction day 1 schedule

Introduction of Induction Program by Dr.PriyankaPareek

Institute Introduction given By Ms.ShubangiDubey

Address by VC Sir, Dr.ShashankDalvi

Short event report

Induction Day 1

8/11/2021

Induction day programme for MGMSBS, Navi Mumbai and Aurangabad campuses for all first year UG and PG students was held on 8/11/2021 via virtual conferencing platform (Zoom). The programme was started by offering Sarswati Vandana by senior faculty member Dr. Priyanka Pareek, Asst Professor, MGMSBS, Navi Mumbai. Later she had given Introduction about the induction program and invited the student council Secretary Ms. Shubangi Dubey to introduce Patrons, chief guests and speakers. Also she briefed about vision and mission of MGMSBS, MGMIHS.

After that Our Honourable Vice Chancellor sir has addressed the students and parents.

The Programme then proceeded by motivational speech by Vice Chancellor Dr. Shashank Dalvi. In his speech sir has emphasis on role and importance of allied health care professional in health care system. Later on, Director Dr. Mansee Thakur has welcome newly joined students.

Student Council Joint Secretary Ms. Chetna Sikhwal proceeds with introduction of the various departments of MGMSBS, their HOD's and Coordinators

After Introduction of MGMSBS, Ms. Neelam Yeram, Tutor, MGMSBS, Navi Mumbai introduced various committees of the department. Students were oriented about committee's role, responsibility and contact persons.

Ms. Patey Bellarmin, Tutor, MGMSBS, Navi Mumbai has explained rules and regulations of the department. She has covered rules regarding attendance, punctuality, eligibility, exam rules and regulation and code of conduct in premises.

The first speaker was Ms. Gargi Khandekar earlier she was working as a program officer for Youth for Change Program of Akshara Center, Mumbai. She delivered a talk on gender equality and showed short videos related to gender equality. It was very nice and interactive session.

Before concluding session, Directors of Both campuses Dr Mansee Thakur and Dr Rajesh Dase addressed all students. Dr Mansee Thakur has expressed thanks to all Patrons, Speakers. In her talk she delivered message about importance and inculcation of human values in medical profession.

Mr Hrishikesh, Student Council Member, MGMSBS, Navi Mumbai delivered vote of thanks to all speakers, guests, faculties, students and parents. All students were motivated by day speakers and guest's speech. Day was concluded on positive note.

Report of Gender Sensitization Programme at MGMIUDPO.

Name of the event: "Gender Equity Programme at MGMIUDPO".

Purpose: To Know about the Gender Equity and the create awareness about it.

Location: Academic Section, MGM Department of Prosthetics & Orthotics.

Date: 10th March 2022.

Time: 03.00 PM TO 04.00 PM

No of attendees: 26 Students, 4 Faculties of MGMIUDPO.

Proceedings of the event:

The Program started with the brief introduction about the "Gender Equity Program" which is given by Dr. Uttara Deshmukh, I./C Principal of MGMIUDPO. She has introduced some points which we never thought of being important in these aspects. She told how to fairly treat men and women according to their respective needs. This include equal treatment that is different but which is considered equivalent in terms of rights, benefits, obligations and opportunities.

The programme continued with the presentations given by the students. IV BPO student Ms. Rasika Gurav and III BPO Students Ms. Yashashree Gawde & Mr. Sachin Kawankar explained on "Gender Sensitization". The student Rsika Gurav explained the importance of Gender Equity, stuent Ms. Yashashri Gawade explained how both male and female contribute in the society and both are important in various stages of life. Mr. Sachin Kawankar explained about the third gender that is neutral gender. He elaborated that the society should accept the neutral gender people gracefully. He also enlightened about the rights of every gender.

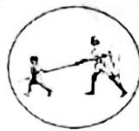

The Programme was beneficial for the students and faculty and the whole team of MGMIUDPO was aware about Gender Sensitization with full knowledge.

REPORT OF SELF DEFENCE TRAINING SESSION-2022 AT MGMIUDPO.

Name of the event: "Self Defence Training Session at MGMIUDPO".

Purpose: To demonstrate practical Skills of Self Defence to overcome any type of Dangerous situations.

Location: Academic Section, MGM Department of Prosthetics & Orthotics.

Date: 11th March 2022

Time: 10.00 AM TO 12.00 PM

No of attendees: 20 Students, 4 Faculties of MGMIUDPO and 2 Coaches.

Proceedings of the event:

In these days and ages, self-defence is one of the utmost important things. We may think that the children may be shielded from abuse and violence. However, the reality is different. Children are now getting abused and violated as they don't have that vulnerability and ability to fight back. A recent study states that 72% of children don't know how to react when subjected to violence. As a result, they became easy targets for sexual and physical violence.

In this context MGM Institute's University Department of Prosthetics & Orthotics under NSS Unit organized a 'Self Defence Training Session'. Department invited Mr. Amit A. Makhare (3rd Dan Black Belt, National Judge & Referee (KIO). & Mr. Sumit Makhare (National level karate Champion)

They demonstrated various types of Self Defence mechanisms to all students & faculty of MGMIUDPO. Also gave training to each and individual students one by one which was actually benefitted to all students to overcome any type of dangerous situation in day today life.

Lastly they shared various legal aspects of rules and regulations of Indian Penal Code to students which was a necessary enlightenment for all.

Overall the training session was an Eye-opening event for all faculty and students of MGMIUDPO.
