The committee expressed its satisfaction on operational aspects of the "Central Purchase System" in place at University HQ which is scrutinizing of maintenance contracts since two years as per the BOM decision. It has streamlined the various categories of maintenance like Lab/hospital Equipment's, Office items, Civil items, IT, Electric, Garden, Vehicles etc.

However, it was pointed out that several constituent units like School of Physiotherapy and School of Biomedical Sciences from Aurangabad campus had not submitted their reports so far.

The following decisions were taken:

- a) At time of purchase of various equipments, the institute Heads must insist on comprehensive warranty (CMC) rather than AMC from vendors/manufacturer's, at least for a period of 3 to 5 years.
- b) Cases where the annual maintenance cost exceeds INR one lakh each on case to case basis need to be referred to the Central Committee at MGMIHS for perusal in its subsequent meeting. However, sanction and completion of all codal formalities will be the sole responsibility of the Head of the Institutes.
- c) Log books on each costly equipment be maintained, showing timely maintenance by vendors. Analysis of amount spent as maintenance/ repair to be compared with purchase cost of machinery for cost effectiveness.
- d) A certificate from the respective Head of the Institutions is required every quarterly that the CMC/AMCs of all equipments in their institute got completed on time. Any deviation needs justification with reason.

The meeting ended with vote of thanks by member secretary.
