**4. Procurement of ACs to be installed in UG, PG reading Halls: A Proposal**

According to the guidelines set by the National Medical Commission (NMC), a centrally air-conditioned Library should provide sufficient space and proper lighting for storing books and journals. The library comprises nine Reading Halls designated for Faculty, Postgraduates (PGs), and Undergraduates (UGs). The proposal suggests upgrading all the Reading Halls to be fully air-conditioned, which involves replacing the outdated and old air conditioners with new ones. Two air conditioners with a capacity of 3 tons each have been purchased and installed in 2 Reading Halls of UGs to make air-conditioned Reading Halls. Additionally, there are plans to acquire eight more 3-ton air conditioners to be installed in the remaining Reading Halls.

**5. Proposal for purchase of New Furniture**

During the Library Committee meeting on 30th November 2022, a recommendation was made to replace the outdated reading tables and chairs in the Undergraduates (UGs) and Postgraduates (PGs) Reading Halls with new standard furniture. This initiative aims to create uniformity and enhance the overall appearance of the library. In the initial phase, 75 tables and 300 chairs were purchased and replaced with outdated furniture in the UGs Reading Halls. Further endeavors are underway to acquire additional tables and chairs to replace the old furniture in the remaining Reading Halls.

**6. Renewal Subscription to Up To Date for 2023-24.**

The subscription to UpToDate, which was initially subscribed for one year from 1st August 2022 to 31st July 2023, expired on 31st July 2023. Most of the Heads of Departments requested the renewal of the UpToDate subscription for 2023-24. Dr. Vijay Kamale highlighted UpToDate's usefulness for clinicians and emphasized its subscription for the upcoming year. Recognizing the importance and usefulness of UpToDate, a decision was made to renew the subscription for the year 2023-24. The agreement was reached to subscribe to UpToDate for 2023-24.

**7. Permission for the filling of vacant posts in the Central Medical Library**

During the discussion, it was explained that the current library staff is being utilized extensively and diligently. They are assigned to work on Sundays and holidays, except for national holidays, on a rotational basis to cater to the library and information services to meet the needs of medical scientists and students from various institutions, colleges, and schools within the MGM Campus. However, the library has a staff shortage, as per the specifications outlined by the National Medical Commission (NMC). Considering the existing human resources deficit, a proposal was put forth to appoint two trained and experienced individuals to the position of Library Assistant. It was opined that these two vacant posts of Library Assistant should be filled as early as possible.

**8. Pay scale should be equal for those working as an Assistant Librarian**

The recommendation is to have the Dean review the subject matter initially to assess its suitability before suggesting it for discussion in the upcoming Library Committee meeting.

**9. Any other items with the permission of the Chair.**

After an extensive discussion during the meeting, the following directives were issued:

- (i) A whiteboard should be displayed in the library to provide library information and create awareness among library users.
- (ii) The Library Committee suggested constructing a separate building for the library and the necessary infrastructure. It includes allocating a separate floor for the libraries of MGM Medical College, MGM School of Physiotherapy, MGM Biomedical Sciences, and the University Department of Prosthetics & Orthotics.
- (iii) It was proposed to provide an emergency exit in the library, along with clear directions, signboards, and stickers where necessary, to ensure the safety of individuals in case of an emergency.
- (iv) To further improve the CAS service as information of the latest issue of journals & books to the students, researchers, and medical scientists, etc.
- (v) Restructure, including changing and fitting broken floor tiles where necessary.
- (vi) To send a proper & polite reminder to the library users for recovery of late books with a penalty.
- (vii) It was directed at preparing a list of library users who holds library books long after the due date. It should be sent to the concerned Heads and Dean's Office for follow-up at the end of every month.

- (viii) It was proposed to acquire 30 computers from MGM Medical College and ten computers from MGM School of Physiotherapy to maintain 50 computers in the library.
- (ix) A directive was issued to replace existing Library Users Card numbers generated by the KOHA/ILMS with PRN numbers for identification.
- (x) It was proposed that Annual Maintenance Contract for KOHA/ILMS should be executed with the concerned party for 2023-24.
- (xi) It was proposed to purchase Radio Frequency Identification (RFID) equipment for updating the library system. The LIB briefly explained the importance and utility of RFID during the discussion. It was agreed upon that before acquiring the RFID equipment; the LIB should visit libraries where RFID systems are already in operation to evaluate their effectiveness within our existing library environment. Additionally, the LIB suggested that the budget be allocated in two phases. Phase I would allocate funds for book tags and security doors while other essential equipment can be procured. It is evident from the provided information that a budget of Rs.10 lakhs has been allocated from the 2023-24 budget, with an additional Rs.10 lakhs sanctioned and budgeted for the following year (2024-25).

#### Recommendations

- (1) An approximate amount of Rs. 11.00 lac had been utilized for various purposes such as renewing journal subscriptions for 2023, acquiring copies of books, databases, etc. The remaining amount of approximately Rs. 133.00 lac will be used towards purchasing additional copies of books, furniture (17 Reading Tables and 150 Chairs), 8 ACs of 3 Ton capacity, 40 multimedia computers, Annual Maintenance Contract (AMC) for KOHA: ILMS Software for 2023-24, and RFID, etc.
- (2) Necessary efforts should be made to procure any pending or non-supplied copies of issues from international/national journals for the year 2022.
- ✓(3) Rs. 9.00 lac approximately be allocated under the *Head: Subscription to UpToDate Database*, covering the period from 1st August 2023 to 31st July 2024.
- (4) The filling of 2 vacant positions for Library Assistants was recommended to meet the sanctioned strength requirements of the National Medical Commission.
- (5) It is suggested to construct a dedicated Library Building equipped with modern infrastructure, exclusively designed to accommodate the libraries of MGM Medical College, MGM School of Physiotherapy, MGM Biomedical Sciences, and University Department Of Prosthetics & Orthotics.
- ✓(6) The site engineer should be instructed to address the water leakage issues by repairing the false ceiling in the Undergraduate (UGs) and Postgraduate (PGs) Reading Halls, as well as the ladies washroom. Additionally, any broken false ceilings within the library premises should be replaced with new ones.

### Minutes of the Library Committee Meeting held on 6 July 2023

The following decisions were made concerning the development of the library of MGM School of Physiotherapy:

#### 1. Acquisition of Books for BPT/MPT

The committee agreed to procure books on physiotherapy for FY 2023-24. LIB informed that a total of 441 copies of books from 201 titles were approved as per the curriculum for Bachelor of Physiotherapy (BPT) and Master of Physiotherapy (MPT). An approximate amount of Rs. 10.00 Lac was recommended for allocation under the *Head: Procurement of Books for BPT/MPT*.

#### 2. Budget Proposals for FY 2023-24

A budget proposal was put forth for allocation of approximately Rs. 31.85 Lac for renewing subscriptions to six journals and purchasing books during the FY 2023-24. The Library Committee approved it.

#### 3. Binding of Books and Journals

It was decided that binding activities for 16 books and 105 volumes of journals would be carried out during the Diwali vacation in 2023. An approved Rs. 00.50 Lac budget was designated for "Binding of Books and Journals."

#### 4. Stock Verification

The Library Committee directed stock verification for the library collection during vacation. Emphasis was placed on the importance of this activity in identifying missing and overdue books. Additionally, reorganizing the library collection in a helpful sequence would facilitate easy access for users, saving them valuable time.

#### 5. Subscription to CINAHL Database for 2023-24

LIB informed the committee that EBSCO had agreed to provide complimentary access to the CINAHL database for libraries within the MGM Campus. However, if this offer was not materialized, it was decided to subscribe to the database in coordination with the MGM School of Physiotherapy, MGM New Bombay College of Nursing, and MGM School of Biomedical Sciences. A provision of approximately Rs. 05.00 Lac was made under the "*Subscription to CINAHL Database.*"

#### 6. Purchase of 10 Multimedia Computers

The Library Committee Chairman proposed purchasing 10 multimedia computers from MGM School of Physiotherapy and 30 computers from MGM Medical College. In light of this, a recommendation was made to MGM School of Physiotherapy for allocating approximately Rs. 05.00 Lac under the *Head: Purchase of Multimedia Computers*.
