Cardiac Anaesthesia CME

Knowledge is Power. Knowledge shared is Power multiplied.

- Robert Boyce

Dear friends....

Warm Greetings

*It's a matter of pride & pleasure for us to declare *Spandan*2023...the first ever exclusive CME on cardiac anaesthesia in the region. General Anaesthesia is the most risky & demanding branch in current Medicolegal era & the risk doubles when it comes with diseases like heart and comorbidities. The aim of this CME is to refresh basics, updating about cardiac anaesthesia & advanced protocols to make it more acceptable & stress-free. This CME will give excellent academic exchange of knowledge for every anaesthesiologists and budding anaesthesiologists i.e our postgraduate students. We are lucky to have excellent speakers for this academic event.*

The organizing team has put its best efforts to bring the balanced platter of practical knowledge for the delegates.

Let's meet, greet and learn at SPANDAN 2023-Cardiac anaesthesia CME.

Awaiting to welcome you all in this pink weather in our historic place, Aurangabad.

ENDOSURG
ENDOSCOPY FOR THE SURGEONS BY THE SURGEONS

Dear Friends,

New year Greetings from “MGM's Centre of Excellence for Gastroenterology and Advanced Minimal Access Surgery”.

As we all are aware with the advances in technology more and more minimally invasive techniques are introduced in the armamentarium of management of surgical diseases. It has become very crucial and necessary to acquire the technology and skills to provide the best possible treatment option to our patients. Endoscopy which was initially introduced as diagnostic modality for GI problems has progressed to advanced therapeutic procedures like ESD and POEM. We are sure with further advances in AI and Robotic surgery more advanced and complex procedures will be done with endoscopes. In most parts of India, all abdominal cases are seen by surgeons so it is important that they should not only learn basic diagnostic endoscopy but also master advanced therapeutic procedures to give the best possible minimally invasive treatment options to our patients which they are demanding.

The Association of Surgeons of India is also working hard to enhance surgical skills amongst its members and one of the mission statements of ASI is to propagate and train surgeons for endoscopic surgical skills.”

I am sure this conference will prove to be a milestone and will go long way in fulfilling the mission and vision of ASI. It is the first dedicated endoscopy training activity for surgeons under the aegis of the Association of Surgeons of India.

We the organizing committee wholeheartedly welcome you all to witness this extravaganza in endoscopy.

ELLORA CAVES

Ellora is UNESCO World Heritage Site Located in the Aurangabad district of Maharashtra, India. It is one of the largest Rock-cut monastery temple cave complexes In the world, featuring Hindu, Buddhist and Jain monuments, and artwork, dating from The 600-1000 CE period.

AJANTA CAVES

Buddhist rock-cut cave temples and monasteries, located near Ajanta village, north-central Maharashtra state, western India, are celebrated for their wall paintings. The temples are hollowed out of granite cliffs on the inner side of a 70-foot (20-metre) ravine in the Wagurna River valley 65 miles (105 km) northeast of Aurangabad, at a site of great scenic beauty. These paintings depict colourful Buddhist legends and divinities with an exuberance and vitality that is unsurpassed in Indian art. The caves were designated a UNESCO World Heritage site in 1983.

DEVGIRI FORT

Daulatabad Fort, also known as Devgiri or Deogiri, is a historic fortified citadel located in Daultabad village near Aurangabad, Maharashtra, India. It was the capital of the Yadava dynasty, for a brief time the capital Of the Delhi Sultanate, and later a secondary Capital of the Ahmadnagar Sultanate.

BIBI KA MAQBARA (DAKKAN TAJ MAHAL)

The Bibi Ka Maqbara is a tomb located in Aurangabad, Maharashtra, India. It was Commissioned in 1660 by the Mughal Emperor Aurangzeb in the memory of his First and chief wife Dilras Banu Begum and Is considered to be a symbol of Aurangzeb's conjugal fidelity.

GHRISHNESHWAR TEMPLE

The is one of the 12 most important temples In India dedicated to Lord Shiva, which Makes it significant, and draws thousands of Pilgrims throughout the year.

Sub:- Permission to conduct Revised Basic Course Workshop (rBCW) at MGM Medical College, Navi Mumbai from 01st-03rd March, 2023 – reg

Madam,

Please refer to your email dated 30th January, 2023 on the captioned subject.

2. I am directed to convey that the National Medical Commission has granted permission to conduct three days Revised Basic Course Workshop(rBCW) with full time teaching faculty from 01st to 03rd March, 2023 at MGM Medical College, Navi Mumbai. The National Medical Commission has also approved nomination of Dr. Priyanka Prasad, Associate Professor, Department of Microbiology (An Internal Resource Faculty of NC, Seth G.S. Medical College & KEM Hospital, Mumbai) as observer on behalf of NMC to conduct said rBCW.

3. The following terms and conditions as well as laid down guidelines should strictly be adhered to while conducting said rBCW:-

- a) The Convener of the Regional/Nodal Centres & Observer must ensure that the number of participants in each workshop should not exceed 30.
- b) In the past it is observed that the colleges make changes in the list of participants approved by the Commission at their own and include names of senior residents, tutors, and demonstrators as participants. The scheduled rBCW by full time teaching faculty has been permitted only for the Assistant, Associate, Additional Professor & Professors as per list received with the proposal. No change in the list of participants should be made without prior permission of the Commission.
- c) The observer will supervise and ensure attendance of participants on each day. He will also be responsible for ensuring that only legitimate participants attend the rBCW & will sign certificate of participation to the Assistant /Associate/Additional Professors & Professors, who actually attended said rBCW.
- d) If any participant misses any session, certificate will not be issued to him by Observer & concerned College until the participant attends the missed session in any subsequent rBCW conducted by said college.
- e) Observer will submit final report and the list of participants in the prescribed proforma circulated earlier to the Nodal/Convener of the Regional Centre only.
- f) Keeping in view prevailing pandemic threat of COVID-19, Convener NC/RC will take necessary steps to alert the participants, faculty and related staff and ensure that all pre-cautionary measures and norms are observed during said workshop.
- g) It is observed that some of the CC members have not done ACME. Thus, faculty who have not done ACME may be enrolled for completion of same on priority basis.
