Subject: Nomination for Board of Studies in Bio-Technology of our Autonomous College

Respected Madam,

With reference to above mentioned subject, we are pleased to inform you that University Grants Commission, New Delhi and University of Mumbai, Mumbai have conferred Graded Autonomous status to our college from the Academic Year 2019-2020 for a period of ten years (till 2028-2029).

As per the statutes of autonomy, we have constituted Board of Studies in **Bio-Technology**. We are pleased to communicate you that our college has nominated you as a member of Board of Studies in **Bio-Technology** of our Autonomous College.

The term of your nomination on the Board of Studies in **Bio-Technology** will be for three years from the date of first meeting of the Board of Studies.

We assure you that we will work together to achieve still greater heights of excellence to serve the cause of Higher Education.

We hope you will do the needful.

Thank you.

December 19, 2023

Dear **Dr Mansee Thakur**,

We hope you are doing well. This is to share that an overview of the processes involved in submitting proposal, review, and approval of proposal, preparation / documentation for ethics review, conducting research up to its closure and finally getting the outcome published in a reputed journal was undertaken by Margaret and others in October – November 2023 to help standardize these processes that would greatly support the research works at Kanha and elsewhere.

While overviewing the processes, the need for constituting a Scientific Review Committee (SRC) comprising of the domain experts from various areas of research was envisaged to review and provide approval to the proposals to proceed ahead with the research work.

We feel privileged and are pleased to approach you as one of the domain experts to be on the SRC as its Esteemed Member. We have enclosed herewith a copy of the “Overview of Processes” referred above and the “Workflow for Data Collection at Kanha” for ready reference and to familiarize you with the processes envisaged. Being aware of your busy work schedule, may we request you to kindly provide us with your acceptance at your earliest to the proposed nomination to SRC, which would be valid for two years i.e. up to December 31, 2025.

Should you need any clarification / information on the matter, we would be pleased to provide the same.

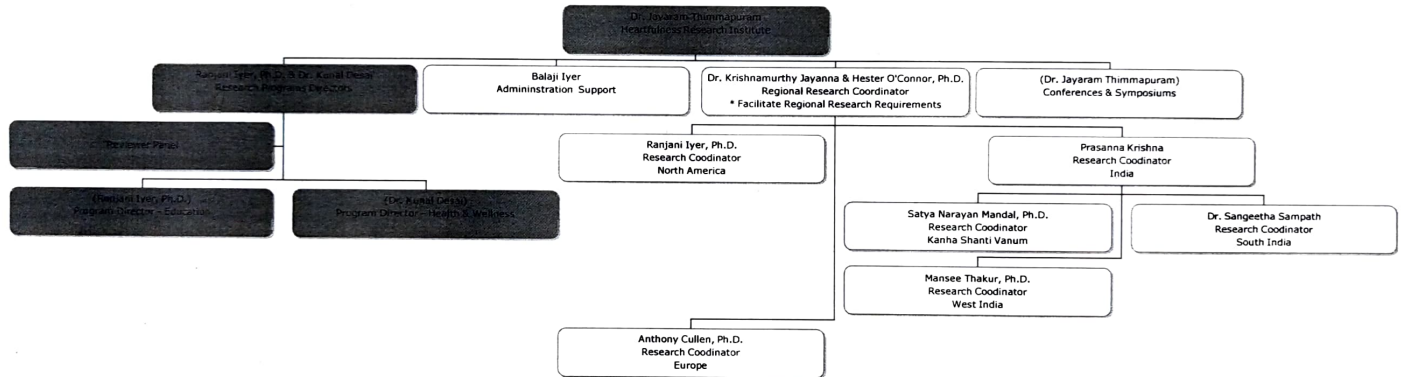

Looking forward to having your fruitful participation to the SRC.

With Heartful regards,

Dr Satya Mandal & Dr Margaret Schenkman

Chair, Scientific Research Committee (SRC)
