

4.2.2 Describe the adequacy of both outpatients and inpatients in the teaching hospital during the last five years vis-à-vis the number of students trained and programmes offered (based on HIMS / EMR) within 500 words.

Answer:

MGM Medical College Hospitals are well equipped with state of the art diagnostic and therapeutic services and are giving efficient services to the community. Outpatient services are available daily from 8.30 am to 4.30 pm. Each OPD has separate cabins for faculty members & teaching rooms for clinical teaching-learning in broad & Superspecialities. Highly qualified, committed and competent doctors deliver patient care at most affordable rates. The population below poverty line and other non-affording patients are treated free of cost. Daily OPD attendance average is 1990 patients and IPD admissions is 130 per day for MGM Hospital Kamothe & Kalalmboli which maintain Bed occupancy of 80%. All UG & PG Students get excellent clinical exposure of patient management. There are Specialty OPDs run by each department whose attendance total 150 per day which allow the students to get insight in special problems and the patients are also benefited.

The super specialty services in Cardiology, Neurology, Nephrology, Critical Care Endocrinology, Cardiovascular Thoracic Surgery, Urology, Pediatric Surgery, Neurosurgery, Plastic surgery, Interventional Pain Management provide training to students in higher skills. MET Cell and Skill labs are available for training in various procedures including BLS ACLS and ATLS, Cadaver workshops are regularly held by various departments.

Hospital has newly established department of Physical Medicine and Rehabilitation (PMR) which is running OPD with Physiotherapy, speech therapy which give dedicated services to average daily patients 80 – 100 in hospital teaching learning of students.

Geriatric OPD caters the need of patients above 60 years. Students get exposure in geriatric care in both OPD & IPD of Geriatric department.

There are 1075 beds for inpatient care for MGM Hospital Kamothe & Kalalmboli as per requirement of Statutory Council. Average in patient occupancy is 75% to 80%. Clinical bed side teaching takes place in various wards in bed side teaching rooms attached to wards to inculcate clinical skills in students. Active participation of postgraduates in management of ward patients round the clock, not only improves their clinical skills but also helps in refining professionalism.

The hospitals have well equipped surgical suites for minor and complex surgeries. Total Operation Theatres in MGM Hospital Kamothe alone are 15 out of which 3 are modular. Average of about 50 major & minor surgeries are being carried out per day in MGM Hospital Kamothe hospitals with facility of live telecast.

There are 100 beds in ICUs with 95 to 100% occupancy providing adequate learning for students in management of acutely patients. Post graduate students get hands on training in bed side procedures like central line insertion, endotracheal intubation, and mechanical ventilation in these units. They also learn to communicate with relatives of critically ill patients.

Average Lab investigations in Pathology 1510, Biochemistry 1600 and Microbiology 364 are carried out daily and 450 radiological investigations including MRI, CT scan, and ultrasonography take place on a daily basis.

Average yearly student- patient ratio is 1:10 for OPD for various UG & PG (Medical Courses). The teaching hospital has consistently seen an increase in the numbers both in the category of inpatient and outpatient.

HIMS / IT Software

The Hospital Management Software is installed in MGM Medical College-Hospital, Navi Mumbai in the year 2008 by BTS (Former Name of TechAce Software Pvt. Ltd.). It has a total 26 modules

The HIMS has been upgraded at both hospitals with the new comprehensive software from Suvarna technosoft private limited. Record maintenance of patients, both inpatient and outpatient has benefited from the use of HIMS. Software eased storage of patient data with ready accessibility of data for research purpose.

The Classrooms in all constituent units are ICT and Wifi enabled. The faculties are trained in using Smart panels (intellispace). Robust e-content is developed in the form of videos for demonstration

Seminars, workshops, conferences and Faculty development programs are conducted online and offline. DVDs and CDs are available in respective department libraries. Students and Faculty attend MOOC courses in Coursera, Udemy, Alison, SWAYAM, and OMNICURIC. They use SPSS statistical package and utilize the Media Lab for Lecture and Demonstration Video capturing.
