World Population Day

Date: 21.07.2023

Preamble	:	World Population Day is observed every year on 11 th July across the world. The event was established by the Governing Council of the United Nations Development Program in 1989. The UN initiated this program to combat the issue of growing population. It is dedicated to raise awareness about global population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights.
Objective	:	- To create awareness about issues related to gender equality.
Event	:	World Population Day
Time and Date	:	9.00 am to 10.00 am, 21 st July, 2023
Organized by	:	NSS Unit of MGM School of Physiotherapy, Navi Mumbai
Participants	:	7 Bachelor of Physiotherapy students, 18 NSS volunteers and faculty.
Event Coordinator	:	Dr. Raturaj Shete (PT), Dr. Aarohi Joshi (PT), Dr. Ramandeep K. Saini (PT)
Venue	:	MGM School of Physiotherapy, Navi Mumbai
Summary	:	NSS Unit of MGM School of Physiotherapy, Navi Mumbai took the initiative to unleashing the Power of Gender Equality by conducting an e-poster making competition. The e-posters made by the students aimed at dismantling barriers and prejudices that have historically hindered the progress of women in various aspects of life. This initiative acknowledged that gender equality is not just a moral imperative but also an economic and social necessity. By empowering women with equal opportunities and rights, societies can tap into a vast reservoir of untapped talent and potential. Posters depicted challenging traditional gender roles, advocating for equal pay, ensuring access to education and healthcare, and promoting women's participation in leadership roles across sectors were highlighted by the students in e-posters.
Value Inculcated	:	Gender Equality & resilience

Feedback	Students understood that unleashing the power of gender equality is about creating a fair and inclusive world where everyone, regardless of their gender, can contribute their skills and ideas to build a more equitable and prosperous future for all.

Report on World Environment Day 2023

Name of the event: World Environment Day 2023

Purpose of the Event: To draw attention to environmental issues and serve as a reminder that nature must not be taken for granted.

Location of the event: Day 1: Lecture Hall 02, University Building, MGMIHS.
Day 2: MGM Ground.

Date and time of the event: 05th & 06th June 2023
10:00 AM to 12:00 PM.

No. of attendees: 14 students, 02 faculties of MGMIUDPO

Proceedings of the event:

The esteemed institute, MGM Institute of Health Sciences (MGMIHS), Kamothe, Navi Mumbai, organized a seminar on the occasion of World Environment Day 2023.

Every year, World Environment Day is celebrated on 05th June. The United Nations General Assembly founded World Environment Day in 1972 to increase public awareness of environmental challenges and encourage action. The theme for World Environment Day this year focussed on solutions to plastic pollution under the campaign #BeatPlasticPollution.

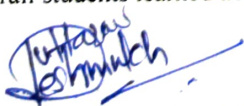

The seminar was started at 10:00 AM on the topics Plastic Pollution, Food Waste and Compose Methods by Mrs. Vinita Sharma, Health Inspector at MGMIHS. Students got to know that the techniques and methods to reuse the plastic waste.

On 06th June 2023, MGMIHS organized the activity where students from MGM Institute's University Department of Prosthetics & Orthotics (MGMIUDPO) and MGM School of Biomedical Science (MGM SBS) actively participated in cleanliness drive where students from both the institutes collected the waste from MGM Ground and nursery area.

Also Dr. Uttara Deshmukh, Principal, MGMIUDPO, conducted an activity at institute level where she informed all the BPO students to use the plastic waste from the department like polypropylene sheets and make creative pots to plant saplings.

First BPO students Sushma and Janhavi enthusiastically participated in a 'Best out of Waste' activity. As guided by Dr. Uttara Deshmukh, they collected and transformed plastic waste mould and repurposed into beautiful and useful stunning Plant Pot. Through this eco-friendly initiative, they raised awareness about the importance of recycling and up cycling. Their efforts not only showcased their artistic skills but also highlighted the potential of waste materials in creating aesthetically pleasing and sustainable objects.

Overall students learned about plastic management and enjoyed to participate in the activity.
