Organizing Institute : NSS Unit of MGM New Bombay College of Nursing
Venue : I Year PBBSc Nursing Classroom
Name of the scheme : NSS Activity
No. of students participated : 38
No. of faculties participated : 1

Brief of the Activity:

As part of the national initiative "Har Ghar Tiranga," 38 NSS volunteers from MGM New Bombay College of Nursing actively participated in taking a pledge to honor and display the Indian national flag in their homes. This initiative is aligned with the broader objective of fostering patriotism and a sense of national pride among citizens, especially the youth. This campaign, launched by the Government of India, aims to encourage citizens to display the national flag in their homes during the Independence Day celebrations, reinforcing the significance of the Tricolor as a symbol of unity and pride. The volunteers gathered to take the solemn pledge, vowing to display the national flag at their residences and promote the campaign within their communities. The pledge emphasized the values of patriotism, respect for the national symbols, and the importance of unity in diversity.

Date : 15th August 2024
Name of the activity : NSS Volunteers' Triranga Rally
Organizing Institute : NSS Unit MGMIHS & MGM New Bombay College of Nursing
Name of the scheme : NSS Activity
No. of students participated : 23

Brief of the Activity:

On 15th August, a vibrant Tiranga Rally was organized on the MGM IHS campus to commemorate India's Independence Day. The event saw active participation from 23 students and two faculty members from MGM New Bombay College of Nursing, who came together to honour the spirit of freedom and patriotism. The rally was marked by a special tribute to India's freedom fighters, with participants dressed up as iconic leaders who played pivotal roles in the nation's struggle for independence. The rally commenced from the main entrance of the campus, with participants waving the tricolor flag and chanting slogans that celebrated the country's rich heritage and the sacrifices of its freedom fighters. The participants' enthusiasm and dedication to the cause were evident in their spirited participation, which added to the overall atmosphere of pride and unity. Also a Rangoli was prepared in the University building of MGMIHS based on the theme Triranga. Overall, the Tiranga Rally was a fitting tribute to the spirit of independence and a successful initiative to instil a sense of national pride among the participants.

Short event report

A trek was organized by NSS unit of MGM School of Biomedical Sciences on the occasion of Independence Day, 15th August, 2023.

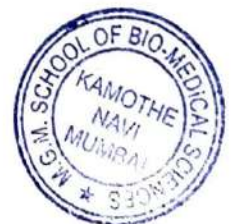

Flag hosting was conducted at 8:00 am. Proceeding with the main event of tree plantation, Dr. Kapil Thakur from Heartfulness organization and other instructors guided us in planting saplings .

Maintaining the agenda of 'Aarambh'-a Science and Spirituality club in MGMIHS, meditating and practicing peace; we gathered around and sat peacefully, meditating. The precious 15 minutes of meditation with rain dripping down was definitely the most amazing experience of the day. Followed by some fun time and preparations to climb back down, NSS students and Aarambh members carried great memories and moments back to the ground. It was indeed a day with patriotism at it's peak!.

Brief of the Activity: On August 09, 2024, the NSS Unit of MGM New Bombay College of Nursing organized the "Ek Ped Maa Ke Naam" campaign. The key objectives of the campaign included raising awareness about the importance of trees in maintaining ecological balance, encouraging students and community members to take responsibility for environmental conservation and enhancing the greenery of the MGMIHS campus. During the event, a total of 10 saplings were planted, including Guava, Tamarind, Neem, Coconut, Mango, Peepal etc. The campaign attracted active participation from 10 NSS Volunteers and 5 supportive Faculty Members who guided and assisted throughout the event. The event also featured brief discussions about the environmental benefits of each type of tree being planted and their contributions to the ecosystem.

Short event report

NSS Unit of MGMSBS and Aarambh MGMIHS jointly organized an Intercollegiate Competition on World Environment Day at MGM School of Biomedical Sciences, Navi Mumbai. The day started on a positive note with meditation (centering). The event started with inauguration by Hon'ble dignitaries, Dr. Shashank Dalvi (Vice Chancellor, MGMIHS, Navi Mumbai), Dr. Chandramani Pathak (Research Director, MGMIHS, Navi Mumbai), and Dr. Mansee Thakur (Director, MGMSBS, MGMIHS, Navi Mumbai). Following the inauguration ceremony, all attendees took a solemn pledge to protect the environment, and came together for recitation of the National Anthem. The focus of the event was to inspire profound reflections among the youth on the importance of environmental conservation. It emphasized the need to celebrate and protect our environment on a daily basis, advocating for activities such as tree planting, maintenance of tress, and reduction of pollution.

The celebration featured two intercollegiate competitions: model making and debate. The judges for the modelmaking competition were Dr. Kapil Thakur (Heartfulness Zonal Coordinator), Dr. Santosh Gawali (HOD & Professor, Department of Biochemistry, MGM Medical College & Hospital, Navi Mumbai), and Dr. Jigna Pathak (Professor, Department of Oral Pathology, MGM Dental College, Navi Mumbai). There were total 19 models, including both teams, and individuals. The debate competition was judged by Dr. Yogesh Patil (Assistant Professor, Department of Biotechnology, MGMSBS, MGMIHS, Navi Mumbai), Dr. Avinash Narayankar (Head of Media Lab, MGM Dental College, Navi Mumbai), and Mr. Anil Khandare (IT Coordinator, MGM Medical College & Hospital, Navi Mumbai). Twelve teams participated in the debate competition, with topics for the first round provided one hour prior to the competition and second-round topics given on the spot. The debate was marked by enthusiasm and showcased participants' knowledge and eloquence. Winners of both competitions were awarded with trophies and certificates of achievement, while all participants received certificates of participation, recognizing their efforts and contributions to the event.

Short event report

MGM School of Biomedical Sciences in association with Aarambh organized International Yoga Day on 21st June 2024, celebrating the power of yoga to unite body, mind, and spirit. The volunteers gathered together for a centering session of meditation before commencing the event. Approximately 40 students from MGM School of Biomedical Sciences attended the event. The program commenced with a yoga session led by certified yoga trainer Mr. Satish Bagauli, who expertly guided participants through a series of asanas and pranayama exercises. Following this, Mrs. Geetanjali Saini, a Heartfulness meditation trainer, conducted an engaging and interactive session on the intricate mind-body connection, featuring brain exercises with children from the Brighter Minds initiative, aimed to foster a deeper understanding of the harmonious relationship between mental & physical well-being. Team Aarambh then performed a mesmerizing yoga dance, showcasing various asanas that are particularly beneficial for mitigating hypertension and anxiety. This was followed by a soulful classical singing performance by Ms. Rutuja Lad.

The event was concluded by a heartfelt vote of thanks delivered by Mr. Tushar Pradhan, Zonal Coordinator, Heartfulness, expressing gratitude to all participants, and organizers. To recognize outstanding participation, prizes were awarded to 10 winners based on their performance in the yoga & brain exercises.

ANNUAL REPORT

CRITERIA 7

7.1.11

1. WORLD STROKE DAY

World Stroke Day is observed on October 29 to underscore the serious nature and high rates of stroke, raise awareness of the prevention and treatment of the condition, and ensure better care and support for survivors. On this day, organizations around the world have facilitated events emphasizing education, testing, and initiatives to improve the damaging effects of stroke worldwide. On this occasion, Neuro Physiotherapy Department of MGM School of Physiotherapy organized “**Stroke Support Group Therapy**” session with the theme “ **Together We Are #GREATER THAN STROKE**” and “**Review Writing Competition**” on the theme “**Self-Management Strategies and Support Strategies for Stroke Survivals**”.

2. WORLD PHYSIOTHERAPY DAY

World Physiotherapy Day, celebrated on September 8, recognizes the crucial role physiotherapists play in improving health and well-being. Initiated by World Physiotherapy, this day raises awareness about the benefits of physiotherapy in managing and preventing a wide range of conditions. It emphasizes the importance of movement, physical activity, and rehabilitation in enhancing quality of life. Activities include public events, educational

campaigns, and professional workshops to highlight physiotherapists' contributions to healthcare. The day also fosters global solidarity within the physiotherapy community, advocating for better access to physiotherapy services and promoting the profession's value in achieving optimal health outcomes. On this occasion, MGM School of Physiotherapy organized Reel Making Competition on the theme “**Manage Arthritis by Movement, not by Medicine**”.

3. WORLD HEART DAY

World Heart Day, celebrated annually on September 29, aims to raise awareness about cardiovascular diseases (CVD) and promote heart health globally. Established by the World Heart Federation, this day highlights the importance of a healthy lifestyle and preventive measures to combat heart diseases, which are the leading cause of death worldwide. Activities include educational campaigns, heart health screenings, and advocacy for healthier environments. The goal is to encourage individuals, families, communities, and governments to take proactive steps in reducing heart disease risk factors such as poor diet, physical inactivity, and tobacco use, ultimately fostering a heart-healthy world. On this occasion, Cardio Respiratory Department of MGM School of Physiotherapy organized National Level Intercollegiate Silent Film Making Competition on the theme “**Use Heart to Know Heart**” along with a free

Physiotherapy camp on Risk stratification and Screening of Cardiovascular diseases for Geriatric Population at Geriatric Care Center.

4. WORLD PARKINSON'S DAY

World Parkinson's Day, observed annually on April 11, aims to raise awareness about Parkinson's disease and support those affected by it. The day commemorates the birthday of Dr. James Parkinson, who first described the disease in 1817. Organized by various Parkinson's organizations worldwide, the day focuses on educating the public about the symptoms, challenges, and advancements in research and treatment of this neurodegenerative disorder. Activities include educational events, fundraising, and advocacy efforts to improve care and find a cure. The tulip, a symbol of Parkinson's, represents hope and solidarity in the fight against this debilitating condition. Neuro Physiotherapy Department of MGM School of Physiotherapy organized a Digital Poster Making Competition with the theme **“Revitalizing Movement: Exploring PT for Parkinson’s Disease”** for UG students and **“Recent Advances in Holistic Approach to Manage Motor and Sensory Impairments in Parkinson’s Disease”** for PG students.

5. INTERNATIONAL YOGA DAY

The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which

originated in ancient India The Indian Prime Minister Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world. NSS Unit of MGM School of Physiotherapy organised “YOGABHYAS: A Yoga Session for Faculty and Students” on 21st and 22nd June 2024.

6. WORLD CANCER DAY

World Cancer Day, observed on February 4, aims to raise global awareness about cancer and encourage its prevention, detection, and treatment. Established by the Union for International Cancer Control (UICC), the day promotes education and action to reduce the impact of cancer worldwide. It serves as a platform to highlight the need for equitable access to cancer care and to support those affected by the disease. Activities include public campaigns, educational events, and advocacy efforts to influence policy changes. By uniting individuals, organizations, and governments, World Cancer Day strives to create a world where cancer is prevented and effectively managed. On this occasion, Cardio Respiratory Department of MGM School of Physiotherapy organized a Continuing Medical Education (CME) on “**Holistic Cancer Rehabilitation: Bridging the gaps through Multidisciplinary Collaboration**”.

Unity Day

Date: 31.10.2023

Preamble	: National Unity Day (Rashtriya Ekta Diwas) is celebrated in India on 31 st October which marks the birth anniversary of Sardar Vallabhbhai Patel. It was introduced by the Government of India in 2014. In MGM School of Physiotherapy, Navi Mumbai we celebrate this day to imbibe the feeling of brotherhood and unity in the students.
Objective	: To re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity, and security of our country.
Event	: National Unity Day
Time and Date	: 9:00 am to 10.00 am, 31 st October, 2023
Organized by	: NSS Unit of MGM School of Physiotherapy, Navi Mumbai
Participants	: Bachelor of Physiotherapy students and faculty.
Event Coordinator	: Dr. Aarohi Joshi (PT), Dr. Ramandeep Kaur Saini (PT), Dr. Raturaj Shete (PT)
Venue	: Seminar hall 2, MGM hospital building, Navi Mumbai campus
Values Inculcated	: Unity and Integrity.
Summary	: National Unity Day was celebrated by NSS Unit of MGM School of Physiotherapy, Navi Mumbai to create awareness about the work, teaching and contributions of Sardar Vallabhbhai Patel towards India's independence and to imbibe the value of national unity among the students. The program started with speech delivered by NSS volunteers on importance of National Unity & Integrity. Students then took a pledge for preserving unity, integrity, and security of the nation. Following this, Unity pledge was taken.
No. of Participants	: 55
Feedback	: Students reported that the activity reaffirmed the solidarity & strengthened the spirit of Unity in Diversity.

Gandhi Jayanti Celebration

Date: 1.10.2023

Preamble	: Gandhi Jayanti is celebrated in India on October 2nd every year to mark the birthday of Mahatma Gandhi, the leader of the Indian independence movement against British rule. On 2nd October, 2014, the Indian Prime Minister, Narendra Modi, launched a nation-wide cleanliness campaign on the occasion of Mahatma Gandhi's birth anniversary. The concept of Swachh Bharat is to provide sanitation facilities to every family, including toilets, solid and liquid waste disposal systems, village cleanliness, and safe and adequate drinking water supply. We have to achieve this as a befitting tribute to the Father of the Nation. MGM School of Physiotherapy, Navi Mumbai, celebrated Gandhi Jayanti by participating in cleanliness drive.
Objective	: -To spread awareness about conserving the environment inspired by Gandhian philosophy. -To contribute towards green and clean environment

Subject: World Blood Donor Day on 14th June, 2024.

Dear Secretary

World Blood Donor Day is a global celebration held annually on the 14th of June to express gratitude to blood donors for their selfless act of saving lives through voluntary blood donation. This day serves as a reminder of the critical need for regular non-remunerated voluntary blood donations and aims to raise awareness about the life-saving impact of these donations.

2. World Blood Donor Day is going to be observed this year in the county on 14th June, 2024. The campaign slogan for this year will be "**20 years of celebrating giving: Thank you, blood donors !**".

The objectives of this year's campaign are:

- To thank and recognize the millions of voluntary blood donors who have contributed to the health and well-being of millions of people around the world.
- To showcase the achievements and challenges of the national blood programs and to share best practices and lessons learned.
- To highlight the continuous need for regular, unpaid blood donation to achieve universal access to safe blood transfusion.
- To promote a culture of regular blood donation among the youth and the general public and to increase the diversity and sustainability of the blood donor pool.

The suggested action plan for the event is as follows:

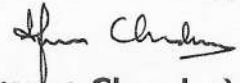

- (i) The event will aim to maximize the registration of willing blood donors along with optimal blood collection.
- (ii) To spread awareness among rural masses, activities of felicitation of blood donors and pledge-taking ceremonies may be organized at the Gram panchayat level. The Pledge can be administered by the respective Sarpanch.
- (iii) Similar, activities may be organized at the block and district level. The office of the District Collector /District Magistrate may be involved in supervising the entire activities in the concerned district.
- (iv) A pledge in English or Hindi or regional language for blood donation will be administered through both physical events at the levels and digital platforms. A template of the Pledge in English and Hindi is enclosed, which may be translated into regional languages for wider dissemination.

- (v) To promote registration of blood donors and create awareness, a facility for blood group testing may be made available on 14th June 2024 at all PHCs/CHCs/Sub-district and District Hospitals and other blood banks as per feasibility. This will help the common citizens to know their blood group, which will be useful in emergencies for blood donation.
3. All Central Government Ministries, Hospitals/Institutions, and Medical Colleges (Government and Private) are requested to organize similar activities on 14th June, 2024.
4. Accordingly, you are requested to organize activities to celebrate the event and disseminate the information widely among various stakeholders. Further, it is requested, that a report along with the photographs of the celebration of the event may be shared with this Ministry on the email address : mp.khobragade@gov.in

with regards.

Encl.: as above

Yours sincerely,

(Apurva Chandra)

WORLD BLOOD DONOR DAY CELEBRATION

Campaign slogan	"20 years of celebrating giving : THANK YOU, BLOOD DONORS!"
Event Date and Time:	14/6/2024, 2.30pm
Venue:	Lecture hall 1, 2 nd Floor, MGM Medical College, Vashi, Navi Mumbai
Organized by:	Department of Pathology
Number of Participants:	105 (Teaching, Non teaching staff and students)
Event Summary:	World Blood Donor Day was celebrated at MGM Medical College, Vashi, Navi Mumbai on 14 th June 2024, at 2.30pm with participation of teaching, non-teaching staff and MBBS students. Experienced Faculty members addressed the audience and oriented them regarding importance of safe unpaid Blood Donation and role of Voluntary Blood Donors in maintaining stable and continuous supply of blood /blood products for providing medical care to the needy patients. The participants were motivated and made aware about shortage of blood in healthcare thus emphasizing the importance of regular blood donations. Blood Donors were thanked for their vital contribution by gifting blood to the needy patients. Event was concluded by taking a pledge to regularly donate blood and the participants were thanked.

Short event report

On October 1st, 2023, The "Swachanjali" cleanliness drive, organized by the dynamic team of Heartfulness Youth and Aarambh MGMIHS, in collaboration with the NSS unit of MGMSBS, took place at the esteemed Heartfulness Centre, Shree Ram Chandra Mission. The atmosphere was charged with enthusiasm and a shared sense of purpose as Aarambh members and NSS volunteers, armed with brooms and determination, embarked on a mission to restore cleanliness and serenity to every corner of the ashram. No area was left untouched by their diligent efforts. From the lofty heights of the terrace to the hidden corners of the backyard, from the hallowed halls of the library to the sacred spaces of the ashram, the dedicated team worked tirelessly to ensure that every inch was pristine and inviting. Their commitment and attention to detail were truly commendable, as they meticulously scrubbed, swept, and tidied each area with unwavering dedication. The transformative impact of their hard work cannot be overstated. The ashram now stands as a shining testament to their unwavering spirit and their unwavering commitment to cleanliness and hygiene. It has become a haven of tranquility, where seekers can immerse themselves in the teachings and practices of Heartfulness with a renewed sense of peace and serenity. The success of the "Swachanjali" cleanliness drive serves as a powerful reminder of the positive change that can be achieved when like-minded individuals come together with a shared vision. The collaboration between Heartfulness Youth, Aarambh MGMIHS, and the NSS unit of MGMSBS exemplifies the power of unity and collective action.

ANNEXURE XI

Report: Tree Plantation Programme at MGM Medical College Vashi.

On **29th January**, an impactful **tree plantation programme under the aegis of NSS (National Service Scheme)** took place at **MGM Medical College, Vashi**. The event witnessed active participation of 100 MBBS students, who planted a total of 50 saplings under the guidance of esteemed teachers including the Dean, Head of community medicine, and other faculty members.

During the programme, students were not only responsible for planting the saplings but also committing to care for them throughout the duration of their course. To foster a personal connection with the trees they planted, the students were encouraged to name their respective trees using their own initials. The tree plantation programme at MGM Medical College Vashi garnered significant attention and appreciation from both students and faculty members. It served as a bold step towards promoting sustainability and environmental awareness within the college community. By actively involving the students in the process of tree plantation, the programme offered numerous benefits. Firstly, it provided the students with hands-on experience in environmental conservation, allowing them to develop a deeper understanding of the importance of trees in maintaining a balanced ecosystem. Moreover, by naming their trees, the students developed a personal connection and sense of responsibility towards the environment, which is crucial for fostering a sustainable mind set. Additionally, the programme fostered a sense of teamwork and collaboration among the students. Through their collective efforts, they not only beautified the campus but also contributed to combating climate change and enhancing air quality. Such initiatives are vital in shaping future healthcare professionals who are not only knowledgeable in their field but also conscious of their impact on the environment.

It was amazing (and also amusing) to see the hands that wield a scalpel and forceps in anatomy dissection halls deftly handling the sickle and the watering faucet. Helping each other lug bags of soil and water buckets was great fun, physical exercise and a lesson in dignity of labour!

Moving forward, it is essential to continue supporting and encouraging similar initiatives in educational institutions. Tree plantation programmes provide students with a unique opportunity to connect with nature and understand the significance of environmental conservation. Such activities should be incorporated into the curriculum, ensuring that every student has the chance to actively participate in building a greener and healthier future.

Summing up, the tree plantation programme at MGM Medical College Vashi was a resounding success. The active involvement of 100 MBBS students in planting 50 saplings, encouraged by the Dean and other faculty members, highlights the commitment of the college towards sustainability and environmental awareness. By naming their trees, the students developed a personal connection and sense of responsibility towards the environment, ensuring the long-term care and well-being of the planted trees. Such initiatives serve as valuable stepping stones towards creating a greener and healthier campus environment, while also nurturing a generation of healthcare professionals who are conscious of their role in environmental conservation.
