

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made and entered into as of 01st November, 2023 by and between

The College of Physiotherapy, Medical Trust Institute of Medical Sciences, affiliated to Kerala University of Health Sciences, Irumpanam, Kochi, Kerala, is a self-financing institute, and has been granted the status of Institute of Eminence by Ministry of Education having its registered office at Kochi through its Principal Prof. Arun Thachil (hereinafter referred to as “MTIMS” which term unless repugnant to the context includes its successors and permitted affiliates).

AND

MGM Institute of Health Sciences, a deemed to be University, through its constituent unit/department the MGM School of Physiotherapy, a research and educational institution, having its office at MGM Educational Campus, Sector 1, Kamothe, Navi Mumbai, 410209 through its Authorized Representative, Dr Rajesh Goel, Registrar, (hereinafter referred to as ‘MGMIHS/MGMSOP’).

Medical Trust Institute of Medical Sciences, College of Physiotherapy, affiliated to Kerala University of Health Sciences, and MGMIHS are individually referred to herein as a 'Party' and collectively referred to herein as the 'Parties'.

Whereas “Medical Trust Institute of Medical Sciences, College of Physiotherapy, affiliated to Kerala University of Health Sciences, ” is a reputed college in Kerala. Medical Trust Hospital, a NABH accredited 750 bed Multi-specialty acute-cum-critical care referral hospital, is one of the most well-equipped and premier hospitals in South India. Since inception in 1973, the Hospital has come a long way with the commitment comprising of internationally acclaimed doctors/surgeons and efficient support staff, and world-class facilities. Set up in the heart of city of Cochin, the hospital provides the right environment for the medical and the allied health sciences education and training.

Medical Trust Hospital was the first hospital in Kerala to set up a specialty sports medicine wing to provide services to sports persons to enhance their performance by prevention and rehabilitation of sports injuries. Over the years the Physiotherapy department has provided services to international, national and state championships and players. The institute has experienced faculties and laboratories equipped with the state of the-art facilities.

MTIMS, College of Physiotherapy commenced in the year 2004-05, was affiliated to Mahatma Gandhi University, Kottayam until 2010. Since 2010, the institute is affiliated to Kerala University of Health Sciences (KUHS), Thrissur and conducts Bachelor of Physiotherapy with 50 intake, Master of Physiotherapy with 10 intake in Musculoskeletal & sports, Neurology, Cardio-respiratory and Pediatrics. Institute is approved research center of KUHS and conduct PhD program in Physiotherapy.

Whereas, MGM Institute of Health Sciences, established in the year 2006, is a deemed to be University with 10 constituent units and is a NAAC accredited institute with A++ grade. It is continuously ranked in NIRF since 2019 onwards. Its hospitals are NABH accredited and clinical laboratories are NABL accredited. Its research laboratories are SIRO recognized. The MGM School of Physiotherapy (MGMSOP), is a constituent unit/department of MGMIHS. MGMSOP undertakes and conducts the Bachelor of Physiotherapy BPT (4 ½ years), Master of Physiotherapy MPT (2-years) and PhD programs. MGMIHS through the MGMSOP provides good quality education to its students in the field of Physiotherapy and has the required infrastructure, facilities including research facilities and an advanced biomechanics laboratory. MGMIHS also undertakes research projects and programs for its students and faculty. MGMIHS has undertaken various projects, programs and research activities with renowned institutes and entities. MGMIHS through MGMSOP is engaged in research, development of medical technology and validation of medical devices.

Whereas MGMIHS has an advanced biomechanics laboratory, which undertakes various kinds of testing, development of devices proposed to be used in rehabilitation of people with musculoskeletal and neurological disorders. During the said testing and development work, MGMIHS through MGMSOP carries out extensive research, testing and validation procedures. In the said process, mechanical engineers give incidental and peripheral support in respect of the mechanical aspects on the concerned issues.

Whereas College of Physiotherapy, MTIMS, has exclusive facilities of renal transplantation units, accessibility to sports academies, active geriatric care group and maximum number of joint replacement surgeries, which can be utilized in collaborative research projects. The institute is also actively engaged in sports training of specially-abled persons.

Whereas the parties have realized the importance of collaborating with each other jointly leveraging each other's strengths and expertise and hence agree to establish a basis for collaboration according to the terms and conditions set out in this MOU.

Whereas the parties agree that this MOU (Master MOU) is in no way intended to create a legal or binding obligation on either party. The MOU serves only as a record of the parties' current intentions to enhance relationships of the Institutions going forward. The parties agree that the parties shall as and when required enter into separate independent agreements for the specific collaboration /programs or projects under this MOU.

Whereas the Parties desire to record the broad terms and conditions that are mutually accepted and agreed to by and between them in this MOU as contained hereunder.

NOW THEREFORE THESE PRESENTS WITNESSETH AND IT IS AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

1. AREAS OF COOPERATION

The parties shall explore collaboration in the following areas to include but not limited to:

- i. Student training: To provide specialized skill training to students of Medical Trust Institute, Kerala, through certificate courses and workshops offered by MGM School of Physiotherapy, Navi Mumbai.
- ii. Research: To engage in collaborative research projects in the area of human movement science, rehabilitation of people with chronic kidney disease, sports training of specially abled persons and fitness testing.

2. IMPLEMENTATION

- i. All programs or activities implemented under the term of this memorandum of understanding shall be mutually agreed upon in writing and the Parties will enter into a definitive agreement through a separate agreement (MoA), covering specific objectives, activities, timelines, milestones, deliverables, planned dates of intended projects, and other relevant points.
- ii. Financial arrangements for each specific programme agreed under this MoU, will be decided mutually on a case- to-case basis and brought on record in each case after due approval from the competent authorities from the Parties.
- iii. The roles and responsibilities of each Party will be decided in each definite agreement based on the scope of work.
- iv. Both Parties shall be fully responsible for the activities carried out under its direction or by its staff, except as otherwise agreed by Parties
- v. Both Parties will designate one officer each who will develop and coordinate specific programs or activities between them.

3. DURATION OF THE AGREEMENT, TERMINATION, AND MODIFICATION

This agreement shall remain in force for an initial period of five (5) years, from the date of the signature/execution by the duly authorized representatives of the parties, and may be renewed by mutual agreement of the parties for a further period thereafter.

Either party may terminate this MOU with 90 days' notice in writing to the other party. In the event of termination, the parties will take steps to bring the activities under this MOU to a prompt and orderly conclusion. If the MOU is terminated neither party shall be liable to the other for any monetary or other losses that may result. The parties agree that the Agreements/MOU executed pursuant to this MOU shall be treated as

independent and separate agreements/MOU and shall be governed by the terms of the said agreements/MOU.

The parties agree that this MOU if required may be amended with the mutual consent of the parties. All amendments shall be in writing, by way of an addendum, and shall be signed by the authorized representatives of the parties.

4. INTELLECTUAL PROPERTY

No rights of any kind whatsoever in any invention, copyright, trade secret, or any other form of intellectual property (collectively defined as "IP") are granted or transferred under this MOU.

- i. For Joint projects any Results which are generated by both Parties jointly and for which it is impossible to segregate each Party's intellectual contribution to the creation of such Results shall be referred to in this Agreement as "Joint Results". Joint Results shall be jointly owned by both Parties who have generated such Joint Results (the "Joint Owners") in proportion to the respective contribution of each Party.
- ii. For Jointly conceived and or developed IP Parties will be committed to the protection, if appropriate, and application of such intellectual property for commercial or other purposes on mutually acceptable terms to be negotiated in good faith between the Parties
- iii. Pre-existing materials/IP shall be put on record. In case it is used or bundled in the relevant reports or in the course of the services to be delivered.
- iv. Any IP exchanged pursuant to this MOU shall be governed by the terms of a separate written agreement depending on the scope of work undertaken and contribution of the inventors.

5. PUBLICATION.

- i. The parties agree that all publications shall be joint. Research articles shall be published jointly with intimation to both parties. Each party may use such property only for research and scholarly purposes. The parties are free to jointly publish the results arising from the collaboration in any journal, magazine or publication, or other media with intimation to the other party. Such approvals shall be considered by the Parties post protection of any overlapping IP under protection on a priority basis, preferably within 30 days. Post IP protection, the Parties may agree to publish the result jointly. In such cases, publication costs will be shared jointly.
- ii. Both Parties shall acknowledge one another in any form of writing, publication or presentation based on research derived from the cooperative efforts of both parties under this MoU unless otherwise mutually agreed upon in writing by the parties.

6. NON-DISCLOSURE

Neither Party nor its authorized personnel, students, related personnel, etc. will disclose or make available to any third party any information or confidential information, whether documented or not, relating to the objectives, scope, work, effort, or results of work performed during the period of this MOU or any other documents and or information received under this MOU. Every joint research would have a separate Memorandum of Association (MoA) and may also include a separate non-disclosure agreement signed by the investigators from both institutions as and when required. This MoA would cover general issues and the financial expenses incurred related to respective projects, as applicable & actual by any of the parties, will be addressed separately as the need be.

In this Clause "confidential information" means: (i) all information or data of a confidential nature concerning the trade secrets or business dealings, methods of business, transactions, plans, or affairs of a Party or third party to whom the Party owes a duty of confidence; (ii) any document or information or data marked "Commercial in Confidence" or otherwise expressly designated as confidential and (iii) any information or data which by its nature the recipient ought reasonably to conclude was confidential information of the Party in all cases including all copies of the above on any media (including electronic media) whatsoever, but excludes the following:

- a) Information actually known to the disclosing Party prior to its disclosure;
- b) Information independently developed by the Party receiving the confidential information or communicated to it in circumstances otherwise than where its disclosure imparted a duty of confidence;
- c) Information that is or becomes generally and freely publicly available through no fault of the receiving Party or its servants or agents;
- d) Such information which is required to be disclosed to or by any Court, tribunal, or Governmental authority with competent jurisdiction.

7. NOTICES

Any notices given under this MOU will be in writing and delivered by e-mail or speed post or by hand addressed to the parties as follows:

The College of Physiotherapy, Medical Trust Institute of Medical Sciences, Kerala University of Health Sciences

Address : Medical Trust Institute of Medical Sciences, College of Physiotherapy, River East Road, Irumpanam, Kochi, Kerala 682309

MGM Institute of Health Sciences

Address - MGM Educational Campus, Sector 1, Kamothe, Navi Mumbai, 410209

8. MISCELLANEOUS

a) Assignment.

Neither party may assign this MOU or the rights thereunder.

b) Survival.

Any of the sections that include any other rights and obligations under this MOU which by their nature should survive, shall survive the expiration or termination of this MOU.

c) Severability

If any provision of this MOU becomes or is declared illegal, invalid, or unenforceable, such provision will be divisible from this MOU and will be deemed to be deleted from this MOU. If such deletion substantially alters the basis of this MOU, the parties will negotiate in good faith to amend the provisions of this MOU to give effect to the original intent/object of the parties under this MOU.

d) Independent Entities.

Medical Trust Institute of Medical Sciences, College of Physiotherapy, affiliated to Kerala University of Health Sciences and MGMIHS are independent parties and neither is an agent, joint venture partners, or partner of the other.

e) Order of Precedence.

In the event of any inconsistency between the terms of this MOU and the documents referenced or incorporated herein or any other document, correspondence or MOU concerning this Program between the Parties and/or their employees, the terms of this MOU will prevail.

f) Entirety.

This MOU represents the entire agreement and understanding between the parties with respect to its subject matter and supersedes any prior and/or contemporaneous discussions, representations, or agreements, whether written or oral, of the parties regarding this subject matter.

g) Amendments.

The Amendments or changes to this MOU must be in writing and signed by duly authorized representatives of both parties.

h) Counterparts.

This MOU may be executed in multiple counterparts, each of which will be deemed an original, but all of which will constitute one and the same MOU, and the signature pages from any counterpart may be appended to any other counterpart to assemble fully executed counterparts.

i) Dispute Resolution.

In event of dispute or claim between the parties concerning the interpretation of any provision of this MOU or the performance of any of the terms/obligations of/under this MOU, such matter or matters in dispute shall be first settled amicably by setting up a mutually agreeable committee of surgeons. The parties after due discussion shall try their level best to resolve the disputes arising out of this MOU, failing which through the Arbitration process. Both the parties after due discussion shall appoint an Arbitrator for resolving the dispute arising out of this Agreement. The arbitration shall be held at Navi Mumbai.

IN WITNESS WHEREOF, these duly authorized representatives of the parties hereby execute this Agreement, including all the terms and conditions mentioned herein above.
