Letter of Intent

I am writing in connection with the Healthcare Research Consortium at IIT Bombay.

This is to confirm our principle interest to participate as a member of the consortium. We understand that this may involve sharing facilities, pooling expertise, participating in joint educational and training programmes and research projects for mutual benefit.

We nominate the undersigned _____, from _____, as a nodal point to represent our organization in the healthcare research consortium.

As active members of the Consortium, we agree to initiate and/or participate in conducting workshops, seminars, conferences, joint projects or any other research/ educational/ societal level ventures that will promote the Consortium as a multi-disciplinary platform for healthcare research in India.

We look forward for working together along with other consortium members to make a greater impact to healthcare in time.
