## **Progress Report of Student's Projects of B.P.O. Program**

### **BPO Academic Year (2023--24)**

MGM Institute's University Department of Prosthetics & Orthotics is a constituent unit of MGM Institute of Health Sciences, Kamothe, Navi Mumbai started Bachelor in Prosthetics & Orthotics Programme (4.5 years) with the approval from Rehabilitation Council of India (RCI), a Government Statutory Body in 2016 for development of specialized health care professionals. The Prosthetics and Orthotics is a specialized healthcare profession, which combines a unique blend of clinical & technological skills. The B.P.O. students are inculcated with various graduate attributes for the development of services for Divyangjan in the society.

The B.P.O students have 'Project Work' as a subject in their IV year B.P.O curriculum as per the guidelines laid by Rehabilitation Council of India. Under this subject they need to do some project of their own ideas which can be a prototype or can be implemented on patients with proper consent and ethical committee approval.

As per RCI guidelines the students need to take the project work under the supervision of a guide, who is an expert in that domain. Accordingly, the students are informed well in advance about the project work & the rules and regulations about the project, in the month of September 2023.

The students choose their area of interest and guide, accordingly the review of literature was ready in the month of October 2023.

The topics of the project work were finalized in the month of October 2023.

After deciding the topics, the students started working in the direction of making a prototype model & they presented the project work at the institutional level in the month of December 2023 for evaluation of their first internal assessment at institute level.

In addition, again necessary changes, corrections were done to improve efficiency and functionality of the design (prototype). With its practical application students had to present their project for evaluation of second internal assessment at institute level in the month of April 2024.

As per the guidelines, the students need to submit the projects to the Institute in the softcopy format. The projects were thoroughly checked with plagiarism software by the respective guides & finally by the Head of the Department, in the Month of May-2024.

Before the final exam, all students submitted their Project Work to the Department in the documented format in the Month of June -2024. During Final Examination (June 2024), students presented their study in front of the Internal and External examiners. On the basis of their knowledge, concept of design, presentation skills and effectiveness of the project, examiners gave marks in the project work.

## Student's Project of BPO Programme for Academic Year 2023-2024

Sr.No	Title of the Project	Name of the Author	Name of the Guide
1	Design and Development of Static Progressive Wrist hand Orthosis	Vanshikha Rajesh Kumar Raval	Dr.Uttara Deshmukh(P&O)
2	Design and Development of Swimming Prosthesis for Transtibial amputee	Krutik Raghunath Jadhav	Dr.Uttara Deshmukh(P&O)
3	Design and Development of Assistive Device for below Elbow amputees	Lalit Sahebrao Patil	Dr. Subhasish Paikray (P&O)
4	Design and Development of cerebral palsy Orthotic walker	Maria Musaddique Ubhare	Dr.Gauri Panse (P&O)
5	Design of Shoulder Abduction splint for Axillary Burns Contracture	Nikhil Purushottam Wagh	Dr.Uttara Deshmukh(P&O)
6	Design and Development of a secondary Prosthesis suitable for water related activities-'Aqualog'	Wajid Jakir Hussain Mandal	Dr.Gauri Panse (P&O)
7	Design and Development of a Prosthetic Alignment Jig for Bench Alignment	Hrida Asif Ansari	Dr. Deepshikha Raut (P&O)
8	Spring feet-Immediate Prosthesis for Symes Amputee	Yasmin Habib Shaikh	Dr.Uttara Deshmukh(P&O)

**Report of Visit to Artificial Limb Centre, Pune**

**Name of the event:** Visit to Artificial Limb Centre, Pune

**Purpose:** To provide students with practical insights into the advanced technologies and methodologies used in the prosthetics and orthotics field.

**Venue:** Artificial Limb Centre, Pune.

**Date:** 12<sup>th</sup> September, 2023

**Time:** 08:00 am to 08:00 pm

**No. of participants:** 43 students and 04 faculties of MGMIUDPO

**Proceedings of the event:**

The MGM Institute's University Department of Prosthetics and Orthotics organized a significant educational visit to the Artificial Limb Centre, Pune. The purpose of the visit was to provide students with practical insights into the advanced technologies and methodologies employed in the field of prosthetics and orthotics.

Upon arrival, students were warmly welcomed by the center's staff and experts. The visit commenced with an informative session outlining the conventional and latest advancements in prosthetic and orthotic devices by Dr. Chandrashekar, Deputy Commander, ALC. Students had the opportunity to witness the manufacturing process of artificial limbs. Students explored CAD CAM cell and Silicone Restoration cell.

Additionally, interactive sessions allowed students to engage with experienced professionals, asking questions and gaining valuable industry knowledge. They explored various types of prosthetic limbs, orthotic braces and assistive devices designed to enhance the mobility and independence of differently-abled individuals.

The visit to the Artificial Limb Centre, Pune proved to be an enriching and enlightening experience for the students. It not only broadened their knowledge but also inspired them to pursue excellence in the field of prosthetics and orthotics. The Department expresses gratitude to the center's team for their hospitality and valuable insights, fostering a spirit of learning and innovation among the future prosthetics and orthotics professionals.

**REPORT OF "EDUCATIONAL VISIT TO MOBILITY INDIA".**

- **Name of the event:** Educational Visit to Mobility India, Bangalore, Karnataka.
- **Purpose of the event:** To provide students with an immersive and interactive learning experience in the field of Prosthetics and Orthotics with respect to educational institute.
- **Organized:** MGM Institute's University Department of Prosthetics & Orthotics.

**Date of the event:** February 12, 2024, 10:00 am to 2:00 pm

**No. of participants:** 21 students, 1 faculty from MGMIUDPO

**Event Summary:**

The students of MGMIUDPO were afforded the valuable opportunity to explore Mobility India in Bangalore, Karnataka on February 12, 2024, as part of an educational initiative under the guidance of Dr. Uttara Deshmukh (P&O).

- Mobility India is renowned for its extensive provision of prosthetic solutions, boasting a comprehensive component manufacturing department and offering specialized wheelchair-related courses.
- The event commenced with an insightful presentation highlighting the institute's offerings, followed by introductions from two esteemed faculty members Dr. Kamaraj, Dr. Guru and a P.G. student representative Ms Vanessa. A keynote address from the principal Dr. Ritu Ghosh provided further context, emphasizing the significance of ISPO certification, component manufacturing and tailored wheelchair courses.
- An engaging interactive session ensued, wherein students of MGMIUDPO were provided with in-depth information regarding the institute's activities, including component manufacturing processes and specialized wheelchair courses.
- A guided tour of the institute showcased various departments, including the foot manufacturing unit, academic facilities, and the state-of-the-art P&O laboratory. Notably, the institute prides itself on its fully accessible infrastructure, catering to individuals with disabilities.

**MGM INSTITUTE'S UNIVERSITY DEPARTMENT OF PROSTHETICS & ORTHOTICS**  
(A constituent unit of MGM INSTITUTE OF HEALTH SCIENCES, NAVI MUMBAI)  
(Deemed to be University u/s 3 of UGC Act, 1956)

**REPORT OF INDUSTRIAL VISIT TO KARE PROSTHETICS AND ORTHOTICS PVT. LTD.**

**Name of the event:** Industrial Visit to "Kare Prosthetics and Orthotics Pvt. Ltd", Bangalore.

**Purpose:** To provide wide exposure to the students to upgrade knowledge about various manufacturing processes in the field of Prosthetics & Orthotics.

**Location:** Kare Prosthetics and Orthotics Pvt. Ltd, Bangalore.

**Date:** 12<sup>th</sup> February 2024,

**Time:** 2.00 PM to 05.00 PM

**No. of attendees:** 1 Faculty & 21 Students of MGMIUDPO.

**PROCEEDINGS OF THE EVENT:**

On February 12, 2024, 21 students from MGMIUDPO embarked on an educational journey to a Kare Prosthetic and Orthotic Center, Bangalore aiming to gain insights into the world of prosthetics and orthotics accompanied by the Head of the Department Dr. Uttara Deshmukh (P&O). The experience proved to be enlightening and transformative, offering a deeper understanding of the field and its impact on individuals' lives. Upon arrival, the students were greeted by a team of professionals dedicated to improving the quality of life for individuals with limb loss or orthopedic impairments. The tour commenced with an overview of the center's mission, highlighting its commitment to innovation, compassion, and patient-centric care.

The students were then guided by a Orthotist being employed there Mr. Neville Joshi. He guided us from initial assessments and measurements to the fabrication and fitting process, each step was explained in detail, emphasizing the importance of precision and customization to meet the unique needs of every patient.

One of the most impactful moments of the visit was witnessing a fitting session, where a patient who was just 4 months old received their newly crafted Cranial Helmet. These type of fitting and fabrication aren't generally seen in a day to day life.

In addition to the technical aspects, the students also gained insights into the psychosocial dimensions of prosthetic and orthotic care. They learned about the importance of empathy, communication, and ongoing support in helping patients navigate the physical and emotional challenges of rehabilitation.

Mr. Neville walked the students through his clinic which had separate counselling rooms, modification rooms, assessment rooms, and a large fabrication area for fabricating prostheses & orthoses.

**MGM INSTITUTE'S UNIVERSITY DEPARTMENT OF PROSTHETICS & ORTHOTICS**  
(A constituent unit of MGM INSTITUTE OF HEALTH SCIENCES, NAVI MUMBAI)

(Deemed to be University u/s 3 of UGC Act, 1956)

Grade 'A<sup>++</sup>' Accredited by NAAC

Sector-1, Kamothe, Navi Mumbai-410 209 | Tel.: 022-27437829, 27437620

Email: [mgmudpo@mgmuhs.com](mailto:mgmudpo@mgmuhs.com) | Website: [www.mgmudpo.edu.in](http://www.mgmudpo.edu.in)

As the visit came to close, the students left with a newfound appreciation for the field of prosthetics and orthotics, inspired by the resilience of both patients and practitioners alike. The experience served as a reminder of the power of innovation and compassion in transforming lives and reaffirmed their commitment to making a difference in the lives of others.
