A woman with long dark hair tied back, wearing a yellow patterned dress, stands on the left side of the frame. She is looking towards the computer monitor. She is holding a smartphone in her right hand.

A woman with dark hair and glasses, wearing a light-colored patterned top, stands behind the seated woman. She is also looking at the computer screen.

A man with dark hair and glasses, wearing a green and white striped shirt, stands behind the woman with glasses. He is looking at the computer screen.

A woman with dark hair tied back, wearing a light blue long-sleeved shirt, is seated at the desk. She is looking at the computer monitor and has her hands on the mouse. The computer monitor displays a software interface with various panels and text.

A black Pelican case is open on the desk. The case is filled with various electronic components, including what appear to be microchips or sensors. The case is labeled 'PELICAN' and 'PROTECT YOUR INVESTMENT'.

A camera on a tripod is positioned in the background, pointing towards the computer workstation. The camera is mounted on a black tripod.
