Dear Sir/ Madam,

Congratulation !!

Your patent entitles "**Polyherbal composition having dipeptidyl peptidase-4 inhibitory effects.**" Application No. **201921053266**, filed on 20.12.2019 and published on 03.01.2020. I am pleased to inform you that you have been provided on 08.08.2022 the incentive for published patent. As per research promotion policy of MGMIHS. The details of incentive amount has been provided below.

| Sr. No       | Name of the Author | Amount       |
|--------------|--------------------|--------------|
| 1            | Ipseeta Ray        | 10000        |
| <b>Total</b> |                    | <b>10000</b> |

We look forward your next Intellectual property rights and continuous support towards fostering research at MGMIHS.

Thanking you,

Dear Sir/ Madam,

Congratulation !!

Your patent entitle "**Biogenic method for generation of monodisperse and fluorescent cerium oxide nanoparticles with enhanced antioxidant activity.**" Application No. **2685/MUM/2015**, filed on 15.07.2015 and published on 31.07.2015. I am pleased to inform you that you have been provided on 08.08.2022 the incentive for published patent. As per research promotion policy of MGMIHS. The details of incentive amount has been provided below

| Sr. No | Name of the Author                | Amount |
|--------|-----------------------------------|--------|
| 1      | Dr. Yadav Raman Prasad            | 2500   |
