Subject:- Invitation as a Guest lecture for the newly admitted batch 2024-25

Dear Alumni,

We hope this message finds you well, on behalf of MGM School of Biomedical Sciences we are delighted to invite you to deliver a guest lecture as part of our induction program.

Your journey since graduating from institution has been truly inspiring, and we believe that your experience and insights would be of immense value to our current students. As an alumnus, your lecture would offer unique and relatable perspectives, motivating students as they pursue their academic and professional goals.

We greatly look forward to the possibility of welcoming you back to institution and hearing about your experience.

Thanking you.

DEPARTMENT OF OBSTETRICS AND GYNECOLOGY
MAHATMA GANDHI MISSION MEDICAL COLLEGE
KAMOTHE, NAVI MUMBAI

Date: 31st May 2024

Report: Preparation Programme for Competitive Exams in Obstetrics and Gynecology

Venue: Department Seminar/Library Room, 2nd floor, Hospital Building, MGM Medical College and Hospital, Navi Mumbai.

Date: 31st May 2024

Objective:

The Department of Obstetrics and Gynecology (OBGY) at MGM Medical College and Hospital, Navi Mumbai, organized a programme to prepare postgraduate students for competitive examinations, aiming to enhance their further education and career advancement prospects.

Background:

Recognizing the demand from students, the department decided to provide in-house guidance and training for preparing various competitive examinations. This initiative aimed to equip students with the necessary skills and knowledge to excel in these exams.

Programme Details:

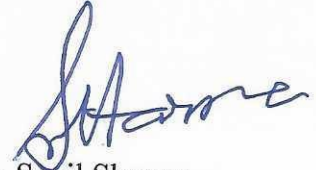

- Attendance: 24 postgraduate students attended the programme.
- Faculty: In-house faculty members conducted the training sessions.
- Content: The programme covered essential topics and skills required for competitive examinations in Obstetrics and Gynecology.

Outcomes:

- Enhanced Knowledge: Participants gained valuable insights and knowledge in preparing for competitive examinations.
- Improved Skills: Students developed essential skills required for succeeding in these exams.
- Increased Confidence: The programme boosted participants' confidence in tackling competitive examinations.

Conclusion:

The Department of Obstetrics and Gynecology successfully conducted a programme to prepare postgraduate students for competitive examinations. This initiative demonstrates the department's commitment to supporting students' further education and career advancement. Based on the positive response, similar training programs will be organized in the future to cater to the demands of the students.

“Informative session on guidance for competitive exams after BPO”

Name of the event: ‘Guidance for competitive exams after BPO’

Purpose: To give knowledge about Competitive Exams after completion of BPO, to all students.

Date of the event: 27-08- 2024, Tuesday.

Time of the event: 12.00 PM – 01.00 PM

No. of participants - 25 students of MGMIUDPO.

Proceedings:

As the four batch of MGM Institute’s University Department of Prosthetics & Orthotics is flying out, the Head of the Department Dr. Subhasish Paikray (P&O), organized an informative session for all students which was motivating for them to pursue competitive exams.

He gave an idea about various competitive exams like IELTS, GRE, and TOFFLE for going out of India.

UPSC, MPSC, RBI, CAT Exams, for pursuing Civil Services after graduation.

He continued informing about CAT exam for MBA and for every different state there is different MBACET for pursuing MBA

He also informed about GATE exams for pursuing M. Tech from IIT for engineering students.

Overall the session was very interactive and informative to all students in which the knowledge was spread about unknown topic.

Subject: Seeking permission to conduct seminar on competitive exam preparation.

Respected Madam,

This is to acknowledge that Dept. of Medical Biotechnology wishes to conduct a seminar on competitive exam preparation by Mr. Suresh Kami for all the Medical Biotech and Genetics students at MGMSBS, NM.

Details of the session are as follows:

Objective:

3. To introduce and explain the application procedure and criteria for exams
4. To guide students about the resources for preparation of exams

Date: 17th August 2024

Time: 10:00 am - 12:00 pm

Venue: 2nd Floor, Classroom No. 5, MGMSBS, Kamothe, Navi Mumbai.

Requesting your kind consideration and approval.

Thanking you,

Yours Sincerely,

Dr. Yogesh Patil

Short event report

Introduction

On 17th August 2024, the Postgraduate Biotechnology and Genetics students at MGMSBS attended an insightful career guidance session led by Mr. Suresh Kami. An esteemed alumnus with an MSc in Medical Biotechnology, Mr. Kami has cleared national level fellowship exam i.e. GATE, while he was preparing for MSc exam too. He shared his expertise on preparing for national-level exams for research fellowships.

Session Overview

Mr. Kami started by discussing his academic journey and the strategies that helped him qualify for the GATE exam, a prominent national-level eligibility test for PhD programs. His experiences provided the students with realistic and motivating insights.

Key Points Discussed

- 1. Significance of National-Level Exams:** Mr. Kami highlighted the importance of qualifying for exams like GATE to secure research fellowships and advance in academic and research careers. He discussed the benefits of these qualifications, including scholarships and access to prestigious research opportunities.
- 2. Effective Preparation Techniques:** He shared detailed study strategies, emphasizing consistent study routines, time management, and setting achievable goals. Understanding the exam structure, including question types, marking schemes, and key topics, was also highlighted.
- 3. Recommended Resources:** Mr. Kami provided recommendations for essential study materials, reference books, and useful online resources. He stressed the value of previous years' question papers and mock tests for familiarizing oneself with the exam format.
- 4. Managing Stress and Motivation:** Strategies for handling stress and maintaining motivation were discussed. Mr. Kami advised students to take regular breaks, engage in physical activities, and seek support from peers and mentors.
- 5. Balancing Coursework with Exam Preparation:** Mr. Kami provided tips on balancing regular coursework with exam preparation, focusing on prioritization and staying organized.

Conclusion

The career guidance session by Mr. Suresh Kami was highly beneficial for the students. His practical advice and personal experiences offered a comprehensive understanding of the preparation process for national-level exams. The session concluded with a Q&A segment allowing students to address specific concerns and receive personalized guidance, leaving them inspired and motivated.

Akshata Rakshe

Short event report

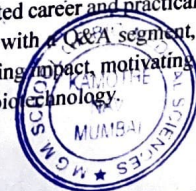

On 6th August 2024, the Medical Biotechnology and Genetics students at MGMSBS had the privilege of attending a career guidance session led by their esteemed alumna, Ms. Akshata Rakshe. Ms. Rakshe is an accomplished professional in the biotech industry, a marketing expert, founder of Vissia Enterprise, and a professional model. Her diverse career path provided a unique and valuable perspective to the students. The session began with an introduction to Ms. Rakshe's journey from a Biotechnology PG student to becoming a prominent figure in the biotech industry and a successful entrepreneur. She shared her experiences and the challenges she faced while transitioning from academia to the professional world.

Key Points Discussed

- **Industry Insights:** Ms. Rakshe highlighted the current trends and future prospects in the biotech industry. She emphasized the importance of staying updated with the latest advancements and innovations. She discussed the significance of interdisciplinary knowledge, combining biotechnology with fields like data science and marketing to create a competitive edge.
- **Career Opportunities:** Various career paths within the biotech sector were outlined, including research and development, quality control, regulatory affairs, and marketing. Ms. Rakshe provided insights into lesser-known roles such as science communication, biotech consulting, and entrepreneurship.
- **Skills Development:** Emphasis was placed on the necessity of both technical skills and soft skills. Key technical skills include laboratory techniques, bioinformatics, and data analysis. Soft skills such as communication, teamwork, and leadership were highlighted as crucial for career growth and success.
- **Networking and Mentorship:** Ms. Rakshe advised students on the importance of building a professional network. She shared tips on effective networking strategies and the benefits of having mentors. She encouraged students to participate in industry conferences, seminars, and workshops to expand their network.
- **Entrepreneurship:** Sharing her journey of founding Vissia Enterprise, Ms. Rakshe inspired students to consider entrepreneurship as a viable career option. She discussed the challenges and rewards of starting a business and the essential steps for turning innovative ideas into successful ventures.
- **Balancing Multiple Careers:** Ms. Rakshe, also a professional model, spoke about managing multiple careers and the importance of time management and prioritization. She encouraged students to pursue their passions alongside their primary careers to maintain a well-rounded and fulfilling professional life.

Conclusion: The career guidance session by Ms. Akshata Rakshe was an enriching experience for the students. Her multifaceted career and practical advice provided a comprehensive view of the opportunities and challenges in the biotech industry. The session concluded with a Q&A segment, where students had the opportunity to ask specific questions and receive personalized advice. Ms. Rakshe's session left a lasting impact, motivating the students to explore diverse career paths, continually develop their skills, and seize opportunities in the dynamic field of biotechnology.

Short event report

Introduction

On 14th November 2023, the Postgraduate Biotechnology and Genetics students at MGMSBS had the opportunity to participate in a career guidance session led by Mr. Shamshad Ather. Mr. Ather, currently a PhD student, who has successfully qualified for the GATE exam—a national-level eligibility test for PhD programs and Job opportunities. His session focused on preparing for national-level exams for research fellowships, providing the students with invaluable insights and strategies. Mr. Ather began by sharing his academic journey and the dedication required to qualify for the GATE exam. His experience provided a realistic and encouraging perspective for the students.

Key Points Discussed

- 1. Importance of National-Level Exams:** Mr. Ather emphasized the role of qualifying exams like GATE in securing research fellowships, enhancing career prospects, and accessing prestigious research opportunities.
- 2. Effective Preparation Strategies:** He shared detailed study techniques, including consistent study habits, time management, and the necessity of goal setting and periodic reviews. Understanding the exam structure, including the types of questions, marking scheme, and high-yield topics, was highlighted.
- 3. Resources and Materials:** Mr. Ather recommended essential study materials, reference books, and online resources. He emphasized the value of previous years' question papers and mock tests for familiarizing oneself with the exam pattern.
- 4. Managing Stress and Motivation:** Strategies for handling exam-related stress and maintaining motivation were discussed, including taking regular breaks and seeking support from peers and mentors.
- 5. Balancing Coursework and Exam Preparation:** Mr. Ather provided tips on balancing regular coursework with exam preparation, emphasizing prioritization and organization.

Conclusion

The session by Mr. Shamshad Ather was highly beneficial for the students. His practical advice and personal experiences offered a comprehensive view of the preparation process for national-level exams. The Q&A segment allowed students to address their specific concerns and receive personalized guidance, leaving them inspired and motivated to approach their exam preparation with confidence and determination of biotechnology.

Name of the activity : Career Counselling

Organizing department : Nursing

Collaborating Agency : Centerpoint Personnel, Overseas placement for Nurses & Health Professionals

Name of the Agency : Mr. Animish Thaker

No of teachers participated : 01

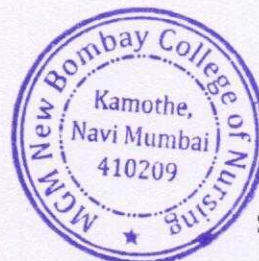

No of Students Participated : 53

Brief of the Activity: The session was taken by Mr. Animish Thaker. Ms. Anna Hima Thomas welcomed Mr. Animish Thaker for the session. He introduced about the importance of German language training for the nurses who are interested to work in Germany. He spotlighted that learning German includes acquiring medical terminology specific to healthcare settings. This is vital for understanding charts, reports, and communicating with colleagues in hospitals and clinics. He concluded that German language training for nursing students goes beyond linguistic competence; it fosters effective communication, cultural awareness, legal compliance, and professional growth in the healthcare field. It equips future nurses with the skills necessary to provide compassionate and competent care in German-speaking environments.

Brief of the Activity: The session was taken by Dr. B. S. Nagaonkar. Ms. Anna Hima Thomas welcomed Dr. B.S Nagoankar for the session. He introduced briefly about MPH and MHA Courses, eligibility, the syllabus, job opportunities and the scope of the course in various fields. He emphasized that MHA is ideal for those interested in healthcare management and administration, while MPH suits those focused on public health practice and policy. He concluded that both MHA and MPH programs offer distinct career paths in the healthcare industry and public health sector respectively. The session provided with a foundational understanding for students regarding the career paths and considerations associated with MHA and MPH courses, guiding individuals towards making informed decisions about their educational and professional futures in these fields
