## Application for Undertaking in lieu of Degree Certificate (version 2020/07)

**Note:** It is to be noted that this application is not to obtain the degree certificate. The degree certificate is conferred through convocation process which is scheduled at fixed times in a year (January and July). As some institutions may demand degree certificate at the time of admission or job before convocation, an undertaking in this regard from University is being made available through this application to prevent academic / job related inconvenience to students.
