

# MGM INSTITUTE OF HEALTH SCIENCES

(Deemed University u/s 3 of UGC Act, 1956)

Grade 'A' Accredited by NAAC

## Report of graduated students in last 5 years (2014-15 to 2018-19)

Amongst all academic programs offered by MGMIHS MBBS and BPT program pass out students have to undergo mandatory one-year/six months' internship respectively as per the regulatory statutory body without which these students are not eligible to receive the respective degree irrespective of their passing in earlier years. Therefore, for the MBBS and BPT students, year of passing and year of graduation (eligible to receive degree) are different. For rest of the programs, year of passing is equivalent to year of graduation.

Thus, in an academic year, final number of graduated students are arrived at by considering those MBBS and BPT students who have completed internship in that year and the passed out students for rest of programs in that year, which is depicted below:

2018-19		2017-18		2016-17		2015-16		2014-15	
A	B	A	B	A	B	A	B	A	B
318	468	264	537	269	449	193	28 7	204	339
786		801		718		480		543	

A = MBBS and BPT students (Internship completed after passing = Graduation)

B = Rest of the students (actual passing year as internship not required = Graduation)

Number of graduated student's year wise during the last five years is enclosed with this report below:
