About MGM Institute of Health Sciences

MGM Institute of Health Sciences was conferred Deemed to be University status under Section 3 of UGC Act 1956 by Ministry of Human Resource & Development, Govt. of India on 30th of August, 2006 to the Institutions namely MGM Medical College, Navi Mumbai and MGM Medical College, Aurangabad which was established in the year 1989 and 1990 respectively. The headquarter of the institute is located at Navi Mumbai Campus. The Undergraduate course (MBBS), Postgraduate Courses (MD/MS/PG Diploma), and Super Speciality Courses (DM & MCh) of these Colleges have been recognized by the Medical Council of India from time to time.

About MGM school of Biomedical sciences

MGM School of Biomedical Sciences (MGMSBS, NM), offers Basic Allied Science and Medical courses for students who aspire to pursue their career in the Allied Health Sciences, teaching, and medical research. 60% of Allied health professionals constitute the healthcare systems in developed countries. Allied health professionals contribute to the delivery of various healthcare services which include evaluation, identification & prevention of disorders, rehabilitation, and health systems management. MGMSBS initially started as a department under the Medical College when MGMIHS was been notified as a Deemed to be University i.e. "MGM Institute of Health Sciences" vide Notification No. F.9-21/2005-U.3 (A) dated 30.08.2006 issued by the Government of India, Ministry of Human Resource Development, Department of Higher Education, New Delhi to train allied health professionals.

Since its establishment in 2009, as a department, it started with mere 100 students in Medical college and it has recorded exponential growth over the years. MGMSBS is now a full-fledged educational and research institution with student strength reaching approximately 538+ and is now acclaimed as a center of excellence in Allied Health Sciences.

About the Competition

This competition based on business model presentations is one of the initiations taken by MGMIHS-IIG to provide a platform for learning, discovering, and imparting entrepreneurship skills among the young graduated students. So, we are expecting maximum student participation in the competition.
