Subject : Seed Money for Research Project "Inhibition study of efflux pump by curcumin and nanocurcumin and its potential in Rifampicin susceptibility in Mycobacterium tuberculosis."

Dear Sir,

We are pleased inform you that your research project entitled. "Inhibition study of efflux pump by curcumin and nanocurcumin and its potential in Rifampicin susceptibility in Mycobacterium tuberculosis." Considering the importance of the objectives of the mentioned research project, the committee has recommended and sanctioned Rs.3089/- (Three Thousand and Eighty Nine only) to carry out lab investigations for the research project.

You need to present the result/progress of the study to the Scientific Advisory Committee, as and when asked for.

Statement of expenses duly signed by Finance officer at the end of financial year/completion of research project must be submitted for the sanctioned seed money amount.

Thanking you,

Dr. Rajesh B. Goel
