2021-22**

VISION

MGM Institute of Health Sciences aims to be a top ranking centre of Excellence in Health Science Education, Health Care and Research.

MISSION

Students graduating from the Institute will have the required skills to deliver the quality health care to all the sections of the society with compassion and benevolence, without prejudice or discrimination at an affordable cost.

As a Research Centre, it shall focus on finding better, safer and affordable ways of diagnosing, treating and preventing diseases. In doing so, it will maintain the highest ethical standard.

Dr. A.G. Shroff
Medical Director,
MGM Medical College & Hospital, Aurangabad

The MGM Medical College & Hospital was established in 1990 with a vision to be a top-ranking Centre of Excellence in Medical Education and Research. Students graduating from the Institute will have all the required skills to deliver quality health care to all sections of the society with compassion and benevolence, without prejudice or discrimination, at affordable cost.

The Institute has celebrated its silver jubilee year during 2014-15. During recent years the college has established itself as one of the top ranking medical colleges in the nation. This medical college is the only Institute which offers post graduates courses in all the medical subjects, super specialty courses in five branches in addition to its MBBS course with a capacity of 150.

During the previous years the college has achieved new heights and milestones towards becoming a center of excellence.

In the field of patient care and clinical services apart from its state of art hospital infrastructure the hospital has added a new OBGY intensive care unit in its group of existing specialized ICU's. The super specialty service was strengthened especially in the field of urology and nephrology by upgrading its kidney transplant unit and dialysis unit along with a new ward and department. It is important to mention that the medical college hospital continues to be in the top "A+" category of Mahatma Jyotiba Phule Jan Arogya Yojana for the last seven years. We have successfully started Liver Transplant Surgery.

As a part of the vision of reaching towards academic excellence the Institute has adopted various latest teaching and learning methodology one of which is early clinical exposure and integrated teaching.

The medical college has decided to accelerate and emphasize on basic medical research as a part of which the faculties are encouraged to participate in research. One of the faculties' research findings has been incorporated by WHO in its publications. Few faculties have got best research awards. The college has recently signed a MOU with Kung-Puk National University South Korea as a part of its academic and research development program. This international collaboration will definitely help the students and faculty to exchange their knowledge and skill.

As a part of quality enhancement the IQAC (Internal Quality Assurance Cell) of the college has implemented many specific quality improvement programs which includes an individual faculty appraisal system which is based on perform and get promoted philosophy.

Dr. R.B. Bohra
Dean,
MGM Medical College & Hospital, Aurangabad

The MGM Medical College & Hospital was established in 1990 with a vision to be a top-ranking Centre of Excellence in Medical Education and Research. Students graduating from the Institute will have all the required skills to deliver quality health care to all sections of the society with compassion and benevolence, without prejudice or discrimination, at affordable cost.

During recent years the college has established itself as one of the top ranking medical colleges in the nation. This medical college is among very few Institutes in the state of Maharashtra which offers post graduates courses in all the medical subjects, Super Specialty courses in five branches in addition to its MBBS course with a capacity of 150.

During the previous year the college has achieved new heights and miles stone towards becoming a center of excellence. In the field of patient care and clinical services apart from its state of art hospital infrastructure the hospital has added new OBGY intensive care unit in its group of existing specialized ICU's. The super specialty service was strengthen specially in the field of Urology and Nephrology by upgrading its kidney transplant unit and dialysis unit along with new ward and department. It is important to mention that the medical college hospital continuous to be in the top "A+" category of Rajiv Gandhi Jeevandayi Arogya Yojna since last three years. The blood bank is NABH accredited and the central path lab is accredited by NABL.

As a part of vision of reaching towards academic excellence the Institute has adopted various latest teaching and learning methodology one of which is early clinical exposure and integrated teaching. The medical college central library has been shifted into its new state of art complex where latest facilities with upgraded books and journals including online facilities are provided. The Institution has organized various National and International level conferences throughout the year. The ICCME (International Conference on Challenges In Medical Education) organized in the year 2015 was a grand success in which various National and International experts of medical education took part.

The medical college has decided to accelerate and emphasize on basic medical research as a part of which the faculties are encouraged to participate in research. One of the faculties' research findings has been incorporated by WHO in its publications. Few faculties have got best research awards. The college has recently signed a MOU with Kyungpook National University South Korea as a part of its academic and research development program. This international collaboration will definitely help the students and faculty to exchange their knowledge and skill.

As a part of quality enhancement the IQAC (Internal Quality Assurance Cell) of the college has introduced specific quality improvement program which includes "Individual Faculty Appraisal System", apart from its existing different cells like Attendance Cell, Student Welfare Cell etc.

Dr. Pravin Suryawanshi
Deputy Dean,
MGM Medical College & Hospital, Aurangabad

At MGM Medical College & Hospital, Aurangabad, we are striving hard to nurture our next generation who will be knowledgeable, skilful, responsible, socially sensitive and globally acceptable. To achieve these goals, we have an excellent team of dedicated teachers and support services. This team enabled us to grab the 37th position amongst 470 Medical Colleges in India.

We are committed to providing state of the art healthcare facilities to our patients with ultramodern infrastructure and a plethora of diagnostic and treatment modalities, which not only benefits patients, but students also have an excellent learning experience. Hospital is also NABH accredited and is positioned 11th amongst 470 Medical Colleges in India by NABH.

We have pioneered advanced treatment options like Liver Transplant and Bone Marrow Transplant in the region of Marathwada.

We also have a state of the art indoor and outdoor sports facility, a meditation hall and a cultural wing for the exemplary personal development of the students. We at MGM are committed to set up a world-class institute with all the ultramodern facilities in a very affable environment. From where I see, we are already reaching there..!!!!

DEPARTMENT OF MEDICAL EDUCATION TECHNOLOGY & SKILL DEVELOPMENT

Introduction

- Medical education technology unit is established at MGM Medical College since the year 2000 to enhance the teaching and learning by integrating effective educational technology solution into the medical education
- It has been activated under the Nodal centre in 2009
- Skill laboratories can help to ensure that all students acquire the necessary techniques and are properly assessed before practicing on real patients. With this aim, skill development unit is established since March 2016.

Goals

- To enable students to provide quality medical care to the society as physician of first contact through promotion and maintenance of excellence in medical education
- To provide safe and protected environment in which the learner can practice clinical skills.

Objectives

- To train faculty members about innovative methods in medical education technology and research
- To apply this knowledge for imparting medical education to students
- To improve student evaluation program by making teachers well versed in newer methods of evaluation
- To train students in essential clinical skills
- To provide safe and protected environment in which the learner can practice clinical skills.

Departmental Faculty:

Name of Faculty	Designation
<u>MEU advisors</u>	
Dr. A. G. Shroff	Medical Director
Dr. R. B. Bohra	Dean
Dr. P. R. Suryavanshi	Deputy dean
Dr. A. R. Kharkar	Professor emeritus MEU Ex. MEU coordinator
Dr. V. P. Kelkar (Sasturkar)	MEU coordinator Associate professor anaesthesia
Dr. S. S. Kulkarni	Incharge skill lab Professor & head Emergency medicine
Dr. G. N. Bapat	MEU faculty Associate Professor Obstetrics & Gynaecology
Dr. S. Siddiqui	MEU faculty Associate Professor Paediatrics

<u>MEU members</u>	
Dr. P. P. Nayak	Professor Anaesthesia
Dr. S. G. Kulkarni	Professor & head Nephrology
Dr. S. Phatale	Professor Physiology
Dr. S. A. Gadekar	Professor Ophthalmology
Dr. S. Adchitre	Associate Professor Community Medicine
Dr. S. Pingle	Associate Professor Pathology
Dr. M. Bhise	Associate Professor Psychiatry
Dr. S. A. Gulanikar	Assistant Professor Anatomy

Faculty achievements:

- Dr. Mrs. A.R. Kharkar, Dr. Mrs. V.P. Kelkar, Dr. G. N. Bapat & Dr. Siddiqui have completed MCI approved advanced course in medical education technology at Seth G.S. Medical College & KEM Hospital Mumbai.
- Seven faculty members have undergone revised basic course and AETCOM (Attitude, Ethics and communication) workshop.
- Seven research articles on medical education technology by MEU faculty were published.
- Dr. S.S. Kulkarni, Dr. P.P. Nayak, Dr. V.P. Kelkar are American heart association certified CPR trainers.

Infrastructure

- Department of medical education has
 - Adequate space, computers, LCD Projector, audio visual system facility
 - Attached skill laboratory with routine & advance mannikins
 - Library containing books on medical education.
 - Additional learning resources include power point presentation bank on medical education topics and educational videos
- Skill laboratory includes
 - 17 simulators which include adult, paediatric, neonatal mannequins for BLS and ACLS training
 - Nursing Anne, Airway trainer, SIM Man 3G, Arterial arms stick, Blood pressure training arm, Labour simulator.

Basic MET workshops

- Two Curriculum implementation support program (CISP) workshops conducted to train faculty in new competency based UG curriculum

First CISP workshop

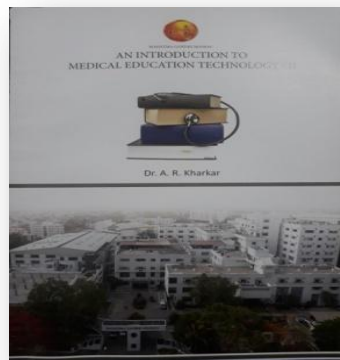

Online CISP 2

- Two state level basic training workshops in research methodology were conducted in collaboration with department of community medicine

Research methodology workshop

- Articles of MET were written by Dr. Mrs. A.R. Kharkar for sensitization and creating awareness about innovative techniques in education.

- Competency based medical education programmes were arranged for all faculty members.

Educational programme for students

- Innovative teaching programmes conducted in collaboration with various departments are as follows.

- Integrated teaching activities
- Early clinical exposure
- Small group teaching
- Problem based learning
- Communication skills
- Student – teacher activities including interesting case presentations, Guest faculty lectures are regularly organized.

Student – Teacher activities

- Training in skills lab –
Department has very well equipped skills lab. Practical skills training in various disciplines such as IV line insertion, adult and neonatal resuscitation, normal labour, laparoscopy, suturing, endotracheal intubation etc. is imparted to the undergraduate & post graduate students.

Value added courses:

- In collaboration with Anaesthesia & emergency medicine departments Value added courses on BLS & First aid and ACLS are conducted for UG and PG students.
- Course on Communication skills is conducted in collaboration with Psychiatry dept

BLS & ACLS courses

Communication skills course
