Minutes of the Meeting of Faculty development programme

Date: 30.03.2021

Agenda of the meeting:

Overview of "Zebra Fish Husbandry and training". Faculty development programme

Discussion on Program Structure and Content and suggestions received from participants

Identifying funding agency for support of FDP

Open Floor for Suggestions and Questions

Minutes:

The meeting commenced at 30th December, 2021, with Dr.Mansee Thakur, Head Medical Biotechnology chairing the session.

1. Introduction to the Faculty Development Program: The Chairperson began by introducing the purpose of the meeting: to discuss the upcoming Faculty Development Program "Zebra Fish Husbandry and training". This program aims to provide faculty members with insights into the latest developments in the field and equip them to incorporate these advances into their teaching methodologies effectively.

2. Overview of Zebra Fish Husbandry and training: Dr.Himanshu Gupta, provided a brief overview of the importance of Zebra Fish Husbandry and training programme as a faculty development programme for in-house faculty members

3. Discussion on Program Structure and Content: The participants engaged in a productive discussion regarding the structure and content of the program. It was agreed that the program would comprise a mix of lectures, hands-on workshops, and interactive case studies. The need for a balance between theoretical knowledge and practical application was emphasized.

4. Identification of funding agency for the Support of such programs financially: Dr. Mansee Thakur, provided a brief overview about the type of financial supports available to such kind of FDPs from ICMR DHR – Human resource development scheme and all the members agreed to support Dr. Mansee Thakur for writing of funding grant to ICMR DHR.

5. Action Items:

Dr. Himanshu Gupta, Assistant Professor, Medical Biotechnology to contact potential resource persons and confirm their availability.

Dr. Mansee Thakur, Head Medical Biotechnology to finalize the program schedule and circulate it for feedback.

Dr. Himanshu Gupta will prepare and submit the proposal to ICMR DHR for financial assistance in coordination with Dr. Mansee Thakur, Head Medical Biotechnology.

Respectfully submitted by,

Dr. Himanshu Gupta
Coordinator, Faculty Development Programme on
Zebra Fish Husbandry and training

Director
MGM School of Biomedical Sciences
MGM Institute of Health Sciences
Kamothe, Navi Mumbai- 410 209, India

Based on the various training conducted for inhouse as well as external students and faculty, and the feed back received we had applied for 2 extramural funding from Department of Health Research under Ministry of health and family welfare (ICMR) from our central research laboratory under Dept of Medical Biotechnology:

- a) ZEBCOG
- b) Centre for Genomics and Integrative research.

Proposals submitted for Extramural funding

2 proposals submitted from Dept of Medical Biotechnology for extramural funding to **Department of Health Research (DHR) under Ministry of Health and Family welfare**

- 1) Proposal id - [2022-1051](#) - Title: Hands-on Training Programme on Zebrafish in Biomedical Research and Drug Development
- 2) Proposal id - [2022-1046](#) - Title: Molecular Diagnostics of Infectious Diseases - Let's analyze the Nucleic acids of Pathogens

Both these proposals have been accepted for funding by DHR. Attached the letters.
