2. For continuous learning about pain and upgradation of knowledge about pain The Pain conference was organised in the month of March 2021 on 5.3.21 to 6.3.21.

**Conference Theme - Pain:
Integrating Envision,
Empathy, and
Empowerment**

Pain is complex; Pain is multifaceted;
Pain is highly variable; Pain is multidimensional;
Pain is a mystery & challenge to the clinicians, and
Hence an effective pain care should be multidisciplinary!

MGM Physiotherapy, Rehabilitation & Fitness Centre, Aurangabad brings you a virtual conference in a seamless experience, to bridge the gap between pain and relief, busting common myths of pain, better understanding of pain neurobiology and neurophysiology from a team of multidisciplinary healthcare professionals across the globe.
