Remarks of Faculty:

Field trips and Picnics to change and break monotony is needed. Team building activities with help of professional like treks, outdoor activities needs more attention Need better infrastructure facilities, especially for clinical training. As per requirement and demand of CBCS curriculum faculty number is not sufficient .

The permission requirement for each task delays it at times

Amount of administrative work requires a person desktop with internet facility

The contract renewal which is halted since long should be take into consideration

Action Taken Report on Faculty Feedback (2021-22)

In an attempt to obtain feedback on Physiotherapy curriculum, teaching faculty of MGM School of Physiotherapy were given feedback forms to know their views on the curriculum.

70 % faculty agreed that structure of curriculum to be logically organized. 95 % teachers reported that the course content is need based. 100 % faculty agreed that freedom to adopt newer strategies of teaching was provided. 80% agreed that regular feedback and suggestions were taken for curricular changes. 90% faculty reported that relevant books were provided by the institute as per listed in the curriculum. The physical set up of the institute was found to be conducive by 70% faculty. 85% agreed that team spirit and cordial work relationship is present amongst staff. 85% faculty agreed that recognition for achievement was provided by the institute.

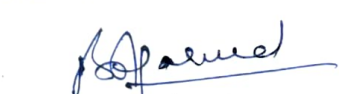

ATR:

To enhance teaching- learning process the following measures were adopted:

- Faculty was encouraged to adopt an inter-disciplinary and intra-disciplinary approach to learning.
- Based on student strength and requirements as defined by Maharashtra State Occupational Therapy and Physiotherapy Council, books have been added to the library and additional journals have been provided. Online journals are made available for referencing. Plagiarism software is available in the library for scrutinizing master's dissertation and research project reports.
- 5 Faculty members were supported by MGM Institute of Health Sciences to attend "Shiksha 2.0" one-month online program to unleash potential of educator in Higher Education Institutions (HEIs) organized by Sri Sri University, Orissa.
- Faculty members were encouraged to attend courses related to newer teaching learning methods.
- Total 12 Faculty members are enrolled for PhD program; 1 for academic year 2016-17, 2 for academic year 2021-22 and 9 for academic year 2022-23.
