MEMORANDUM OF UNDERSTANDING

This MOU is in between Marathwada association of dermatologists, venereologists & Leprologists and MGM Medical College & hospital henceforth referred as MADVL & MGM respectively.

It is mutually agreed that the two machines i. e. Intense light (IPL) and Narrow band UVB (NBUVB) which are owned by MADVL should be kept in Skin OPD of MGM hospital.

The revenue generated through the utilization of the machine will be divided as 70 % and 30 % (70% to MADVL & 30 % to MGM)

..2..

All the expenses towards maintenance, repair, servicing, parts replacement etc will be done by MADVL.

MADVL sincerely thanks MGM for this collaboration and expects the same in the future also.
