

MEMORANDUM OF UNDERSTANDING (MOU)

Between

LILAC INSIGHTS PRIVATE LIMITED, MAHAPE, NAVI MUMBAI

AND

MGM SCHOOL OF BIOMEDICAL SCIENCES, NAVI MUMBAI

This Memorandum of Understanding (herein after referred to as 'MOU') entered on the 29th Day of August 2020 at Mumbai by and between:

M/s. Lilac Insights Pvt Ltd, a Private Limited company incorporated under the provisions of the Company Act, 1956 having its registered office at 301/302, Rupa Solitaire, Millenium Business Park, MBP-Mahape, Navi Mumbai hereinafter referred to as, The First Party (this expression includes its successors, executors and permitted assigns)

and

MGM School of Biomedical Sciences, Kamboli, Navi Mumbai hereinafter referred to as, The Second Party (this expression includes its successors, executors and permitted assigns).

The First Party is a Private limited company providing genetic and genomic testing services and The Second Party is a medical hospital college and institute

WHEREAS MGM School of Biomedical Sciences has expressed interest in collaboration with Lilac Insights for sending the below mentioned students of MGM School of Biomedical Sciences to Lilac Insights for the purpose of pursuing their internship:

1. Student Smruti G. Patil pursuing internship in *Cytogenetic Evaluation of Children with Delayed Development.*
2. Student Adela Lalthlenpui pursuing internship in *Cytogenetic Evaluation of Premature Ovarian Failure Cases.*
3. Student Supriya Bhakre pursuing internship in *Cytogenetic study of Infertile Men with oligozoospermia.*

WHEREAS Lilac Insights has agreed to provide its lab facilities at 301, Rupa Solitaire, Millenium Business Park, Mahape to the above students for their internship projects.

The First Party and the Second Party agree as under:

- 1) All data generated as a result of the above mentioned internship projects will be the sole property of Lilac Insights. MGM School of Biomedical Sciences or any of their personnel will not disclose or divulge such data or any part of the data to any third party.

- 2) Any confidential, proprietary, non-public ideas and information belonging to any of the parties that are disclosed orally in writing, or furnished by one party to the other party in connection with this MoU will be maintained by the receiving party as confidential and shall be held in trust.
- 3) It is contemplated that the results of this collaboration will be jointly published. Authorship of the results of the collaboration will be based on the contribution made by individual party to the research results being published. Publications, if any, in respect of the activity under this MoU shall be in the name of the designated personnel from both the parties. In all publications, it (papers, reports, etc.) will be duly acknowledged that the work has been carried out jointly by both parties.
- 4) This MoU contains the entire understanding of both the parties to the subject matter hereof, and supersedes all prior discussions, documentations or agreements between them.
- 5) This MoU shall be governed under the law of India and courts of Mumbai shall have exclusive jurisdiction.
- 6) Each person executing this MoU represents and warrants that they are acting on behalf of the institute-laboratory identified in the first paragraph of the agreement and not as individual entity. Each person further warrants that they are authorized to enter into such agreements for and on behalf of their respective institutes.

Notices should be in writing and shall be mailed or delivered to the following address.
