Short event report

MGM School of Biomedical Sciences is known for its research activities, in the same direction the institute has taken initiative to conduct the faculty development program for the faculty members of MGMIHS. The first session of the programme was taken by Dr. Vinay kumar, Assoc. Prof. from Modern college, Pune. He has given information about the selection of journals, H index, impact factor etc. The second session was delivered by Dr. Ahmed Ali on 6 th January on research misconduct. He has given detailed information about research misconduct and spoke at length on plagiarism and how to check plagiarism. Overall the programme was very informative, we are thankful to the organizing committee to give us opportunity to attend the FDP.
