Uran (Raigad):

M. G.M. Hospital Kamothe Physiotherapy Department, & Department of Orthotics & Prosthetics

Department of MGM School of Physiotherapy and Department of orthotics and prosthetics and Uran Taluka ( Divyang Sanstha ) organized a camp for differently-abled brothers today at Ganesha Temple in Bokadvira.

Doctors examined the physical and mental abilities of such disabled brothers and measured them for the calliper.

Today On 4th October, the camp was completed by doing exercises from 1 pm to 5 pm for this purpose. The main purpose of this camp was to help disabled brothers who walk with one leg or have slightly crooked legs. Those who have polio. Also 80% loss movement of leg or hand

Then it was checked how it would fit and M.G.M arranged to give 10 disabled brothers free callipers within a few days. M.G. M Hospital Kamothe. Dr. Rajni Mullapatan Director of MGM School of Physiotherapy then checked how they would fit and MGM arranged to give 10 disabled brothers free callipers within a few days. Dr. Rajni Mullapatan Director M.G. M. School of Physiotherapy and team and Dr Uttara Deshmukh Director MGM Prosthetics and prosthetics soon Giving them new calipers early keeping in mind the needs are coming so that their basic needs of walking, getting up, lying down will be helped.

In this program check-up and fitness physiotherapy for disabled Dr Kritika Gawde, MGM School of Physiotherapy , Prosthetics Orthotics Department Dr Ravi Batola, Dr Janhvi Shaha, Dr Akhil Santri, Dr. Drashti Solanki, Dr. Tristi Pujari, Dr. Rituja Butala, and the Kamothe team. Also Mr. Mahendra Mhatre (President), Mr. Rajendra Patil (Vice President), Mr. Nitin Kadu, Mr. Sandesh Rajguru and Feroze Kazi of Uran Taluka Divyang Sansthan provided valuable support. done Similarly, if you want to conduct any kind of free camp in your taluka, village, M. Kamothe. G. M Hospital Dr. Rajni Mullapatan Director M. G. M. Contact the School of Physiotherapy and discuss with the team and organize a free camp in your area so that there is a village-to-village promotion and dissemination, all the common people will benefit from it.
